Memo

To Board of Education

From Antwan Wilson, Superintendent

Board Meeting Date June 24, 2015
(To be completed by Procurement)

Subject Master Memorandum of Understanding between Oakland Unified School District and East Bay Asian Youth Center

Action Requested Authorize the President and Secretary of the Board to enter into and execute a Memorandum of Understanding with East Bay Asian Youth Center, on behalf of the District to provide services to students. This establishes a one year relationship with East Bay Asian Youth Center, and a not-to-exceed amount of \$3,003,240.00. This amount is projected using historical cost data, known changes to the number of sites served and expected available grant funding allowable.

Background
A one paragraph explanation of why the consultant's services are needed.

The Oakland Unified School District enters into contracts each year to provide professional services that support the District's academic mission. The Master MOU establishes all terms and conditions, a defined menu of services with negotiated rates, and allows for the gathering of necessary supporting documentation to further streamline the process of receiving necessary services, while keeping the integrity of checks and balances, as well as maintaining oversight by the Governing Board.

A Menu of Services was established that would allow a principal to "Order" from the Menu using the Individual Service Agreement (ISA). This is essential to promoting transparency of services, and the costs of those services, between like schools. Each Individual Service Agreement is submitted to the board for approval. In the event that this vendor receives more orders for service than anticipated, an amendment to this MOU will request a new not-to-exceed amount.

Discussion
One paragraph summary of the scope of work.

Vendor: East Bay Asian Youth Center

Overview of Services: East Bay Asian Youth Center contracts with schools to be a lead agency to provide high quality after school programming consisting of academic enrichment and recreational physical activities, family literacy and targeted Equitable Access services to students that are high risk.

Not-To-Exceed Amount: \$3,003,240.00

Determination of the Not-to-Exceed Amount is based on historical data and projections for the coming school year, it is anticipated that East Bay Asian Youth Center will provide services to 28 school sites.

The District contracts with agencies to provide various activities and after school programs. Chosen by the number of sites served with District and the long standing relationship with the agencies, the Master Memorandum of Understanding establishes a relationship with East Bay Asian Youth Center, defining terms and conditions as well as setting a maximum not-to-exceed ceiling amount. This ceiling is derived from historical cost data, and known changes in sites to be served, as well as expected grant funding. In addition, the District has been working with agencies to provide a Menu of Service, which delivers a clear and measurable scope of work. Analogous to ordering from a common table menu, each product is described and the price is clearly quoted, establishing and promoting a more perfect competition where the consumer, here the principal, is informed of the services offered, and the price for those services. This allows the principal to easily compare services and prices, and plan for programmatic needs.

Fiscal Impact

There is no funding associated with the Master Memorandum of Understanding or the Amendment to the Master Memorandum of Understanding herewith. The Master Memorandum of Understanding establishes a relationship, as well as setting the terms and conditions with East Bay Asian Youth Center. The funding source for each Individual Service Agreement will be determined separately and individually. Funding for the Individual Service Agreement is verified through a review of the BDT budget process, and a review of State and Federal compliance funding when applicable.

Recommendation

Approval of the Master MOU between East Bay Asian Youth Center and the Oakland Unified School District authorizing the President and Secretary of the Board to enter into and execute the Master Memorandum of Understanding and Individual Service Agreement(s) with East Bay Asian Youth Center in an amount not-to-exceed \$3,003,240.00.

The East Bay Asian Youth Center (EBAYC) is a youth development organization based in Oakland's historic Chinatown and San Antonio neighborhoods. EBAYC envisions all young people growing to be life-long builders of a just and compassionate multicultural society. Our mission supports young people to be safe, smart, and socially responsible. EBAYC serves a diverse membership of over 1,500 children, youth and young adults.

EBAYC was created in Berkeley in 1976 by Asian American Youth who wanted a place to help each other and their community. EBAYC expanded to Oakland in 1988 to help reduce and prevent gang violence among Southeast Asian immigrant youth. In 1996, EBAYC co-creates the 1996 Kids First Initiative, the successful ballot initiative that requires the City of Oakland to protect and expand funding for children and youth services. EBAYC opens the Roosevelt Village Center at Roosevelt Middle School in 1988 and became a place based organization.

Our theory of change is that if EBAYC partners with public and private institutions to provide young people a continuum of high-quality supports and opportunities; and if EBAYC engages families to actively participate in the public arena to improve the quality of neighborhood life; then EBAYC will support young people to be safe, smart, and socially responsible.

EBAYC Service Strategies

Juvenile Justice

EBAYC works with juvenile probationers move toward a healthy and productive life pathway to keep them safe, get off court probation and earn their high school diploma. We provide young people intensive mentoring, case management, and transitional employment services. Recidivism among young people is reduced by over 50% when they participate in EBAYC.

High Quality Schools

EBAYC partners with thirteen Oakland schools to provide summer and after school education, work-based learning, attendance case management, and medical and mental health services. We help parents collaborate with their child's teachers, and to be leader in school governance. We support high school students to graduate and enter higher education. EBAYC consistently demonstrates high standards of program quality and performance as indicated by city, county, and school district evaluation.

Community Development

EBAYC works with residents and merchants to increase public safety, reduce street level prostitution, improve physical environment, and expand job opportunities along the International Boulevard corridor.
