Exhibit A – Service Terms

Service Terms – Gartner, Inc.

These terms and conditions (the “Service Terms”) for subscription-based research and related services are between Gartner, Inc. of 56 Top Gallant Road, Stamford, CT 06902 (“Gartner”) and Client and set forth the terms applicable to the use of Gartner products and services (the “Services”) provided to Client or any of its Affiliates by Gartner or any of its Affiliates. For the purposes of these Service Terms, “Client” means the entity that is a party to the applicable Service Order with Gartner; “Affiliate” means any entity that, directly or indirectly, controls, is controlled by, or is under common control of a party; and “Control” means direct or indirect ownership of 50% or more of the stock or other interests entitled to vote for the election of the for governing body of the entity.

1. **Service Orders.** Service Orders (formerly called Service Agreements) set forth the Service(s) to be provided by Gartner (as more fully described in one or more “Service Descriptions”), the term of Client’s license for such Services, and the fees payable by Client. The parties agree that each Service Order will be governed by these Service Terms unless otherwise agreed in writing in a Service Order. Service Orders are non-cancelable and may be terminated only for material breach by either party, upon 30 days prior written notice, if the breach is not cured within the notice period. In the event of an inconsistency between any provision of these Service Terms and a provision of a Service Order, the Service Order shall control during its term. A Service Description describes each Service purchased including the service name, levels of access and deliverables for each Service, sets forth any additional terms unique to a specific Service, is accessible via the hyperlink listed in the Service Order for the Service purchased in a Service Order or as attached to each Service Order, and in each case is incorporated by reference in the Service Order. Gartner may periodically update the service names, levels of access and the deliverables for each Service. If Client adds Services or upgrades the level of service or access, an additional Service Order will be required.
2. **Ownership and Use of the Services.** Gartner owns and retains all rights to the Services not expressly granted to Client. Only the individuals named in the Service Order (each a “Licensed User”) may access the Services. Each Licensed User will be issued a unique password, which may not be shared. Client agrees to review and comply with the Gartner Usage Policy, which is accessible to all Licensed Users via the “Policies” section of gartner.com. Among other things, the Gartner Usage Policy describes how Client may substitute Licensed Users, excerpt from and/or share Gartner research documents within the Client internally, and quote or excerpt from the Services externally.
3. **DISCLAIMER OF WARRANTIES.** THE SERVICES ARE PROVIDED ON AN “AS IS” BASIS, AND GARTNER EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE OR AS TO ACCURACY, COMPLETENESS OR ADEQUACY OF INFORMATION. CLIENT RECOGNIZES THE UNCERTAINTIES INHERENT IN ANY ANALYSIS OR INFORMATION THAT MAY BE PROVIDED AS PART OF THE SERVICES, AND ACKNOWLEDGES THAT THE SERVICES ARE NOT A SUBSTITUTE FOR ITS OWN INDEPENDENT EVALUATION AND ANALYSIS AND SHOULD NOT BE CONSIDERED A RECOMMENDATION TO PURSUE ANY COURSE OF ACTION. GARTNER SHALL NOT BE LIABLE FOR ANY ACTIONS OR DECISIONS THAT CLIENT MAY TAKE BASED ON THE SERVICES OR ANY INFORMATION OR DATA CONTAINED THEREIN. CLIENT UNDERSTANDS THAT IT ASSUMES THE ENTIRE RISK WITH RESPECT TO THE USE OF THE SERVICES.
4. **Confidential Information.** Each party agrees to keep confidential any information communicated by the other party in connection with these Service Terms that (i) is clearly marked confidential if provided in written form, (ii) is preceded by a statement that such information is confidential, if provided in oral form, and such statement is confirmed in writing within 30 days of its initial disclosure, or (iii) can be determined to be confidential by a reasonable person based upon the nature of the information disclosed and the circumstance of disclosure. This obligation of confidence shall not apply to any information that: (1) is in the public domain at the time of its communication; (2) is independently developed by the receiving party; (3) entered the public domain through no fault of the receiving party subsequent to the disclosing party’s communication to the receiving party; (4) is in the receiving party’s possession free of any obligation of confidence at the time of the disclosing party’s communication to the receiving party; or (5) is communicated by the disclosing party to a third party free of any obligation of confidence. Additionally, the receiving party may disclose such information to the extent required by legal process.
5. **Data Protection.** In performing its obligations under the Service Order, Gartner and Client will each comply with all applicable data privacy legislation. In providing the Services, Gartner shall comply with its global privacy policy available at gartner.com/privacy.
6. **Miscellaneous**
 - (a) **Assignability.** Service Orders and these Service Terms and the rights granted to Client hereunder may not be assigned, sublicensed or transferred, in whole or in part, by either party without the prior consent of the other party, except to a successor to substantially all of the business or assets of a party by merger or acquisition. Where consent is required, it will not be unreasonably withheld.

- (b) **Dispute Resolution.** Any and all differences, disputes, claims, or controversies arising out of the parties' relationship, including without limitation those arising out of, relating to, or occurring in connection with these Service Terms, shall be finally settled through binding arbitration conducted in Stamford, Connecticut before a single arbitrator under the administration of JAMS, in accordance with JAMS' Streamlined Arbitration Rules and Procedures. The parties specifically agree that any and all questions of arbitrability, as well as any challenge to the arbitral tribunal's jurisdiction, shall be resolved through arbitration under the administration of JAMS pursuant to the procedures outlined in this section. The decision of the arbitral tribunal shall be final and binding. Judgment on the award rendered by the arbitral tribunal may be entered in any court having jurisdiction thereof and the parties agree to submit to the jurisdiction of any such court. The prevailing party in any arbitration shall be entitled to an award of its reasonable attorneys' fees and costs, in addition to any award of damages or other relief.
- (c) **Applicable Law.** The Service Order and these Service Terms shall be governed by and construed in accordance with the procedural and substantive laws of the State of Connecticut, without reference to its conflict of law principles.
- (d) **Use of Name, Trademark, and Logo.** Absent the prior written consent of the other party, neither party shall use the name, trademarks, or logo of the other in promotional materials, publicity releases, advertising, or any other similar publications or communications.
- (e) **No Third Party Beneficiaries.** The Service Order and these Service Terms are for the benefit of the parties only. No third party shall have the right to (i) rely on the Services provided by Gartner, or (ii) seek to impose liability on Gartner as a result of the Services.
- (f) **Early Access:** When set out in Section 1 of the Service Order, Gartner shall provide Client with access to the Services for a period of time prior to the Start Date without charge ("Early Access"). Services during this period shall commence on or after the date set out in section 1 provided that Client has properly executed and returned the Service Order.
- (g) **Surviving Clauses.** Sections 3, 4, 5 and 6 (b), (c), (d), (e), (g) and (h) shall survive the termination of any Service Order.
- (h) **Effective Agreement.** These Service Terms, together with any Service Orders, set forth the entire agreement between the parties with respect to the subject matter hereof. These Service Terms supersede any previous agreements between the parties. Gartner may update the Service Terms from time to time and the new version of the Service Terms will apply prospectively.

Electronic Record and Signature Disclosure

CONSUMER DISCLOSURE

From time to time, Gartner (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the "I agree"™ button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign "Withdraw Consent"™ form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures

electronically from us.
