Failure to respond within the timelines specified in the continued funding application request shall constitute notification to the CDD of the contractor's intent to discontinue services at the end of the current contract period unless the contractor has received a written extension of the original timeline from the CDD.

M. Applicability of *Corporations Code*

Except for partnerships and sole proprietorships, private contractors shall be subject to all applicable sections of the *Corporations Code* including standards of conduct and management of the organization.

N. Conflicts of Interest for Child Care and Development Programs

For any transaction to which the contractor is a party and the other party is:

1. An officer or employee of the contractor or of an organization having financial interest in the contractor; or
2. A partner or controlling stockholder or an organization having a financial interest in the contractor; or
3. A family member of a person having a financial interest in the contractor, the transaction(s) shall be fair and reasonable and conducted at arm's length

Based on corporate law (*Corporations Code* sections 310, 5233-5234, 7233 and 9243 as applicable) the general rules that would be followed to ensure that transactions are conducted "at arm's length" include:

1. Prior to consummating the transaction, the governing body should authorize or approve the transaction in good faith and the board should require the interested party, or parties, to make full disclosure to the board both in writing and during the board meeting where the transaction is being discussed.; and
2. All parties having a financial interest in the transaction should refrain from voting on the transaction and it should be so noted in the board minutes.

If the transaction involves the renting of property, either land or buildings, owned by affiliated organizations, officers or other key personnel of the contractor or their families, the board of directors shall request the interested party to obtain a "fair market rental estimate" from an independent appraiser, licensed by the California Office of Real Estate Appraisers. If the contractor has no board or is a sole proprietor, the requirement for a "fair market rental estimate" shall also apply. The contractor has the burden of supporting the reasonableness of rental costs. If the property is owned by the contractor, rental costs are not reimbursable and costs may be claimed only as depreciation or use allowance. Any transaction described in this paragraph shall be disclosed by the auditor in the notes to the financial statement in the annual audit. (OMB A-110, Subpart D)

Rental costs for equipment owned by affiliated organizations, officers or other key personnel of the contractor or their families are allowable only as use or depreciation allowance.

- O. Unlawful Denial of Services (*Government Code* Section 11135 and *California Code of Regulations, Title 5, Section 4900*)
1. No person in the State of California shall, on the basis of race, national origin, ethnic group identification, religion, age, sex, sexual orientation, gender, ancestry, color, or mental or physical disability, be unlawfully denied full and equal access to the benefits of, or be unlawfully subjected to discrimination under, any program or activity that is conducted, operated, or administered by the state or by any state agency, is funded directly by the state, or receives any financial assistance from the state.
 2. With respect to discrimination on the basis of disability, programs and activities subject to subdivision (a) shall meet the protections and prohibitions contained in Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof, except that if the laws of this state prescribe stronger protections and prohibitions, the programs and activities subject to subdivision (a) shall be subject to the stronger protections and prohibitions.

As used in this section, "disability" means any mental or physical disability as defined in *Government Code* Section 12926.

P. Computer Software Copyright Compliance

By signing this agreement, the contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this contract for the acquisition, operation or maintenance of computer software in violation of copyright laws

Dear Executive Directors, Child Development Programs:

2012–13 CHILD DEVELOPMENT CONTRACTS

Please find attached a summary of the Funding Terms and Conditions (FT&Cs) changes for Fiscal Year 2012–13 (FY) (Attachment A) and a list of contract types and prefixes for the Child Care and Development (CCD) contracts. To date, all child care and development programs will continue in the FY 2012-13.

By July 1, 2012, the 2012–13 FT&Cs will be available on the Internet at <http://www.cde.ca.gov/fg/aa/cd>, which can be downloaded and printed for your files. In addition, the program requirements for the Quality (one-time only/support) programs will also be posted on the Web site. However, if you do not have Internet capabilities, you may request a hard copy by contacting your assigned contract analyst. The Contract Analyst Directory can also be found on the Web site listed above.

There are a few changes to the 2012–13 contracts funding terms and conditions as well as, the contract(s). The CDE is using May Revise funding levels while waiting for the final outcome of the policy changes. Therefore, CDE is rolling out the Child Care Contracts with minimal changes with the expectation of amendments after the budget is signed. The contract packet includes the GTC-610, General Terms and Conditions for state contracts and the CCC-307, Contractor Certification Clauses, which must be signed and returned by the contractor, along with the two signed contracts. For Interagency Agreements, the GIA-610 is included.

There are a few changes in the Definitions section and Requirements section (see summary of changes attached), however, you should be familiar with all contract requirements.

The CDE encourages you to read the General Terms and Conditions (GTC-610/GIA-610). For those contracts that incorporate the GTC-610, it is necessary that you sign and return the CCC-307 with your signed contract or CDE will be unable to process your contract. **Please sign and return your contract(s) and all appropriate documents to the CDE Contracts, Purchasing and Conference Services Office (CPCSO)**, as soon as possible, to ensure timely receipt of your first apportionment. Public agencies needing to obtain a resolution may forward their signed contracts, prior to formal board action (local policies permitting), if a letter is included indicating when

June 1, 2012

the board will meet and that the required resolution will be forwarded to the CPCSO at that time.

If you have any questions regarding the changes, please contact Doris Morris, Manager, Child Development Contracts and Purchasing, at 916-323-5591 or by e-mail at dmorris@cde.ca.gov; or Margie Burke, Manager, CPCSO at 916-322-7076 or by e-mail at mburke@cde.ca.gov. If you have questions regarding the status of your contract, please call the appropriate contract analyst.

Sincerely,

Sharon Taylor, Director
Fiscal and Administrative Services Division

DEPARTMENT OF

TOM TORLAKSON
STATE SUPERINTENDENT OF PUBLIC INSTRUCTION

June 1, 2012

Dear Director of Child Development Programs:

FISCAL YEAR 2012–13 CHILD DEVELOPMENT CONTRACT(S)

Enclosed please find your contract(s) for Alternative Payment Program (CAPP), CalWORKs Stage 2 (C2AP), and/or CalWORKs Stage 3 (C3AP) for Fiscal Year (FY) 2012–13. Contracts for General Child Care (CCTR), California State Preschool (CSPP), Migrant (CMIG), Family Child Care Homes (CFCC), and/or Allowance for Handicapped (CHAN) are forthcoming.

You were previously notified by the California Department of Education (CDE) that FY 2012–13 contracts would be rolled based on FY 2011–12 (current year) terms rather than the Administration's proposed budget released in January 2012. The exceptions were the CAPP, C2AP, and C3AP contracts for which the CDE would await May Revise to determine how these contracts would be rolled. The CDE has changed the decision to issue contracts based on current year and instead will roll all FY 2012–13 child development contracts based on the Administration's May Revision.

Although we are using May Revise funding levels, contract terms do not reflect any of the proposed May Revise policy changes. All contract MRAs, except C2AP, were calculated with an across-the-board percent-to-total reduction. C2AP contract allocations are calculated using March 2012 caseload data. Please note that one-time reductions effected in FY 2011–12 were restored (including those that mitigated the mid-year trigger cut) prior to the percent to total calculation. In addition, program cut percentages were reduced by the use of unallocated funding made available through Contract Review. Please note that these contracts are no indication or prediction of Budget action yet to be undertaken by the Legislature, and should thus be considered a placeholder until the Budget Act is adopted.

For CAPP, C2AP, and C3AP, May Revise continues to propose the administrative restructuring of child care with all of the funding for these contract types budgeted within the Alternative Payment schedule and the understanding that these three programs would be combined into one contract. Due to Superintendent Torlakson's continued opposition to realignment of child care programs and the drastic child care cuts proposed by the Administration as well as the belief that the Administration's proposal will be significantly restructured by the Legislature, the CDE is issuing individual CAPP, C2AP, and C3AP contracts for FY 2012–13.
