Board Cover Memorandum

To Board of Education

From Kyla Johnson-Trammell, Superintendent
Sondra Aguilera, Chief Academic Officer

Meeting Date June 23, 2021

Subject Memorandum of Understanding 2021-2022 – East Bay Asian Youth Center - After School Program – Edna Brewer Middle School

Ask of the Board Approval by the Board of Education of Memorandum of Understanding 2021-2022 between the District and East Bay Asian Youth Center, Oakland, CA, for the latter to serve as lead agency for program coordination, math intervention, homework support, student supervision and a variety of enrichment services, as described in the MOU, for Edna Brewer Middle School’s comprehensive After School Program, for the period of August 1, 2021 through July 31, 2022, in an amount not to exceed \$149,397.00.

Background The After School Education and Safety (ASES) is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 and 8484.6.

Discussion This organization has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD’s Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office. The school Principal has selected this agency from the list of approved lead agency partners.

Fiscal Impact After School Education and Safety (ASES) Grant/Resource 6010 in the amount of \$149,397.00

**After School Template for Elementary and Middle Schools
Memorandum of Understanding 2021-2022
Between Oakland Unified School District and
East Bay Asian Youth Center**

1. **Intent.** This Memorandum of Understanding (“MOU”) establishes the Oakland Unified School District’s (“OUSD”) intent, contingent upon OUSD’s receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with **East Bay Asian Youth Center** (“AGENCY”) to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at **210 Edna Brewer Middle School** under the following grants:

- After School Education and Safety Program (“ASESP”)
- California Department of Education (“CDE”) 21st Century Community Learning Center (21st CCLC)
- Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth (“OFCY”) After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21st CCLC funds.
- Private grants

2. **Term of MOU.** The term of this MOU shall be August 1, 2021 through July 31, 2022. The term may be extended by written agreement of both parties.

3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD’s cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.

a) No Premature Termination by AGENCY AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD’s cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY’s premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.

b) Advance Notice by AGENCY for Coming School Year. AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation. Contingent on OUSD receipt of California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASES and 21st CCLC grant award amount for **East Bay Asian Youth Center** is **\$ 149397.00**.** AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21st CCLC grants shall be based on actual student attendance rates (\$8.88 a day per student through ASES and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.88 a day for ASESP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OCY attendance systems in order for invoices for payment of services for the ASESP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2021-2022"). In the event that the school site at which AGENCY has agreed to provide programming is closed for any emergency reason (including but not limited to reasons related to COVID-19), and AGENCY provides programming remotely pursuant to Section 5.4.5 of this Agreement, AGENCY shall calculate attendance based on student participation in AGENCY's remote programming.
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASESP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASESP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASESP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASESP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASESP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2021-2022 and will not exceed **\$ 149397.00** in accordance with Exhibit B. **Exhibit B** ("ASESP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2021-2022").

- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

Program Fees. The intent of the ASES and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care. Any site receiving 21st Century Community Learning Center (CCLC) must report all fees collected (i.e.- registration fees, family fees, application fees, etc.) to OUSD After-School Program Office for CDE reporting.

SECTION 2: PROGRAM OPERATIONS	
Average Daily Attendance, Program Dates, Minimum Days & Enrollment	
<small>To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.</small>	
Projected daily attendance for 2021-2022 school year program.	112
Program Operations for the 2021-2022 school year. First Day: August 9, 2021 Last Day: May 26, 2022	
UPDATED ED CODE:	<small>Per CDE Education Code Section 8483.7(c) allows programs to close for a maximum of 3 days during a calendar year (not a school year) for staff development. Families and school site personnel must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets. This should be uploaded no later than 5 business days after the closure day.</small>
Identify the three days (if any) your program plans to close this year for PD. The program must be open all other days of the school year. (Updates for any date changes are due September 2021).	
1st: <input type="text" value="TBD"/>	2nd: <input type="text" value="TBD"/>
3rd: <input type="text" value="TBD"/>	
<small>Minimum Days. When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming. There is an expectation already established for the 36 weekly minimum days, however if the school is planning on more than these and 10 extra days for report card conferencing you should discuss how the staffing fees for these extra days will be funded in partnership with the school day.</small>	
Projected Number of Minimum Days for School Year 2021-2022: <input type="text" value="36"/>	
Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, identify school-site funds to be utilized to fund these additional hours of programs?	
<small>EBAYC has budgeted for and can absorb the cost of the 36 minimum days in the school year. However, any additional minimum day(s) that exceed the 36 minimum days are not accounted for in our budget and would need the school to assist in developing a strategy to 1) support the after school staff's increased work hours on additional minimum days (\$52.50/day /staff) or 2) agreement that program will operate until 6:00 p.m. but not at maximum capacity.</small>

Important dates to include in your timeline

April - June: Spring enrollment for 2021-2022 programs.

Families will be notified of 2021-2022 after school enrollment before the **last day of school, May 27, 2021.**

After school programs begin on the **first day of school** when enrollment is at a minimum 75% capacity.

Remaining program slots will be filled by **September 30, 2021**, except for slots reserved for transitional students (i.e., Homeless, foster youth; Newcomers) entering the program for the first time and/or mid-year

All programs must maintain **waitlists** after program slots are filled.

CDE and OUSD have established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. With these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community. Make sure to include a description of 1-3 enrollment priorities that will be made public and why.

****This may look different for High School and Continuation schools based on alternative schedules and intersession. Please include the items above that are applicable to your schedule and recruitment process. Describe how your school will identify and recruit students beginning of Spring 2021. Indicate how families will be notified of 2021-2022 enrollment before the last day of school.**

Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal *McKinney-Vento Homeless Assistance Act* (42 U.S.C. Sec. 1143a), who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. *Subtitle VII-B of the McKinney-Vento Homeless Assistance Act* (42 U.S.C. § 11431 et seq.)
 - Establishes the definition of homeless used by schools
 - Ensures that children and youth experiencing homelessness have immediate and equal access to public education
 - Provides for educational access, stability, and support to promote school success
 - Needed to address the unique barriers faced by many homeless students

Complete the following questions for Section 3b:

- To the best of your knowledge, how many Golden Tickets were distributed in the 2020-2021 school year?

- How will you make your program more accessible to serve the needs of Golden Ticket students/families?

Our After School Program prioritizes enrollment of the following three target populations: Students in need of academic support and intervention to improve or sustain academic performance; English Language Learners and or Newcomers; and Students from socio-economically disadvantaged families/backgrounds. Site Coordinator will collaborate with school administrator, counselor, and/or faculty to identify students who may benefit from the enrollment in the program. Meeting with our COST team will help us identify specified support for our students.

SECTION 4: PROGRAM COMPONENTS	
<p>CDE requires that programs must provide a safe environment and include an educational component that provides tutoring and/or homework assistance; and an educational enrichment component, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for physical activity. (EC Section 8483.3(c)(7))</p>	
<p>Educational and Literacy Component that includes tutoring/</p>	<p>Describe how the after-school program will provide the educational & literacy component.</p>

Respond Below:

Our program will offer daily homework assistance, totaling 6 hours weekly. We also provide extra math and reading support by incorporating Illustrative Mathematics (school day math curriculum) in our after school program. Program also supports students with their reading packets assigned by their teachers during homework support hours.

Homework assistance in the core subjects (language arts, math, history /social science, etc.)

How are students building academic skills? How are social-emotional academic development being integrated? *(Include specific strategies for creating a safe & supporting environment through encouragement and active engaged learning.)*

Respond Below:

Our program will support students with time management to complete their homework packets in core subject areas at a pace that will allow them to submit their assignments weekly on due date. Students also participate in different welcoming rituals and optimistic closures as they transition throughout the day.

Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)

How does the after-school program choose which educational enrichment activities are offered? (Include specific strategies designed to foster skill-building, youth voice and leadership and diversity, access and equity.)

Respond Below:

Our program offers a wide variety of enrichment activities that include cooking class, arts and crafts, hip hop dance and creator's mind. All the enrichment activities provide opportunities for all students to learn new skills, engage in different activities, participate in teamwork, and lead their fellow classmates.

Physical Activity other than recess that is structured and supervised with a warm-up, structured physical activities and a cool down. (This should happen for all students in the program.)

CDE expects Elementary programs to offer 30-60 minutes of developmentally appropriate, daily physical activity (to help meet CDE recommendation of 60 daily minutes of moderate to vigorous physical activity for youth) This is not "free play" or recess. (We understand Middle and High will vary based on sports programs and scheduling. Please explain how the after-school program will address physical activity in your program, including type, frequency, and target population. All students should have the opportunity for physical activity.)

- Plan and evaluate (review fitness test results, track minutes, etc.)
- Include a variety of activities throughout the year

Describe how the after-school program will provide structured physical activity for all participants. (Include specific strategies to promote healthy choices and behaviors.)

Respond Below:

We offer basketball, football, and soccer to our students to participate in as an enrichment activity weekly. We teach our students the fundamentals of sports as well as teamwork. Students are able to learn and understand sports. Students get over 4 hours of enrichment and also participate in structured activities that promote teamwork, collaboration, and sportsmanship.

Family Literacy Component that includes literacy activities and other educational services that engage adult family members of students.

Describe how the after-school program provides opportunities to promote literacy and/or other educational services to adult family members of students?

Respond Below:

EBAYC conducts monthly family events to provide families an opportunity to understand what their child is learning and how their child is progressing (academically, social-emotionally, etc.). We often collaborate with the school day to host events and lend support (translation, facilitation, child care, etc.) in bridging the home and school.

Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)

How does the after-school program choose which educational enrichment activities are offered? (Include specific strategies designed to foster skill-building, youth voice and leadership and diversity, access and equity.)

Respond Below:

We implement the enrichment activities based on the interest of the students and staff expertise. The menu of enrichment offerings may include yearbook, sports, arts & crafts, etc. to engage youth full activities. In addition, the enrichment activities build and reinforce skills that support student growth and development. Some of the skills incorporated include communications, strategies, good sportsmanship, and more.

1. Complete the program schedule from or upload your program schedule.

a. Make sure your program schedule includes:

- i. Class/Activity title i.e. African Dance not just enrichment
- ii. Day and time offered

b. Complete this form to design program component [attached template](#) to describe program components then link them into this document. Program component description link: linked to the [spreadsheet](#) create a drop-box option (a) CDE--academic, enrichment, physical activity "use the same title".

**In the fall, sites are required to resubmit updated program schedules. This schedule should be clearly aligned with the supports identified in section 4.*

Academic Alignment with School Day and [District Priorities](#)

Please provide a short narrative that identifies how the after-school program will support school goals aligned with district student learning goals in the appropriate grade level box below.

- Collaborate with the school site administrator and consult the School Site Plan to align with the school day.
- Consult the descriptions below for the District's priorities for elementary, middle and high school.

OUSD Student Learning Goals:

- 1- All students build relationships to feel connected and engaged in learning
- 2- All students continuously grow towards meeting or exceeding standards in English Language Arts
- 3- All students continuously grow towards meeting or exceeding standards in Math
- 4- English Learner students continuously develop their language, reaching English Fluency in 6 years or less
- 5- All students grow a year or more in Reading each year
- 6- All Students graduate college-, career-, and community-ready

How will the after-school program further these OUSD Learning Goals?(Choose 2-3 to focus on for the 2021-22 School Year)

Respond Below:

Goal 1: All students continuously grow towards meeting or exceeding standards in **English Language Arts** - School and the lead agency will partner to ensure that the after-school program is aligned in supporting this goal. In addition to working with our QSC, we will work closely with grade-level families (Math and English teachers) to identify students that need additional support on English skills and concepts (reading, writing, etc.) and provide additional support to the identified students.

Goal 2: All students continuously grow towards meeting or exceeding standards **Math** - School and the lead agency will partner to ensure that the after-school program is aligned in supporting this goal. In addition to working with our QSC, we will work closely with grade-level families (Math and English teachers) to identify students that need additional support on Math skills and concepts (reading, writing, etc.). Once identified, staff will work with the individual and provide one-to-one attention to ensure the students are on track and submit homework/assignments daily/weekly.

SECTION 5: CONTINUOUS QUALITY IMPROVEMENT (Alignment with CDE and OUSD)

To increase the effectiveness of a program, it is critical to engage in an ongoing continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the [Quality Standards for Expanded Learning in California](#)—which were developed in partnership between the California Department of Education's (CDE) After School Division and the California Afterschool Network (CAN) Quality Committee.

TRUTH
What is currently happening in the program? Use data to identify the truth about 1-2 self-selected aspects of the program.

Respond Below:

We have 9 staff supporting the day school teachers. We have four 6th grade after-school teachers, two 7th grade after-school teachers, and three 8th grade after-school teachers. All the after-school teachers are providing push-in support to day school teachers and also provide one-to-one support for the students. We also offer enrichment activities such as baking class, cooking class, basketball, soccer, STEM, drawing, and arts/crafts. At the beginning of the school year, it was difficult for students to adapt to the zoom classes and not comfortable being on zoom. Families were showing frustration because of tech issues or multiple children in the household with requests from school. At the beginning of the year, my staff was having difficulty contacting the parents and students because it was too overwhelming with distance learning. As days go past, students are reaching out for support and build a connection without staff.

HOPE
What is the dream for the program in these areas as identified by students, families, parents, staff and site support team?

Respond Below:

It would be great if all the students participate more on Zoom and ask for support. Also, it would be beneficial for the students if parents reach out to our staff for support. Since we have some experience from distance learning, we will start reaching out to students and parents before school begins to make sure that we build a connection. Hoping that families and students can trust our staff to support the families in any way possible.

CHANGE
What steps will be taken to make the shifts needed to realize the HOPE identified above?

Respond Below:

We need to connect with the parents via phone calls, text messages, or the school communication app more frequently and provide even more incentives for student participation. Our staff will contact every family individually and hoping to connect with the families and also knowing what kind of support they will need. By the end of the 1st 2 weeks of school, we should contact all families.

CURIOSITY
What deeper questions or inquiries are coming up? Something that needs more time to think about to make long-term shifts.

Respond Below:

What will the upcoming school year look like? Is it going to be virtual or in-person? How do we encourage authentic participation and engagement of parents? How do we increase ownership of the program from the community?

Edna Brewer OUSD Expanded Learning: After-School Programs

2021-2022 Modification Program Plan

ELEMENTARY/MIDDLE & HIGH SCHOOLS

ASES and 21st Century Community Learning Center (21st CCLC)

Modification Program Plan: Given the uncertainty of the school reopening model, this document will:

- Develop a clear work plan that supports students' learning in partnership with the school site to prepare for any model for reopening in the 21-22 school year.
- Support collaboration with schools and Lead agencies to determine their reopening plans.

Non-Negotiable Compliance Considerations Expanded Learning Guidelines

When designing the Expanded Learning program model, please consider all of the following factors.

- ASES, 21st CCLC, and ASSETS funding will not increase based on the program model.
- Sites will be required to run 180 days of programming.
- Sub-contractors partnerships and how they will fit into this program model
- No supplanting (Programs are required to provide supplementing/enrichment programs and can not provide any instructional minutes)

Expanded Learning Program Models

Given the constant uncertainty due to COVID-19, the Expanded Learning Office is asking all Expanded Learning Partners and Site Leadership Teams to design programming for multiple reopening models to ensure we can meet our communities' needs in the fall.

Possible modified program models:

- Distance Learning Support
- In-person with modifications based on State and County Safety guidelines.
 - If the sites are in any type of hybrid programming where some are on and some students are off-campus. Expanded Learning funds are to be prioritized for in-person programming.
 - This modification occurs when students come back part-time or not all students come back in person. I.E. small pod instruction with only 12-14 students present in each class.

GUIDING QUESTIONS - Staffing

Please answer the following questions to help guide program contingency planning. Staffing is the key ingredient to making these decisions for each site.

How many full-time employees does the expanded learning program employ? (i.e., site coordinators)

How many part-time employees?

How many hours do the part-time employees work?
 Hrs

Does the program have subcontractors that provide service?

MODIFIED SCOPE OF WORK

Please Indicate below how the Expanded Learning Program will support each possible modification. Check all that apply. (Keep in mind that Expanded Learning funds should be used to support enrichment for students. If staff is supporting school day make sure to set aside dedicated for them to provide this service.)

Distance Learning :

- Expanded Learning staff will be generally present (via Zoom) from __am/pm to __am/pm
- Expanded Learning staff will virtually support 1:1 with a student(s) ___ groups of students ____.
- Expanded Learning staff will virtually support teachers directly.
- Expanded Learning staff will lead and facilitate programming independently of the school day
- Expanded Learning staff will assist with specific subjects.

List subjects below:

EBAYC will meet with school leadership throughout the summer and beginning of the school year to assess the needs of the students with regard to the possibility of continued virtual learning. In the event OUSD maintains distance learning, EBAYC will provide virtual 1:1 or small group academic support to students. EBAYC will provide push-in school day support, if staff's schedules permit. Additionally, EBAYC will implement SEL curriculum and enrichment activities as well as wellness check-ins. When necessary, EBAYC will deliver materials to students for enrichment and encourage youth participation through incentives and virtual family events.

Please briefly describe how the program will support distance learning:

EBAYC will meet with school leadership throughout the summer and beginning of the school year to assess the needs of the students with regard to the possibility of continued virtual learning. When necessary, EBAYC will deliver materials to students for enrichment and encourage youth participation through incentives and virtual family events.

In-person Modified by State and County Health Guidelines:

- Expanded Learning staff are in person with a small cohort, based on county POD guidelines
- Expanded Learning staff will provide programming for 3 hours after the school day ends.
- Expanded Learning staff will provide distance learning support for student or 1:1 tutoring Expanded Learning staff will support in-person students daily
- Expanded Learning staff will virtually support students on days when all students are virtual

Please briefly describe how the program will support distance learning:

EBAYC will meet with school leadership throughout the summer and beginning of the school year to assess the needs of the students with regard to the possibility of continued virtual learning. EBAYC will provide in-person programming at 1:20 staff to student ratio if OUSD resumes in-person instructions for all students daily, reflecting pre-pandemic instructions; or EBAYC will provide programming in-person at 1:10 staff to student ratio if OUSD resumes in-person instructions for students with assigned days. In-person programming offering would be independent of school day instructions and commence upon school-day dismissal at 3pm.

SECTION 3: PARTNERSHIP & COMMUNICATION ASSURANCE

How will the site operationalize communication between the lead agency staff and school faculty? Are there existing spaces that the coordinator or instructors should be invited into to improve alignment between the school faculty and expanded learning staff?

- PBIS
- Staff Meetings
- Grade level Collaboration
- COST

If a shift happens how do you collaboratively transition from fully remote learning to in-person learning modified?
(i.e. Keep in mind impact, staff readiness, budget, space, and county/state guidelines.) **What are the steps/considerations for the transition?**

EBAYC continues to provide information where staff may get vaccination information and how to secure a vaccination appointment. Additionally, EBAYC will meet with staff to inquire schedule flexibility. In the event instructions resume in-person and health risks (e.g. variants, underlying health concerns, etc.) EBAYC will partner with OUSD and school to make PPE available and reduce the number of staff to student ratios (reduce number of youth serve) and compensate staff with an additional hazard pay.

EAST BAY REGIONAL PARK DISTRICT

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

OAKLAND UNIFIED SCHOOL DISTRICT AND _____
20__-20__ MIDDLE SCHOOL SPORTS LEAGUE ACTIVITIES

RELEASE OF LIABILITY AND ASSUMPTION OF RISK

In exchange for being permitted to participate or have my child/ward participate in activities and use equipment and facilities, I agree to release, indemnify and discharge Oakland Unified School District ("OUSD"), _____, and their respective agents, directors and employees on behalf of myself, my spouse/domestic partner, children, heirs, assigns, and estate as described below.

1. I am familiar with the Middle School Sports League Activities and facility rules and agree that I and my child will follow them. I understand that the recreational activities or use of the facilities or equipment carries inherent risks which cannot be eliminated regardless of the presence of coaches or other care taken to avoid injury. I understand that, in the event that a Middle School Sports League school site is closed for any emergency reason (including but not limited to reasons related to COVID-19), the Middle School Sports League shall provide physical programming remotely, rather than in-person at the school site, and that this remote physical activity likewise carries inherent risks. I understand that OUSD and _____ are not responsible for loss, damage, illness, or injury, or death, to person or property as a result of use of the facilities or equipment or participation in the Middle School Sports League activities (including remote physical activity) offered after school and on designated weekend days as scheduled.
2. As parent/guardian, I certify that my child is physically fit and medically able to participate in the Middle School Sports League activities and that parent/guardians have not been advised otherwise by a qualified medical person. I authorize OUSD, _____, or Middle School Sports League staff to furnish and/or obtain emergency medical treatment which may be necessary for me or my child during Middle School Sports League activities. Participant and/or parent/guardian agree to pay all costs associated with medical care and transportation for the participant as provided by law.
3. As parent/guardian, I have reviewed the schedule(s) for Middle School Sports League activities and understand that weather permitting the Middle School Sports League activities generally run after school and on designated weekend days of each month as scheduled. Parent/Guardians understand that they are responsible for transporting their child/children and picking up their children promptly at the end of the program and that there is no OUSD or _____ supervision for children after the Middle School Sports League program ends.
4. I agree as an adult participant, or the Parent/Guardian of a minor participant, to grant the right and permission to photograph and/or record me or my child/ward in connection with Middle School Sports League and to use the photograph and/or recording for all purposes.

By signing this document (Release of Liability and Assumption of Risk), I understand that if anyone is hurt or property damaged in connection with Middle School Sports League activities (including remote physical activity), I may be found to have waived my or my child/ward's right to maintain a lawsuit against OUSD, _____, or their respective agents, directors, and employees and I am voluntarily choosing to participate.

Over the course of four decades, EBAYC consistently demonstrates high standards of program quality and performance as indicated by city, county, and school district evaluation.

Our Vision

EBAYC envisions young people growing to be life-long builder of a just and compassionate multi-cultural society.

Our Mission

EBAYC builds supportive relationships with young people to empower them to be safe, smart, and socially responsible.

Our Theory of Change

If EBAYC provides intensive support to hard-to-reach young people most impacted by poverty, violence, and trauma; organizes families to increase public investments to improve young's people's lives; transform schools into neighborhood based youth and family services centers; Then EBAYC would advance its mission.

EBAYC DOJ&TB Letter - OUSD

April 15, 2021

Martha Peña
Coordinator, Expanded Learning Programs
Community Schools & Student Services
Oakland Unified School District
1000 Broadway
Oakland, CA 94607

Dear Peña:

This letter describes the East Bay Asian Youth Center (EBAYC) policy for tuberculosis testing, fingerprinting and child abuse and neglect reporting.

EBAYC conducts its own background check on all employees and volunteers. EBAYC employees are not permitted to come into contact with students at any OUSD school sites until EBAYC receives their negative TB test results, fingerprint clearance and re-arrest records from the State of California - Department of Justice, and from the Federal Bureau of Investigation pursuant to Section 11105.3 of the California Penal Code and Section 15660 of the California Welfare and Institutions Code. No EBAYC employees who have been convicted of a violent or serious felony may come into contact with students. EBAYC will include the employees' ATI numbers on the invoices to OUSD, and will make available to OUSD the TB test results upon demand.

EBAYC employees fully comply with the California Child Abuse and Neglect Reporting Act guidelines to report suspicions of possible child abuse and neglect to the appropriate reporting agencies.

Sincerely,

H. Nhi Chau
