About

OAKLAND SCHOOLS FOUNDATION

**OAKLAND
SCHOOLS
FOUNDATION**

The Oakland Schools Foundation (OSF) is dedicated to promoting excellence in Oakland's

public schools so that *all* of our students have the opportunity to achieve success. OSF is the only organization focused on securing and managing resources and providing expert operational support services for Oakland public schools.

Our History

OSF was founded as the Oakland Small Autonomous Schools Foundation in 2003 by local business and school leaders to raise funds for school programs. OSF began its work with five founding schools that embodied the small schools movement, which addressed the equity and achievement gap facing schools in Oakland's low-income "flatlands."

Since then, using its work with small schools as a model, OSF has expanded services to 40 schools. In 2010, the organization officially changed its name to Oakland Schools Foundation as it broadened its reach and became the leading education foundation and services agency for Oakland public schools.

OSF is an independent non-profit with 501(c)(3) status.

Who We Serve and Why

In choosing the schools we work most closely with, we observe criteria that grew out of the small schools movement itself. These schools:

- serve majority low-income students
- are results-oriented and data-driven
- have a strong mission and vision
- use innovative curriculum and instructional methods to reach achievement goals
- are led by entrepreneurial principals
- cultivate collaboration and family leadership
- prioritize student personalization

OSF will partner with principals who are most prepared to take their school to the next level, and are committed to an active partnership with OSF. These principals envision the possibilities for school improvement and are taking action to capitalize on our services and programs that help move their schools forward.

OSF is committed to narrowing the gaps in both resources and student achievement among Oakland's schools. Using its fundraising and marketing expertise, OSF helps schools provide crucial programs that are not funded by government budgets. With financial coaching and strategic planning services, OSF helps schools build their capacity and run efficiently.

**OAKLAND
SCHOOLS
FOUNDATION**

RESULTS AND IMPACT

WHO WE ARE The Oakland Schools Foundation is dedicated to promoting excellence in Oakland's public schools so that *all* of our students have the opportunity to achieve. OSF partners with under-resourced schools to support **grants funding, community outreach and fundraising, Professional Learning Communities, and finance management.** Read on to learn more about the impact we are having in our schools.

GRANTS FUNDING

OSF helped 27 schools raise more than **\$1.2 MILLION IN GRANTS** during 2010-11, and has supported more than 40 schools in raising over **\$20 MILLION SINCE 2003**, allowing schools to pay for programs and staff positions that help them best serve their students.

“The work OSF has done in bringing resources to flatland schools is a tremendous equity stance. Our partnership with OSF comes from an authentic place: It’s all about what’s going to work for your school.”

– Preston Thomas, Life Academy of Health and Bioscience Principal

COMMUNITY OUTREACH

OSF partners with schools to carry out community outreach efforts via newsletters, e-mails, brochures (see samples below), websites, and more. Through this outreach, **35 OSF partner schools earned nearly \$200,000 in individual giving** during 2010-11. Principals and teachers used these funds for **field trips, art materials, libraries, and music supplies** – all at risk in this time of unprecedented budget cuts.

Beyond individual fundraising, community outreach also helped schools:

- ▶ Connect with foundations for potential grants funding
- ▶ Form partnerships with non-profits and other organizations
- ▶ Boost enrollment
- ▶ Attract volunteers to their campuses
- ▶ Share more positive stories about what's happening in Oakland schools

“Frick’s mission is to support our students - our kings and queens - so that they acquire the resilience needed to be successful in high school and beyond. Through our partnership with OSF, Frick has been able to secure support for academic and extra-curricular programs, further our mission, and share our story with the greater Bay Area community.”

– Principal Jerome Gourdine, Frick Middle School

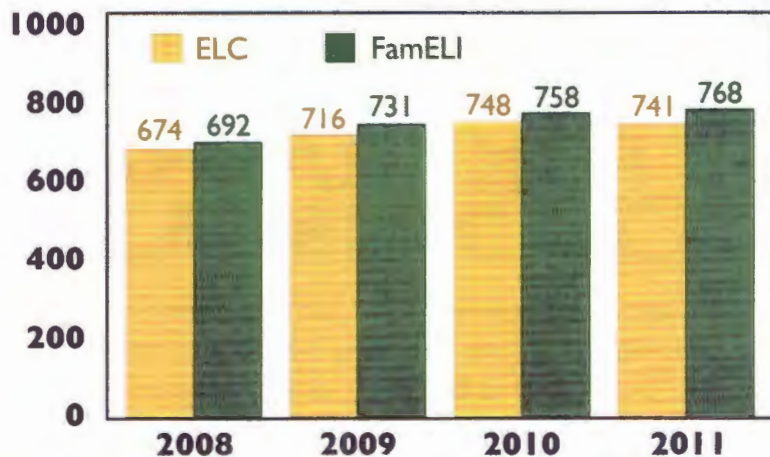

AND IMPACT

PROFESSIONAL LEARNING COMMUNITIES

A recent FamELI meeting

OSF ELC & FamELI Schools:
API Over Time

Over the past five years, OSF has built a model for successful Professional Learning Communities in Oakland schools. These collaborative programs were designed to bring together school leaders to share and develop best practices and leverage resources for essential school programs:

► **The Family Engagement and Leadership Initiative (FamELI)** is an 11-school collaborative that impacts more than 3,000 students and their families. With the **\$340,000** OSF raised for FamELI in 2010-11, each school hired family outreach staff and strengthened its school-family partnership program.

► **The Extended Learning Collaborative (ELC)** convenes 12 schools to share ideas and best practices for **targeted academic support** throughout the school day. With **\$271,000** in grants funding last year, OSF helped each school hire academic interventionists and tutors. Schools have reported that ELC has helped increase student achievement, as the graph here shows.

“The FamELI program has helped EnCompass Academy strengthen our family engagement and parent leadership by giving us the time and space to work with other schools, share ideas and challenges, and learn from each other. We are grateful to OSF for bringing these campuses together in a positive and productive way through this Professional Learning Community. It has helped us become a stronger community school.”

– Amelia Rico, EnCompass Academy K-5 Family Involvement Coordinator
