School Description

Dewey Academy opened in 1963 as Oakland's first continuation high school, designed to give students struggling in other OUSD high schools a new chance to earn credits and graduate on time. In 2001, Dewey moved to its current location on Second Avenue. Originally serving 10-12 as defined in State Education Code for Continuation schools, after looking at the District's drop out and transfer data in the 2011-2012 school year, the Alternative Education office and principals of the three continuation schools agreed to limit continuation schools to students who are credit deficient and who were within reach of an on-time graduation with continuation graduation requirements (190 credits rather than 230). Centrally located in Oakland's Lake Merritt district, Dewey High School, serves a critical and essential mission for the Oakland Unified School District: It gives students, vulnerable of leaving high school without a diploma, a second chance. By design, Dewey High School is a small school with a Health and Fitness Pathway allowing students opportunities to explore the health industry by taking health related classes, exploring internships and working towards certifications such as CPR and Personal Training. Dewey makes available to students an educational experience where they are not only well known and cared for by the community. Students are also given the opportunity to recover credits in an academic program designed to address their academic, emotional, and social challenges while accelerating their achievement. Most of the students arrive below grade level and behind in credits.

School Mission and Vision

Mission-Dewey Academy is a caring adult community that encourages the growth and development of students by providing academic, social, and individual supports. We strive to have all students graduate with a high school diploma and to provide opportunities to obtain college and career readiness skills, vocational training, internships, jobs, and social awareness in a collaborative environment.

Vision-Dewey Academy is committed to providing a safe, healthy, and growth-centered community for at-risk students seeking to graduate and improve their life prospects. We aim to provide college, career, and professional readiness education using an engaging and relevant curriculum. Furthermore, our health, fitness, and violence prevention programs teach students invaluable life skills and prepare them for life beyond high school.

Dewey Academy will provide an opportunity for students of all skill-levels, learning styles, and backgrounds to earn their high school diploma. We will continue to use technological tools and traditional teaching methods to improve students' 21st century skills such critical thinking, teamwork, and problem solving.

Dewey Academy students will graduate as lifelong learners who will make meaningful contributions to their community. Utilizing the skills and knowledge gained from Dewey, every graduate will walk off the stage prepared for the high expectations of the 21st century professional environment.

ROOT CAUSE ANALYSIS

Root Cause Analysis is the process of discovering the root causes of problems in order to identify appropriate solutions. Sites engage in this process every 3 years to inform strategic actions around our identified data indicators.

Indicator	Strengths	Challenges
Instructions: Complete the Strengths and Challenges columns for all indicators in bold (lines 41-44). Then select ONE of the indicators from lines 45-48 (color coded in peach) to complete. You will complete Strengths and Challenges for a total of 5 indicators/combinations of indicators.	<i>What is our site doing well that's leading to improvements in this indicator?</i>	<i>What 1-2 challenges are the most significant barriers to improvements in this indicator?</i>
Four-Year Cohort Graduation Rate & Four Year Cohort Dropout Rate (Analyze these two indicators together)	Indicator questionable due to being a continuation school, our students are not cohorted. We get new students and graduate students every 6 weeks. Those that attend school are supported toward graduation with case management, tutoring and mental health supports.	We do not have students for 9th grade nor more than 2 years if they attend school regularly.
A-G Completion - 12th Grade	N/A Dewey does not offer all of the a-g classes that comprehensive schools do.	Dewey Academy is a continuation school that offers a Standard High School Diploma that is out of 190 credits. As such, a comprehensive offering of A-G courses are not part of the curriculum.
On Track to Graduate - 9th Grade & 9th Graders meeting A-G requirements (Analyze these two indicators together)	N/A Dewey Students are 11th and 12 graders.	Dewey Academy is a continuation school. We have students in grades 10-12 and subsequently do not have 9th grade students.
College Enrollment Data: Percentage of students enrolling in 2-year and 4-year colleges within one year of graduation (Analyze these two indicators together)	Due to the small school environment at Dewey Academy, students receive a lot of individualized support by both the teaching staff and support staff. As such, there are many touch points for students to learn about their post secondary options and create a plan.	Many students enroll at Dewey Academy to focus on obtaining their High School Diploma. They can be at Dewey anywhere from 6 weeks to 2+ years. Because of the hyper focus on graduation, post secondary planning sometimes happens after graduation and outside the one year of graduation.
Percentage of 12th Graders who have participated in an employer-evaluated internship or similar experience	Dewey Academy's strong partnership with the HEAL and MIMS programs via the Health and Fitness Pathway aid in garnering interests in medical related careers. As such, those students who commit and participate get a lot of support from both the internship site and our support staff yielding a very positive experience.	Many Dewey Academy students have jobs and other commitments and are unable to work their jobs, fulfill their personal commitments and participate in internships.
Percentage of students who have passed any dual enrollment course with a C- or better in grades 9-12		
Percentage of 10th-12th grade students in Linked Learning pathways		
CTE Completion Data: Percentage of students who attempted CTE program completion and achieved a C- or better in both the Concentrator and Capstone course		

PATHWAY QUALITY ASSESSMENT

<i>Using the 2023-26 College and Career for All and Linked Learning Quality Standards, self-assess in each category</i>	Evidence of Strengths	Areas For Growth	Next Steps <i>Will any of these categories be a priority for your 3-year goals? If yes, which ones?</i>

<p>Integrated Program of Study Equitable Admissions Cohort Structure Curriculum and Instructional Design and Delivery Assessment of Learning Early College Credit Opportunities Partner Input and Validation</p>	<p>All Dewey students participate in a Health and Fitness Pathway course and/or school day Health and Fitness themed activity each marking period. Currently, Dewey has strong relationships with Health and Fitness focused CBO's including Mentors in Medical Sciences and Planting Justice. Specifically, Planting Justice offers culinary courses for students to explore this career option and has led to students enrolling in a dual enrollment Laney culinary course housed at the central Kitchen.</p>	<p>We would like to integrate more project based learning in the academic core courses that link to our Health and Fitness Pathway. Additionally, we would like build out a more robust senior project to include college and career exploration.</p>	<p>Curriculum, and Instructional Design - We would like to form a PBL Teaching team and invite the group to attend PBL Institute this summer. Teachers can use collaboration time to thread Health and Fitness into the Academic Core curriculum.</p>
<p>Work Based Learning Work Based Learning Plans Student Work Based Learning Experiences and Self Assessments Work Based Learning Provider Assessment of Student Workplace Readiness</p>	<p>Students at Dewey have the opportunity to learn different skills through multiple partnerships and work based opportunities we offer such as our collaboration with Planting Justice, which teaches students culinary skills after teaching them how to grow and maintain a garden. Our students participate in WBL activities each Hexmester.</p>	<p>Build out Work Experience Program. Many students at Dewey Academy have jobs. We would like to help them leverage their jobs while supporting them in a structured manner.</p>	<p>Student Work Based Learning and Experiences - we would like students to understand the value of their current work experience and reflect upon it. A next step for this would be creating a google form reflection.</p>
<p>Integrated Student Supports College and Career Preparation and Support Social-Emotional Skill Development Individual Student Supports Student Input and Validation</p>	<p>Students receive academic counseling for college and career planning from the school counselor. Academically, students also have tutoring readily available to them with all academic subject matter. In addition, the after school program emphasizes health and fitness along with Socioemotional awareness.</p>	<p>We would like to create a better system to connect students with career opportunities of their interests. Currently there is an intake survey and we would like to systematize connecting a student with opportunities related to their stated interests.</p>	<p>College and Career Preparation and Support - we would like to continue to build upon. We are partnering with new Health and Fitness centered Community Based organizations to increase the support with college and career exploration.</p>

2023-2024: YEAR ONE ANALYSIS

Pathway Strategic Goals

Pathway Quality Strategic 3 Year Goals
 Based on the standards assessment, your data indicators and root cause analysis, what are your goals, objectives, or intended outcomes for this next 3 year cycle? Write them as SMART goals (Specific, Measurable, Achievable, Relevant & Time-Bound) using language from the Standards as a guide (when relevant). Goals should start with the "By 2026..." **Example:** By 2026 we will create and utilize a WBL reflection form and 100% of students will complete it after any type of WBL activity. We will share responses with students so they can reference for resume and college application development. The teacher team will review responses at least once per year and use information to update the pathway WBL plan.

<p>Goal #1: By 2026</p>	<p>By 2026, 100% of our students will experience a Pathway sequence to prepare them for their postsecondary plan.</p>
<p>Goal #2: By 2026</p>	<p>By 2026, more than half our students will participate in a work based learning opportunity including ECCCO and opportunities during the school year.</p>
<p>Goal #3: By 2026</p>	<p>By 2026, 100% of our students will participate in a Pathway experience with one of our community partners during the school day. (outside the classroom, ie: Planting Justice internship, MIMS certification).</p>

Pathway Strategic Actions

Strategic Actions for 2023-24
 What are 3-5 key strategic actions for 2023-24 that will support you in reaching your identified 3 year goals?

<p>Strategic Actions for Goal #1</p>	<p>Hire high quality CTE Health & Fitness Teacher/Pathway Director</p>
	<p>Develop rigorous curriculum centered around Health & Fitness and career of student interests</p>
	<p>Provide time for teachers to plan and inform all staff about the new class</p>
	<p> </p>
<p>Strategic Actions for Goal #2</p>	<p>Build a system where each student's involvement can be ensured, perhaps a class</p>
	<p>Build a system to collect student feedback and information that captures students' interest and career desires</p>
	<p>Increase our community partnerships that can provide opportunities for youth</p>
	<p>Develop a reflection survey for students to link their WBL opportunity to what they are learning in the classroom</p>
<p>Strategic Actions for Goal #3</p>	<p>Build a more comprehensive academic pathway experience through academic and pathway courses</p>
	<p>Link outside the classroom opportunities directly to pathway curriculum</p>
	<p>Increase community partnerships with local internship hosts to offer more opportunities to students during the school day</p>

2024-2025: YEAR TWO						
Pathway Strategic Goals						
Pathway Quality Strategic 3 Year Goal	Check in on 3-Year Goals For each 3-year goal, answer: -To what extent is the pathway on track for accomplishing this goal by 2026? -What has supported or hindered progress towards each goal this year?					

By 2026, 100% of our students will experience a Pathway sequence to prepare them for their postsecondary plan.	We currently have the courses built out to support this goal. What has hindered the progress of moving this goal forward is finding a full-time Health CTE teacher to teach the classes.
By 2026, more than half our students will participate in a work based learning opportunity including ECCCO and opportunities during the school year.	This year we created a robust micro-internship program where students received elective credit for their internship experience. We need to develop a tracking system to accurately record participation. This is the current hinderance to this goal and ensuring it's accuracy in future years. Students would also benefit from more WBL experiences overall which we are striving to create.
By 2026, 100% of our students will participate in a Pathway experience with one of our community partners during the school day. (outside the classroom, ie: Planting Justice internship, MIMS certification).	We are currently on track for accomplishing this goal by 2026 as beginning next year, CPR and First Aid will be graduation requirements for all students.

Pathway Strategic Actions Reflection

2023-2024 Strategic Actions	Reflection on 2023-2024 Strategic Actions For the Strategic Action sets for each goal, answer: -Are you on track for accomplishing the actions for the related goal this school year? -If so, what has been done or will be done by the end of the year to accomplish it? -If you are not on track for accomplishing the actions this school year, what might be the reason(s) why?
------------------------------------	--

23-24 Strategic Actions for Goal #1	Hire high quality CTE Health & Fitness Teacher/Pathway Director	We have offered a CTE Health teacher the position and they are currently in the process of being hired through the HR process. If the CTE teacher is able to start working before the end of the school year, we will be on track for this strategic action. A writing intensive Health Career research course is currently being piloted this year thus this strategic action is on track for this school year. Lastly, we will plan to provide opportunities for any teaching staff involved in planning and teaching pathway classes.
	Develop rigorous curriculum centered around Health & Fitness and career of student interests Provide time for teachers to plan and inform all staff about the new class	

23-24 Strategic Actions for Goal #2	Build a system where each student's involvement can be ensured, perhaps a class	We have successfully increased a number of community partnerships and are continuing to build upon this strategic action. Our systems are still in development to capture student involvement, feedback and reflections. We currently have several separate systems and would like consolidate them into one to develop a seamless system that address each of the remaining strategic actions.
	Build a system to collect student feedback and information that captures students' interest and career desires	
	Increase our community partnerships that can provide opportunities for youth	
	Develop a reflection survey for students to link their WBL opportunity to what they are learning in the classroom	

23-24 Strategic Actions for Goal #3	Build a more comprehensive academic pathway experience through academic and pathway courses	Although we have not had a teacher for the CTE course during the last two school years we are piloting a second class that focuses health careers, literacy and overall career exposure. This course will also have a career exploration visit associated with the class each marking period. By 2026, we hope to have a micro-internship component built into the class as well to address each strategic actions.
	Link outside the classroom opportunities directly to pathway curriculum	
	Increase community partnerships with local internship hosts to offer more opportunities to students during the school day	

Pathway Strategic Actions 2024-2025

2024-2025 Strategic Actions
Based on the reflection on this year's strategic actions, what are 3-5 new or revised strategic actions (for each goal) that you will take in 2024-2025 that will support continued progress toward your 3-year goals?

Goal #1: By 2026	By 2026, 100% of our students will experience a Pathway sequence to prepare them for their postsecondary plan.	New or Revised Strategic Actions for Goal #1	Provide onboarding and training to CTE Health teacher to ensure they are aligned with overall Pathway goals
			Collect feedback from writing intensive course students
			Review feedback and use feedback to inform changes to course
Goal #2: By 2026	By 2026, more than half our students will participate in a work based learning opportunity including ECCCO and opportunities during the school year.	New or Revised Strategic Actions for Goal #2	Build in time during PD to review student data related to college, career and general interests
			Identify staff member/s interested in creating survey to capture student career interests/goals to connect students with relevant internships
			Utilize survey when students enroll at Dewey during orientation and revisit during staff meetings
Goal #3: By 2026	By 2026, 100% of our students will participate in a Pathway experience with one of our community partners during the school day. (outside the classroom, ie: Planting Justice internship, MIMS certification).	New or Revised Strategic Actions for Goal #3	Build in CPR/First Aid as a graduation portfolio requirement in addition to being part of Pathway classes
			Calendar 1-2 career exploration visits to Planting Justice farm as additional Pathway opportunity
			Build out garden to increase participation/capacity of Planting Justice program

MEASURE N 2022-2023 CARRYOVER PLAN					
School Name	DEWEY ACADEMY		Site Number	310	
Why were you unable to expend all your funds in the 2022-2023 school year?	Due to the COVID 19 pandemic and the nature of our Pathway being heavily in person, we have not had the same expenditures as previous years. We anticipate as attendance continues to increase, we will be able to utilize these funds.				
Total Measure N Funds Received in Fiscal Year 2022-2023 <small>(including accumulated carryover from previous years)</small>		\$426,224.54	Projected Carryover Amount from Fiscal Year 2022-2023		\$120,907.39
Projected Carryover Amount from Fiscal Year 2022-2023		\$120,907.39	Total Budgeted Amount		\$120,907.39
Percentage of 2022-2023 Carryover to Measure N Funds		28.4%	Remaining Amount		\$0.00

NOTE: Measure N funds are to be expended during the fiscal year for which the Measure N Education Improvement Plan was approved. Expenses from previous fiscal years cannot be paid for from Carryover funds.

Directions: Please provide a detailed explanation as to how the carryover amount will be used to help you achieve your theory of action, address your root cause analysis, and how it supports and aligns to specific parts of your Measure N Education Improvement Plan (EIP) to support students and pathway development.
****Proper justification is required below and should be used when creating an Escape Purchase Order request, Budget Transfer, Journal Entry request, HRA request, Consultant Contracts online, etc. Examples that can be used are available in the Measure N/H Justification Examples - A Resource for EIP Development document linked below.**
