Is Vendor a local Oakland business? Yes No

Why was this Vendor selected?

This organization has demonstrated experience and capacity serving in the after school lead agency role. This organization successfully met all requirements of OUSD's Lead Agency Request for Qualifications process and has been approved as a qualified lead agency partner for the OUSD Expanded Learning Office.

Summarize the services this Vendor will be providing.

This organization will provide comprehensive after school services for Oakland students, following the requirements set forth by OUSD and the California Department of Education's ASES and/or 21st Century Community Learning Centers grant programs. Daily after school services will include academic support, enrichment, and physical activity for students, as well as family engagement activities. This organization will work in close partnership with the host school site to align after school programming with the goals and priorities of the school's SPSA. This organization will also work in close partnership with the OUSD Expanded Learning Office to ensure the program meets attendance targets, fulfills compliance requirements, and achieves youth development quality standards.

Was this contract competitively bid? Yes No

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

2) Please check the competitive bid exception relied upon:

**After School Template for Elementary and Middle Schools
Memorandum of Understanding 2018-2019
Between Oakland Unified School District and
East Bay Asian Youth Center**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with East Bay Asian Youth Center ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 179/Manzanita Community School under the following grants:
 - After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21st CCLC funds.
 - Private grants

2. **Term of MOU.** The term of this MOU shall be August 1, 2018 through July 31, 2019. The term may be extended by written agreement of both parties.

3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
 - a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
 - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation. Contingent on OUSD receipt of California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASESP and 21st CCLC grant award amount for East Bay Asian Youth Center is \$ 102,518.00 .-. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:**

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$8.19 a day per student through ASEP and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.19 a day for ASEP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2018-2019")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2018-2019 and will not exceed \$ 102,518.00 in accordance with Exhibit B. Exhibit B ("ASEP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2018-2019").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by

OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

- 4.7. **Program Fees.** The intent of the ASESP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.
5. **Scope of Work.** AGENCY will serve as lead agency at 179/Manzanita Community School, will be responsible for operations and management of the ASESP, 21st CCLC, OFCY, and private grants contracted to AGENCY by OUSD for fiscal year 2018-2019. This shall include the following required activities:

SECTION 1: PROGRAM OPERATIONS

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

To be compliant with grant requirements, the after school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6pm on every school day for elementary and middle schools. (EC 8483) Programs are required to operate all 180 days of the school year.

**CDE allows programs to close for a maximum of 3 days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates, including training agenda and staff sign in sheets.*

Minimum Days

When a school holds minimum days, the after school program is required to begin as soon as the school day ends, and run a long day until 6pm. Minimum days have significant impact on after school staffing and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.

Projected Number of Minimum Days for School Year 2018-19

48

*School should provide lead agency with a calendar of minimum days before the 1st day of school.

Describe funding plan to operate program on the minimum days indicated above, including additional school resources (if any). (560 Characters)

The after school program can absorb extra staff hours for the 38 regular minimum days in the school year. However, any additional minimum days are not accounted for in the budget. We would like the school to assist us in developing a strategy to support the after school program staffs' increased work hours on the additional minimum days. Manzanita Community School currently holds 10 additional minimum days which amounts to approximately \$1,675 (10 days at 167.50 per day - 2 hours x 5 staff x \$16.75 an hour)

Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, **what school funds will be utilized** to fund these additional hours of program? (560 Characters)

The school administration will explore available funds to address the shortfall.

Enrollment Process & Timeline

 **Attach** your enrollment timeline to this document. **Describe** how your school will identify and recruit students beginning in Spring 2018. **Indicate** how families will be notified of 2018-19 enrollment before the last day of school.

Important dates to include in your timeline:

- **April - June:** Spring enrollment for 2018-19 programs.
- Families will be notified of 2018-19 after school enrollment before the **last day of school, June 2018.**
- After school programs begin on **first day of school**, with enrollment at a minimum 75% capacity.
- **August - September:** New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by **September 30, 2018**, except for slots reserved for transitional students (i.e., Foster and Homeless youth; Newcomers) entering the school mid-year.
- All programs must maintain **waitlists** after program slots are filled.

Modifications For High Need Transitional Students

How will you **modify your enrollment and attendance policies** to make your program accessible for foster, homeless, and newcomer students who transition into the school mid-year? (1,150 Characters)

All foster, homeless and newcomer youth are prioritized and enrolled into the after school program. One important system we will follow is the Golden Ticket process as established by OUSD.

SECTION 2: PROGRAM DESIGN & PRIORITIES

Addressing Needs of Underserved/Vulnerable Populations

Reducing the disproportionate suspension rates of African American students is a key priority for OUSD.

Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (*ie. Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.*). (3,940 Characters)

The Expanded Learning Program at Manzanita Community School strives to celebrate and support all students of all cultures and backgrounds. Furthermore, we understand the need to provide specific supports for African American youth. We have a Parent Social Committee made up of our African American families who organizes and hosts the Black History Month festivities. We focus on African American literature, inventions and the history of the African American people. The Parent Social Committee also organizes events to celebrate the different ethnic holidays as well as Black History Month.

We also try to hire staff that reflect our student body. Our current staff are African American and Latino who incorporate African American history into their Enrichment lessons. For example, in STEM, we introduce students to African American & Latino engineers and scientists. For Art, we introduce our students to minority artists, musicians etc.

While we strive to align all rules and expectations across all classes, there are some students who require extra effort and care. We work closely with their families to help support them during the school day into after school program. The staff implements Social and Emotional Learning best practices into their lessons. Students are greeted warmly at the door, the hands-on activities are engaging and fun, students have time to reflect with each other and plan for the following day.

We also utilize different conflict resolution practices, Restorative Justice circles, Building Intentional Community's Talk in Out system to encourage our youth to use their words to express themselves to solve problems. We try not to suspend students because we need them to know that they are wanted in our program, a sense of belonging. We meet with parents to come up with ideas and solutions to support their children in program.

SECTION 3: ALIGNMENT WITH DISTRICT & SCHOOL PRIORITIES

OUSD Strategic Targets

The following target is from OUSD's Pathway to Excellence Strategic Plan for 2015–2020. Our entire Oakland school system, together with community partners, will work collaboratively to achieve these targets for all students.

Grade Level Reading: By 2020, the percentage of 3rd grade students who are reading on grade level will increase to 85 percent.

Complete the matrix to indicate how your after school program will work collaboratively with your school partner to make progress toward achieving this target for the 2018-19 school year.

Social and Emotional Learning (SEL)

Developing SEL skills in students and adults who work in the Oakland school system is a key priority for OUSD. SEL includes the following skills: self-management, self-awareness, social awareness, relationship skills, and responsible decision-making.

Please **indicate which strategies** will be used to support Social Emotional Learning. Check all that apply.

Intentional Skill Development for students

- Instructional Methods and Curriculum
- Targeted program components focused on developing SEL 5 components
- Intentional PD to develop SEL skills in program staff so they can model for students (i.e. 3 Signature Practices)

Describe how you will intentionally **develop SEL skills:** (320 Characters)

Social Emotional Skills development is a major priority across all EBAYC elementary after school programs. All Program Directors, Program Assistants and Academic Mentors are expected to know the SEL framework and corresponding learning standards. As such, we provide specific trainings throughout the year on embedding SEL signature practices in lesson planning, as well as applying the SEL framework to everyday student engagement. When providing coaching and feedback to line staff, Program Directors will include, as a professional development focus, staff capacity and development in providing students with meaningful opportunities to practice SEL skills. In doing so, Directors are mindful in their own SEL development in providing staff this level of coaching and feedback.

Coordination to Support the Whole Child

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

Culture & Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

The following are strategies that OUSD schools are taking to create positive school culture and climate. **Select** at least one strategy to implement:

- Positive Behavioral Intervention and Supports (PBIS)
- Restorative Justice/Restorative Practices (RJ)

What practices does your program have to **support culture and climate**? **How will you align** these practices with school day efforts?

(1,900 Characters)

The After School Program strives to support all students and to provide a safe, welcoming space for our youth to learn, to build relationships with their community and to build their leadership skills. The ASP staff will work closely with the Quality Support Coach and PBIS point person at the school site to ensure that the practices used in the school days flows into after school. ASP staff will be trained on PBIS and RJ best practices to implement into their lessons and classes. The Quality Support Coach will model and coach PBIS and RJ practices with ASP staff during their bi-monthly trainings.

In addition to the PBIS and RJ best practices, ASP staff also utilizes the Building Intentional Community curriculum to build camaraderie amongst the youth and to support them in solving their own conflicts.

SECTION 4: PROGRAM COMPONENTS, continued

Family Engagement / Family Literacy

Please list any additional family engagement activities your program will offer, that are not already listed in Sections 4 above.

After school programs can help foster parent involvement, connect families to the larger school community, and communicate important information related to the regular school day programs.

After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development.

School day teachers will facilitate one of the meetings during the school year

SECTION 5: CONTINUOUS QUALITY IMPROVEMENT PROCESS

OUSD ASPO's utilize a Continuous Quality Improvement (CQI) process to improve staff practices with students. We utilize a cycle of assess, plan, and improve to observe staff behavior and student experiences, identify areas of strength and improvement, and then provide staff support to improve.

Respond to the following prompts based upon your 2017–18 Program Quality Assessment (PQA) observations and Quality Action Plan (QAP) goals.

What areas did your program identify as **strengths**?

(735 Characters)

1. Skill building: There was ample opportunities for students to learn and practice different skills, staff explained and modeled for students and provided extra support for students who were still struggling.
2. Encouragement: Staff uses non evaluative language and asks open minded questions.

What areas did your program identify as **needing improvement**?

(735 Characters)

1. Student leadership opportunities. Have Academic Mentor provide more opportunities for students to lead activities, warm welcomes, reflections, etc.
2. Active Engagement: Academic Mentors will incorporate more opportunities for students to make connections.

Indicate the priority 2–3 **Youth Work Method Training sessions** that best align with your line staff's professional development needs for 2018–19.

SECTION 5: CONTINUOUS QUALITY IMPROVEMENT PROCESS

OUSD ASPO's utilize a Continuous Quality Improvement (CQI) process to improve staff practices with students. We utilize a cycle of assess, plan, and improve to observe staff behavior and student experiences, identify areas of strength and improvement, and then provide staff support to improve.

Respond to the following prompts based upon your 2017–18 Program Quality Assessment (PQA) observations and Quality Action Plan (QAP) goals.

What areas did your program identify as **strengths**?

(735 Characters)

1. Based on peer and external observations, we found Skill-building to be a strength in our program. More specifically, we provide opportunities for students to learn and practice different skills, staff explained and modeled for students and provided extra support for students who were still struggling. These opportunities for skill-building are built into both our academic and enrichment lesson plans.
2. Based on peer and external observations, we found Encouragement to be a strength in our program. More specifically, staff use non-evaluative language and asks open minded questions. We take great care in training and supporting staff in how to: provide specific, meaningful feedback to youth as opposed to "empty praise", and how to prompt critical-thinking by asking open-ended questions. The Site Coordinator models this type of encouragement with staff and youth.

What areas did your program identify as **needing improvement**?

(735 Characters)

1. Based on peer and external observations, we found that we need to improve the frequency and quality of leadership opportunities we provide youth. In the coming year, staff will provide more opportunities for students to practice leadership and support them in doing so. For example, staff will train and coach youth to facilitate warm welcomes and reflection activities in enrichment lessons.
2. Based on peer and external observations, we found that we need to improve how we actively engage students in learning. More specifically, staff will plan and prepare for lessons that incorporate intentional opportunities for students to make connections with prior knowledge or their lived experiences. In our enrichment and content-based sessions, we will design curriculum that builds thematic knowledge and, in reflection activities, ask open-ended questions specifically connecting to prior lessons.

Indicate the priority 2–3 **Youth Work Method Training sessions** that best align with your line staff's professional development needs for 2018–19.

SECTION 6: PROGRAM SCHEDULE & MODEL

Program Schedule

 **Submit your program schedule for 2018-19** as an attachment, using the standard program schedule template. The after school schedule must indicate the school name, program name, and the program year. *Please note that programs will be asked to submit updated program schedules at the beginning of both the Fall and Spring semesters. The Program Schedule must clearly show when all after school activities listed in this program plan will be taking place.*

 Also submit a copy of the **school bell schedule** for the 2018-19 school year.

Important Notes: *The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned (i.e., if the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm; the same is true on minimum days).*

Program Model

For 2018–2019, **my site will operate** the following program model:

- Traditional After School:** voluntary program open to all students, with enrollment priorities targeting certain students
- Extended Day Program:** additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must not appear on the school bell schedule)
- Blended/Hybrid:** combination of some extended day and some traditional after school programming

Teachers on Extended Contract for Direct Service

In addition to a Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as math or literacy intervention and ELL instruction.

Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$26.61/hr (per OEA contract). After school grant funds can be utilized for this direct service work. The Quality Support Coach cannot provide direct service to students. The Quality Support Coach is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$34.67 for their staff capacity-building services. Teachers doing direct service work after school must be paid with an extended contract. Note these pay rates may change if there are district pay raises next year.

EBAYC Tuition Policy 2018-2019
Elementary & Middle School - Summer and After School Programs

Program Tuition: Tuition is assessed uniformly across all elementary and middle school after school programs and summer program. Revenue generated from tuition collection is used to support the operations of these programs.

A tuition payment is due on the stated date on the invoice. The tuition rate applies to all students enrolled in the program, with the exception of sibling discount and/or approved Tuition Reduction form.

EBAYC will continue to accept students under each program's existing enrollment guidelines. A family's ability to pay tuition is not a factor in the acceptance of a student into our programs. We will not turn away any student for their inability to make a payment.

Payment Method: Families have the choice of paying quarterly (every 3 months), or monthly or for the whole year in one payment in cash, check, money order, or credit card. A bounced check will be assessed a \$25 penalty fee. After three bounced checks, families will be required to make payments in cash, money order, or credit card.

Full Year Payment Discount: A \$15 discount is applied if a Full-Year Payment is made in one installment by **October 10, 2018**. This discount does not apply in the Summer Program.

Sibling Discount: The first student pays the full tuition amount and a \$70 discount is applied for each additional sibling enrolled in an EBAYC program. A sibling is defined as each of two or more children, or offspring, having one or both parents/guardians in common - a brother or sister, or any children a parent or guardian is financially liable for. Guardians must show proof of students listed as dependent on the most recent tax return form.

Tuition Reduction: Tuition Reduction forms are reviewed after it has been fully completed and submitted with all required documentations. Families will be notified within fifteen (15) business days of submission. Upon approval of the Tuition Reduction form, parents may either accept the discount or they can appeal the decision, please see your Program Director for the Tuition Reduction Appeal Form. Sibling and \$15 Full-Year Payment Discounts cannot be combined with Tuition Reduction discount; and the greater of the discounts will be applied to your invoice.

Refunds: Prorated refunds will be made as a result of withdrawal or dismissal from the program. A prorated refund will be provided upon receipt of a thirty (30) business days with advance written notice for program withdrawal from parents or guardians. Refunds are only processed during the current school year of withdrawal, or dismissal, in the form of a check. If the check is not cashed in 90 days, or by June 1, it will be forfeited as a donation to EBAYC. Refunds are not available to families who pay in full before submitting an approved Tuition Reduction Form.

Policy Changes: Policies are subject to change. Notifications will be mailed 15 business days prior to effective date.

By signing below, I am stating that I have read, understood, and will comply with the above tuition policy of EBAYC.

Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement (CQI) processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the California Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based *Assess-Plan-Improve* CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis:

- self-assessment using Youth Program Quality Assessment (YPQA)/School Age Program Quality Assessment (SAPQA) tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with goals for program improvement
- QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

CQI: Continuous quality improvement

QAP: Quality action plan

SAPQA: School Age Program Quality Assessment

YPQA: Youth Program Quality Assessment

Review and mark all commitments:

Our lead agency and school partner understand district expectations regarding the after school program's participation in the Continuous Quality Improvement (CQI) process summarized above. We agree to the following expectations:

- ✓ Lead agency will budget adequately to ensure program staff participate collaboratively in each step of the CQI process.
- ✓ Site coordinator will participate in CQI trainings to develop his/her leadership in leading continuous quality improvement processes.
- ✓ Lead agency director will provide coaching support and monitoring to Site Coordinator to ensure completion of a meaningful CQI process, and thoughtfully completed CQI deliverables.
- ✓ Site coordinator will share CQI data with Site Administrator and school staff.

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

Our goal is to support students to graduate from high school and pursue higher education. EBAYC provides trusted mentors, educational programs and grassroots policy work, so that all youth may realize their aspirations and personal path to success. Over 3,000 youth are served each year through our expanded learning programs and case management services. Our program strategies resulted in higher school attendance rates and lower school suspension rates. Over the course of four decades, EBAYC consistently demonstrates high standards of program quality and performance as indicated by city, county, and school district evaluation.

Dear Ms. Pena,

This letter explains the East Bay Asian Youth Center (EBAYC) policy for tuberculosis testing, fingerprinting and child abuse and neglect reporting.

EBAYC employees are not permitted to come into contact with students at any OUSD school sites until EBAYC receives their negative TB test results, fingerprint clearance and re-arrest records from the State of California - Department of Justice, and from the Federal Bureau of Investigation pursuant to Section 11105.3 of the California Penal Code and Section 15660 of the California Welfare and Institutions Code. No EBAYC employees who have been convicted of a violent or serious felony may come into contact with students.

EBAYC employees fully comply with the California Child Abuse and Neglect Reporting Act guidelines to report suspicions of possible child abuse and neglect to the appropriate reporting agencies.
