The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

Please review and initial each item and sign below.

[Signature] I understand that my program's goal is to achieve at least 85% of the above attendance target this summer. I understand that if my summer site falls below 85% of this attendance target by the end of the 1st week of the summer program, I will be required to submit an aggressive student recruitment and retention plan to the OUSD Expanded Learning Office, detailing my program's efforts to raise attendance numbers for the remainder of the summer.

[Signature] I understand that my agency's contracted summer funds are based on the above average daily attendance target number. My program will over-enroll appropriately to ensure that we reach this attendance target. I understand that if my program falls short of 85% of this attendance target by the end of the first week of program, I will submit a revised summer budget plan to the OUSD Expanded Learning Office detailing how I will reallocate contracted funds appropriately to reflect actual attendance numbers, and to support my student recruitment and retention plan for the remainder of the summer.

[Signature] I understand that I am required to input my actual attendance numbers into the Cityspan attendance system **daily** during the summer program. I will cross check signatures on my daily sign in/out sheets with numbers inputted into Cityspan to ensure that the numbers match up and that Cityspan accurately reports my summer attendance data. I understand that the OUSD Expanded Learning Office will carefully review my daily attendance numbers over the summer program.

[Signature] I understand that I am required to submit electronic copies of my summer attendance records (including copies of daily student sign in/out sheets and the OUSD summer internal audit log) to the OUSD Expanded Learning Office twice during summer programming. [Signature] I understand that OUSD's 21st Century federal grant funds are funding my summer program. I understand that I am required to follow all grant compliance requirements as outlined by the OUSD Expanded Learning Office. I will maintain my summer program records for 5 years for auditing purposes, as required by the California Department of Education, and will submit any summer programmatic or fiscal records to the OUSD Expanded Learning Office, as requested, for school district reporting and auditing purposes.

[Signature] I understand that if I am running an A+B summer program model, these are requirements regarding my program hours of operation: Morning summer school will operate from approximately 8:15am – 12:15pm daily. My afternoon summer program will operate from approximately 12:15pm – 3:15pm daily. All students must be off-site by 3:30pm and staff must be off site by 3:40pm as the building will be promptly locked at 4pm daily.

If I am a stand-alone 6 hour program, I understand that OUSD will only cover custodial costs for four to six weeks of my summer program until 3:30 pm. My agency will be responsible for covering any extra custodial costs if my program runs beyond four to six weeks, and beyond the hours of 3:30 pm daily.

Oakland Leaf Statement of Qualifications

Oakland Leaf's mission is to *cultivate community transformation through creative education for youth and families*. Our organization was incorporated as a 501(c)3 non-profit in 2002. The seeds for Oakland Leaf were planted when the founders, a group of Teach for America Teachers, hosted the first All Oakland Youth Talent Showcase in 2000 to demonstrate the beauty and talent that exists in Oakland. The events of September 11, 2001 deeply impacted our founders and their students. Like most Americans, our students felt unsafe and uncertain about the future. At the same time, the homicide rates in Oakland increased dramatically and the United States declared war on Iraq. The founders of Oakland Leaf saw a need to provide youth with programs that equip our future leaders with conflict resolution skills as well as artistic and cultural exploration and expression abilities. What resulted was Oakland Leaf's first Oakland Peace Camp (2003), a summer program that gave youth a safe place for healing and expression. In Fall 2003 Oakland Leaf was asked to provide after-school programming at ASCEND School. Oakland Leaf believes that the role of education is to develop happy, healthy, and successful adults equipped with the tools to experiment and explore. For this reason, our programs are designed to support the development of children and youth by feeding the minds, bodies, and spirits of low-income youth and families in Oakland.

Oakland Leaf focuses on the physical, cognitive, social, and emotional needs of students. We provide youth with opportunities to explore their identities and contribute to their communities, to express their desires, curiosity, and frustrations. Our programs balance academic support, leadership development, and the guidance to become creative individuals with healthy habits. One of our key strategies in empowering children is to create sustainable and productive partnerships with schools that have shared visions for young people.

Our approach, based on principles of youth development and family empowerment, weaves together five core initiatives which correlate to the challenges, needs, and opportunities in our community: 1) Science, Technology, Engineering, and Math (STEM), 2) Literacy, 3) Art and Culture, 4) Health and Wellness, and 5) Empowerment and Leadership.

In addition to our five core initiatives, our programming is based on youth development practices and principles. We develop and assess our staff and programming for cultural relevancy and engagement; a strategy reinforced by taking a project based approach to our classes. This gives students the opportunity to showcase their learning through expositions and community showcases.

Oakland Leaf works in partnership with Oakland Fund for Children and Youth (OFCY) and Oakland Unified School District (OUSD) to achieve a shared vision of a full service community school district. Students and schools with limited economic resources are targeted to ensure that students have access to the resources and the tools needed to achieve academic success and develop into thoughtful and creative citizens. Our whole-child approach to the work makes it possible for schools to provide wrap-around services for students and families. We work with each school to support its specific Community Schools Strategic Site Plan. We have been leading the way in helping Oakland public schools transcend traditional classroom learning and we partner together by using our programs to transform schools into thriving year-round community hubs.

All of our programs are culturally relevant, project based, and culminate in a student showcase or performance. Oakland Leaf's current programs include six comprehensive after-school programs for elementary and middle school students, a school-based community garden and ecology programs, and a

four-week arts, leadership, and social justice education summer camp called Oakland Peace Camp. Oakland Leaf has grown to serve over 1,100 students and families annually, guided by our credo, "Love is an action!"

Since its incorporation as a 501(c)(3) in 2002, Oakland Leaf has matured into an organization with reliable and effective administrative and financial practices. Our Board of Directors guides our fiscal strategies, while our HR & Finance Director manages fiscal operations with the support from our Executive Director. Additionally, Oakland Leaf is audited yearly to ensure that the organization is using Generally Accepted Accounting Principles (GAAP).

Oakland Leaf has managed federal, state, and local funds through its partnerships with City and State agencies such as OFCY, City of Oakland Cultural Funding, OUSD, ASES, and 21st Century Community Learning Centers. All of our programs adhere to comprehensive City and State standards for fiscal and administrative requirements such as staff-to-youth ratios and units of service requirements as well as measures for accountability including quarterly evaluations, submission of reports, and invoicing.
