

New McClymonds Committee

Agenda
February 16, 2012

We demand the following items be implemented by Fall of 2012

1. We request that no categorical funds be taken away from McClymonds due to midyear adjustments.
2. We insist that the district allocate funds to alleviate the overcrowding and for the addition of new courses for the Fall of 2012.
3. We stipulate that the curriculum for Fall 2012 must include these 20 additional classes. (please see attached sheet)
4. We deem that it is necessary that Adult Education and all other OUSD district staff be relocated from the McClymonds campus by Fall 2012.
5. We require that an experienced dean and/or assistant principal be assigned to McClymonds as soon as possible.
6. We insist that the district provide a full time secretary that starts at the beginning of the Fall 2012 school year.
7. We request that an additional feeder middle school (reopen Marcus Foster) be opened for the Fall of 2012.
8. We call for the removal of Kipp Bridge Charter School from the Lowell Middle School site.
