To Board of Education

Board Meeting Date June 26, 2019

Subject Memorandum of Understanding
 Contractor: Higher Ground Neighborhood Development Corporation
 Services For: East Oakland Pride Elementary School

Action Requested and Recommendation Approval by the Board of Education of Memorandum of Understanding between the District and Higher Ground Neighborhood Development Corporation, Oakland, CA, for the latter to serve as lead agency for program coordination, math intervention, homework support, student supervision and a variety of enrichment services, as described in the MOU, for East Oakland Pride Elementary School’s comprehensive After School Program, for the period of August 1, 2019 through July 31, 2020, in an amount not to exceed \$102,567.00.

Background
(Why do we need these services? Why have you selected this vendor?)

The After School Education and Safety (ASES) is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 and 8484.6.

This organization has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD’s Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

**After School Template for Elementary and Middle Schools
Memorandum of Understanding 2019-2020
Between Oakland Unified School District and
Higher Ground Neighborhood Development Corporation**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Higher Ground Neighborhood Development Corporation ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 107/East Oakland Pride Elementary School under the following grants:

- After School Education and Safety Program ("ASESP")
- California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
- Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21st CCLC funds.
- Private grants

2. **Term of MOU.** The term of this MOU shall be August 1, 2019 through July 31, 2020. The term may be extended by written agreement of both parties.

3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.

a) No Premature Termination by AGENCY AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.

b) Advance Notice by AGENCY for Coming School Year. AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation. Contingent on OUSD receipt of California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASE and 21st CCLC grant award amount for Higher Ground Neighborhood Development Corporation is \$ 102,567.00.** AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$8.19 a day per student through ASEP and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.19 a day for ASEP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2019-2020")
- 4.2.1. Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.
- 4.5. Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2019-2020 and will not exceed \$ 102,567.00 in accordance with Exhibit B. Exhibit B ("ASEP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2019-2020").
- 4.6. Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by

OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.

5. **Scope of Work.** AGENCY will serve as lead agency at 107/East Oakland Pride Elementary School, will be responsible for operations and management of the ASEP, 21st CCLC, OFCY, and private grants contracted to AGENCY by OUSD for fiscal year 2019-2020. This shall include the following required activities:

5.1. **Student Outcomes.** AGENCY shall achieve the student outcomes as described in the grant application narrative and articulated in documents from the program evaluation team. AGENCY agrees to develop school specific outcomes, as defined in partnership with the principal. AGENCY recognizes that the principal is the chief decision maker for after school and summer programs, and ensures that school site objectives are met.

5.1.1. **Alignment with Single Plan for Student Achievement (“Site Plan”).** AGENCY will ensure the after school program aligns with OUSD and 107/East Oakland Pride Elementary School and objectives to ensure the success of students as articulated in the Site Plan. AGENCY will work in partnership with the school principal to ensure that the program components are aligned with and complement OUSD standards and school site curriculum.

5.1.2. **Continuous Quality Improvement (CQI).** AGENCY must fully engage in continuous quality improvement (CQI) processes and complete the following steps of the CQI cycle each year, and timely submit corresponding CQI deliverables to the After School Programs Office:

- beginning of year self-assessment using YPQA/SAPQA tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with SMART goals for program improvement
- progress check for program quality e.g. quality coaching

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

Agency staff (Site Coordinators and other agency staff) are also required to participate in any OUSD sponsored CQI training provided by the OUSD After School Programs Office.

5.2. **Oversight.** AGENCY will provide oversight, fiscal management, payroll services, technical assistance, and facilitation of collaboration with other service providers. Agency must ensure compliance with ASEP and 21st CCLC funding guideline requirements and follow OUSD after school policies and procedures. This includes compliance with OUSD staffing requirements and policies including No Child Left Behind and other legislative mandates.

5.3. **Enrollment.** AGENCY will enroll K through 5th grade students at 107/East Oakland Pride Elementary School, to serve sufficient number of students and run services for a sufficient number of days to earn the full core grant allocation of funding.

5.4. **Program Requirements**

5.4.1. **Program Hours.** The program shall be offered Monday through Friday, every regular school day annually, commencing immediately upon the conclusion of the regular school day, operating a minimum of 15 hours/week, and until 6:00 pm daily. Instructional activities must include a balance of both academic and enrichment/recreation components.

5.4.2. **Program Days.** The program shall be offered a minimum of 177 - 180 days during the 2019 – 2020 school year. AGENCY will close the ASEP and 21st CCLC program no more than a maximum of 3 days in the 2019-2020 school year for staff professional development, as permitted by Education Code. Programs that receive 21st CCLC Supplemental grant funds or private funding for summer shall additionally operate a sufficient number of days and hours in the summer, on weekends, and during intercession in the manner prescribed by the grant legislation and/or funder, in order to meet attendance goals required by the CA Department of Education and/or the funder.

All programs must offer both enrichment and recreation/physical fitness activities as core components of the after school program, and summer program if summer program is provided.
- **Family Literacy Services.** AGENCY shall assess the need for family literacy services among adult family members of the students to be served by the program. All programs will, at a minimum, either refer families to existing services or coordinate with local service providers to deliver literacy and educational development services.

SECTION 2: PROGRAM OPERATIONS

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.

--	----

Program Operations for the 2019-2020 school year.
First Day: **August 12, 2019** Last Day: **May 28th, 2020**

CDE allows programs to close for a **maximum of 3 days** during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets.

List the three days (if any) your program plans to close this year for PD. The program must be open every other day of the school year.

Date: 1/6/2020	Date: 5/27/2020	Date: 5/28/2020
-------------------	--------------------	--------------------

Minimum Days. When a school holds minimum days, the after-school program is required to begin as soon as the school day end and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year and discuss shared resources to fund minimum day programming.

Projected Number of Minimum Days for School Year 2019-2020:
**School should provide lead agency with a calendar of minimum days for the 1st day of school.*
 school-day bell schedule attached

Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, what school-site funds will be utilized to fund these additional hours of programs?

Specialized staff scheduling; HG has created a minimum day schedule on all minimum days that occur and are scheduled; HG provides sub support and initiates a staff stagger schedule. All minimum days are updated and documented in Cityspan through changes in the schedule within each appropriate minimum day activities.

Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal ****McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)***, who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. ****Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)***
 - *Establishes the definition of homeless used by schools*
 - *Ensures that children and youth experiencing homelessness have immediate and equal access to public education*
 - *Provides for educational access, stability, and support to promote school success*
 - *Needed to address the unique barriers faced by many homeless students*

How does your program support students and their families who submit a "Golden Ticket?"

Priority enrollment for all Students possessing a golden ticket.

How will you modify your enrollment and attendance policies to ensure compliance with the “Golden Ticket” policy, in order to make your program accessible for foster, homeless, and newcomer students who transition into the program during enrollment and/or mid-year?

HG does more than just assure space for golden ticket children we have an entire behavioral health program that we implement for every child who struggles, we have community partners like ROOTs, or our ability to navigate the family resource center. You yourself have done all this for families who are golden tickets when they come from the district and event when they don't.

HG modifies programming for golden ticket families based on the reason they receive the ticket. Modifications can be but are not limited to the following:

- Grouping children based on the type of adult they need not grade level.
- Prescribing a modified schedule if the need causes major disruption in programming.
- Allowing siblings to remain together.
- Ensuring that children are receiving AND eating the snack.
- Seeking outside referrals for family services through our net of community partners.
- Ensuring families can participate in Higher Ground Saturday enrichment programming.

SECTION 4: PROGRAM COMPONENTS

*CDE requires that programs must provide a safe environment and include an **educational component** that provides tutoring and/or homework assistance; and an **educational enrichment component**, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section

8482.6); and provide opportunities for physical activity. (EC Section 8483.3[c][7])

List 2-3 program goals which will support meeting these CDE program requirements.

The program goals for Higher Ground at East Oakland Pride are:

- Hire, supervise, train, retain, and support program staff and leaders
- Ensure that program reflects youth development quality standards
- Partner with the OUSD Expanded Learning Office on district initiatives, sustainability efforts, and quality improvement system-building work.

<p>Educational and literacy Component that includes tutoring/ homework assistance in the core subjects (language arts, math, history /social science, etc.)</p>	<p>Describe how your after-school program will provide the educational & literacy component.</p> <p>How are students building academic skills? We encourage group work to foster verbal engagement and cooperation. On Thursday the students are given a performance-based assessment to see how well they retained the site words. The performance-based assessments are spelling bees, work bank races, and verbal dictation. We also provide homework help that helps after school tie academics to the school day.</p>

Academic Alignment with School Day and District Priorities

Please provide a short narrative that identifies how you will support school goals aligned with district priorities.

- Collaborate with your school administrator and consult the School Site Plan to align with the school day.
- Consult the descriptions below for the District’s priorities for elementary, middle and high school.

Elementary OUSD Strategic Strategies

*In OUSD’s Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to make sure **students are reading at or above grade level and English learners are reaching English fluency.***

Indicate how your after-school program will work collaboratively with your school partner to make progress toward achieving this target for the 2019-20 school year. Progress toward achieving this target for the 2019-20 school year. After School Program Managers will work collaboratively with school partners by attending regularly scheduled meetings with Principal to discuss program quality, coordinated service team meetings(COST), positive behavior interventions(COST) and school site council(SSC) team meetings to stay abreast of all school initiative, student progress, targeted scores for the students in the ASP and share what after school is doing to support the schools objectives. This is how Higher Ground knows if programming remains aligned with the school through leadership transitions that all too common in District 7 schools. At New Highland we especially rely on the family resource center to assist our Spanish speaking families with additional resources and connections that build a strong community.

MIDDLE_ OUSD Strategic Targets

*In OUSD’s Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to **prepare all students to be college, career, and community ready.** To meet this strategic goal, middle schools must prepare their students to be high school ready by the time they graduate from the 8th*

grade.

Indicate how your after-school program will work collaboratively with your school partner to make progress toward achieving this target for the 2019-20 school year.

High School OUSD Strategic Strategies

Academic activities should be aligned with school goals. Your after-school program should plan to offer a range of academic supports to support students to learn and practice skills and knowledge related to core academic content. There should also be an intentional learning space which allows students to work independently with support.

Please include the following OUSD High School After-School requirements:

For Comprehensive high schools:

- Academic mentoring for 9th graders at risk of failing classes
- Academic supports and mentoring for 10th–12th grade students taking credit recovery

For Alternative Ed, high schools:

- College and career readiness activities

Attach your program schedule for in 2019-2020

**In the fall, sites are required to resubmit updated program schedule.*

SECTION 5a: CONTINUOUS QUALITY ASSESSMENT (Alignment with CDE and OUSD)

An effective program improvement process is ongoing and involves a continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the Quality Standards for Expanded Learning in California—which were developed in partnership between the California Department of Education’s (CDE) After School Division and the California After School Network (CAN) Quality Committee.

Name 2-3 Quality Action Plan (QAP) practices that will be implemented in 2019-2020

This new School year Higher ground will focus on

1. Daily, Higher ground will build by creating supportive environments. Higher ground ASP will actively engage students in talking about the activities and making a prior connection to the school day.
2. Daily, Staff will provide an accommodating environment to all students with adequate space and flexible physical environment.

3. Daily Staff will greet students with a warm welcome. Staff will be warm and welcome with positive body language.

PROGRAM SELF-ASSESSMENT

Name the stakeholders who participated in the Program Self-Assessment in 2018-2019?

Please check which stakeholders were involved in your CQI process.

Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement (CQI) processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the California Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based *Assess-Plan-Improve* CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis. (This process is in review and tools will be updated throughout the year.)

- self-assessment using Youth Program Quality Assessment (YPQA)/School Age Program Quality Assessment (SAPQA) tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with goals for program improvement
- QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

CQI: Continuous quality improvement
QAP: Quality action plan
SAPQA: School Age Program Quality Assessment
YPQA: Youth Program Quality Assessment

A call log will be kept for those contacted with acceptance and/or waitlisted families..

PRE-ENROLLMENT PROCESS

Coordinators will make certain parents understand they must do an application for each child they wish to enroll in the program. They will also explain to parents that for the 2016-17 school year there is a priority enrollment process. The program is no longer first come, first served.

The Pre-Enrollment Application Process will include: Pre-Enrollment Letter; OUSD Application; OUSD Early Release Policy; OUSD Chronic health question Student Registration Form 2018-19; Medical Allergin Form, HG Community Kidz Application; HG Student Need Priority Checklist; and HG Student Profile Information for Enrollment Process – IEPs, learning disability, etc; and HG Parent-Student Behavior Agreement.

Once parents turn in the application, the HG Coordinator with input from the after school team will review and prioritize the students and create a full list that prioritized students by overall need, then by grade ALL of the paperwork and the orientation must be completed fully to fully process application. All applications not completed will be returned for re-processing. Turned in incomplete applications does not secure a spot.

Once you input your prioritized list on the new form and you have shared it with the Principal, send out your Acceptance and Wait list letters that have the Orientation dates on it. Remember we ARE doing an orientation before the end of the school year.

Parent Orientation – the site manager will explain the purpose of new forms, priority acceptance process, program policy and procedures and that program starts on the first day of school. Make sure parents have completed the entire application and that we have correct mailing addresses and phone numbers. Explain there will be a mandatory Parent Meeting within the first month of program to go over any programmatic, agency, school or District changes in policy or procedures.

Two days before school starts, the Coordinator and team should be on-site and either call or send letters to the parents reminding them program starts on the first day of school. The Coordinator will also make certain that the "Introductory Letter" is available in the front office. And full application packets are there as well.

Once school starts, we begin our regular Enrollment process. And this is open to the entire school, but the priority is: Principal Referrals, Teacher Referrals, COST/SST Referrals and

Intervention Mentor Referrals. You are still using the priority system to include your waitlist students from the pre-enrollment process.

ENROLLMENT PROCESS beginning 08/2018

The Enrollment Process will include:

The Introductory Letter is in the office.

The Enrollment Packet will be in the office and will include: Pre-Enrollment Letter; OUSD Application; OUSD Early Release Policy; OUSD Chronic health question Student Registration Form 2018-19 ; Medical Allergin Form; HG Community Kidz Application; HG Student Need Priority Checklist; and HG Student Profile Information for Enrollment Process – IEPs, learning disability, etc; and HG Parent-Student Behavior Agreement.

Our process for accepting applications. We collect applications Monday – Wednesday and process them. We then distribute either Acceptance or Wait List letters by Thursday with the time of the Friday orientation. If parents attend the orientation, their child can start on Monday. Students do NOT start without their parent/guardian attending the orientation. NO EXCEPTIONS. Students can only start the program on MONDAY. Youth are inputted in to our attendance data system (Citispans/ Aeries) for the after school program.

Wait Lists are updated weekly An updated list will be provided to the school site administrators and teachers.

EAST BAY REGIONAL PARK DISTRICT

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.
