EXHIBIT "A" SCOPE OF WORK

[IF A CONTRACTOR PROVIDES AN ACCEPTABLE DESCRIPTION OF SERVICES AS PART OF A PROPOSAL, THAT DESCRIPTION OF SERVICES MAY BE ATTACHED WITHOUT ANY TERMS, CONDITIONS, LIMITATIONS, ETC., FROM THAT PROPOSAL.]

1. **Description of Services to be Provided and Specific Expected Outcomes:** Provide a description of the program(s) and service(s) the contractor will provide. Be specific about what program(s) and service(s) will be provided to OUSD and what *this* Contractor will do.

Teens On Target (TNT) is an after school program that focuses on training youth on violence prevention. Many of the youth participants come from some of the most violent areas in Oakland and have experienced violence themselves in some capacity. TNT trains youth to share their experiences through the lens of our 6-part violence prevention curriculum which incorporates the follow topics: root causes of violence, gun violence, street violence, dating violence, domestic/family violence and alternatives to violence. After refining their public speaking skills, TNT members are able to teach their peers as well as OUSD middle school students. In addition to the violence prevention workshops Teens On Target also provides mentoring, academic support, conflict mediation skill, case management referrals. Furthermore, youth are given opportunities to participate in various community events that give youth a voice such as government hearings, community forums, rallies and conferences.

Teens On Target's primarily serves its youth participants through after school programming at Castlemont High School and Fremont High School. The program aims to serve between 25-35 youth per session at Castlemont High School, and 10-15 youth per session at Fremont High School. Performance and program effectiveness is measured through pre and post- surveys that will be administered to students at both sites. Notably for the 2017-2018 schoolyear there was a 124% decrease in students who felt they were safer with a gun than without one and a 110% decrease in students who felt they needed to fight someone who disrespected them to save face. For this coming school year, we look to continue on our programs success at Castlemont and continue to increase our presence at Fremont.

EXHIBIT "B" STATEMENT OF QUALIFICATIONS

1. **Description of Organization and Relevant Experience:** For individual consultants, a resume is sufficient. Attach a separate document if more space is needed.

Youth ALIVE! is Oakland's anchor organization for youth violence prevention, intervention and healing – including leadership development, peer education, mentoring case management, crisis response after shootings and homicides, conflict mediation, and trauma-based counseling. We incorporated in 1991 to support Teens on Target (TNT), a program created with a group of Castlemont High students in 1989. TNT was later recognized by President Clinton as a top 10 violence prevention program and our curriculum was published by Educational Media. Youth ALIVE! staff oversee the program and facilitate training, but TNT youth created the original TNT curriculum, and continue to update it. They also set their own advocacy agenda each year. Youth ALIVE! has developed other innovative programs recognized by the federal government for their effectiveness. As evidence of our success, not only have we successfully served thousands of violence-exposed youth and families locally over the past nearly 30 years, we have also been contracted by the U.S. Department of Justice for the last 10 years to provide technical assistance to other communities across the U.S. using our program models. Our work has been the subject of peer-reviewed articles in the Journal of Adolescent Health and elsewhere. Our partnership with OUSD and Castlemont dates back decades. We expanded TNT to Fremont High School 2 years ago thanks to OFCY funding – a collaboration we plan to maintain for years to come.
