Board Meeting Date: 06/25/2014

Subject: Professional Service Contract

Contractor: BJ Pediatrics of Alameda, CA

Services for: 922-FAMILY, SCHOOL AND COMMUNITY PARTNERSHIPS

Board Action Requested and Recommendation: Ratification by the Board of Education of a Professional Services Contract between the District and BJ Pediatrics, Alameda, CA, for the latter to provide: review and approve 1) the medical necessity of the recommended school based Occupational Therapy and Physical Therapy treatment services to be provided to eligible students. and 2) minimum standards of medical need for referrals for school based speech therapy treatment services.
for the period of 03/28/2014 through 06/30/2014 in an amount not to exceed \$5,000.00.

Background:
(A one paragraph explanation of why the consultant's services are needed.)

In order to receive reimbursement for OT and PT services, we are required to have a medical doctor sign off on all billing related to these services. This is not a requirement for the other services we currently bill. This doctor will not be directing patient care and her approval or disapproval of the accuracy of the billing paperwork will not impact OUSD's IEP process or services.

Speech-language assessments require a written referral from a licensed physician, licensed speech-language pathologist, teacher, parent or registered credential school nurse. Assessments are performed by a credential/licensed Speech-Language Pathologist. The referral and a copy of the signed physician approved protocol standards will be kept on file for each student receiving speech services. These protocols require a MD to approve and sign every two years.

Discussion:
(QUANTIFY what is being purchased.)

review and approve 1) the medical necessity of the recommended school based Occupational Therapy and Physical Therapy treatment services to be provided to eligible students. and 2) minimum standards of medical need for referrals for school based speech therapy treatment services.
