Today's Outcomes

Rational Outcomes:

- To ensure a common understanding of the Blueprint for Quality Schools Timeline and Recommendations for the spring and beyond.
- To gain knowledge about facilities master plan, funding and projects to inform a discussion about a Bond decision.
- To provide direction about initiating polling for a potential Bond and to understand the implications of the Bond timing decision.

Relational Outcomes:

- To reflect on our team dynamics and how they can influence decisions and discussions in our work this spring.
