Strategic Alignment Among the key purposes of the District's Facilities Master Plan is to provide an academic environment for the Oakland community that will give every student, educator, and community member using our facilities the best possible opportunity for learning.

Through implementation of the Facilities Master Plan, the District intends to improve the District's facilities in terms of structural integrity, safety, reliability of operating (mechanical) systems, access to modern resources,

The basic facility needs of students such as proper lighting, functional roofs, noise control and well maintained buildings, not only convey the message that we value our students and teachers but may foster a sense of school pride and community ownership which may improve attitudes towards learning. The implementation of the Facilities Master Plan is our first step in that direction.

**RE: Seismic Safety Enhancement for Oakland Unified School District
Request for Add Services Related to SMP State Funding**

Tadashi,

We continue to support OUSD's efforts to obtain Hardship funding as part of the SMP. With recent letters and discussion with OPSC, specifically, in regard to the 15-day letters received for two of the projects and the subsequent conference call on Thursday, September 20, 2012, the OPSC has indicated that the submitted cost estimate provided as a basis of the funding request must be in conformance with the **Saylor Current Construction Cost Publication** as referenced in Regulation Section 1859.82(a)(1)(B).

Regulation Section 1859.82(a)(1)(B) states:

(B) If the request is for replacement facilities that included structural and/or seismic deficiencies, the cost/benefit analysis must also include a report from a licensed design professional identifying the minimum work necessary to obtain DSA approval. The report must contain a detailed cost estimate of the repairs. The report and cost estimate shall be subject to review by the OPSC for conformance with the Saylor Current Construction Cost Publication and, at the OPSC's discretion, the DSA. For seismic deficiencies of the Most Vulnerable Category 2 Buildings, the report and the cost estimate for the minimum work necessary must be reviewed by the DSA.

We are challenging this with the support of SFC and seek a meeting with OPSC in the near future.

Should the outcome of that be either a "no, we have to provide a cost estimate based on the Saylor Publication" or a "negotiated position that enables us to use some of Swinerton's cost date", ZFA will be required to provide detail quantity and cost summary based on the DSA approved documents, the cost data provided by Swinerton, identified unforeseen conditions and the associated DSA-approved field changes, and field reports by the IOR/DSE. Based on the example cost date provided by OPSC's PVT, each item will have to be supported by a quantity calculation for each component and for every trade. This is very time consuming to go to this level of detail.

100 bush street
suite 1850
san francisco ca 94104
415 243 4091

ZFA will provide a detailed quantity and cost summary for each project that includes ALL soft and hard costs that can be claimed through the SMP. Further, we anticipate iterations and negotiations with OPSC. We anticipate up to 120 hours (3 weeks) each for the Montera MS Gymnasium and Oakland Technical HS Auditorium, and up to 170 hours for King Estates MS. These are worst case scenarios, so we propose the following Not-To-Exceed fees.

King Estates MS	\$23,000
Montera MS, Gymnasium	\$18,000
Oakland Tech. HS, Auditorium	\$18,000

To minimize consultant fee costs to the District and to prepare the most persuasive cost data, we will utilize Swinerton's resources and data, recorded construction inspection and observation findings provided by IOR/DSE, and OUSD staff, and cost estimating resources OUSD has available.

Should you have questions, please contact the undersigned.

ADDITIONAL INSURED (ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:
COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

NAME OF PERSON(S) OR ORGANIZATION(S): The Oakland Unified School District, its Directors, Officers, Employees, Agents and Representatives.

PROJECT/LOCATION OF COVERED OPERATIONS: All Operations of the Named Insured.

PROVISIONS

A. The following is added to WHO IS AN INSURED (Section II):

The person or organization shown in the Schedule above is an additional insured on this Coverage Part, but only with respect to liability for bodily injury, 'property damage' or 'personal injury' caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

- a. In the performance of your ongoing operations;
- b. In connection with premises owned by or rented to you; or
- c. In connection with your work and included within the "products-completed operations hazard."

Such person or organization does not qualify as an additional insured for "bodily injury", "property damage" or "personal injury" for which that person or organization has assumed liability in a contract or agreement.

The insurance provided to such additional insured is limited as follows:

- d. This insurance does not apply to the rendering of or failure to render any "professional services".
- e. The limits of insurance afforded to the additional insured shall be the limits which you agreed in that 'contract or agreement requiring insurance' to provide for that additional insured, or the limits shown in the Declarations for this Coverage Part, whichever are less. This endorsement does not increase the limits of insurance stated in the LIMITS OF INSURANCE (Section III) for this Coverage Part.

B. The following is added to Paragraph a. of 4. Other Insurance in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):

However, if you specifically agree in a contract or agreement requiring insurance that, for the additional insured shown in the Schedule, the insurance provided to that additional insured under this

COMMERCIAL GENERAL LIABILITY

Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such additional insured which covers such additional insured as a named insured, and we will not share with the other insurance, provided that:

- (1) The "bodily injury" or "property damage" for which coverage is sought occurs; and
- (2) The "personal injury" for which coverage is sought arises out of an offense committed;

after you have entered into that "contract or agreement requiring insurance" for such additional insured. But this insurance still is excess over valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured when the additional insured is also an additional insured under any other insurance.

- C. The following is added to Paragraph 8. Transfer Of Rights Of Recovery Against Others To Us in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):

We waive any rights of recovery we may have against the additional insured shown in the Schedule above because of payments we make for "bodily injury", "property damage" or "personal

injury" arising out of "your work" on or for the project, or at the location, shown in the Schedule above, performed by you, or on your behalf, under a "contract or agreement requiring insurance" with that additional insured. We waive these rights only where you have agreed to do so as part of the "contract or agreement requiring insurance" with that additional insured entered into by you before, and in effect when, the "bodily injury" or "property damage" occurs, or the "personal injury" offense is committed.

- D. The following definition is added to DEFINITIONS (Section V):

"Contract or agreement requiring insurance" means that part of any contract or agreement under which you are required to include the person or organization shown in the Schedule as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs, and the "personal injury" is caused by an offense committed:

- a. After you have entered into that contract or agreement;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.

WORKERS' COMPENSATION CERTIFICATION

Labor Code section 3700 in relevant part provides:

Every employer except the State shall secure the payment of compensation in one or more of the following ways:

- a. By being insured against liability to pay compensation by one or more insurers duly authorized to write compensation insurance in this state.
- b. By securing from the Director of Industrial Relations a certificate of consent to self-insure, which may be given upon furnishing proof satisfactory to the Director of Industrial Relations of ability to self-insure and to pay any compensation that may become due to his employees.

DRUG/SMOKE-FREE WORKPLACE CERTIFICATION

The District and all District projects are "drug-free" and "smoke-free" workplaces and, as such, require that the Project Manager be subject to the requirements mandated by California Government Code Section 8340, et seq., when on the Project site. The Drug-Free Workplace Act of 1990 requires that every person or entity awarded a contract or grant for the procurement of any property or service from a State agency certify that it will provide a drug-free workplace and, in that respect, comply with certain obligations set forth in that Act. In addition, the Drug-Free Workplace Act provides that each contract or grant awarded by the State agency may be subject to suspension of payments or termination for failure to comply with such Act. It is the sole responsibility of the Project Manager to police and oversee its personnel on the Project. If the Project Manager fails to comply with the Drug-Free Workplace Act or the smoke-free workplace policy of the District, the District may enforce its lawful rights to suspend pending or subsequent payments and to terminate this Agreement and may pursue all other rights and remedies it may have against the Project Manager at law and/or in equity.

RE: Oakland Tech Seismic Retrofit, Oakland Unified School District, Oakland, CA
Proposal for Construction Administrative Services: Project #12103

Mary Ledezma:

Please find herein our proposal for services for the ongoing work associated with the OUSD Seismic Safety Enhancement (SSE) Program. We anticipate DSA approval in time for construction of the seismic retrofit work of the Auditorium, located at the Tech High Campus, Oakland, CA, to occur the summer of 2012. To this end, we provide herein a Construction Administration fee proposal.

The project schedule is being confirmed by Swinerton Builders to be essentially completed over the summer months of June and July. So punch list items will inevitable run into the fall of 2012. Because the project construction is through a lease-lease back, with significant input during the pre-contract phase by the Swinerton Builders, we do not foresee significant coordination based change orders. The unforeseen conditions are being minimized by thorough review during the design phase.

That said; our scope will be to provide responses to contractor, district and inspector of record questions and comments. Further, we will review and respond to structural steel shop drawings and other submittals. As prime consultant, we will also be responsible for timely and responsive reviews of non-structural submittals by the sub consultants.

We will also assist with observing work for conformance with the design intent, as shown in the Construction Documents. To this end, we will compile and coordinate punch list and perform the final walk through with all consultants, the inspector of record and the contractor. We will ensure Verified Reports for all work a completed and responsive to for DSA 103. This will ensure project close out is achieved.

The ZFA Structural Engineers team's Not-To-Exceed (NTE) fee for services described above is \$60,000.

Thank you for providing ZFA Structural Engineers with the opportunity to contribute to improvement of the Oakland Unified School District's learning environment and safety level.

Sincerely,

DESCRIPTIONS (Continued from Page 1)

Representatives are included as Additional Insured for General and Automobile Liability. Primary insurance and severability of interests apply per policy form. A Waiver of Subrogation applies to Workers' Compensation.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED (ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:
COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

NAME OF PERSON(S) OR ORGANIZATION(S): The Oakland Unified School District, its Directors, Officers, Employees, Agents and Representatives.

PROJECT/LOCATION OF COVERED OPERATIONS: All Operations of the Named Insured.

PROVISIONS

A. The following is added to WHO IS AN INSURED (Section II):

The person or organization shown in the Schedule above is an additional insured on this Coverage Part, but only with respect to liability for bodily injury, 'property damage' or 'personal injury' caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

- a. In the performance of your ongoing operations;
- b. In connection with premises owned by or rented to you; or
- c. In connection with your work and included within the "products-completed operations hazard."

Such person or organization does not qualify as an additional insured for "bodily injury", "property damage" or "personal injury" for which that person or organization has assumed liability in a contract or agreement.

The insurance provided to such additional insured is limited as follows:

- d. This insurance does not apply to the rendering of or failure to render any "professional services".
- e. The limits of insurance afforded to the additional insured shall be the limits which you agreed in that 'contract or agreement requiring insurance' to provide for that additional insured, or the limits shown in the Declarations for this Coverage Part, whichever are less. This endorsement does not increase the limits of insurance stated in the LIMITS OF INSURANCE (Section III) for this Coverage Part.

B. The following is added to Paragraph a. of 4. Other Insurance in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):

However, if you specifically agree in a contract or agreement requiring insurance that, for the additional insured shown in the Schedule, the insurance provided to that additional insured under this

COMMERCIAL GENERAL LIABILITY

Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such additional insured which covers such additional insured as a named insured, and we will not share with the other insurance, provided that:

- (1) The "bodily injury" or "property damage" for which coverage is sought occurs; and
- (2) The "personal injury" for which coverage is sought arises out of an offense committed;

after you have entered into that "contract or agreement requiring insurance" for such additional insured. But this insurance still is excess over valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured when the additional insured is also an additional insured under any other insurance.

- C. The following is added to Paragraph 8. Transfer Of Rights Of Recovery Against Others To Us in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):

We waive any rights of recovery we may have against the additional insured shown in the Schedule above because of payments we make for "bodily injury", "property damage" or "personal

injury" arising out of "your work" on or for the project, or at the location, shown in the Schedule above, performed by you, or on your behalf, under a "contract or agreement requiring insurance" with that additional insured. We waive these rights only where you have agreed to do so as part of the "contract or agreement requiring insurance" with that additional insured entered into by you before, and in effect when, the "bodily injury" or "property damage" occurs, or the "personal injury" offense is committed.

- D. The following definition is added to DEFINITIONS (Section V):

"Contract or agreement requiring insurance" means that part of any contract or agreement under which you are required to include the person or organization shown in the Schedule as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs, and the "personal injury" is caused by an offense committed:

- a. After you have entered into that contract or agreement;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.
