Why was this Vendor selected?

Was this contract competitively bid? Yes No

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and by the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

**Memorandum of Understanding 2016-2017
Between Oakland Unified School District and
Oakland Leaf Foundation**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with Oakland Leaf Foundation ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 190/Think College Now under the following grants:
 - After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASEP and 21st CCLC funds.
 - Private grants
2. **Term of MOU.** The term of this MOU shall be July 1, 2016 to August 20, 2017 and may be extended by written agreement of both parties.
3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
4. **Compensation.** The ASEP and 21st CCLC grant award amount for Oakland Leaf Foundation is \$87,856. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:
 - 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.
 - 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2016-2017")
 - 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any

remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

4.2.2. Administrative Charges and Reconciliation. Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).

4.3. OUSD Administrative Fees. OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.

4.4. AGENCY Administrative Fees. AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.

4.5. Program Budget. The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2016-2017 and will not exceed \$87,856 in accordance with Exhibit B. **Exhibit B** ("ASEP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2016-2017").

4.6. Modifications to Budget. Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. Program Fees. The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

Description and Rationale for Selection of Lead Agency

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.

Oakland Leaf cultivates community transformation through creative education. Oakland Leaf's programs place a premium on values and have high expectations for young people. Oakland Leaf's programmatic goal is to cultivate a generation of youth leaders who, through participation in our programs as students, artists, athletes, evaluators (and eventually educators and community change-makers), will develop the necessary skills and perspectives to take ownership of (and leadership for) their community. In regards to Oakland Leaf's after-school services, standards of excellence and achievement are applied to aAcademic offerings and enrichment offerings.

Oakland Leaf's leadership meets with the principal and the school's support services on a monthly basis to help address the holistic needs of the students. The young people whom are in need of the most support take priority in the enrollment for the After School program.

There are six key areas that support community school initiatives: Family support, academic support for students, exposure to social and emotional networks, access to health and wellness services, ensuring that every child has an adult ally or mentor/s, and the ability of the child to navigate systems (transportation, transitions, housing, others). Oakland Leaf is able to provided the families and youth participating in the program activities and celebrations that support four of the six key areas. Our programing enhances academic success, provides youth with a social and emotional network, creates awareness of healthy choices, allows the students to be supported by a group leader that becomes an ally, and exposes the child to opportunities to learn more about these systems.

SECTION 5: Attendance, Program Dates, Minimum Days, and Program Schedule

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm on every regular school day for elementary and middle schools. (EC 8483) High school programs are required to operate a minimum of 15 hours per week.

** CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets.*

Required # of Program Days your program will operate during School Year 2016-2017
(programs are required to operate between 177 – 180 days of the school year)

Projected Daily Attendance during School Year 2016-2017

Programs are allowed up to three days of program closure during the school year to offer staff professional development. Please list the three days (if any) your program plans to close this year for PD.

1/3/17, 5/5/17, 6/9/16

<p>Minimum Days Elementary and middle school after school programs are required to operate from the end of the school day to 6pm. When a school holds minimum days, the after school program must begin early and run a long day until 6pm. Minimum days have significant impact on the after school staffing and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming when the number of minimum days exceeds the typical OUSD schedule of one minimum day per week for the school year.</p>	
<p>Projected Number of Minimum Days for School Year 2016-2017</p>	<p>66</p>
<p>Describe funding plan to operate program on minimum days, including additional school resources (if any), to support full program implementation on all minimum days:</p> <p>Oakland Leaf has supported the school running our after-school program during minimum days by altering the schedule of programs that are offered. During minimum day (which usually falls on Wednesdays), we run all of our clubs that allow for students to be able to choose different activities based on their interest every quarter. On minimum days we also showcase our youth leadership strategy with CAST KEEPERS.</p> <p>If the minimum day falls on another day of the week (besides Wednesday), we run the regular programs from our normal programming schedule and add additional cypher meetings, CAST KEEPERS activities and increase our SSR time to allow for an increase of literacy skills.</p>	
<p>SECTION 6: Program Schedule</p>	
<ol style="list-style-type: none"> 1. Submit program schedule as an attachment, using the standard program schedule template. The after school schedule must indicate the school name and the program year. 2. Submit a copy of the school bell schedule for the 2016-17 school year. <p>Important Notes: The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. If the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)</p> <p>Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. If the school bell schedule ends at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)</p> <p>Please make sure program schedule clearly shows when the following program requirements will take place: Elementary requirements:</p>	

- One hour/week of literacy instruction for students in grades K-5
- One hour/week of math instruction for students in grades K-5

Middle School requirements:

- Youth Leadership
- Academic intervention (ELA and math)
- Middle school athletics (recommended)
- College and career readiness programming

SECTION 7: Transitions Support for High Need Populations of Students

Schools have students transitioning in and out over the course of the school year. This includes transitional youth such as foster youth and Newcomers who may enter the school year mid-year. It is an LCAP priority in OUSD that we provide services to these high need populations of foster youth and English language learners including Newcomers.

How will your program collaborate with the school day to support high need students who are transitioning into the school? How will your program be able to meet the needs of these high priority students transitioning into the school mid-year?

Due to the increased number of newcomers and transitional youth that come into the district, the afterschool will consistently maintain spaces in the program for these students. We understand the need to support these youth and so will maintain accountability with enrolled families to make sure they are following the attendance policies. As an agency, we provide support on how to best serve ELL youth by implementing practices that scaffold their learning.

SECTION 8: Academics

Your site should plan to offer a range of academic supports including:

- 1) Targeted Interventions 2) Skill-Building 3) Homework Support 4) Tutoring

Other possible supports may include computer lab, library exploration, and project-based learning.

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school. Activities should be based on sound instructional strategies aligned with the regular school day program.

Please include the following requirements:

- **Required Elementary Academic Programming:** Elementary programs are required to provide at least 1 hour of literacy instruction per week for all students and 1 hour of math instruction per week for all students. (Curriculum and PD will be provided by OUSD.)

- **Required for Middle School Academic Programming:** Math and ELA academic intervention should be provided by teachers on extended contract, in order to support students struggling academically.

<p>SECTION 9: ENRICHMENT & PHYSICAL ACTIVITY / RECREATION Enrichment activities and physical activity/recreation are required components of the ASES and 21st Century grants. Enrichment activities should provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, arts learning, and student engagement. SECTION 10: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21st Century grantees who receive Family Literacy funding: *The activities listed below must align to your 21st Century Family Literacy budget plan.*

Type of Activity and Frequency	SPSA goal(s) or school need supported by activity	Describe how this activity is connected to student achievement	Measurable Outcome	Alignment with school day family engagement / family literacy efforts or resources
Family Reading Night	Increase literacy	If parents develop the habit of reading with their children, students are more likely to develop stronger literacy skills	84 Students will build a home library with at least 5 new books	The ASP will work closely with parent volunteers from the FRC to plan and execute the family literacy night
2 In La'Keach (Expos)	Active parent and community involvement directly correlates to student achievement.	In the winter and the spring, the ASP in partnership with the school day, will showcase student work.	75% of students attending the after-school program will participate in ASP classes that will result in a final project that will be presented to their families and the school community.	ICS ASP participates in the school's mission and educates the whole child with multiple learning experiences.
My Community Showcase	Active parent and community involvement directly correlates to student achievement.	During March, the ASP will showcase the student work created during the Oakland Leaf Thematic Unit "My Community"	75% of students attending the after-school will participate in ASP classes that will result in "My Community" project that will be presented to other ASP students	ASP participates in the school's mission to engage families in the projects that are being created by the students

SECTION 11: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	Work with the day program/admin/principal to identify candidates for after-school program with chronic school absentee history
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Provide families with orientation meetings and supporting information materials that conveys attendance expectations.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	Each instructor monitors attendance and instructors notify program leadership when there are attendance issues in the ASP. Phone calls are made and families are informed of the importance of school attendances
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	Recognizing students publicly and bi-annually for sustaining high attendance in the after-school program.

SECTION 12: Transforming School Culture and Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive supportive places for all students to stay engaged, be successful, and thrive.

a) The following are strategies that OUSD schools are taking to change discipline and transform school culture and climate. Which of the following school strategies will your after school program work to intentionally align with, in order to support positive school culture and climate?

___ PBIS (Positive Behavioral Interventions and Support)

Restorative Justice

Social and Emotional Learning

Bullying Prevention: including online safety and creating climate of safety for all youth including foster youth, homeless, LGBTQ, disabilities, etc

Other: (please specify) **Building Intentional Communities and CAST KEEPERS (Asp student leaders)**

b) How will the school and lead agency partner work together to ensure that the after school program is aligned with these efforts, and helping to transform school culture and climate? (ie. shared professional development, curriculum, coaching, planning meetings, COST meetings, etc.)

ASP Agency Director and Site Coordinator will meet monthly with the Principal for planning, coaching and to receive feedback.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.): Provide inclusive and equitable programming for all students. Exclusively hire and maintain staff who are culturally competent, staff that employ positive and reflection-based behavioral management strategies and staff that can effectively facilitate and design culturally relevant lessons. Leaf Cyphers will develop a safe space for students to address personal or community issues. Our staff will become industry leaders and experts in facilitating community circles

d) Please mark other strategies your after school program and school site are using to support all students and address disproportionality:

Using Restorative practice to address disproportionality related to discipline

Trauma informed practices

Using PBIS to address discipline

SECTION 13: Social and Emotional Learning (SEL)

Developing SEL skills in students and in the adults who work in the Oakland school system is a key priority for OUSD. SEL includes the following skills: self-management, self-awareness, social awareness, relationship skills, and responsible decision-making.

<p>Describe how you will work intentionally to develop SEL skills in program staff:</p>	<p>We will provide training during our ALL staff orientations in August and January. We will be sure to have the Restorative Justice facilitator hold at least one meeting/training a quarter with program sites.</p>
<p>Describe how you will work intentionally to develop SEL skills in students:</p>	<p>As an agency we believe in SEL & healthy youth development practices. We begin each day with check-ins and end the day with Much Loves (aka appreciations). We are committed to weekly cyphers (aka community circles) where youth can learn about each other to create opportunities for empathy and community support.</p>
<p>SECTION 14: Coordination with Other Service Providers In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.</p>	
<p>The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?</p>	<p> <input type="checkbox"/> COST team (Coordination of Services Team) <input type="checkbox"/> SST (Student Study Team) <input checked="" type="checkbox"/> SSC (School Site Council) <input type="checkbox"/> ELT (Educational Leadership Team) <input type="checkbox"/> PTA <input type="checkbox"/> Attendance Team/Workgroup <input type="checkbox"/> SPSA Site Planning team <input checked="" type="checkbox"/> School Culture/Climate Committee <input type="checkbox"/> Other (specify) </p>
<p>List key community partners whom you will actively collaborate with to accomplish the goals of your program.</p>	<p>Girls Inc. Super Stars Literacy</p>
<p>List all subcontractors who will be paid to deliver after school services.</p>	<p>Girls Inc. Super Stars Literacy</p>
<p>Identify other service providers and support personnel at your school (ie. school psychologist, School Based Health Center staff, counselor, mental health therapist, school nurse, parent liaison, etc.) whom you will actively collaborate with to accomplish the goals of your program.</p>	<p>Mental health therapist</p>

2016-17 After School Enrollment Policy for Think College Now School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is Optional or Mandatory for each target population
Students with poor school attendance	School attendance of prior years	
Students who are experiencing academic difficulties with low literacy levels	Teacher and Principal referrals and student test scores	
Students with socio-emotional challenges that affect learning	Teacher and Principal referrals and student behavior notes	
Siblings	School enrollment	

Which grade levels will you serve in this program?

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.

- In alignment with OUSD’s strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

Enrollment Process and Timeline: (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2016. Indicate how families will be notified of 2016-17 enrollment before the last day of school, June 9, 2016.

Timeline	After School Enrollment Steps/Tasks	Individual(s) Responsible
End of April	Notify all TCN students about the 16-17 registration	Site Coordinator
May/June	After School Leadership Team as well as the Principal meets in the spring to identify 50-70% of participants for next school year, based on enrollment policy and student data (leaving at least 25% of slots for incoming students who meet enrollment priorities.) A target attendance level for the first day of school is determined.	After school leadership team and Principal
May/June	After school Site Coordinator, in collaboration with school staff, conduct Spring recruitment and enrollment of priority students as identified; families are notified about next year’s program participation by last day of school. A target attendance level for the first day of school.	Site Coordinator
June	Collect Registration form from Home-school folder and in the office. Enter student preferences in spreadsheet.	Site Coordinator
July	Enroll students based on priority and then hold a lottery for others.	Site Coordinator

August	Inform families about their placement in the program. Give out acceptance letters and ask them to confirm their registration.	Site Coordinator & Program Assistant
August/September	After School Site Coordinator and the Principal identify students to fill remaining slots based on enrollment policy and new data (i.e. test scores released in the summer).	After school Site Coordinator and Principal

Important dates to include in your timeline:

- April – June: Spring enrollment for 2016-17 programs.
- Families will be notified of 2016-17 after school enrollment before the last day of school, June 9, 2016.
- After school programs begin on 1st Day of school, with enrollment at a minimum 75% capacity.
- August – September: New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by September 30, 2016, except for slots reserved for transitional students (ie. Foster youth, Newcomers) entering the school mid-year.
- All programs must maintain waitlists after program slots are filled.

School Support for Program Recruitment

Describe how the school will support after school program recruitment efforts. Specify how school staff will help promote the after school program, refer students, and communicate with families about program opportunities:

Principal meets with Oakland Leaf Foundation Site Manager and Director of Programs to review list and divided targeted list of students by grade level. List is distributed to each teachers and teacher will talk to families of targeted students to reminded them to fill the application. Recruitment and Retention is never an issue for ICS students, we hold a waiting list of 30 to 40 students yearly.

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees.

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

Oakland Leaf Statement of Qualifications

Oakland Leaf's mission is to *cultivate community transformation through creative education for youth and families*. Our organization was incorporated as a 501(c)3 non-profit in 2002. The seeds for Oakland Leaf were planted when the founders, a group of Teach for America Teachers, hosted the first All Oakland Youth Talent Showcase in 2000 to demonstrate the beauty and talent that exists in Oakland. The events of September 11, 2001 deeply impacted our founders and their students. Like most Americans, our students felt unsafe and uncertain about the future. At the same time, the homicide rates in Oakland increased dramatically and the United States declared war on Iraq. The founders of Oakland Leaf saw a need to provide youth with programs that equip our future leaders with conflict resolution skills as well as artistic and cultural exploration and expression abilities. What resulted was Oakland Leaf's first Oakland Peace Camp (2003), a summer program that gave youth a safe place for healing and expression. In Fall 2003 Oakland Leaf was asked to provide after-school programming at ASCEND School. Oakland Leaf believes that the role of education is to develop happy, healthy, and successful adults equipped with the tools to experiment and explore. For this reason, our programs are designed to support the development of children and youth by feeding the minds, bodies, and spirits of low-income youth and families in Oakland.

Oakland Leaf focuses on the physical, cognitive, social, and emotional needs of students. We provide youth with opportunities to explore their identities and contribute to their communities, to express their desires, curiosity, and frustrations. Our programs balance academic support, leadership development, and the guidance to become creative individuals with healthy habits. One of our key strategies in empowering children is to create sustainable and productive partnerships with schools that have shared visions for young people.

Our approach, based on principles of youth development and family empowerment, weaves together five core initiatives which correlate to the challenges, needs, and opportunities in our community: 1) Science, Technology, Engineering, and Math (STEM), 2) Literacy, 3) Art and Culture, 4) Health and Wellness, and 5) Empowerment and Leadership.

In addition to our five core initiatives, our programming is based on youth development practices and principles. We develop and assess our staff and programming for cultural relevancy and engagement; a strategy reinforced by taking a project based approach to our classes. This gives students the opportunity to showcase their learning through expositions and community showcases.

Oakland Leaf works in partnership with Oakland Fund for Children and Youth (OFCY) and Oakland Unified School District (OUSD) to achieve a shared vision of a full service community school district. Students and schools with limited economic resources are targeted to ensure that students have access to the resources and the tools needed to achieve academic success and develop into thoughtful and creative citizens. Our whole-child approach to the work makes it possible for schools to provide wrap-around services for students and families. We work with each school to support its specific Community Schools Strategic Site Plan. We have been leading the way in helping Oakland public schools transcend traditional classroom learning and we partner together by using our programs to transform schools into thriving year-round community hubs.

All of our programs are culturally relevant, project based, and culminate in a student showcase or performance. Oakland Leaf's current programs include six comprehensive after-school programs for elementary and middle school students, a school-based community garden and ecology programs, and a

four-week arts, leadership, and social justice education summer camp called Oakland Peace Camp. Oakland Leaf has grown to serve over 1,100 students and families annually, guided by our credo, “Love is an action!”

Since its incorporation as a 501(c)(3) in 2002, Oakland Leaf has matured into an organization with reliable and effective administrative and financial practices. Our Board of Directors guides our fiscal strategies, while our HR & Finance Director manages fiscal operations with the support from our Executive Director. Additionally, Oakland Leaf is audited yearly to ensure that the organization is using Generally Accepted Accounting Principles (GAAP).

Oakland Leaf has managed federal, state, and local funds through its partnerships with City and State agencies such as OFCY, City of Oakland Cultural Funding, OUSD, ASES, and 21st Century Community Learning Centers. All of our programs adhere to comprehensive City and State standards for fiscal and administrative requirements such as staff-to-youth ratios and units of service requirements as well as measures for accountability including quarterly evaluations, submission of reports, and invoicing.
