Without prejudice to the foregoing, Contractor agrees that if prior to or subsequent to the termination or expiration of the Agreement upon any final or interim audit by First 5, Contractor shall have failed in any way to comply with any requirements of this Agreement, then Contractor shall pay to First 5 forthwith whatever sums are so disclosed to be due to First 5 (or shall, at First 5's election, permit First 5 to deduct such sums from whatever amounts remain undisbursed by First 5 to Contractor pursuant to this Agreement or from whatever remains due Contractor by First 5 from any other contract between Contractor and First 5).

In the event that the funding allocation or the funds available to First 5 changes, First 5 may determine, in its sole discretion, that it is necessary to reduce, eliminate or otherwise modify the funding to Contractor under this Agreement due to the unavailability of funds or First 5's assessment of its funding priorities. If First 5 elects to reduce or eliminate funding pursuant to this provision, it will provide 30 days advance written notice to Contractor.

Termination Without Cause – Either party may terminate this Agreement upon 30 days advance written notice to the other party. In the event of termination, Contractor shall return any unspent funds and shall not be entitled to any further funds under this Agreement.

Termination By Mutual Agreement – First 5 and Contractor may otherwise agree in writing to terminate this Agreement in a manner consistent with mutually agreed upon specific terms and conditions.

XV. COMPLIANCE WITH LAWS

Contractor shall observe and comply with all applicable laws, ordinances, codes and regulations of governmental agencies, including federal, state, municipal and local governing bodies, having jurisdiction over the scope of services or any part hereof, including Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), all provisions of the Occupational Safety and Health Act of 1979 and all amendments thereto, and all applicable federal, state, municipal and local safety regulations. All services performed by Contractor must be in accordance with these laws, ordinances, codes and regulations. If Contractor or any employee of Contractor is convicted or pleads nolo contendere to a criminal drug statute violation occurring at a County facility or work site, the Contractor, within five days thereafter, shall notify First 5. Violation of this provision shall constitute a material breach of this Agreement.

XX. MODIFICATIONS TO AGREEMENT

First 5 shall assign a liaison to Contractor with respect to the performance of this Agreement. Unless otherwise provided in Exhibit A and/or B to this Agreement, any adjustments requested by the Contractor to line items of a budget or to the program description included as an Exhibit to this Agreement shall not alter (1) services or other performance to be provided under this Agreement, (2) the time of performance of any act hereunder, or (3) the total amount of money allocated hereunder. Only one budget revision is allowed per year and may be granted or denied per the assessment of First 5 staff. For all budget line item adjustments over 10%, a written justification for each line item should be submitted for approval. Budget line item adjustments under 10% are not subject to a formal revision and may be shifted at the Contractor's discretion once per year.

This Agreement can be amended only by written agreement of the parties hereto.

XXI. OWNERSHIP OF WORK PRODUCT / INTELLECTUAL PROPERTY

Any work product developed by Contractor in performance of this Agreement shall be considered the work product of First 5 and upon termination of the Agreement, Contractor shall provide those materials to First 5 to the extent requested. In addition, it is the express intention of the parties that First 5 shall at all times be and shall remain the sole and exclusive owner of all rights of any kind whatsoever in and to the results and proceeds of First 5's and/or Contractor's services hereunder (the "Results").

Contractor warrants that, to the best of its knowledge and control, the Results are and will be original with Contractor in all respects (except to the extent based on material supplied by First 5), have not been and will not be exploited in any manner and/or medium, and do not or will not infringe upon the copyright, patent or any other right of any person or entity and properly attribute the use of any other sources from any person or entity. Contractor agrees to execute any and all other documents consistent herewith, which may be required to effectuate the purpose and intent of this Agreement, and agrees that First 5 shall have the sole and exclusive right to register in its own name the copyrights and any other rights in and to the Results. In addition, or alternatively, Contractor hereby irrevocably appoints First 5 as Contractor's attorney-in-fact to take such actions and make, sign, execute, acknowledge, and deliver all such documents as may from time to time be necessary to convey to First 5, its successors and assigns, all rights granted in this section. This provision is of the essence of this Agreement and shall survive termination of this Agreement.

EXHIBIT A

PROGRAM DESCRIPTION AND PERFORMANCE REQUIREMENTS

1. Background and Program Description

The California Children and Families First Act of 1998 (Proposition 10) created a program in the state for the purposes of promoting, supporting, and improving the early development of children from the prenatal stage to five years of age. The intent of this act is to enable counties to create and implement an integrated, comprehensive and collaborative system of information and services to enhance optimal early childhood development.

First 5 has approved a Strategic Plan for a comprehensive system of early intervention services for children 0 to 5 years of age and families in Alameda County. A key component of the First 5 Strategic Plan is to support the school readiness of children, their future success in school and family functioning (2013-2017 Strategic Plan, p. 16). The services of the Contractor have been retained to implement the Summer Pre-Kindergarten program.

2. Prohibition on Supplantation

By law, First 5 funding may not be used to supplant other funds. First 5 funding may only be used to expand or enhance existing programs or to initiate new services or programs benefiting children prenatal to age five.

3. Performance Requirements

Contractor will complete all strategies outlined in the First 5 approved accountability plan (Attachment 1). The accountability plan may be modified by mutual agreement. Contractor's currently approved budget is attached as Attachment 2.

- B. Contractor will submit a Final Report Narrative, Accountability Plan, Expense Report and Invoice for activities through June 30, 2015 via ECCOnline by July 31, 2015. Additional supporting documents to be submitted are outlined in Attachment 1: Accountability Plan under Required Supporting Documentation.

5. ECChange and/or Database Requirements

6. Filing reports with Child Protective Services (CPS) / Child Care Licensing (CCL)

If a First 5 Contractor has knowledge of or observes a child who they suspect has been the victim of child abuse or neglect within the course of First 5 funded work, it is expected that they will file a report of the situation to CPS. In accordance with CPS guidelines, the report should be filed by phone within 24 hours of the incident, and in writing within 36 hours of the incident. If

the abuse or neglect occurs in a licensed child care facility, it is expected that the Contractor will also file a report immediately to CCL.

Reporting suspected child abuse or neglect to First 5 or other persons is not a substitute for making a report to CPS or CCL. Reporting duties are individual and cannot be delegated to another person.

If First 5 staff become aware of suspected child abuse or neglect while providing consultation and/or contract support, and a report is not filed within the legal timeframe by the contractor, First 5 staff will file a report by phone and in writing within 24 hours.

Failing to report abuse or neglect to the appropriate agencies is not consistent with the mandates of First 5 Alameda County to improve health and development of children ages 0-5. Failure to report may result in termination of contract funding.

- A. Contractor shall make a good faith effort to ensure that clients receive from all staff members effective, understandable, and respectful care that is provided in a manner compatible with their cultural health beliefs and practices, and preferred language.
