The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 through 8484.6.

**Is Vendor a local Oakland business?** Yes  No

**Why was this Vendor selected?**

This organization has demonstrated experience and capacity serving in the after school lead agency role. This organization successfully met all requirements of OUSD's Lead Agency Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

**Summarize the services this Vendor will be providing.**

This organization will provide comprehensive after school services for Oakland students, following the requirements set forth by OUSD and by the California Department of Education's ASES and/or 21st Century Community Learning Center grant programs. Daily after school services will include academic support, enrichment, and physical activity for students, as well as family engagement activities. This organization will work in close partnership with the host school site to align after school programming with the goals and priorities of the school's SPSA. This organization will also work in close partnership with the OUSD Expanded Learning Office to ensure the program meets attendance targets, fulfills compliance requirements, and achieves youth development quality standards.

**Was this contract competitively bid?** Yes  No

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and by the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

2) Please check the competitive bid exception relied upon:

---

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Citizen Schools ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 226/Roots International under the following grants:
  - After School Education and Safety Program ("ASESP")
  - California Department of Education ("CDE") 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC)
  - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASEP and 21<sup>st</sup> CCLC funds.
  - Private grants
2. **Term of MOU.** The term of this MOU shall be July 1, 2017 through June 30, 2018 if AGENCY services do not include summer educational programs, and July 1, 2017 through August 17, 2018 if AGENCY services include providing summer educational programs. The term may be extended by written agreement of both parties.
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
  - a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
  - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
4. **Compensation.** The ASEP and 21<sup>st</sup> CCLC grant award amount for Citizen Schools is \$65,148. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2017-2018")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21<sup>st</sup> Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21<sup>st</sup> Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21<sup>st</sup> CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21<sup>st</sup> CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21<sup>st</sup> CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2017-2018 and will not exceed \$65,148 in accordance with Exhibit B. **Exhibit B** ("ASEP/21<sup>st</sup> CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2017-2018").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct

unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

- 4.7. **Program Fees.** The intent of the ASESP and 21<sup>st</sup> CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.
5. **Scope of Work.** AGENCY will serve as lead agency at 226/Roots International, will be responsible for operations and management of the ASESP, 21<sup>st</sup> CCLC, OFCY, and private grants contracted to AGENCY by OUSD for fiscal year 2017-2018. <p>Describe funding plan to operate program on the minimum days indicated above, including additional school resources (if any).</p>	<p>Citizen School's staffing model is designed to budget for uninterrupted coverage of extended learning time hours on minimum days without the need for additional school resources</p>
<p><b>Please note that the ASES and 21st Century grant from CDE does not increase funding for minimum days.</b> If the school adds additional minimum days beyond the projected number above, what school funds will be utilized to fund these additional hours of program?</p>	<p>Citizen School's staffing model is designed to budget for uninterrupted coverage of extended learning time hours on minimum days without the need for additional school resources</p>
<p><b>SECTION 3: Program Model and Lead Agency Selection</b></p>	
<p>For 2017-2018, my site will operate the following program model:</p>

<p><input type="checkbox"/> <b>Extended Day Program:</b> <i>additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must <b>not</b> appear on the school bell schedule)</i></p>	
<p><input checked="" type="checkbox"/> <b>Blended/Hybrid:</b> <i>combination of some extended day and some traditional after school programming</i></p>	
<p><b>Description and Rationale for Selection of Lead Agency</b></p> <p>Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.</p>	
<p>Roots International Academy will continue its partnership with Citizen Schools in the 2017-2018 school year. Citizen Schools will provide an extended school day primarily for 6<sup>th</sup> graders and opt-in after-school programming for 7<sup>th</sup> and 8<sup>th</sup> graders.</p>	

Citizen Schools programming supplements the Roots vision and mission by increasing students' access to caring adults, providing additional academic programming, connecting with the greater community through apprenticeships with local volunteers, and involving students' families in school-based experiences, college access initiatives, activities, field trips and events.

The Citizen Schools Campus Director works closely with Roots' administrative team to align goals and priorities. Citizen Schools staff participate in school and district-based professional development to incorporate district and school-wide initiatives. The goals of Roots International and the Citizen Schools are closely aligned and ensure both agencies work in partnership to improve the programming and services available to students and their families.

<p><b>SECTION 5: OUSD STRATEGIC TARGETS - MIDDLE SCHOOL</b>                  In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to prepare all students to be college, career, and community ready. To meet this strategic goal, middle schools must prepare their students to be <i>high school ready</i> by the time they graduate from the 8th grade.</p>				

<p><b>High School Readiness:</b> OUSD measures high school readiness by the percentage of 8th graders who meet the following criteria at the end of the 8th grade: a 2.5 or better GPA; no Ds or Fs in Math or English; no suspensions; and at least a 96% attendance rate for their 8th grade year.</p> <p>Preparing for high school and being “high school ready” begins well before the 8th grade year. Starting with 6th graders, middle school after school programs can play an important role, collaboration with the school day, to support students to be <i>high school ready</i>.</p> <p>Examples of activities middle school after school programs can do in partnership with the school day to support high school readiness may include:</p> <ul style="list-style-type: none"> <li>• Host parent education nights to learn about high school requirements and discuss high school readiness indicators</li> <li>• Work with students to monitor their grades on AERIES and provide targeted academic mentoring and/or tutoring to students falling behind in their classes</li> <li>• Help communicate attendance or behavior concerns to parents</li> <li>• Hold celebrations to acknowledge students’ progress on grades, attendance, good behavior, etc.</li> <li>• Hire teachers on extended contract to provide targeted intervention to students struggling in Math or English</li> <li>• Begin high school readiness discussions early with 6th and 7th graders</li> <li>• etc.</li> </ul> <p>Discuss with your Site Administrator possible ways your after school program can support high school readiness. Complete the following matrix to indicate how your after school program will work in partnership with your school to support students to meet any of the indicators above that relate to the high school readiness target.</p>

<p><b>SECTION 7: ENRICHMENT &amp; PHYSICAL ACTIVITY / RECREATION</b>  Please list any additional enrichment activities your program will offer, that are not already listed in Sections 4, 5, and 6 above.    OUSD Middle School After School Programs will receive curriculum and professional development to implement the following new enrichment requirements, which should be included in your matrix below and in your program schedule.  <b>Required Middle School Enrichment components:</b></p>					

- MESA programming one hour/week (sites will receive support with MESA implementation)
- STEM programming one hour/week (coding and/or other STEM curriculum and professional development will be provided)
- Career exploration programming

Enrichment activities and physical activity/recreation are required components of the ASES and 21<sup>st</sup> Century grants. Enrichment activities can provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, STEM, arts learning, and student engagement.

**SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY**

Please list any additional family engagement activities your program will offer, that are not already listed in Sections 4 above.

After school programs can help foster parent involvement, connect families to the larger school community, and communicate important information related to the regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21<sup>st</sup> Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21<sup>st</sup> Century grantees who receive Family Literacy funding: **The activities listed below must align to your 21<sup>st</sup> Century Family Literacy budget plan.**

Type of Activity and Frequency	SPSA goal(s) or school need supported by activity	Describe how this activity is connected to student achievement	Measurable Outcome	Alignment with school day family engagement / family literacy efforts or resources
WOW! demonstration of learning and celebration 1x per semester		Students will demonstrate their learning in apprenticeships, modeling both their achieved 21st century skill as well as Apprenticeship topic-specific learning.	Students have 80% minimum mastery of their 21st century skill and are able to articulate learning to families and community visitors.	Families are invited to attend their students' showcase of their 21st century skills learning. Staff and students work to engage families and school community members to attend.
Family Communication: Staff and families are in communication regarding student performance, attendance and participation at least 2x/per month. Families receive a monthly newsletter updating		Communication about program-related activities and participation, so families are aware and engaged.	Families report an awareness of what is happening in program, what apprenticeships and other programs students are participating in, and student achievement in general.	Roots is invested in consistent communication with families regarding student performance and attendance. Citizen Schools' staff serve as additional outreach team for students & families.
Program Family Night 2x/per semester		Families attend a day of program to participate in academics, apprenticeships, and other program components each quarter.	Parent participation in program visits, report a clear understanding of program model and practices observed.	
<b>SECTION 9: PROGRAM SCHEDULE</b>				
<p>a) Submit your program schedule as an attachment, using the standard program schedule template. SEE ROOTS SPECIFIC DOC IN FOLDER The after school schedule must indicate the school name, program name, and the program year. Please note that programs will be asked to submit updated program schedules at the beginning of both the Fall and Spring semesters.</p> <p>b) The Program Schedule must clearly show when all after school activities listed in the Sections 4 - 7 will be taking place.</p>				

- c) Make sure program schedule clearly shows when the following middle school program requirements will take place:
- MESA programming one hour/week (sites will receive support with MESA implementation)
  - STEM programming one hour/week (coding and/or other STEM curriculum and professional development will be provided)
  - Career exploration programming

d) Submit a copy of the school bell schedule for the 2017-18 school year.

**Important Notes:** The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. If the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)

Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. If the school bell schedule ends at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)

**SECTION 10: SATISFACTORY SCHOOL DAY ATTENDANCE AND CHRONIC ABSENCE ACTION PLAN**

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the “grey zone” between 90% - 95% are considered at risk of chronic absenteeism.

***In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.***

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

**Strategies to Support Attendance**

**Action Steps**

<p>a) Recruit and address the needs of students who are at risk of chronic absenteeism.</p>	<p>Regular collaboration with school's attendance coordinator to communicate with families and student.</p>
<p>b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.</p>	<p>Regular review of attendance data and contact with families of students not meeting minimum program attendance guidelines (3x per week, 9 hours per week)</p>
<p>c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.</p>	<p>Regular review of attendance data and contact with families of students not meeting minimum program attendance guidelines (3x per week, 9 hours per week)</p>
<p>d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.</p>	<p>Monthly celebrations of good attendance, incentives distributed accordingly.</p>
<p><b>SECTION 11: TRANSFORMING SCHOOL CULTURE AND CLIMATE</b>                  After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.</p> <p>The following are strategies that OUSD schools are taking to create positive school culture and climate:</p> <ul style="list-style-type: none"> <li>● Positive Behavioral Intervention and Supports (PBIS)</li> <li>● Restorative Justice/Restorative Practices (RJ)</li> <li>● Social and Emotional Learning (SEL)</li> </ul> <p>After school and school day partners can collaborate and intentionally align their efforts around these strategies, in order to create seamless, positive culture and climate from 8am - 6pm for students.</p> <p>a) Discuss with your Site Administrator which strategies your school is using to support positive school culture and climate. Complete the following matrix by selecting <b>at least one strategy</b> that the school day and after school programs will work intentionally to align. Detail what the after school program will do to align with school day efforts for each selected strategy. This may including any of the following action steps for alignment:</p> <ul style="list-style-type: none"> <li>● Participate in site-level professional development (PD) together with school day staff</li> <li>● Participate in district-sponsored PD, including PD offered by the Expanded Learning Office</li> <li>● Participate in relevant school committees (ie. **Section 13: 2017-18 After School Enrollment Policy for Roots International Academy**

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21<sup>st</sup> Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

**Priority Enrollment and Transitions Support for High Need Populations of Students**

According to new grant legislation, foster youth and homeless youth will receive priority enrollment in after school programs. Additionally, OUSD prioritizes English language learners and Newcomers for after school services, so that the number of ELL students in after school programs is reflective of their percentage in the school population.

These high need student populations are transitional youth who often enter the OUSD school system mid-year, and whose program attendance may be less consistent due to the transitional nature of their home environments.

Important note: *The law states that program fees cannot be charged to homeless and foster youth participating in the program.*

**Additional Notes:**

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD’s strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.
- The ASES and 21<sup>st</sup> CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

**13a) TARGET POPULATION FOR AFTER SCHOOL PROGRAM:**

in the matrix below, describe targeted student populations in order of priority. Specify data that will inform student selection. Identify targeted recruitment strategies for each population.

Which grade levels will you serve in this program? 6, 7, 8

Target Population(s)	Specific Data to Inform Selection of Program Participants	Targeted Recruitment Strategies
Homeless youth		Campus Director will work directly with School leadership and school’s enrollment coordinator to identify students to be enrolled – homeless youth will automatically be admitted.

Foster youth		Campus Director will work directly with School leadership and school's enrollment coordinator to identify students to be enrolled - Foster youth will automatically be admitted.
English language learners and/or Newcomers		Campus Director will work directly with School leadership and school's enrollment coordinator to identify students to be enrolled.

**13b) MODIFICATIONS FOR HIGH NEED TRANSITIONAL STUDENTS:**

How will you modify your enrollment and attendance policies to make your program accessible for foster, homeless, and Newcomer students who transition into the school mid-year?

The Citizen Schools program is designed with flexibility to accommodate changes in the school's enrollment. Program components are designed to scaffold individualized placement. The Campus Director will work closely with the school leadership team to ensure mid-year additions are placed in a way that optimizes their learning and social integration.

Students who meet one or more of these high-need categories will be immediately enrolled into program. Should this enrollment impact the 20:1 program student:staff ratio, additional support will be provided by agency director, and attendance review will be used to maintain compliance.

**13c) ENROLLMENT PROCESS AND TIMELINE:**

Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2017. Indicate how families will be notified of 2017-18 enrollment before the last day of school, June 9, 2017.

Timeline	After School Enrollment Steps/Process	Individual(s) responsible
Spring 2017	Enrollment packet distributed with registration materials for entering students.	Campus Director in collaboration with Site Leadership

<p>Summer 2017</p>	<p>Outreach and information available to students and families during orientation events. Staff will participate in all events.</p>	<p><b>Site Leadership</b> in collaboration with Campus Director</p>
<p>Fall 2017</p>	<p>Parent information Sessions during orientation and opening week of the school year to drive enrollment/registration.</p> <p>Outreach to all 6th grade families of students not registered for program to generate interest, grow enrollment or wait-list.</p>	<p><b>Campus Director</b> in collaboration with <b>Site Leadership</b></p>

**Important dates to include in your timeline:**

- April -- June: Spring enrollment for 2017-18 programs.
- Families will be notified of 2017-18 after school enrollment before the last day of school, June 9, 2017.
- After school programs begin on 1<sup>st</sup> Day of school, with enrollment at a minimum 75% capacity.
- August -- September: New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by September 30, 2017, except for slots reserved for transitional students (ie. Foster and Homeless youth; Newcomers) entering the school mid-year.
- All programs must maintain waitlists after program slots are filled.

**13d) School Support for Program Recruitment**

Describe how the school will support after school program recruitment efforts. Specify how school staff will help promote the after school program, refer students, and communicate with families about program opportunities:

Roots Leadership and Citizen Schools will collaborate on developing the family orientation, fall of 2017. Citizen Schools will participate in outreach to families, communication and recruitment efforts scheduled in summer and fall.

### Section 17: Professional Development and Staff Wellness

#### Professional Development Expectation

After school staff will receive adequate professional development, including coaching support and trainings, in order to grow and improve their practice. Programs will utilize data, including YPQA/SAPQA program quality data, to determine the areas of focus for professional development. Providing after school staff with meaningful professional development is a shared opportunity & responsibility for both the lead agency and host school site.

Additionally, the OUSD Expanded Learning Office will provide extensive professional development throughout the year including: mandatory After School August Institute (week of July 31 - Aug. 4); mandatory monthly site coordinator meetings (2 hrs/month); continuous quality improvement (CQI) trainings; monthly agency director meetings; various professional learning communities (time commitment varies); local conferences (ie. annual Bridging the Bay conference), and other relevant district trainings (ie. safety, PBIS, etc.).

a) What professional development, coaching, and training supports will be provided by the lead agency partner?  
CS provides 2 week of summer training for Campus Leaders who then participate and lead 3 additional weeks of Professional development for incoming staff. New line staff participate in all 3 week of training, returning staff complete 2 weeks. Additionally, professional development and coaching of each team member is provided in a group and individual setting on a weekly basis across the school year for all campus staff.

b) What professional development opportunities will be provided by the school site?

CS Staff will participate in Summer Professional Development and orientation on campus the week ahead of the start of the school year.

Please review and sign off on the following:

My lead agency and school partner understand that professional development helps ensure program quality. My program is committed to providing/accessing professional development opportunities for after school staff, based on needs identified by program data. My program will adequately budget for staff time to participate in professional development over the course of the year (for key line staff, recommended at least 20 hours of PD/year).  Yes  No

#### Staff Wellness

Please describe ways your program will work to support staff wellness over the course of the year:

Staff will be encouraged to utilize their personal time and vacation time, with reasonable notice, to take care of themselves. Two celebratory staff appreciation outings will be scheduled each school year. Staff will also be encouraged to attend professional development sessions applicable to their professional goals.

**Social and Emotional Learning (SEL)**

Developing SEL skills in students and adults who work in the Oakland school system is a key priority for OUSD. SEL includes the following skills: self-management, self-awareness, social awareness, relationship skills, and responsible decision-making. Describe how you will work intentionally to develop SEL skills in program staff, so that they can model SEL skills to students:

SEL Practices are embedded across professional development program for Citizen Schools. Program Director will work with Campus Director to develop a scope and sequence for training across the school year that further develops staff SEL Skills. SEL outcomes are measured through a survey administered to students in the beginning and end of the school year.

**Continuous Quality Improvement (CQI)**

Engaging in continuous quality improvement processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the CA Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based *Assess-Plan-Improve* CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis:

- beginning of year self-assessment using YPQA/SAPQA tool
- planning with data (using self assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with SMART goals for program improvement
- year-end self-assessment and QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

**Review and mark all commitments:**

Our lead agency and school partner understand district expectations regarding the after school program's participation in the Continuous Quality Improvement (CQI) process summarized above. We agree to the following expectations:

- ☑ Lead agency will budget adequately to ensure program staff participate collaboratively in each step of the CQI process.

- Site coordinator will participate in CQI trainings to develop his/her leadership in leading continuous quality improvement processes.
- Lead agency director will provide coaching support and monitoring to Site Coordinator to ensure completion of a meaningful CQI process, and thoughtfully completed CQI deliverables.
- Site coordinator will share CQI data with Site Administrator and school staff.
- Lead agency and school partner will work collaboratively to support the implementation of the program's Quality Action Plan, including providing staff with adequate training and resources to improve the quality of their practices.

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees.

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. Citizen Schools mobilizes a team to enable public middle schools in low-income communities to provide an expanded learning day, rich with opportunities.

**Our deep partnerships with schools put young adults on track to succeed** by connecting the resources of communities, companies, governments, and philanthropies.

We witness the impact of these connections at the end of each semester, during celebrations of student learning called WOW!s. And evaluations show lasting transformation:

- better attendance, better grades, new skills, and transformed aspirations in middle school
- high-school graduation rate increased by 20%
- triple the odds of earning a college degree

Join us, and together we'll close the gaps between Americans born into poverty and those rich with opportunities. Between schools and their potential. Between students and their future.

We expand a middle school's learning day

by connecting a team of adults

to provide relevant learning experiences

that give students the skills, access, and beliefs

they need to succeed in school, college, and careers.
