Professional Services Agreement

Between East Bay Consortium and Madison Park Academy

College and Career Information Center

2022-2023

AGENCY HISTORY

The East Bay Consortium of Educational Institutions, Inc. (EBC) was established in 1978 to improve opportunities for students in the East Bay to finish high school and enroll in a college or university. EBC has been successful in consolidating the efforts and knowledge of its 11 member institutions into a solid campaign to increase higher education accessibility to the students it serves. The Consortium's main focus is to raise the achievement levels and provide advisement to students interested in pursuing an education beyond high school. Services include: academic and college advising, educational workshops, college visits, college fairs, parent programs and a scholarship program.

EBC operates as a collaborative of 11 educational institutions in the Bay Area. Together, EBC works to bring East Bay youth the widest possible range of services. With their help, our efforts are multiplied, and we can positively affect thousands of young women and men each year. Our member institutions are: Oakland Unified School District, CSU East Bay, UC Berkeley, Peralta Colleges, Contra Costa College, West Contra Costa Unified School District, Holy Names University, Mills College, Saint Mary's College of CA, Berkeley High School, Centro Legal de la Raza. Each institution is represented on EBC's board of directors.

The Consortium operates a broad range of programs: The California Student Opportunity and Access Program one of 16 regional Cal-SOAP projects operated for over 40 years under contract with the California Student Aid Commission helps students improve their academic performance and makes information about postsecondary education and financial aid more widely available. 9,000 students are served each year. Our work at 9 College and Career Information

Centers are dedicated to promoting access to higher education. Over the past 20 years we have helped over 4000 young people achieve college admissions and prestigious scholarships. For the last 16 years, EBC has served as the Regional Coordinator for the statewide program Cash for College. Over 70 financial aid workshops provide free assistance to over 2,500 students and families completing the Free Application for Federal Student Aid (FAFSA), the Dream App and other forms required to get financial aid.

PROGRAM DESIGN

The College and Career Information Center (CCIC) enhances access to higher education for all seniors attending Madison Park Academy. CCIC will serve the entire senior class. The mission of the CCIC's is to provide information and college advising services related to college admission, financial aid and other topics associated with pursuing and accessing higher education.

The College and Career Information Center will increase students' confidence about accessing educational opportunities and provide students with the opportunity to connect to young caring adults. The CCIC will address these goals through the implementation of a comprehensive program designed to expose students to post high school options, assess students' academic and personal needs and to guide in the planning, preparation and execution of a post high school plan that allows them to make informed and confident decisions about their futures. In addition, the CCIC is staffed by college students, some of whom are OUSD graduates, who pride themselves in not only being college advisors but mentors that are open minded, respectful and make themselves available to all students who walk into the CCIC.

College, career and financial aid advising will be open to all students at the school on a drop-in basis and by appointment, M-Th between the hours of 10:00am to 4:00pm. In order to effectively assist in the college-going process as well as in the financial aid process, the entire senior class will be served intensively through one-on-one advising sessions and classroom presentations. College advising services are listed below by semester.

SCOPE OF WORK

Senior One-on-ones: September – November

Advisors will meet with all seniors twice a year, once in the fall and as a follow up in the spring. These intensive sessions will address students' personal and academic needs, and questions and concerns about post secondary options available to them. All one-on-one sessions discuss transcript evaluations, graduation, college admissions, students' interests and possible career paths. These sessions also serve to create a mentoring relationship between the college advisor and the student as well as to develop personalized steps of actions (i.e. register for the SAT, get transcript from previous high school, etc.).

Senior College Knowledge Presentations: September- October

CCIC will coordinate and execute college knowledge presentations in each school's senior class. Presentations will cover A-G requirements, the difference between the four systems of higher education in California, SAT/ACT exams, senior application timeline and words of encouragement. These presentations serve as a motivational tool in getting seniors excited about preparing for their futures and to remind them to access their resources on campus.

Post Graduation Follow Up: June- July

During the summer, East Bay Consortium staff follows up with seniors' responses on the senior survey and provides students any additional support during the summer after their graduation. This service is provided at the EBC office.

It is important to note that there is a great amount of follow up that occurs between college applications, applying for financial aid and scholarships as well as accepting a college's admissions offer. These additional services include but are not limited to the assistance in the following: creation of multiple accounts on multiple colleges' portals, schools' respective financial aid verification processes, UC Berkeley's requests for letters of recommendations, students' appeal to colleges and universities (regarding admissions and financial aid), submitting housing applications, how to register for classes, signing up for CSU and UC placement exams and many more. CCIC services and the amount of assistance provided are tailored to individual students' needs and personal situations.

STAFFING

The Center will be staffed three to four days per week by college students and by an EBC Program Coordinator who will be at the site twice a week. The Program Coordinator will have primary responsibility for managing activities at the College and Career Information Center.

One of the strengths of the East Bay Consortium's programs are the college students hired to provide the direct services to students. Many of the college students hired are former OUSD graduates. College and career advisors will be hired from local higher education institutions. The Center's hours of operation are Monday – Thursday between the hours of 10:00am to 4:00pm or as needed and will be staffed by one or two college student interns at any given time. College Advisors will be selected based on past experience working with youth and their desire to work in the field of education. Advisors will commit to work for the Consortium for at least one year ensuring continuity of staff for the entire academic year. College students will work 12-15 hours per week. Each college advisor will have a caseload of seniors and will be responsible for coordinating an aspect of the CCIC such as outreach, logistics, financial aid, scholarship bulletin and our community college bound program Transfer Making It Happen.

College student advisors receive extensive training throughout the year. They participate in two all day staff trainings per year and attend weekly in person or

virtual 90-minute staff meetings. These meetings serve as professional development to further hone the staff's college knowledge, ability to provide college advising, and workshop presentation and facilitation skills. The weekly meetings are facilitated by EBC professional College Advisors, and cover topics such as how to get the best out of CSU Mentor, how to support the UC personal insight questions and personal statements and financial aid knowledge. In addition, the East Bay Consortium will invite university or program representatives from different systems of higher education or student organizations to train advisors about their respective institutions or organizations and to share best practices. The meetings also serve as a space for advisors to make announcements and to voice any issues or concerns they may have in regards to the CCICs. Lastly, the meetings also develop camaraderie, building familiarity and trust amongst a staff working at different schools sites.
