##### Agenda - Posting and Notice Requirements

All meetings of the Board and of its committees shall have an advance noticed and posted agenda, except as permitted under law. The agenda of a regular Board and of a committee meeting shall be noticed and posted at minimum Seventy-two (72) hours in advance of a meeting. Agendas of a special Board and of a committee meeting shall be noticed and posted 24-hours in advance of the meeting. Agendas of an emergency meeting of the Board or a committee shall be noticed and posted pursuant to law.

The agenda for a Board meeting and of a committee, whether in open or closed session, shall contain a brief general description of each item of business to be discussed or transacted at the meeting. The brief description shall convey to the public or member (if closed session) or to both the essence of the item to be discussed or transacted.

The agenda shall specify the time and location of the meeting and shall be posted in a location that is freely accessible to members of the public. No action shall be taken on any item not appearing on the posted agenda, except as permitted by law.

Agendas for special meetings of the Board or a committee shall conform to the requirements of law.

Agendas for emergency meetings of the Board or a committee shall conform to the requirements of law.

##### Suspension of the Agenda Posting Requirement – Regular Meetings

Additions to the posted agenda of the regular meetings of the Board or of a committee, commonly called "Suspension of the Agenda Posting Requirement" shall only be done pursuant to Government Code Section 54954.2, under any of the following conditions:

- (a) Upon a determination by a majority of the Board or committee that an emergency situation exists pursuant to requirement.
- (b) Upon a determination by a two-thirds vote of the Board or committee, or if less than two-thirds of the members are present, a unanimous vote of those members present, that the need to take action arose subsequent to the agenda being posted pursuant to legal requirements.

(c) The item was posted pursuant to legal requirements for a prior meeting of the Board or committee occurring not more than five calendar days prior to the date action is taken on the item, and at the prior meeting the item was continued to the meeting at which action is being taken.

If the agenda is "suspended" under this requirement, the new subject matter or motion to be considered, following the move and second but before the vote is taken, shall provide the public an opportunity to speak on the subject matter or motion without the necessity of complying with posting requirements.

#### Suspension of the Agenda Posting Requirement – Special Meeting

Suspension of the agenda item-posting requirement may not be made at a special meeting of the Board or of a committee.

Adoption of the General Consent Report

"Adoption of the General Consent Report" means that all items appearing on the agenda under this topic are approved in one motion unless a board member requests that an item be removed and voted on separately or otherwise acted upon. Generally, these items are affirmative recommendations from standing committees, or otherwise routine in nature, and are acted upon

in one motion to conserve time and permit focus on other-than-routine items on the agenda. An item on the General Consent Agenda which a member has requested be removed, shall be removed, without debate for separate consideration and vote or other disposition. All items remaining on the General Consent Agenda, thereafter, shall be adopted in a single motion.

#### Introduction of New Business

Every Regular Meeting Agenda shall provide for the Introduction of New Business. Board members, except a Student Director, desiring to have a motion, resolution, order, or other subject matter scheduled for action by the Board shall announce the subject nature of the intended matter at a regular meeting, provide written language of the specific legislative proposal and supporting documentation for such item and file it with the Superintendent. Or alternatively, the member may file his or her request in the same manner as a member of the public. The President, ~~without objection of the majority~~, shall assign the subject matter to the appropriate standing or special committee for consideration of its programmatic, financial and/or other impact or consideration.

#### Public Requested Items on the Agenda

Members of the public may have matters directly related to school District business placed on the agenda of any regular meeting of the Board, provided a written request including the language of the specific legislative proposal and supporting documentation for such item is filed with the Superintendent at a regular meeting during Introduction of New Business or filed in the Office of the Secretary/Superintendent no later than 4:30 p.m. of published due date for Agenda Item submissions for a designated Regular Meeting. Such request shall be classified and handled at the current or next regular meeting as an Introduction of New Matter. Following introduction, the matter shall be referred to the appropriate Board standing or special committee for handling in like manner as all other legislation.

Any item placed on the Board agenda by a member of the public will be for presentation and discussion only. The Board retains discretion whether or not to include such item for Board action on the agenda of any subsequent Board meeting. In making such determination, the Board may permit adequate time for study, analysis and response by its committees and/or the Superintendent. The Board may also remove any such item from the agenda when it appears that no member of the public present at the Board meeting wishes to discuss the matter.

If the request to place a matter on the Board's agenda pertains to a topic more appropriately discussed in Closed Session, the President or the Board may so advise the person requesting inclusion of such matter on the public meeting agenda. The Board retains discretion to determine those subjects, which it will consider in Closed Session pursuant to the requirements of law.

#### Public's Right to Speak on Agenda Item During Meeting

The Board or a committee shall honor the right of the public to speak on any meeting agenda item before or during the time the item is taken up or considered at a meeting and shall at a

regular meeting honor the public's right to speak on non-agenda items, as an agenda item, during the meeting.

The Superintendent or designee may also post the document on the district's web site in a position and manner that makes it clear that the document relates to an agenda item for an upcoming meeting. (Government Code 54957.5)

Any documents prepared by the district or the Board and distributed during a public meeting shall be made available for public inspection at the meeting. Any documents prepared by another person shall be made available for public inspection after the meeting. These requirements shall not apply to a document that is exempt from public disclosure under the Public Records Act. (Government Code 54957.5)
