## **Board Cover Memorandum**

| TO | Board of Education |  |
|----|--------------------|--|
|    |                    |  |

From Kyla Johnson-Trammell, Superintendent Sondra Aguilera, Chief Academic Officer

Meeting Date August 9, 2023

Subject 2023-2024 School Plan for Student Achievement (SPSA) for Life Academy

Ask of the Board Approval by the Board of Education of the 2023-2024 School Plan for Student Achievement (SPSA) for Life Academy.

- **Background** In accordance with Education Code 64001, the School Plan for Student Achievement (SPSA) shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the Consolidated Application and the Local Control and Accountability Plan (LCAP) by the School Site Council (SSC). The plans shall also be reviewed and approved by the governing board of the local education agency at a regularly scheduled meeting. The purpose of the SPSA is to coordinate all educational services at the school. The plan shall address how funds provided to the school will be used to improve academic performance of all pupils to the level of the proficiency goals, as established by the California Department of Education.
- **Discussion** The SPSA builds on a premise that students are capable of learning with effective instruction and includes school goals aligned with activities, provides analysis of student performance data, focuses on student achievement and academic intervention, implements high leverage school quality improvement actions, directs resources where they will most impact student achievement, ensures that all resources are aligned to serve identified student needs, and identifies parent involvement activities associated with student success.
- Fiscal ImpactThe programs listed below are reported in the Consolidated Application<br/>and allocated to school sites through the School Plan for Student<br/>Achievement (SPSA):
  - Title I, Part A, including Comprehensive Support & Improvement Grant
  - Title IV, Parts A and B
  - After School Education and Safety (ASES)
- Attachment(s) 2023-2024 School Plan for Student Achievement (SPSA) for Life Academy

## 2023-2024 School Plan for Student Achievement (SPSA)

| School:                | Life Academy                  |
|------------------------|-------------------------------|
| CDS Code:              | 1612590130575                 |
| Principal:             | Aryn Bowman & Alykhan Boolani |
| Date of this revision: |                               |

The School Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Every Student Succeeds Act (ESSA) require each school to consolidate all school plans for programs funded through the Consolidated Application (ConApp) into the SPSA.

For additional information on school programs and how you may become involved locally, please contact the following person:

|           |  |  |

## ADDITIONAL TITLE-FUNDED DISTRICT-LEVEL SUPPORTS FOR STUDENTS & FAMILIES

In addition to the actions outlined in this plan, Oakland Unified also provides Title-funded Central supports to high-need OUSD students and families, including low-income students, foster youth, refugee and asylee students, unhoused students, and others. These supports include the following:

## Early Childhood Education Program

The OUSD Early Learning team works to ensure that all children are taught and supported to develop the skills and knowledge necessary for success in school. Early Learning programs and schools work together to promote school readiness and to engage families as their children make the transition to TK and Kindergarten, and to partner with families in supporting their child's development and learning by providing appropriate opportunities for families to actively engage in learning. OUSD offers both a subsidized preschool option for low-income families who meet program requirements and a full tuition option for higher income families.

## Summer Learning Program

The District's Summer Learning Program provides targeted support to ensure that students who are behind academically have opportunities to catch up. We prioritize low-income youth, English language learners, foster youth, and unhoused youth for summer enrollment. Summer learning programs focus on academics and social emotional support, but also include enrichment opportunities like art and music. High school sites offer credit recovery for students who are behind in credits needed to graduate. Through 2024, our Summer Learning Program will be funded in part through one-time COVID relief funds to enable OUSD to offer an expanded program to more students, but will return to Title funding when these one-time funds sunset.

## **Transitional Students and Families Unit**

The Transitional Students & Families Unit (TSF) provides supplemental support services to foster youth, refugee and asylee students and their families, and students with uncertain or unstable housing. The Unit's services include enrollment assistance; school supplies and transportation assistance; parent/guardian workshops; academic counseling; summer programming; referrals to school-based and community-based educational, social, and emotional support services; and support to school site staff. Specific services vary by individual student needs and each program's mandates.

- Foster Youth Program: The Foster Youth Program seeks to ensure that foster youth in OUSD receive supplemental support such as tutoring, case management, and social emotional learning opportunities. Additionally, the foster youth program seeks to ensure that foster youth in OUSD have access to all rights granted to them under California law (AB 490), such as school stability (the right to remain in their original school when they enter foster care or move, if in their best interests); immediate enrollment (the right to be immediately enrolled in a new school, even without health/education records); partial credit (the right to receive partial or full credit for work completed at other schools, a right that all OUSD students have); and fairness (the right to not be punished for court-related absences).
- *Refugee & Asylee Program:* The Refugee & Asylee Program identifies, supports, and tracks newly-arrived refugee students, providing crucial services in support of their school integration and academic success. In collaboration with community partners and other OUSD departments, the program allows schools to both refer students and reach out for assistance when needed. Specifically, the program offers school enrollment assistance, school orientation, tutoring, family engagement, and targeted summer educational support for refugee students and families. It also provides educational case management for high-need students and social emotional learning opportunities for refugee and asylee students.
- *McKinney-Vento Program:* The McKinney-Vento Program provides supplemental educational services and social support to youth and families who lack a fixed, regular, and adequate nighttime residence. This means students sharing housing with one or more families due to eviction or economic hardship, living in emergency or transitional shelters, staying in hotels/motels, trailer parks/camp grounds, or somewhere that is not designed for sleeping (e.g., a garage, an attic, a car, a park or an abandoned building). This can also include unaccompanied youth (students not in the physical custody of a parent or guardian). The services provided by the program include enrollment assistance, school supplies, backpacks, advocacy, and assistance with transportation.

## 2023-2024 BUDGET SUMMARY

## **Budget Summary**

| Description   | Amount         |
|---|----------------|
| Total Funds Provided to the School Through the Consolidated Application | \$382,870.00   |
| Total Federal Funds Provided to the School from the LEA for CSI         | \$0.00         |
| Total Funds Budgeted for Strategies to Meet the Goals in the SPSA       | \$1,229,806.24 |

## Federal, State, and Local Funds

The School Site Council intends for this school to participate in the following programs:

## 2023-24 SCHOOL PLAN FOR STUDENT ACHIEVEMENT (SPSA): NEEDS ASSESSMENT

## **1A: ABOUT THE SCHOOL**

## School: Life Academy

## **School ID: 335**

## **School Description**

Do you love science? Are you thinking of working in the medical field one day? Do you think you would do well at a small school with a family-like feel where all adults on campus know how to best support you? Then Life Academy is the school for you! Established in 2001, Life Academy is one of the last small public schools in OUSD for grades 6-12. Located in the San Antonio neighborhood, Life Academy provides students with a rigorous academic experience focused on Health and Bioscience. We aim to prepare students to become future health professionals and are committed to providing authentic learning experiences through summer programs, project-based learning, field trips, and an extensive internship program focused on health and science. At Life Academy, all 8th, 11th and 12th graders participate in an internship with a health and bioscience focus. Furthermore, we partner with the Peralta Colleges to provide a Medical Assisting program where students can earn an MA certificate and receive college credit. Our students find it very useful, as they can work as an MA and go to college at the same time. At the heart of our program, however, is Advisory. Every student is paired with an Advisor that they meet with twice a day. Advisors are the students' primary advocates on campus; they communicate with other teachers and make sure that parents are informed. Many students say that their Advisory is like family. It is this type of caring and loving community that we aim to create in order to ensure that our students are successful in their lives after Life. We are excited to welcome you into our Life Academy family!

## **School Mission and Vision**

Life Academy seeks to dramatically interrupt patterns of injustice and inequity for underserved communities in Oakland. Through transformative learning experiences focused on Health, Medicine and Bioscience, students are engaged in learning and inspired to acquire the skills needed to succeed in college and careers in the medical field.

| IC: STRENGTHS, CHALLENGES & ROOT CAUSES |                    |                          |  |  |  |
|---|--------------------|--------------------------|--|--|--|
| Focus Area:                             | Priority Strengths | Root Causes of Strengths |  |  |  |

| LCAP Goal 1: College, Career<br>& Community Readiness | Life Academy has a strong college readiness<br>focus, and all staff are bought into the work of<br>ensuring all students graduate A-G and ready<br>to attend university. This collective mindset is<br>strong and an asset. We have strong reading<br>intervention programming in 6-9, and have<br>developed a cogent approach to ensuring all<br>students are supported in growing as readers.  | We have cultivated a strong staff wide mindset around the role and importance of reaching and teaching students to read using direct instruction (SIPPS, SPIRE, etc). This mindset work was laborious, but finally we have developed the collective understanding that we all responsible for teaching reading and literacy across discipline. With this mindset we have been able to also work with people to integrate literacy in their content areas This mindset and collective responsibility are the root causes of this area of strength.  |
|---|--|--|
| LCAP Goal 2: Focal Student<br>Group Supports          | We have increased our support for English<br>Language Learners through Designated - ELD<br>classes. Additionally, we have a strong ELL<br>leadership team that regularly collects and<br>examines data to monitor the growth of our<br>ELLs. We hold twice yearly workshops for<br>families of the process of redesignation and<br>we celebrate redesignation for students and<br>families with a yearly banquet.  | Funding specifically for D-ELD has allowed us to increase<br>our designated ELD offerings. We also were able to find an<br>experienced ELD teacher to join our team, and they have<br>brought skill and wisdom to this role. Furthermore, we have<br>spent professional learning time focused on academic<br>language, and have taken the time to understand the<br>ELPAC and what it is asking of students. 100% of our 6-8<br>grade students have a reading class that is specifically<br>tailored to their growth edge and needs, from<br>beginning/basic literacy to advanced reading. This<br>homogenous approach has supported students in growing<br>from where they are through specific skill instruction in<br>addition to their general education ELA course. |
| LCAP Goal 3: Student &<br>Family Engagement           | Life Academy hosts weekly family<br>engagement workshops on a variety of topics.<br>These are well attended and consistent. We<br>also host twice annual family conferences so<br>all families at Life meet with their child's<br>advisor twice per year regarding their<br>academic and social emotional strengths and<br>needs. Title I Parent funds will be used to<br>provide translation services for parent<br>meetings. This year we also integrated a Black<br>Excellence dinner to celebrate our Black<br>students. This brought in a historically<br>underserved population of our Black families<br>and should be continued and built upon. | We have focused on improving our engagement of Black<br>families, and when we focus on something and set goals<br>around it, we usually have the capacity to improve it. We<br>have a long way to go, but this is a strong restart and we will<br>continue to build.   |

| LCAP Goal 4: Staff Supports                           | Life Academy's staff has been supported<br>through excellent instructional coaching and<br>strong and effective professional learning to<br>grow towards teacher developed and OETF<br>aligned goals. School leadership is<br>responsive, kind and possesses follow through<br>and detail orientation. | The ability to have 2 full time coaches on our staff from 2021 through 2023 has allowed for a strong focus on teaching and learning. This expanded bandwidth to focus on instruction has been essential as we have rebuilt from distance learning. School leadership also dedicates 5 hours per week to be in classrooms so that leaders have a strong pulse on instruction across the school which can then inform professional development foci, teacher evaluation and budgetary decision making.  |
|---|--|---|
| Focus Area:   | Priority Challenges  | Root Causes of Challenges   |
| LCAP Goal 1: College, Career<br>& Community Readiness | Life Academy continues to have low SBAC<br>performance in both Math and ELA, most<br>dramatically in Math.   | The root cause of low math performance is<br>multidimensional. Even before COVID and distance<br>learning we had issues with math performance, and these<br>were only exacerbated with the minimal amount of<br>instructional time offered during the 20-21 school year. The<br>lack of coverage of the major work of mathematics has<br>since snowballed. Students have major gaps in their<br>learning that have not been fully addressed due to<br>instructional time, staffing and quality instruction. Since<br>COVID we have continued to struggle to re-align and ensure<br>that all students are being met where they are through<br>differentiation and quality teaching/instruction. Title I -<br>student funding 1.5 FTE (5 teachers) will support growth in<br>this focus area. |
| LCAP Goal 2: Focal Student<br>Group Supports          | 40% of our ELLs are consistently growing<br>according to ELPAC data. However, in<br>2021-22, another third of our English Learners<br>were flat and did not show growth according to<br>ELPAC. Another 13% slid and performed less<br>well than they did in the previous year.                         | This challenge of ELLs not growing or sliding on ELPAC performance is due to a variety of complex factors including a lack of consistent D-ELD instruction, an inconsistent experience with literacy integration across disciplines, and most likely, a lack of strong framing for students as they took the ELPAC.   |
| LCAP Goal 3: Student &<br>Family Engagement           | Our support of Black students and families is<br>inadequate. We need to continue to focus on<br>supporting Black families and ensuring that<br>Black students feel seen, heard and<br>responded to at Life Academy.  | We currently have only 3 Black staff members (none of<br>whom are in the classroom). A lack of representation can<br>make it less likely for families to want to engage with Life<br>Academy.   |

| LCAP Goal 4: Staff Supports | Finding and maintaining strong teachers       | Root causes for staff turn over include: misalignment with  |
|-----------------------------|---|---|
|                             | remains a challenge. We have had a high rate  | school vision, compensation in OUSD relative to other       |
|                             | of teacher turnover since 2019 (some of it    | surrounding districts, conditions for teaching and learning |
|                             | good!) but it remains a challenge to continue | within our school.  |
|                             | to build towards our school's goals when we   |   |
|                             | have a constant influx of 1st year teachers.  |   |

## **1D: IDENTIFIED NEED**

To develop the school goals and targets outlined above, school leadership worked with staff, the School Site Council, and District support teams to review student performance data and complete a root cause analysis for each area of challenge and strength. The school also reviewed Districtwide LCAP targets. Based on this analysis, the school crafted goals and set annual growth targets.

## **1E: RESOURCE INEQUITIES**

Of course we have resource inequities - we are a city that, within our public school system, primarily serves low income youth of color. At least a third of our 6th graders come in reading at or below the 3rd grade level, this is one reflection of the depth of inequity we must grapple with. Staffing remains another around of inequity. Often highly qualified teachers choose to work in higher paying districts nearby, leaving us to scramble to find any teacher, let along a highly qualified one. We seek to mitigate these and all the nequities with the resilience and grit that we tackle all issues. We work hard, train hard, teach hard and seek to ensure we are using our resources in the most effective ways possible.

## 1F: SCHOOL PLAN FOR MEETING ESSA REQUIREMENTS

To ensure that this school's SPSA effectively meets ESSA requirements, the school has reviewed student performance data for all students, with special attention to historically underserved student groups, including low-income students, students with disabilities, English learners, Black/African-American students, and Latino students. The school has developed practices to address the unique needs of each student group, and will measure effectiveness of these practices by monitoring practice implementation and tracking progress towards the school's annual student performance targets. Goals, targets, practices, and budget expenditures align to Oakland Unified's LCAP goals and to the specific purposes of each funding program.

## 2023-24 SCHOOL PLAN FOR STUDENT ACHIEVEMENT (SPSA): ANNUAL SPSA REVIEW

School: Life Academy

## SPSA Year Reviewed: 2022-23

SPSA Link: 2022-23 SPSA

## 2A: OVERALL IMPLEMENTATION & EFFECTIVENESS OF THE CURRENT SPSA

## Briefly describe the overall implementation so far of the current SPSA strategies and actions. If any staffing or activities changed after completing the SPSA last spring, please describe.

Overall we have been implementing all SPSA strategies with some level of fidelity. We have made progress in the following, notable ways:

- Strong instructional coaching for all teachers provided by 2 full time coaches.

- Creating a positive 6-12 identity that is linked to our pathway (health and bioscience) through teacher leader development and more intentional, sequenced activities to engage students in the varied themes that fall within our pathway.

- Continued, strong and successful literacy work that uses data to drive student intervention at the 6th, 7th, 8th, 9th and 10th grade levels.

- Provisioning of credit recovery opportunities through extended day and embedded in the day to ensure that students off track toward high school graduation have multiple opportunities to make up the needed credits.

- Continued counseling services embedded in senior classes so that all seniors have multiple touch points to plan for their post secondary education - Implementation of Interim Assessment Blocks in all ELA and Math classes with student work analysis to guide our instruction and curriculum planning.

### Describe and explain the effectiveness of the strategies and actions to achieve the articulated goals.

Our investment in coaching staff has yielded excellent results. Strong coaching and professional development for teachers in all content areas has been provided this year, specifically coaching based on standards and data analysis from assessments to determine areas of need so we can address unfinished learning.

## Describe any changes that will be made to achieve annual goals, outcomes, or strategies/actions as a result of this analysis. Identify where those changes can be found in the SPSA.

Not significant changes. More of the same work toward the same goals.

| 2B: CURRENT YEAR TITLE I-FUNDED PROGRAM EVALUATION |                                       |   |   |  |  |
|--|---------------------------------------|---|---|--|--|
| Title I Expenditure                                | Target<br>Addressed by<br>Expenditure | Actions/Activities<br>(e.g., what does this person<br>or program do?) | What is working/not working?<br>Why? (Qualitative/quantitative<br>data is required. Describe<br>growth/change using<br>data/metrics.) | Based on this evaluation, what<br>will you change, continue, or<br>discontinue? Why? |  |

| CLASSIFIED OVERTIME  | Student<br>Connectedness<br>to School | Suport with familiy meetings,<br>translaiton, home visits, to<br>discuss with fmailies a variety<br>of important topics including<br>student achievement, student<br>assessment data, student<br>attendance and student<br>discipline data.                          | When we are able to address<br>monolingual Spanish speaking<br>families in their home language their<br>understanding of the issues at hand<br>(including student achievement,<br>student assessment data, student<br>attendance and student discipline<br>data) increases by 100%. This also<br>increased parent satisfaction with<br>their experience at the school, adding<br>to the overall feeling that "Life<br>Academy is a school that cares about<br>building with and supporting families"<br>(stated in Parent Academy meeting<br>on 2/21/23).  | Continue funding our clerical staff<br>to translate/make home visits and<br>calls   |
|----------------------|---------------------------------------|--|--|---|
| CONSULTANT CONTRACTS | Student<br>Connectedness<br>to School | Rigorous Love is an<br>organization that provides Life<br>Academy with coaching<br>around our organizational<br>systems and structures for<br>transformative discipline and<br>also provides case<br>management services to 7 of<br>our most gang impacted<br>youth. | What research shows us is that<br>"school connectedness" is an<br>important protective factor that<br>promotes the health and well-being of<br>students. The Center For Disease<br>Control states that students who feel<br>more connected to school are less<br>likely to engage in risky behaviors<br>(violence, sexual health, and<br>substance use) and less likely to have<br>emotional distress and thoughts of<br>suicide among adolescents.<br>In the 22-23 school year Life<br>Academy partnered with Rigorous<br>Love to provide case management<br>services to some of our most "at<br>promise" students in order to ensure<br>that they are connected to a trusted<br>adult, that they are offered a space for<br>processing, connection and care, and<br>that they are supported in healthy<br>choice making. The services provided<br>by Rigorous Love have connected<br>some of our gang impacted youth to<br>weekly sessions with culturally<br>congruent mentors that have shown<br>to increase student connection to<br>school, and decrease risky behaviors<br>(specifically marijuana use crime<br>ranging from petty to more serious<br>theft). | Given the increase in attendance and<br>engagement among the students<br>partnering with Rigorous Love case<br>managers, we will continue in this<br>consultant contract. We hope to see<br>the students served continue their<br>steady growth toward high school<br>graduation. |

| Teacher | SBAC ELA<br>Distance from<br>Standard Met  | Teacher | Having teachers in all classrooms is<br>baseline although not to be taken for<br>granted. Combined Life Academy<br>administration and coaches observed<br>all 28 classroom teachers an average<br>of 22 times in the 22-23 school year<br>and collected significant data through<br>5 instructional rounds focused on our<br>problem of practice. We can see that<br>teachers funded through Title 1 have<br>a set of instructional practices that are<br>growing, and this is reflected in our<br>interim assessment sata (IABs) where<br>80% of students are mastering 80% of<br>tested strands. | We will continue to use Title 1<br>funds to provide classroom<br>teachers so that, even with<br>fluctuations in other funding<br>sources, we remain as stable in<br>our program offerings as<br>possible. |

## Title I, Part A School Parent and Family Engagement Policy

All Title I schools will jointly develop a written parent and family engagement policy with input from and distribution to all parents and family members. This policy describes the means for carrying out designated Title I, Part A parent and family engagement requirements.

## Life Academy of Health & Bioscience

agrees to implement the following engagement practices, in keeping with Oakland Unified School District's Standards for Meaningful Family Engagement:

## OUSD Family Engagement Standard 1: Parent/Caregiver Education Program

Families are supported with parenting and child-rearing skills, understanding child and adolescent development, and setting home conditions that support children as students at each age and grade level.

The school provides parents with assistance in understanding the state's academic content standards, assessments, and how to monitor and improve the achievement of their children by:

- The staff at Life Academy is dedicated to providing quality instruction for the students.
- Teachers have designed core certifications for each course that are used to assess student growth. These certifications have been culled from the California standards and teachers have created authentic assessments in order to track student progress. This data will be correlated with SBAC and PSAT data in order to validate the academic program of the school.
- We will use the adopted curricula in ELA 6-8, Math 6-11 and science 6-11 in order to ensure we are aligned to the Common Core State Standards
- Students will take the Reading Inventory 3 times per year and be given opportunity to reflect on their progress as readers
- Providing students immediate feedback on standards aligned assignments

The school supports a partnership among staff, parents, and the community to improve student academic achievement and engage parents in meaningful interactions with the school by:

- Inviting all families to attend the weekly Parent Academy meetings where there will be learning opportunities regarding academic success of their students (i.e. reclassification, how to support your child as a reader, etc)
- Conferences will be held at least 1x/year and will include the participation of parent, student, and Advisor. The first parent-student-family contracts will be distributed. When necessary, additional conferences will be held to support the student's academic growth.

Specific affinity group opportunities for family dinners such as Blakc Family dinner, API family dinner, in order to engage families on topics relevant to their students and to listen and learn from families what they need for their students.

OUSD Family Engagement Standard 2: Communication with Parents and Caregivers

*Families and school staff engage in regular, two-way, meaningful communication about student learning.* 

The school communicates to families about the School Parent and Family Engagement Policy by:

Convening an annual meeting, at a convenient time, to which all parents shall be invited and encouraged to attend, to inform parents of their school's participation in Title I, Part A and to explain the program requirements and the right of parents to be involved.

The school communicates to families about the school's Title I, Part A programs by:

 Including summary of Title 1 meeting and activities in our newsletter which will be sent out via Parent Square

The school communicates to families about the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet by:

- Holding parent workshops in Parent Academy on Interim Assessments, the SBAC testing, Reading inventory and the ELPAC.
- Holding optional parent observations of classes each fall and spring so that parents can be welcomed into classrooms and learn some of the lenses used to observe and give feedback to teachers on their practice.

The school distributes information related to school and parent programs, meetings, school reports, and other activities to parents in a format and language that the parents understand by:

Sending information on Parent Square

## **OUSD Family Engagement Standard 3: Parent Volunteering Program**

Families are actively involved as volunteers and audiences at the school or in other locations to support students and school programs.

The school provides opportunities for families to volunteer in classrooms and other school activities by:

- Inviting families to take part in classroom observations
- Inviting families to Parent Academy workshops, all of which have translation offered

## **OUSD Family Engagement Standard 4: Learning at Home**

Families are involved with their children in learning activities at home, including homework and other curriculum-linked activities and decisions.

The school provides parents with materials and training to help them work with their children to improve their children's achievement by:

 Holding weekly workshops via Parent Academy on a variety of topics that will support families in supporting their children.

## **OUSD Family Engagement Standard 5: Shared Power and Decision Making**

Families and school staff are equal partners in decisions that affect children and families and together inform, influence, and create policies, practices, and programs.

With the assistance of parents, the school educates staff members in the value of parent contributions, and in how to work with parents as equal partners by:

 Involving parents in reviewing our Strategic Plan and offering Life Academy feedback as to how to advance towards our academic and SEL goals for students

The school provides opportunities for regular meetings with a flexible schedule that allows parents to participate in decisions relating to the education of their children by:

- Weekly Parent Academy workshops and other after school workshops on specific, relevant topics.
- Parent Conferences held twice per year, scheduled around the family needs.

The school involves parents in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I, Part A programs and the School Parent and Family Engagement Policy by:

 Involving parents in reviewing our Strategic Plan and offering Life Academy feedback as to how to advance towards our academic and SEL goals for students

The school provides opportunities for the participation of all parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students, by:

 Offering families the opportunity to engage with the SELLS, SSC and Parent Academy, all of which are offered to families in their home language

The school provides support for parent and family engagement activities requested by parents by:

■ Using Title 1 Parent funds for specific requested workshops and activities.

## **OUSD Family Engagement Standard 6: Community Collaboration and Resources**

Coordinate resources and services for families, students, and the school with businesses, agencies, and other groups, and provide services to the community.

The school coordinates and integrates the Title I, Part A parent and family engagement program with other programs and activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children by:

- Using Title 1 Parent funds for specific requested workshops and activities.
- Providing translation into Spanish of all family oriented meetings.

If a Title I School Wide Plan is not satisfactory to parents, a parent can submit any comments on plan (SPSA) to the Strategic Resource Planning Office

## Adoption

This policy was jointly developed and adopted by the School Site Council of Life Academy of Health & Bioscience on August 23, 2022 and will be in effect for the period August 23, 2022 the end of May 2023. The school will distribute this policy to all parents on or before September 30, of the current school year via Parent Square communication and our monthly newsletter communication.

## August 23, 2022

Please attach the School-Parent Compact to this document.

## **School-Parent Compact**

## 2022-2023

This School-Parent Compact has been jointly developed with parents and family members and outlines how parents, the entire school staff, and students will share in the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State of California's high academic standards.

## This School-Parent Compact is in effect for the 2022-2023 school year.

## **School Responsibilities**

The school agrees to carry out the following responsibilities to the best of their ability:

1) Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the students served under Title I, Part A to meet the State of California's challenging academic standards.

The staff at Life Academy is dedicated to providing quality instruction for the students. Teachers have designed core certifications for each course that are used to assess student growth. These certifications have been culled from the California standards and teachers have created authentic assessments in order to track student progress. This data will be correlated with SBAC and PSAT data in order to validate the academic program of the school.

2) Hold parent-teacher conferences during which this compact will be discussed as it relates to the individual child's achievement.

Conferences will be held at least 1x/year and will include the participation of parent, student, and Advisor. The first parent-student-family contracts will be distributed. When necessary, additional conferences will be held to support the student's academic growth.

3) Provide parents with frequent reports on their children's progress and assistance in understanding the state's academic content standards, assessments, and how to monitor and improve the achievement of their children.

Life Academy and our parent leaders will support our parents to get access to Aeries Parent Portal so that parents can get weekly updates to their students grades, assignments and course progress. If parents opt into the online program, they will receive updates in their home language. The Family Resource center will provide training for families so that they can access the online grading program.

### 4) Provide parents reasonable access to staff.

Staff are regularly available before school, during lunch, after school, and during Conference Periods to meet with parents as needed. Appointments can be scheduled by contacting the main number (510) 510.534.0280 or by contacting the teacher/Advisor directly if contact information has been made available. Most conferences take place at Life Academy. When circumstances require it, staff will meet with parents at their homes or other agreed upon location.

# 5) Provide all parents and family members, including those with limited English proficiency and those with disabilities, with opportunities to volunteer and participate in their child's class, and to observe classroom activities.

Parents may volunteer, participate, and observe classroom activities whenever they are available. This is strongly encouraged at Life Academy as parents are seen as essential partners. Life Academy parents support the morning breakfast program, lunch supervision, and an active safety patrol that creates safe zones for students to come to school.

## 6) Provide parents with materials and training to help them improve the academic achievement of their children.

Life Academy staff will provide parents with the following workshops each year in an effort to support them in best supporting their students: Reclassification for English Language Learners High School Graduation Requirements and A-G Requirements FAFSA and Dream Act Completion//Cash for College Workshops Intervention Meetings for 9th Graders Off Track by January Intervention Meetings for 10th Graders Off Track by October

- 7) Educate staff members in the value of parent and family member contributions, and in how to work with parents and family members as equal partners.
- Ensure regular two-way, meaningful communication between family members and school staff and, to the extent practicable, in a language that family members can understand.

Life Academy staff will use Parent Square to communicate with families regularly about their child's academic progress, and when appropriate, their behavior. This communication is in the home language. When needed we will call families in their home language to discuss issues such as referrals for behavior or students in danger of failing classes.

## **Parent Responsibilities**

As a parent, I will support my child's learning in the following ways:

- 1. I will send my child to school on time every day
- 2. I will make sure that my child gets adequate sleep and has a healthy diet. I understand that Life Academy provides free breakfast and lunch for all students.
- 3. *I will provide a quiet place and time for my child to do homework, and I will review the homework.*
- 4. I will promptly respond to messages from my child's school.
- 5. I will attend Back to School Night, Parent-Advisor –Student Conferences, Open House, Exhibition Nights, Certification Defenses, and other school events.
- 6. *I will help my child's school however possible.*
- 7. *I will sign in at the office when visiting my child's school.*
- 8. *I will read to my child or have my child read for at least 20 minutes every day.*
- 9. In accordance with the law, I am prepared to sit with my child in school in the event that negative behaviors need to be corrected.
- 10. *I will limit the amount my child watches television.*
- 11. I will limit taking vacations when school is in session.
- 12. *I will support the dress code and school rules.*
- 13. I will take notice of progress reports and sign them to maintain communication with the school.

This Compact was adopted by Life Academy and will be in effect for the period of August 24, 2022 to the end of May 2023

The school will distribute the Compact to all parents and family members of students participating in the Title I, Part A program on or before September 30, 2022
