1. PREPARATION OF BIDS

Bids must be submitted in ink or typewritten. Both **unit price and extension** (where applicable) for all line items must be shown where required on the bid form. Signature on bids must be in ink to be considered acceptable. Bid on each item separately. Prices should be stated in units specified hereon.

2. ERRORS AND CORRECTIONS

No erasures permitted. Mistakes may be crossed out and corrections made adjacent but must be initialed in ink by person signing bid. Verify your bids before submission as they cannot be withdrawn or corrected after being opened, or withdrawn once the specified time period has elapsed.

3. SUBSTITUTIONS

Certain specifications are set forth herein for the purpose of establishing standards, and are not intended to preclude any vendor from bidding who can substantially meet these specifications. Vendors may propose material equal to those specified herein, but each deviation from the specification must be clearly identified as such. On food and supply bids, a sample of the equal product must be provided by vendor at the time of bid submission. Suitability and valuation of "equals" rests in the sole discretion of the Board of Education or their designees. If a bidder does not indicate that he is proposing an item other than that which is unauthorized substitutions will be returned at the Vendor's expense. Whenever in these specifications, any material is indicated or specified by the proprietary name or patent or by the name of a manufacturer, such specifications shall be deemed to be used for the purposes of facilitating description of the items desired, and shall be deemed to be followed by words "or equal".

4. SALES TAX

Do not include California State Sales or Use Taxes in unit prices. This tax will be added and paid for by the District. Do not include or add Federal Excise Tax, as the District is exempt.

5. FAILURE TO BID

If you do not bid on any line item, please mark "no bid" in the space provided and sign it and return the bid, otherwise your name may be removed from the bidder's list.

6. ACCEPTANCE OF BIDS

Awards will be made on a unit and line item basis unless otherwise specified on bid form. The right is reserved to reject any or all bids and to accept or reject any line items thereon and to make any combination of line item awards. Bids may be rejected on grounds of non-responsiveness or non-responsibility. Bids are subject to acceptance at any time within sixty (60) days after opening of same unless otherwise stipulated.

7. PATENTS, ETC.

The vendor shall hold the Oakland Unified School District, its officers; agents, servants, and employees harmless and free from liability of any nature or kind on account of use (by publisher, manufacturer, or author) of any copyrighted or non-copyrighted composition, secret process, patented invention, article or appliance furnished or used under this bid.

8. FAILURE TO FULFILL CONTRACT

When any contractor or vendor shall fail to deliver any article or service or shall deliver any article or service which does not conform to the specifications, the District may, at its sole discretion, annul and set aside the contract entered into a new contract for the same items in such manner as seems to the Board of Education to be to the best advantage of the Oakland Unified School District. Any failure for furnishing such articles or services by reason of the failure of the vendor or contractor, as above stated, shall be a liability against such vendor and his sureties. The Board of Education reserves the right to cancel any articles or services which the successful bidder may be unable to furnish because of economic conditions, governmental regulations or other similar causes beyond the control of the bidder provided satisfactory proof is furnished to the Board if requested.

9. BID SIGNATURES

All bids must show the firm name and must be signed by a responsible officer or employee fully authorized to bind the organization to the terms and conditions herein. Obligations assumed by such signature must be fulfilled.

10. CANCELLATION FOR INSUFFICIENT OR NON-APPROPRIATED FUNDS

The bidder hereby agrees and acknowledges that monies utilized by the District to purchase or lease the items bid is public money appropriated by the State of California or acquired by the District from similar public sources and is subject to variation. The District fully reserves the right to cancel this bid at any time and/or to limit quantities of items due to non-availability or non-appropriation of sufficient funds.

11. REQUIRED DELIVERY DATES (RDD)

Actual delivery of the supply item(s) shall be coordinated with the District or contractor designated by the District but shall not exceed the required delivery dates (RDD) specified on the bid form for each particular product. The District, as a matter of bid non-responsiveness, shall reject all bids (regardless of price) that fail to indicate ability to deliver the product within the require time. **Give careful attention to any Required Delivery Dates (RDD) included in the Specifications or Bid Sheets.** Upon award of bid, supplier shall keep sufficient stocks of product and service material to insure prompt delivery and service schedules. There shall be non minimum quantities required in order for the District to place orders for needed items. **Bid all items OUSD.**

12. LOCAL/SMALL LOCAL/ SMALL LOCAL RESIDENT POLICY PARTICIPATION REQUIREMENT

In 2008 the District instituted a local business policy, the Local/Small Local/ Small Local Resident Business Enterprise program ("L/SL/SLRBE"). The S/SL/SLRBE provides economic opportunity to local residents and businesses by supporting local economic development while paying competitive prices for goods and services.

The S/SL/SLRBE establishes a 20% minimum local participation requirement on all contracts and professional service agreements between OUSD and outside vendors. In addition, the program provides for preference points in negotiated professional services contracts and bid discounts in competitively bid contracts, up to 5 points or 5 % as the level of local, small local and small local resident business participation increases. (A copy of the District's S/SL/SLRBE may be found at www.ousd.k12.ca.us).

Prior to the issuance of a formal invitation for bid, the District determines that there are at least three certified businesses listed in the industry, trade or profession that constitutes a major category of work. If at least three L/SL/SLRBEs are not certified, then the requirement may, subject to the discretion of the District, be waived, or the 20% requirement may be re-set from 19% to 0%, depending on the particular circumstances at time of bid.

For the present Dairy and Fruit Juice Proposal, the District's awarding authority has reason to believe that the availability of certified firms will not satisfy the 20% requirement. Thus, the District shall exercise its discretion to modify the requirement, as follows:

The *mandatory* 20% requirement is waived.

However, a proposer who demonstrates a minimum 20% small business or local resident employee participation will earn a bid discount 5% off its total bid, affording an advantage over a low bidder with no small business or local resident participation. (Public Contract Code section 2002).

13.PAYMENT

Prompt payment for supplies is requested after actual delivery of goods to the required destination as outlined in the **REQUIRED DELIVERY DATES (RDD)** conditions. Payment for service contracts may be invoiced per the conditions set forth and agreed to in the service agreement.

14.HOLD HARMLESS

The vendor shall save, defend, hold harmless and indemnify the District against any and all liability, claim, and costs of whatsoever kind and nature for injury to or death of any person and for loss or damage to any property occurring in connection with or in any way incident to or arising out of the occupancy, use, service, operations, or performance under the terms of this contract, resulting in whole or in part from the negligent acts or omissions of vendor, and subcontractor, or any employee, agent, or representative of vendor and/or subcontractor.

15.AWARD OF BID

Award of this bid shall be made on an "all or none" basis to the lowest-priced responsible bidder (for each item or group) who is fully responsive to the terms of this solicitation. A bidder **must** deliver the items within the required delivery date (RDD) in order to be declared responsive to this bid. The District may consider prompt payment discounts (only terms of 2%/20 days or better will be considered) and other rebates offered on the bid form in determining lowest net cost.

The District also reserves the right to make no award of bid and further reserves the right to reject any and all bids and to waive any irregularity or discrepancy associated with this bid.

16.PRICING – TERMS OF CONTRACT

Contract term is one year. Quoted prices must include all delivery charges and surtaxes. No extra charges will be allowed. Contract may be extended upon mutual consent of District and vendor for an additional two (2) years in accordance with provisions contained in the Education Code, Sections 17596 (K-12) and 81644 (Community Colleges). **In no case shall a price increase be negotiated without being submitted 30 days in advance in writing.** In the event of a general price decrease the District reserves the right to revoke the bid award unless the decrease is passed on to the District.

17.MULTI-YEAR EXTENSIONS

Subject to the provisions of **Paragraph 15** (above), and pursuant to Education Code, Sections 17596 and 81644, this bid may be extended (by mutual consent expressed in writing) for an additional two (2) year increment (total potential bid life of 36 months from Board of Education award).

18.NO MINIMUM OR MAXIMUM QUANTITIES, ORDER CHARGES, OR LIMITATIONS UPON NUMBER OF ORDERS

The District anticipates contract term requirements for the supplies and commodities as listed in the quantities shown on the bid form. The District, however, does not guarantee orders in these amounts nor shall the District be required to limit its orders to only those figures. This is an indefinite-quantity bid. Bidders shall not specify minimum or maximum quantities or charges for specific order types. Unlimited orders within the term of the contract shall be allowed to the awarding district at prices quoted.

19.PIGGYBACK CLAUSE

For the term of the Contract and any mutually agreed extensions pursuant to this request for bids, **at the option of the vendor**, other school districts and community college districts, any public corporation or agency, including any county, city, town or public corporation or agency within the State of California, may purchase, lease-purchase, or rent the identical item(s) at the same price and upon the same terms and conditions pursuant to sections 20118 (K-12) and 20652 (Community Colleges) of the Public Contract Code.

The Oakland Unified School District waives its right to require such other districts and officers to draw their warrants in the favor of the District as provided in said Code sections.

Acceptance or rejection of this clause will not affect the outcome of this bid.
