**2. Terms of Contract**

The term of this Contract shall begin on December 14, 2011, and end on June 16, 2012 ("Term").

Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from the OUSD student's pupil record. Such log need not record access to the OUSD student's pupil records by: (a) the OUSD student's parent; (b) an individual to whom written consent has been executed by the OUSD student's parent; or (c) employees of OUSD or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the pupil record. ## **12. Termination for Convenience**

12.1 The OUSD may, by written notice to the CONTRACTOR, terminate this Contract in whole or in part at any time, for the OUSD's convenience and without cause. Upon receipt of such notice, the CONTRACTOR shall:

(a) Immediately discontinue all services affected (unless the notice directs otherwise) and

(b) Deliver to the OUSD all information and material as may have been involved in the provision of services whether provided by the OUSD or generated by the CONTRACTOR in the performance of this Contract, whether completed or in process. Termination of this Contract shall be as of the date of receipt by the CONTRACTOR of such notice.

12.2 If the termination is for the convenience of the OUSD, CONTRACTOR shall submit a final invoice within 60 days of termination, and the OUSD shall pay the CONTRACTOR the sums earned for services actually performed prior to the effective date of termination and other reasonable costs incurred by the CONTRACTOR to implement the termination in accordance with the provisions of this Contract.

12.3 The CONTRACTOR shall not be entitled to anticipatory, lost profits, or consequential damages as a result of any termination under this section. Payment to the CONTRACTOR in accordance with this section shall constitute the CONTRACTOR'S exclusive remedy for any termination hereunder.

12.4 Either party may terminate this Agreement with or without cause by providing Thirty (30) days' notice, in writing, to the other party. Upon the expiration of said notice, this Agreement shall become of no further force or effect whatsoever and each of the parties hereto shall be relieved and discharged here from.

12.5 Services to an individual student may be terminated by CONTRACTOR with consent of the OUSD if the student fails to attend 3 or more sessions, per written parental request, the student's dis-enrollment from the District, if this MOU is terminated, or if the student's conduct or behavior threatens the safety or well-being of that student, other students or staff members, or substantially detracts from the learning environment.

## **13. Termination for Default**

13.1 The OUSD may, by written notice to the CONTRACTOR, terminate this Contract in whole or in part at any time because of the failure of the CONTRACTOR to fulfill its contractual obligations and the District may, in its sole discretion, provide CONTRACTOR with a reasonable period within which to cure the default. Upon receipt of such notice, the CONTRACTOR shall:

(a) Immediately discontinue all services affected (unless the notice directs otherwise) and

(b) Deliver to the OUSD all information and material as may have been involved in the provision of services whether provided by the OUSD or generated by the CONTRACTOR in the performance of this Contract, whether completed or in process (unless the notice directs otherwise). Termination of this Contract shall be as of the date of receipt by the CONTRACTOR of such notice.

13.2 If the termination is due to the failure of the CONTRACTOR to fulfill its contractual obligations, the CONTRACTOR shall be liable to the District for any reasonable costs or

damages occasioned to the District thereby. The expense of completing the Services, or any other costs or damages otherwise resulting from the failure of the CONTRACTOR to fulfill its obligations, will be charged to the CONTRACTOR and will be deducted by the District out of such payments as may be due or may at any time thereafter become due to the CONTRACTOR. If such costs and expenses are in excess of the sum which otherwise would have been payable to the CONTRACTOR, then the CONTRACTOR shall promptly pay the amount of such excess to the OUSD upon notice of the excess so due.

13.3 If, after the notice of termination for failure to fulfill contract obligations, it is determined that the CONTRACTOR has not so failed, the termination shall be deemed to have been effected for the convenience of the OUSD subject to Section 12.

13.4 The CONTRACTOR shall not be entitled to any anticipatory, lost profits, or consequential damages as a result of any termination under this section. Payment to the CONTRACTOR in accordance with this section shall constitute the CONTRACTOR'S exclusive remedy for any termination hereunder. The rights and remedies of the OUSD provided in this section are in addition to any other rights and remedies provided by law or under this Contract.

#### **14. Termination for Change of Control**

In the event that CONTRACTOR undergoes a change in control where voting or other control of CONTRACTOR is acquired, directly or indirectly, in a single transaction or series of related transactions, or all or substantially all of CONTRACTOR'S assets are acquired, by any entity (other than an Affiliate), or CONTRACTOR is merged with or into another entity (other than an Affiliate) to form a new entity, then, at any time within nine (9) months after the last to occur of these events, OUSD may terminate this Agreement by (a) giving CONTRACTOR ninety (90) calendar days' prior written notice and (b) designating a date upon which the termination(s) will be effective.

#### **15. Termination for Insolvency**

OUSD may terminate this Agreement in its entirety if CONTRACTOR (a) becomes insolvent or is unable to meet its debts as they mature, (b) files a voluntary petition in bankruptcy or seeks reorganization or to effect a plan or other arrangement with creditors, (c) files an answer or other pleading admitting, or fails to deny or contest, the material allegations of an involuntary petition filed against it pursuant to any applicable statute relating to bankruptcy, arrangement or reorganization, (d) is adjudicated a bankrupt or makes an assignment for the benefit of its creditors generally, (e) applies for, consents to or acquiesces in the appointment of any receiver or trustee for all or a substantial part of its property, or (f) any such receiver or trustee is appointed and not discharged within thirty (30) calendar days after the date of such appointment.

#### **16. Insurance**

16.1 CONTRACTOR shall, at his, her, or its sole cost and expense, maintain in full force and effect, during the term of this Agreement, the following insurance coverage from a California licensed insurer with an A minus (A-), VII, or better rating from A.M. Best, sufficient to cover any claims, damages, liabilities, costs and expenses (including counsel fees) arising out of or in connection with CONTRACTOR'S fulfillment of any of its

obligations under this Contract or either party's use of the Work or any component or part thereof:

- (a) COMMERCIAL GENERAL LIABILITY insurance which shall include contractual, products and completed operations, corporal punishment and sexual misconduct and harassment coverage, and bodily injury and property damage liability insurance with combined single limits of not less than \$1,000,000 per occurrence.
- (b) WORKERS COMPENSATION insurance, as required by the California Labor Code, with not less than the statutory limits.

16.2 CONTRACTOR, no later than the date that this Contract is signed, and periodically thereafter upon request, shall furnish the District with certificates of insurance evidencing such coverage. Satisfactory evidence of insurance shall include standard insurance company Certificate of Liability Insurance form ACORD 25-S or the Marsh, Inc. insurance certificate form. The certificate of insurance shall include a thirty (30) day non-renewal notice provision. The policies of insurance providing the coverages referred to above shall name the Oakland Unified School District as an additional insured with respect to any potential tort liability, irrespective of whether such potential liability might be predicated on theories of negligence, strict liability or products liability. Premiums on all insurance policies shall be paid by CONTRACTOR and shall be deemed included in CONTRACTOR'S obligations under this contract at no additional charge. Failure to maintain the above mentioned insurance coverage shall be cause for termination of this Contract.

16.3 If at any time said policies of insurance lapse or become canceled, this Contract shall become void. The acceptance by OUSD of the above-required insurance does not serve to limit the liability or responsibility of the insurer or CONTRACTOR to OUSD.

16.4 If OUSD determines that change in insurance coverage obligations under this section is necessary, OUSD may reopen negotiations to modify the insurance obligations.

## **17. Indemnification and Hold Harmless**

17.1 CONTRACTOR shall indemnify, hold harmless and defend the Oakland Unified School District and each of its officers, officials, employees, volunteers and agents from any loss, liability, fines, penalties, forfeitures, costs or damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by the District, CONTRACTOR or any other person and from any claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly out of performance of this Agreement.

17.2 CONTRACTOR'S obligations under the preceding sentence shall apply jointly and severally regardless of whether OUSD or any of its officers, officials, employees, volunteers or agents are actively or passively negligent, but shall not apply to any loss or liability, fines, penalties, forfeitures, costs or damages caused solely by the active negligence or by the willful misconduct of OUSD.

17.3 If CONTRACTOR should subcontract all or any portion of the work or activities to be performed under this agreement, CONTRACTOR shall require each subcontractor to

indemnify, hold harmless and defend OUSD, its officers, officials, employees, volunteers or agents in accordance with the terms of paragraphs 17.1 and 17.2.

## **18. Independent Contractor and Conflict of Interest**

18.1 CONTRACTOR shall provide all services under this Contract as an independent CONTRACTOR, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Contract shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the OUSD and any individual assigned by CONTRACTOR to perform any services for the OUSD. If the OUSD is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR or any person performing services on CONTRACTOR'S behalf, CONTRACTOR shall defend, indemnify and hold harmless the OUSD from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by the OUSD as a result of that holding.

18.2 CONTRACTOR shall abide by and be subject to all applicable OUSD policies, regulations, statutes or other laws regarding conflict of interest. CONTRACTOR shall not hire any officer or employee of OUSD to perform any service by this Agreement, with the exception of OUSD teachers hired to tutor students in the SES program. Any such amendment shall require the mutual agreement of the parties. Further, if the Board of Education suspends payments to contractors due to budget cutbacks by the State of California, District shall have the option to suspend performance of the Contract and suspend payments to the CONTRACTOR until the State of California rescinds the suspension. In any event, the Contractor shall be paid in accordance with the Contract for Services performed through the date of termination, amendment (as more particularly set forth in the amendment) or suspension of payments. The failure by the District to exercise any right provided for under this Contract will not be deemed a waiver of that right or of any other right hereunder.

- Does this cost include all services and equipment necessary to access the services? **Yes**
- How frequently will students receive service? For how many hours in total and how long a period in total during each session will students receive services? Include **ONLY** the number of hours that will be paid for by the OUSD under SES – do not include any “free” hours. (If the per-pupil rate for services increases or decreases, the OUSD will allow providers to amend their number of hours to reflect the changes) Where will services be delivered? (List all sites if individual franchises/clubs/centers, etc. are involved) **Students will receive services 1-3 times per week for 1-2 hours per session. They will receive 38.38 hours of tutoring total. Services will take place at the students home, local libraries and school sites (when available).**
- What is the absolute maximum number of students provider is able to service? **We are state approved to provide services for 60,000 students**
- What will be needed for students to access the services (i.e.: transportation to a site - where, how far from schools? Computer access - what kind, hook ups, internet

access, specialized equipment, etc.)? **Transportation to and from the session is it is being held at the Library or School site only.**

### PROVIDER SERVICES

- How will the provider ensure that content and instruction are consistent with the content used by and instruction provided by the OUSD and aligned with California state standards? **Initial assessment of students will locate the math/and or reading content areas and key standards that AE tutoring will be based upon. Both the AE instructional materials and supplemental reading and math are directly aligned to California content standards. AE workbooks, games and books purchased from Scholastic that are age appropriate with content of interest to students will be used at the levels that correspond to assessed abilities in order to fill any educational gaps that may exist before students can move forward towards grade level proficiency along the strands that are emphasized in grade level instruction is helping children to reach.**
- How do you ensure that the ILP is individually tailored to each student's needs? **Initial assessment of students will locate the math or reading content areas and key standards that Arriba Education tutoring will be based upon. Both the instructional materials and supplemental reading and math materials are directly aligned to California content standards. Carney's workbooks and games that are age appropriate will be used at the levels that correspond to assessed abilities in order to fill any educational gaps that exist before students can move forward towards grade level proficiency along the strands that are emphasized in grade level instruction. The IAP will have standards from the Department of Education web site for each appropriate grade level identified through the assessment phase of the services.**
- In what content areas are providers prepared and qualified to provide support services to students as per the proposal approved by the state of California? **We are prepared and qualified to provide services in both math and reading at grade levels K-12., Basic SES.**
- What are the qualifications of the employees used to provide SES services to students? **TUTOR REQUIREMENTS**
  - **Every tutor providing SES tutoring:**
  - **Must be Live scan fingerprinted by a private Live scan operator, or through their school district of employment**
  - **Must have a negative chest x-ray or TB test result**
  - **Must provide Arriba Education with a photo-copy of their CA driver's license/ I.D. card**
  - **Must understand their role as a mandated reporter**
  - **Must have an E-mail account and dependable access to the internet**
  - **Must have access to dependable transportation**
  - **Must be trained in the application of the AE tutoring program in areas of**

### **Reading and Mathematics**

- **Should have a minimum of two years experience working with children in an academic environment**
- **Should know the developmental stages, physical, mental, and emotional for each of their students**
- **Should be aware of the California State Standards for the grade(s) and subject(s) they tutor**
- **Should be self-motivated and organized**
- **Should be computer literate or willing to learn**
- **Is committed to working with parents as educational partners**
- **Is sensitive to the social as well as academic needs of their students**
- **Is aware of the time and commitment necessary to prepare for each Carney Educational Services student**
- **Is willing to be trained in the use of different curriculums and learning styles**

**AE tutors are trained to give continuous feedback to learners in hope of building their educational self-esteem. Tutors see themselves in the role of mentor or coach empowering students in areas of learning how to learn and providing study skills, testing skills, attention to school, and the art of learning in general.**

- **What training, guidelines, and support do employees providing service receive? (Describe completely the content of the training received by employees providing service.) *Training Agenda***

**During our training, we will address District rules and regulations, and compliance procedures as they apply to in-home tutoring (e.g. child abuse mandated reporting, fingerprinting and TB tests) and requisite forms both for District compliance and AE delivery. This session will also explore in-depth expected behavior with parents, parent sign-off forms and the need for ongoing input to and feedback from parents.**

**We will introduce tutors to the implements the Fourth Edition of the Stanford Diagnostic Mathematics Test and the Fourth Edition of the Stanford Diagnostic Reading Test and show how to deliver both pre and post assessments as well as using the diagnostic for screening purposes. [It should be kept in mind that a prior approximate placement of each student will have been made by AE based on the data supplied by Oakland Unified, so that initial testing in math/and or language arts will begin at appropriate levels.]**

**Next we will concentrate on the alignment of instruction and instructional material with assessed levels; how to build towards mastery at each level; how to follow given strands in order to take the student toward the next needed level; and the importance of continuous assessment by the tutor. We will stress the importance of verbal interchange with students and parents and how developing this rapport builds a relationship of trust and connection where learning can best take place. This is one of the key points of a one-on-one environment. Building a mentoring relationship with students will help our tutors to see where students are and understand**

their learning style. These trainings will also stress why the kinesthetic approach that is used in AE games as well as the automaticity in math skills and recognition of key vocabulary that the games help to develop in students are important.

We will train tutors in how to do guided reading instruction. Again guided reading involves continuous assessment – pausing to hear from students themselves what they understand and imagine as they read, which forms the basis of reading comprehension. Students in both math and language arts will have content and age appropriate texts. The focus here will be to show to students that they can both read and comprehend books that they enjoy and learn from.

Learning and accepting that math is an important part of the world they live in will help with their comprehension of math concepts.

Tutor will be taught the proper techniques for writing an acceptable Student Learning Plan that is driven by California standards.

We will be train tutors in specific skill building that corresponds to the standard and strand that is being worked on in a specific lesson.

- How does the provider guarantee that all provider employees are aware of child abuse reporting procedures?

**During the training, all employees are made aware of their responsibilities as mandated reporters. The missing child and child abuse reporting forms are handed out and proper steps to filling out the forms are described in detail. We have a hierarchy in house to handle and resolve these procedures. In the event that a situation needs the attention of the OUSD staff, Sergio Trujillo will inform the necessary parties.**

- What is the delivery mode for the service and what is the maximum tutor student ratio (i.e.: 1 to 1 tutoring, small group instruction, computer-based lessons with or without a live tutor, etc.)?

**We offer 1 to 1 and Small group tutoring (1:5) with a live tutor.**

- Describe the general program of instruction to be provided to students including the materials to be used with the students as per the proposal approved by the state of California. **The first session will be comprised of assessment. The materials used in the tutoring session are Arriba Education's state approved Educational Games and Carney Educational Services "How to Prepare for the State Standards" workbooks.**

**In math instruction, the hour-long lesson will generally be divided into four segments, nevertheless beginning with a conversation to find out how the student is doing in school: playing the appropriate math games; guided instruction and practice on lessons that incorporate and lead to understanding the skill that is being studied; guided reading of an appropriate math book. At the end of a math tutoring session, AE tutors will**

provide the student with a reading book with a mathematical theme for the student to keep. We believe that having access to such books shows the relevance of mathematics in everyday life and is essential for success with word problems.

In language arts instruction, following conversations with the student, there will also be four components: the lesson will begin with guided reading, decoding, sight word instruction and reading strategies, which in language arts, of course, will play a more central role; it will move on to specific instructional material covering the skills being worked on; there will be language games to develop phonics and sight word skills as appropriate; and again, where possible, using educational computer software at the end of the tutoring session. It is our goal that a student is allowed to keep a Scholastic reading book at their level at the end of each tutoring session.

In efforts to monitor quality tutoring sessions, tutors are required to turn in detailed Tutoring Logs that fully explain the lesson goals and standards. Office staff reviews all logs monthly and makes customer service calls to parents to validate tutoring satisfaction.

- For Special Education students, how will the provider ensure that supplemental services provided for the student are consistent with the student's Individualized Education Plan (IEP), there is disability access and that any accommodations necessary are made? **The educational methodology that has been described is entirely appropriate for special education students. Individualized instruction that works with students at their ability level and moves them as quickly as possible to new concepts along the strands that are suitable at given grade levels, is the pedagogy of special education. Nevertheless special education students may learn much more slowly and there may be a greater need for kinesthetic education particularly in math.**

The students' IEPs will serve as the basis and guideline for each student's instruction.

If parents are unable to provide a copy of the IEP, AE will use information provided by OUSD to streamline instructional practices. The initial assessment will reveal to what extent students have reached the goals and objectives outlined in the IEP (there will be varying lengths of time between a given student's last IEP and the Arriba intervention). Instruction will continue along the lines indicated both by the IEP and this assessment. Since the tutoring will take place in students' homes, access is already in place.

- For English Learner students, how will the provider ensure that there is primary language support provided for the student? **Bilingual tutors will be used in cases where EL students require primary language support. Highly qualified**

teachers will be provided to each student who applies for one-on-one in-home instruction. The tutoring staff includes over 500 educators including credentialed teachers and over 150 experienced bilingual tutors, who are available to help children in several languages including Spanish, Vietnamese, Korean, Armenian and Japanese.

- What is your organization's student behavior policy and what behavior intervention strategies does your organization use? **AE will explain all of the compliance procedures to parents in the initial meeting with families and has developed an appropriate parental sign-off form to assure that there is understanding of these procedures. In the event of a situation where a parent or a tutor has an issue or complaint, AE has a hierarchy in place to deal with issues in house.**

#### ASSESSMENT AND ACCOUNTABILITY

- What instrument does the provider currently use as a pretest and as a posttest and to monitor and assess student progress during services?  
**Stanford Diagnostic test 4<sup>th</sup> edition in Math or Language Arts will be used to pretest and post test the students. Initial assessment of students will locate the math or reading content areas and key standards that Arriba tutoring will be based upon. Exercises such as drills, fluency exercises, quizzes and other activities of the same kind will be used throughout the session to gauge adequate understanding of key construct being presented to master the key standards prescribed in the IAP.**
- To what degree do current assessment measures used by the provider reflect California state content standards?  
**The Fourth Edition of the Stanford Diagnostic Mathematics Test and the Fourth Edition of the Stanford Diagnostic Reading Test has been closely aligned with California content standards. AE instruction will be based on the immediate needs facing each student as diagnosed in the initial assessment and subsequent screens. As each new skill is developed the progress will show up in the student's progress in reaching higher levels of mastery along the strand of the math or language arts standard being worked on. This progress will be demonstrated to parents. There will be interaction with classroom teachers to find out if student progress is affecting their in-school learning. This kind of student-centered instruction guarantees the most progress that each student is capable of making considering where they start and their own abilities. Since AE instruction will include various levels of instruction for ELL and special education students in addition to students at higher levels of proficiency we will be dealing with children each of whom learns at different rates.**
- Local education agencies are required to develop contracts that provide for the termination of agreements with supplemental service providers if the provider is unable to meet the goals or timelines of the agreement. How will the provider ensure that timelines are being met and that students are making sufficient

progress toward learning goals? What does the provider currently include as a “guarantee” to consumers of the effectiveness of their service? **At AE, we work hard to complete the hours of tutoring with EVERY student who chooses us as their provider. We send letters make phone calls and call schools to make every attempt at locating students and completing service. We document all attempts to contact families.**

**AE will closely track and monitor the progress of our SES students. We monitor student progress by implementing our pre-test assessment, post-test assessment and constant tutor evaluation and monitoring. Using these baselines and evaluation tools, we are confident that we will be able to work with our students towards academic progress. Parent input is also encouraged and appreciated.**

## COMMUNICATION

- In addition to the required Attendance/Progress Reports after each 15 hours of service, how will the provider regularly evaluate student progress and report student progress to the parent? **Due to the in-home method of teaching, parent input is also sought and respected. Tutors regularly bring parents into the learning process and appreciate their insight. Tutors are encouraged to report to parents their assessment results and progress during each visit. Along with attendance rosters, AE tutors will provide monthly tutor logs that specify student information, type of service provided, and student progress within the tutoring sessions. AE will be measuring student progress though constant informal and oral assessment and formally with a Pre and Post test. These test scores will be submitted to OUSD.**
- How does the provider monitor and report student attendance? What is the planned parent outreach if students fail to attend or participate in services? What procedures will be in place to notify parents, the school, and the OUSD SES Office if students fail to attend? **AE will explain all of the compliance procedures to parents in the initial meeting with families and has developed an appropriate parental sign-off form to assure that there is understanding of these procedures. In the event of a situation where a parent has an issue or complaint, AE has a hierarchy in place to deal with issues in house and will keep OUSD informed of such issues.**
- How will provider communicate the required complaint procedures to parents? (Copies of these procedures as well as Child Abuse and Missing Children Reporting Procedures were to be submitted to OUSD during contract process.)  
**At the time of initial assessment, parents will be given a form with contact numbers and complaint procedures for Arriba Education. Parents will be instructed that they are free to call AE at any time and for any reason. We have a hierarchy in house to handle and resolve complaints. In the event that**

a complaint needs the attention of the OUSD staff, Sergio Trujillo and Michael Carney will inform the necessary parties. Copies of these forms are included in our tutor training handbook.
