THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**BLANKET ADDITIONAL INSURED
(NON-CONTRACTORS)**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

PROVISIONS

1. The following is added to SECTION II - WHO IS AN INSURED:

Any person or organization that you agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part is an insured, but:

- a. Only with respect to liability for "bodily injury" or "property damage";
- b. If, and only to the extent that, the injury or damage is caused by your acts or omissions in the performance of your ongoing operations to which that "written contract requiring insurance" applies or by the acts or omissions of any person or organization performing such ongoing operations on your behalf; and
- c. Subject to the following limitations and conditions on the insurance provided to the additional insured:
 - (1) In the event that the Limits of Insurance of this Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured will be limited to the limits of liability required by that "written contract requiring insurance" and will not increase the limits of insurance described in **SECTION III - LIMITS OF INSURANCE**.
 - (2) The insurance provided to the additional insured is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover. However, if the "written contract requiring insurance" specifically requires that this insurance apply on a primary basis or a primary and non-contributory basis, this insurance is primary to other insurance available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with that other insurance. But the insurance provided to the additional insured still is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under such other insurance.
 - (3) The insurance provided to the additional insured does not apply to:
 - (a) Any person or organization for which coverage as an additional insured specifically is scheduled by attachment of an endorsement under this Coverage Part, or for whom you have purchased an Owners And Contractors Protective Liability policy;
 - (b) Any person or organization who distributes or sells "your product" in the regular course of that person's or organization's business with respect to liability arising out of "your products";
 - (c) Any person or organization from whom you have acquired "your product", or any ingredient, part or container entering into, accompanying or containing such product with respect to liability arising out of "your product";
 - (d) Any premises owner, manager or lessor with respect to liability arising out of the ownership, maintenance, or use of that part of any premises leased to you;
 - (e) Any equipment lessor with respect to liability arising out of the maintenance, operation or use of equipment leased to you by such equipment lessor;

- (f) The independent acts or omissions of such additional insured; or
- (g) "Bodily injury" or "property damage" arising out of the providing, or failure to provide, any professional architectural, engineering or surveying services, including:
 - (i) The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and
 - (ii) Supervisory, inspection, architectural or engineering activities.

2. The following is added to the **DEFINITIONS** section:

"Written contract requiring insurance" means that part of any written contract or agreement under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" or "property damage" occurs:

- a. After the signing and execution of the contract or agreement by you;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.

ADDITIONAL INSURED ENDORSEMENT

This insurance afforded shall not apply to claims, suits and/or damages arising out of the acts, omissions and/or negligence of the "additional insured(s)."
