- 4.4. In order to document exactly what CADD information was given to the District, Architect and District shall each sign a "hard" copy of reproducible documents that depict the information at the time Architect produces the CADD information. District agrees to release Architect from all liability, damages, and/or claims that arise due to any changes made to this information by anyone other than the Architect or Consultant(s) subsequent to it being given to the District.

In the event of a termination pursuant to this subdivision, Architect may invoice District for all Services performed until the notice of termination, but District shall have the right to withhold payment and deduct any amounts equal to the District's costs because of Architect's actions, errors, or omissions that caused the District to terminate this Agreement. The District may, at its discretion, provide the Architect time to cure its default or breach.
- 5.2. District shall have the right in its sole discretion to terminate this Agreement for its own convenience. In the event of a termination for convenience, Architect may invoice District and District shall pay all undisputed invoice(s) for Services performed until the District's notice of termination.
- 5.3. Except as indicated in this Article, termination shall have no effect upon any of the rights and obligations of the Parties arising out of any transaction occurring prior to the effective date of such termination.
- 5.4. The Architect has the right to terminate this Agreement if the District does not fulfill its material obligations under this Agreement. Such termination shall be effective after receipt of written notice from Architect to the District. Architect may invoice District and District shall pay all undisputed invoice(s) for Services performed until the Architect's notice of termination.
- 5.5. If, at any time in the progress of the Design of the Project, the governing board of the District determines that the Project should be terminated, the Architect, upon written notice from the District of such termination, shall immediately cease Services on the Project. The District shall pay the Architect only the costs associated with the Services provided since the last invoice that has been paid and up to the notice of termination.
- 5.6. If the District suspends the Project for more than one hundred twenty (120) consecutive days, the Architect shall be compensated for Services performed prior to notice of that suspension. When the Project is resumed, the schedule shall be adjusted and the Architect's compensation shall be equitably adjusted to provide for expenses incurred in the resumption of the Architect's Services. If the District suspends the Project for more than two (2) years, the Architect may terminate this Agreement by giving written notice.

## **Article 6. Indemnity/Architect Liability**

- 6.1. To the furthest extent permitted by California law, Architect shall defend, indemnify, and hold free and harmless the District, its agents, representatives, officers, consultants, employees, trustees, and volunteers ("Indemnified Parties") from any and all claims, demands, causes of action, costs, expenses, liability, loss, damage, or injury of any kind, in law or equity, to property or persons, including personal injury and/or death ("Claim(s)"), to the extent that the Claim(s) arise out of, pertain to, or relate to the negligence,

recklessness, errors or omissions, or willful misconduct of Architect, its directors, officials, officers, employees, contractors, subcontractors, consultants, subconsultants or agents, directly or indirectly, arising out of, connected with, or resulting from the performance of the Services, the Project, or this Agreement, including without limitation the payment of all consequential damages. #### **Article 7. Mandatory Mediation for Claims**

- 7.1. The Parties hereto agree prior to commencing any legal action relating to any Claim, as defined herein, to submit the Claim to a mandatory good-faith mediation process ("Mediation"). The Parties' expectations are that if the Claim is made by a third party (e.g., a contractor), that the third party will be a participant in that Mediation. - 7.2. The Mediation shall be conducted in accordance with such rules as the Parties agree upon, or in the absence of agreement, in accordance with the Commercial Mediation Rules of JAMS/Endispute. Evidence of anything said, any admissions made, or any documents prepared in the course of the Mediation shall not be admissible in evidence or subject to discovery in any court action pursuant to Evidence Code Section 1152.5.
- 7.4. The Parties shall mutually agree to the selection of a mediator who is an attorney that is experienced in public works construction claims. If the Parties are unable to agree upon a mediator, then the mediator shall be appointed by JAMS/Endispute.
- 7.5. The Mediation shall take place at a location within twenty (20) miles of the District's administrative office. The mediator's fees and administrative fees, if any, shall be split equally between the Parties, but, unless otherwise agreed to in writing, each Party shall bear its own attorney's fees.
- 7.6. If any Party commences a legal action without first attempting to resolve the Claim as required by this Article, that Party shall be in breach of this Agreement and shall not be entitled to recover attorney's fees that might have otherwise been recoverable.
- 7.7. This mandatory mediation process shall only apply to Claims pursuant to the Architect Indemnity provision herein and shall not apply to any disputes to be resolved pursuant to the Alternative Dispute Resolution provisions herein.

District shall then forward those amounts to the relevant taxing authority.
- 19.4. Should a relevant taxing authority determine a liability for past services performed by Architect for District, upon notification of such fact by District, Architect shall promptly remit such amount due or arrange with District to have the amount due withheld from future payments to Architect under this Agreement (again, offsetting any amounts already paid by Architect which can be applied as a credit against such liability).
- 19.5. A determination of employment status pursuant to the preceding paragraphs of this Article shall be solely for the purposes of the particular tax in question and, for all other purposes of this Agreement, Architect shall not be considered an employee of District. Notwithstanding the foregoing, should any court, arbitrator, or administrative authority determine that Architect is an employee for any other purpose, then Architect agrees to a reduction in District's liability resulting from this Agreement pursuant to principles similar to those stated in the foregoing paragraphs so that the total expenses of District under this Agreement shall not be greater than they would have been had the court, arbitrator, or administrative authority determined that Architect was not an employee.
- 19.6. Nothing in this Agreement shall operate to confer rights or benefits on persons or entities not a party to this Agreement.

#### **Article 20. Warranty and Certification of Architect**

- 20.3. Architect warrants and certifies that it is aware of the provisions of the California Labor Code that require the payment of prevailing wage rates and the performance of other requirements on certain "public works" and "maintenance" projects ("Prevailing Wage Laws"). Since the Architect is performing Services as part of an applicable "public works" or "maintenance" project, and since the total compensation may be One Thousand Dollars (\$1,000) or more, the Architect agrees to fully comply with and to require its Consultant(s) to fully comply with all applicable Prevailing Wage Laws.

#### **Article 26. Other Provisions**

- 26.1. Neither the District's review of, approval of, nor payment for any of the Services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement, and Architect shall remain liable to the District in accordance with this Agreement for all damages to the District caused by Architect's failure to perform any of the Services furnished under this Agreement to the standard of care of the Architect for its Services, which shall be, at a minimum, the standard of care of architects performing similar work for California school districts in or around the same geographic area of the District.

**CLIENT:**           **McClymonds Intensive Support Site #15106**  
Mary Ledezma, OUSD Project Manager  
2607 Myrtle Street  
Oakland, CA 94607

**PROJECT:**       McClymonds Library Improvements Phase 2 (Furniture Specifications)

Arcsine is pleased to provide the following Work Authorization for Interior Design services related to the Library improvements at McClymonds High School. This Agreement will be between Mary Ledezma of Oakland Unified School District, ("Client") and Arcsine, Inc., for services as described below. If the content explained herein is acceptable, please sign below and this letter will serve as our contract and authorization to proceed with work.

**I. PROJECT DESCRIPTION:**

The Client has requested for Arcsine to develop furniture selections and specifications that can be issued for bid. Areas of scope include the Africana Center, Mack Café, MultiUse/Office Area, Library & Research Media Room, and the Maker Space; the furniture budget for these spaces is \$300,000. Preliminary design concepts have been developed by the library committee, and Arcsine will build on that direction by finalizing programming needs, selecting and presenting furniture selections, and documenting decisions in written specifications. CAD backgrounds will be provided by the Architect of Record, and Arcsine will draft a plan with furniture and ID tags that will serve as a key plan to the specifications.

This Work Authorization includes up to 25 furniture specifications, and does not include specifications for the Maker Space supplies or any other non-furniture items. Finishes, lighting, equipment, millwork, and all other non-moveable items are under the AOR's scope. The current scope does not include any changes resulting from DSA review.

Arcsine will produce the following deliverables.

1. **Programming & Space Planning:** Arcsine will meet with Leah Jensen and Amy Cheney to finalize programming needs, and from there develop 2 layout options. The layouts will be reviewed in a subsequent meeting, and feedback will be incorporated into one final direction. The final layout will be schematic in nature so as to allow some flexibility for scale and complexities of furniture selections.
2. **Furniture Selections:** Once the layout is finalized, Arcsine will develop furniture selections and review them with Leah and Amy. It is assumed that two (2) meetings will be required for this phase; one to review initial selections and options, and one to finalize all selections.
3. **Furniture Specifications:** Final furniture selections will be documented in written specifications that can be issued for bid and subsequent procurement.
4. **Tagged Furniture Plan:** Using CAD files provided by the AOR, Arcsine will draft final selections into a furniture plan, complete with tags that correspond to the furniture specifications.

5. Construction Administration: Arcsine will review shop drawings, samples, and fabric CFAs of items pertaining to selections in this project scope, and will attend one (1) meeting on site.

Arcsine has allowed for 5 meetings throughout this process (programming, layout review, furniture & fabric review, construction/installation). If additional meetings are required, they will be billed at an Hourly Fee Basis as noted below.

## **II. Compensation & Reimbursable Costs**

*Compensation for Arcsine's services, as described above will be billed as a Lump Sum Fee of Twenty-one Thousand Nine Hundred and Seventy Dollars (\$21,970.00)*

Invoicing will occur on a monthly basis for work completed.

Consultant fees, if required, are not included in this Lump Sum fee and will be billed through as a reimbursable expense. Reimbursable fees, such as but not limited to printing/ reproduction, permit fees, or shipping will be also assessed monthly with a 10% administrative markup.

## **III. Additional Services and/or Additional Project Representation**

For additional services not included within this Agreement, the Client and Arcsine shall mutually agree upon compensation prior to the commencement of services.

The following will also mark a change of scope requiring Additional Services:

1. Revision of building codes, planning ordinances, etc following client approval of a design, throughout the duration of the project.
2. Changes to the "Cost of Work budget" that would necessitate alternate design solutions, revisions or modifications of work already completed.
3. Changes to the project timeline that place the project on hold for a duration longer than two months or attempt to "Fast-Track" the project for advanced completion.

All additional work beyond the Scope of Work listed herein, or as stated above as "Hourly Fee Basis" will be billed at the following rates:

*Junior I Staff Time: \$65/hour*

*Junior II Staff Time: \$75/hour*

*Intermediate I Staff Time: \$95/hour*

*Intermediate II Staff Time: \$105/hour*

*Senior Staff Time: \$125/hour*

*Project Architect Time: \$150/hr*

*Director Time: \$150/hr*

*Principal Time: \$195/hour*

If this Agreement is acceptable, please *initial each page and sign below* to accept this Agreement and return to Arcsine by fax or mail.

Best regards,

Adam Winig, CA 29484

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**GENERAL LIABILITY SUPPLEMENTARY ENDORSEMENT**

This endorsement modifies insurance provided under the following:

**BUSINESSOWNERS COVERAGE FORM**

**I. Additional Insured by Contract, Agreement or Permit**

Under **SECTION II - LIABILITY, C. Who Is An Insured, Paragraph 4.** is added as follows:

- a. Any person or organization for whom you are performing operations when you and such person or organization have agreed in writing in a contract, agreement or permit that such person or organization be added as an additional insured on your policy. Such person or organization is an additional insured only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

- (1) Your acts or omissions; or
- (2) The acts or omissions of those acting on your behalf,

but only with respect to:

- (3) "Your work" for the additional insured(s) at the location designated in the contract, agreement or permit; or
- (4) Premises you own, rent, lease, control or occupy.

This insurance applies on a primary basis if that is required by the written contract, agreement or permit.

- b. This provision does not apply:

- (1) Unless the written contract or written agreement has been executed or permit has been issued prior to the "bodily injury", "property damage" or "personal and advertising injury";
- (2) To any person or organization included as an insured by an endorsement issued by us and made part of this Policy;
- (3) To any lessor of equipment:
  - (a) After the equipment lease expires; or
  - (b) If the "bodily injury", "property damage" or "personal and advertising injury" arises out of the sole negligence of the lessor;
- (4) To any:
  - (a) Owners or other interests from whom land has been leased which takes place after the lease for that land expires; or
  - (b) Managers or lessors of premises if:
    - (i) The occurrence takes place after you cease to be a tenant in that premises; or
    - (ii) The "bodily injury", "property damage" or "personal and advertising injury" arises out of structural alterations, new

construction or demolition operations performed by or on behalf of the manager or lessor; or

- (5) To "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of or the failure to render any professional services. This includes but is not limited to any professional services as an architect or engineer arising out of any construction agreement or activities under which any insured or anyone acting on any insured's behalf provides or provided service, advice, expertise or work. Construction includes, but is not limited to, the plan, conception, design, build, construct, assembly, development, safety, erection, formation, reconstruct, rehabilitation, repair, or any improvement made to real property. Construction also includes the hiring, supervision or management of any of these activities. However, this exclusion does not apply to liability arising out of an insured's presence at a jobsite that was not caused by professional activities listed in the above paragraph.

c. Additional insured coverage provided by this provision will not be broader than coverage provided to any other insured.

d. All other insuring agreements, exclusions, and conditions of the policy apply.

**II. Additional Insured by Contract, Agreement or Permit - Primary and Non-contributory**

The following is added to **SECTION III - COMMON POLICY CONDITIONS:**

**M. Other Insurance**

**1. Additional Insureds**

If you agree in a written contract, written agreement or permit that the insurance provided to any person or organization included as an Additional Insured under **SECTION II - LIABILITY, Part C - Who is An Insured**, is primary and non-contributory, the following applies:

If other valid and collectible insurance is available to the Additional Insured for a loss we cover under **SECTION II - LIABILITY, Part A. Coverages, Paragraph 1., Business Liability** our obligations are limited as follows:

**a. Primary Insurance**

This insurance is primary to other insurance that is available to the Additional Insured which covers the Additional Insured as a Named Insured.

We will not seek contribution from any other insurance available to the Additional Insured except:

- (1) For the sole negligence of the Additional Insured;
- (2) When the Additional Insured is an Additional Insured under another primary liability policy; or
- (3) When **b.(2)** below applies.

If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in **b.(3)** below.

**b. Excess Insurance**

This insurance is excess over:

- (1) Any of the other insurance, whether primary, excess, contingent or on any other basis:
  - (a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
  - (b) That is Fire insurance for premises rented to the Additional Insured or temporarily occupied by the Additional Insured with permission of the owner;
  - (c) That is insurance purchased by the Additional Insured to cover the Additional Insured's liability as a tenant for "property damage" to premises rented to the Additional Insured or temporarily occupied by the Additional Insured with permission of the owner; or
  - (d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of **SECTION II - LIABILITY, Part A. Coverages, 1. Business Liability.**

When this insurance is excess, we will have no duty under **SECTION II - LIABILITY, Part A. Coverages, 1. Business Liability** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

**c. Method Of Sharing**

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

**III. Aggregate Limit of Insurance (Per Project)**

- a. For purposes of the coverage provided by this endorsement, **D. Liability and Medical Expenses Limits of Insurance** under **Section II - Liability** is amended by adding the following:

The General Aggregate Limit under **D. Liability and Medical Expenses Limits of Insurance** applies separately to each of "your projects" or each location listed in the Declarations.

- b. For purposes of the coverage provided by this endorsement **F. Liability And Medical Expenses Definitions** under **Section II - Liability** is amended by adding the following:

- a. "Your project" means:

- i. Any premises, site or location at, on, or in which "your work" is not yet completed; and
- ii. Does not include any location listed in the Declarations.

**IV. Blanket Waiver of Subrogation**

Paragraph **K. Transfer Of Rights Of Recovery Against Others To Us** in **Section III - Common Policy Conditions** is amended by the addition of the following:

We will waive any right of recovery we may have against any person or organization when you have agreed in a written contract, permit or agreement to waive any rights of recovery against such person or organization because of payments we make for injury or damage arising out of your ongoing operations or "your work" done under a contract with that person or organization and included in the "products-completed operations hazard".
