- 17.1.2. If the Architect disagrees with the Disputed Architect Invoice Detail, the Architect shall communicate to the District in writing, and request to meet and confer in good faith with respect to any such disapproved portion or amount of the Architect invoices and the Disputed Architect Invoice Detail to determine if the dispute can be resolved. Such meet and confer communications shall include, but are not limited to, face-to-face meetings within thirty (30) days of the Architect's notice to the District with the appropriate District and Architect personnel as appropriate and necessary.

17.3. Architect shall neither rescind nor stop the progress of its work pending the outcome of any dispute under this Agreement.

Article 18. Severability

If any term, covenant, condition, or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired, or invalidated thereby.

Article 19. Employment Status

19.1. Architect shall, during the entire term of Agreement, be construed to be an independent contractor and nothing in this Agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow District to exercise discretion or control over the professional manner in which the Architect performs the Services which are the subject matter of this Agreement; provided always, however, that the Services to be provided by Architect shall be provided in a manner consistent with all applicable standards and regulations governing such Services.

District shall then forward those amounts to the relevant taxing authority.

19.4. Should a relevant taxing authority determine a liability for past services performed by Architect for District, upon notification of such fact by District, Architect shall promptly remit such amount due or arrange with District to have the amount due withheld from future payments to Architect under this Agreement (again, offsetting any amounts already paid by Architect which can be applied as a credit against such liability).

19.5. A determination of employment status pursuant to the preceding paragraphs of this Article shall be solely for the purposes of the particular tax in question and, for all other purposes of this Agreement, Architect shall not be considered an employee of District. Notwithstanding the foregoing, should any court, arbitrator, or administrative authority determine that Architect is an employee for any other purpose, then Architect agrees to a reduction in District's liability resulting from this Agreement pursuant to principles similar to those stated in the foregoing paragraphs so that the total expenses of District under this Agreement shall not be greater than they would have been had the court, arbitrator, or

administrative authority determined that Architect was not an employee.

**RE: Proposal for Portable Classrooms and Restrooms
for Madison Park Academy**

Proposal for Architectural and Engineering Services for 2 Portable Classrooms and 1 Portable Restroom.

Dear Mr. Monterrosa,

Thank you for the opportunity to provide this proposal to provide Architectural and Engineers services for the Portable Classrooms and Restrooms project. Based on our telephone conversation, and our correspondence with Mr. Wil Newby, I understand that the District is requesting a proposal to design two (2) temporary portable classroom and one (1) temporary portable restroom buildings provided by a portable building manufacturer. The following describes the scope of work included in our services:

Provide design and construction documents for installation of 2 classroom and 1 restroom portables, including:

- Provide Architectural Site Plan to locate the three buildings and their accessible ramp.
- Design of electrical, data, intercom, fire alarm, and intrusion alarm system per the district standard.
- Provide plumbing design to serve the portable buildings.
- Attend Over-the-Counter (OTC) reviews with City of Oakland Fire Department and Division of State Architect (DSA) in Oakland for permit.
- We understand that the project is under a schedule to be occupied by the school in late September of 2017.

The following are assumptions and, may require additional services, if encountered.

- We understand that the portable buildings to be placed on the site have proper DSA documentations and will be provided with appropriate PC drawings and the in-plant verified reports by the portable building manufacturer through OUSD.
- We understand that the following infrastructures are sufficient and will not require upgrade.
 - o Data/telecom systems are understood to be in conditions capable of receiving the new portables.
 - o Electrical main service is understood to be sufficient and will not require upgrade
 - o Water flow is sufficient and will not require upgrade.
 - o Existing sewage sump pump is sufficient and will not require upgrade.
- Structural, Civil, Mechanical and Fire Protection Engineering are understood to be not required.
- The portable buildings are temporary and will be removed by others in two years or less.

Please note that the existing electrical and water service capacity will need to be verified. The site currently may not have the capacity to service the new restroom portable. We request that the utility availability information is to be provided with the District. We will coordinate the sizing requirement.

The project will be submitted to DSA for an Over-The-Counter review. The project will also be reviewed by the Oakland Fire Prevention for a local fire authority sign off.

Based on the information provided by the district, we propose the following design fees to complete the task.

	Proposed Fee
Portable 2 Classroom and 1 Restroom Buildings	\$46,100
<i>Portable Classrooms</i>	
Architect	\$30,000.00
Mechanical	\$4,000.00
Electrical	\$9,000.00
Subtotal Design Fee	\$43,000.00
<i>Reimbursable</i>	
Local Fire Authority Review Fee	\$600.00
DSA Review Fee	\$2,500.00
Subtotal Reimbursable	\$3,100.00

To expedite the project deliver, we will pay for the Oakland Local Fire Authority Review and DSA Review fees. The DSA review fee is based on the \$150,000 construction budget.

We are ready to initiate the contract upon your review and approval. Thank you once again for your consideration.
