Strategic Alignment Among the key purposes of the District's Facilities Master Plan is to provide an academic environment for the Oakland community that will give every student, educator, and community member using our facilities the best possible opportunity for learning.

Through implementation of the Facilities Master Plan, the District intends to improve the District's facilities in terms of structural integrity, safety, reliability of operating (mechanical) systems, access to modern resources, number and type of appropriate laboratories and specialized instruction rooms, opportunities for physical education, and attractiveness, such that the Oakland Public Schools are second to none. Operation of the District schools under the

planned approach is intended to ensure safety, cleanliness, and orderliness for all individuals participating in the learning process.

The basic facility needs of students such as proper lighting, functional roofs, noise control and well maintained buildings, not only convey the message that we value our students and teachers but may foster a sense of school pride and community ownership which may improve attitudes towards learning. The implementation of the Facilities Master Plan is our first step in that direction.

RE: Oakland Unified School District, Oakland, CA
Proposal for Structural Engineering Consultative Services

Tadashi,

Please find herein our proposal for consulting services for the seismic rehabilitation and/or new construction of the District's Capital Improvement Projects as part of Measure J. Our role would be to serve as the District's Structural Engineer and to improve structural engineering practice and consistency on projects to ensure the maximum seismic safety enhancements can be achieved from the limited funds. Further we will maximize the District's success in obtaining Hardship Funding from the State. This proposal is for one year of consultative services.

We are uniquely qualified for an oversight/supervising structural engineering role given our recent experience with seismic retrofit projects, our expertise with ASCE 41, and our involvement with developing and implementing the OUSD seismic safety enhancement program. We are also familiar with the existing buildings on all campuses.

We will provide oversight and guidance pertaining to seismic safety to an A+E team assigned to the project. We could also provide initial recommendations to the District to assist with project planning and prioritization. For a particular campus, such as the forthcoming projects at Fremont, Foster, Glenview and Whittier schools, our scope and process is described below with estimated Time and Materials (T&M) Fee.

Concept Study (Estimated \$10,000 T&M Fee):

- Review and comment on initial Conceptual Study proposals, draft submittals and final report
- Coordinate and address seismic safety enhancement program with School representatives, including the "Core" Committee, Principals, and members of the public.
- Assist with decision to start Procedure 08-03 or work towards a voluntary seismic upgrade.

Construction Documentation (Estimated \$20,000 T&M Fee)

- Review and comment on proposal
- Review and comment on design criteria, analysis methodology, and structural system selection for Schematic through Construction Documents
- Perform peer review of construction documents
- Attend meetings with DSA to assist with seeking approvals

100 bush street
suite 1850
san francisco ca 94104
415 243 4091

Hardship Funding Application (Estimated \$15,000 T&M Fee)

- Develop approach, provide cost estimating data, and reviews of OPSC/PVT comments. Represent District at SAB as required. Our role would be similar to that with the King Estates School, Montera Middle School, and Oakland Technical High School projects.

We will also update the OUSD's revised AB300 list, continue to improve the accuracy of the DSA record of the AB300 list, and provide general consultative services pertaining to structural issues.

We propose a Not-To-Exceed Fee of \$170,000 with our standard hourly rates in accordance with the Terms and Agreement below. This would be reviewed in one year and not binding on the district.

Should you have any questions, please contact the undersigned.

Sincerely,

Mark A. Moore, SE, LEED AP

COMMERCIAL GENERAL LIABILITY
ISSUE DATE: 02/01/13

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED (ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:
COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

NAME OF PERSON(S) OR ORGANIZATION(S): Oakland Unified School District
Attn: Susie Butler-Berkley
955 High Street
Oakland, CA 94601

PROJECT/LOCATION OF COVERED OPERATIONS:

Ref: Various Sites (Fremont, Foster, Glenview and Whittier). NAME OF ADDITIONAL INSURED PERSON(S) OR ORGANIZATION(S) CONT.: The Oakland Unified School District, its Directors, Officers, Employees, Agents and Representatives

PROVISIONS

A. The following is added to WHO IS AN INSURED (Section II):

The person or organization shown in the Schedule above is an additional insured on this Coverage Part, but only with respect to liability for bodily injury, 'property damage' or 'personal injury' caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf.

- a. In the performance of your ongoing operations;
- b. In connection with premises owned by or rented to you; or
- c. In connection with your work and included within the "products-completed operations hazard."

Such person or organization does not qualify as an additional insured for "bodily injury", "property damage" or "personal injury" for which that person or organization has assumed liability in a contract or agreement.

The insurance provided to such additional insured is limited as follows:

- d. This insurance does not apply to the rendering of or failure to render any "professional services".
- e. The limits of insurance afforded to the additional insured shall be the limits which you agreed in that 'contract or agreement requiring insurance' to provide for that additional insured, or the limits shown in the Declarations for this Coverage Part, whichever are less. This endorsement does not increase the limits of insurance stated in the LIMITS OF INSURANCE (Section III) for this Coverage Part.

B. The following is added to Paragraph a. of 4. Other Insurance in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):

However, if you specifically agree in a contract or agreement requiring insurance that, for the additional insured shown in the Schedule, the insurance provided to that additional insured under this

COMMERICAL GENERAL LIABILITY

Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such additional insured which covers such additional insured as a named insured, and we will not share with the other insurance, provided that:

- (1) The "bodily injury" or "property damage" for which coverage is sought occurs; and
- (2) The "personal injury" for which coverage is sought arises out of an offense committed;

after you have entered into that "contract or agreement requiring insurance" for such additional insured. But this insurance still is excess over valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured when the additional insured is also an additional insured under any other insurance.

- C. The following is added to Paragraph 8. Transfer Of Rights Of Recovery Against Others To Us in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):

We waive any rights of recovery we may have against the additional insured shown in the Schedule above because of payments we make for "bodily injury", "property damage" or "personal

injury" arising out of "your work" on or for the project, or at the location, shown in the Schedule above, performed by you, or on your behalf, under a "contract or agreement requiring insurance" with that additional insured. We waive these rights only where you have agreed to do so as part of the "contract or agreement requiring insurance" with that additional insured entered into by you before, and in effect when, the "bodily injury" or "property damage" occurs, or the "personal injury" offense is committed.

- D. The following definition is added to DEFINITIONS (Section V):

"Contract or agreement requiring insurance" means that part of any contract or agreement under which you are required to include the person or organization shown in the Schedule as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs, and the "personal injury" is caused by an offense committed:

- a. After you have entered into that contract or agreement;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.
