

Petition to Support Sustaining Small Schools

in Oakland Unified School District

As parents, students, and community members who are committed to improving our schools for all students, **we oppose the district's plan to merge 10 schools on a rushed timeline.**

We demand:

1. A stop to all planned shared site mergers in OUSD for the 25-26 school year.
2. A clear and specific plan from the district to merge/close schools at least *one year* in advance.
3. In person meetings with all affected sites with OUSD high ranking officials and school board members.

Petition to Support Sustaining Small Schools

in Oakland Unified School District

As parents, students, and community members who are committed to improving our schools for all students, **we oppose the district's plan to merge 10 schools on a rushed timeline.**

We demand:

1. A stop to all planned shared site mergers in OUSD for the 25-26 school year.
2. A clear and specific plan from the district to merge/close schools at least *one year* in advance.
3. In person meetings with all affected sites with OUSD high ranking officials and school board members.
