Action Requested Approval by the Board of Education of the Memorandum of Understanding between the District and Avid4 Adventure. Services to be primarily provided to the Community Schools and Student Services Department for the period of June 8, 2018 through August 10, 2021.

Background
A one paragraph explanation of why the consultant's services are needed.

Avid4 Adventure uses experiential and group based methods to develop healthy habits in children. Kids interact with passports to interpret and track their progress, they learn to read and interpret geographic and topographic maps, and they interact with program materials to increase Outdoor IQ. They bike, hike, climb, and paddle their way through local parks, using critical thinking skills to analyze situations for safety and develop confidence in their skills. Team-building is an intrinsic part of our program, with kids cooperating to learn and hone skills they'll use their entire lives. Campers interact with old and new friends alike, which allows them to develop social and emotional skills that enrich their interpersonal lives.

Discussion
One paragraph summary of the scope of work.

Approval by the Board of Education of a Memorandum of Understanding between the District and Avid4 Adventure, Boulder, CO, for the latter to offer campers different outdoor pursuits each day including but not limited to: rock climbing, mountain biking, hiking, stand-up paddle boarding, kayaking, in addition to outdoor education programming to complete their week-long adventure experience at Joaquin Miller ES, for the period of June 8, 2018 through August 10, 2021, at no cost to the District.
