# National Board Certified Teacher Status

**Tonight we recognize and pay special tribute to Ms. Mariko White for becoming the District's only NBCT teacher in the 2019o-2020 school year:**

- **The National Board was established as the profession's means for defining and recognizing accomplished teaching**
- **National Board Standards are created *by* teachers, *for* teachers, and the majority of NBPTS Board members are National Board Certified Teachers**
- **National Board Certification is considered the most rigorous, coveted and respected professional certification available in education**
