As to any drawings that Architect provides in a CADD file format, the District acknowledges that anomalies and errors may be introduced into data when it is transferred or used in a computer environment, and that the District should rely on hard copies of all documents.
- 4.4. In order to document exactly what CADD information was given to the District, Architect and District shall each sign a "hard" copy of reproducible documents that depict the information at the time Architect produces the CADD information. District agrees to release Architect from all liability, damages, and/or claims that arise due to any changes made to this information by anyone other than the Architect or Consultant(s) subsequent to it being given to the District.

In the event District uses any fully or partially completed documents without the Architect's full involvement, the District shall remove all title blocks

and other information that might identify the Architect and the Architect's consultants.

Article 5. Termination of Contract

- 5.1. If Architect fails to perform Architect's duties to the satisfaction of the District and as required by this Agreement, or if Architect fails to fulfill in a timely and professional manner Architect's material obligations under this Agreement, or if Architect shall violate any of the material terms or provisions of this Agreement, the District shall have the right to terminate this Agreement, in whole or in part, effective immediately upon the District giving written notice thereof to the Architect. In the event of a termination pursuant to this subdivision, Architect may invoice District for all Services performed until the notice of termination, but District shall have the right to withhold payment and deduct any amounts equal to the District's costs because of Architect's actions, errors, or omissions that caused the District to terminate this Agreement. The District may, at its discretion, provide the Architect time to cure its default or breach.
- 5.2. District shall have the right in its sole discretion to terminate this Agreement for its own convenience. In the event of a termination for convenience, Architect may invoice District and District shall pay all undisputed invoice(s) for Services performed until the District's notice of termination.
- 5.3. Except as indicated in this Article, termination shall have no effect upon any of the rights and obligations of the Parties arising out of any transaction occurring prior to the effective date of such termination.
- 5.4. The Architect has the right to terminate this Agreement if the District does not fulfill its material obligations under this Agreement. Such termination shall be effective after receipt of written notice from Architect to the District. Architect may invoice District and District shall pay all undisputed invoice(s) for Services performed until the Architect's notice of termination.
- 5.5. If, at any time in the progress of the Design of the Project, the governing board of the District determines that the Project should be terminated, the Architect, upon written notice from the District of such termination, shall immediately cease Services on the Project. The District shall pay the Architect only the costs associated with the Services provided since the last invoice that has been paid and up to the notice of termination.
- 5.6. If the District suspends the Project for more than one hundred twenty (120) consecutive days, the Architect shall be compensated for Services performed prior to notice of that suspension. When the Project is resumed, the schedule shall be adjusted and the Architect's compensation shall be equitably adjusted to provide for expenses incurred in the resumption of the Architect's Services. If the District suspends the Project for more than two (2) years, the Architect may terminate this Agreement by giving written notice.

Article 6. Indemnity/Architect Liability

- 6.1. To the furthest extent permitted by California law, Architect shall defend, indemnify, and hold free and harmless the District, its agents, representatives, officers, consultants, employees, trustees, and volunteers ("Indemnified Parties") from any and all claims, demands, causes of action, costs, expenses, liability, loss, damage, or injury of any kind, in law or equity, to property or persons, including personal injury and/or death ("Claim(s)"), to the extent that the Claim(s) arise out of, pertain to, or relate to the negligence, recklessness, errors or omissions, or willful misconduct of Architect, its directors, officials, officers, employees, contractors, subcontractors, consultants, subconsultants or agents,

directly or indirectly, arising out of, connected with, or resulting from the performance of the Services, the Project, or this Agreement, including without limitation the payment of all consequential damages. This indemnity excludes Architect's liability as to the active or sole negligence or willful misconduct of the District.

Article 7. Mandatory Mediation for Claims

- 7.1. The Parties hereto agree prior to commencing any legal action relating to any Claim, as defined herein, to submit the Claim to a mandatory good-faith mediation process ("Mediation"). The Parties' expectations are that if the Claim is made by a third party (e.g., a contractor), that the third party will be a participant in that Mediation. The Parties agree that any statute of limitations applicable to any Claim shall be tolled for the period from the date a Party requests Mediation through the tenth (10th) day after termination of the Mediation, unless otherwise agreed to by the Parties.
- 7.2. Except as set forth below, the Parties agree to refrain from filing, maintaining, or prosecuting any action related to the Claim during the pendency of the Mediation provided that the Mediation must commence within thirty (30) days after a Party makes written demand to the other for Mediation.
- 7.3. The Parties shall participate in a minimum of one full-day mediation session before the Mediation may be declared unsuccessful and terminated by either Party. The Mediation shall be conducted in accordance with such rules as the Parties agree upon, or in the absence of agreement, in accordance with the Commercial Mediation Rules of JAMS/Endispute. Evidence of anything said, any admissions made, or any documents prepared in the course of the Mediation shall not be admissible in evidence or subject to discovery in any court action pursuant to Evidence Code Section 1152.5.
- 7.4. The Parties shall mutually agree to the selection of a mediator who is an attorney that is experienced in public works construction claims. If the Parties are unable to agree upon a mediator, then the mediator shall be appointed by JAMS/Endispute.
- 7.5. The Mediation shall take place at a location within twenty (20) miles of the District's administrative office. The mediator's fees and administrative fees, if any, shall be split equally between the Parties, but, unless otherwise agreed to in writing, each Party shall bear its own attorney's fees.
- 7.6. If any Party commences a legal action without first attempting to resolve the Claim as required by this Article, that Party shall be in breach of this Agreement and shall not be entitled to recover attorney's fees that might have otherwise been recoverable.
- 7.7. This mandatory mediation process shall only apply to Claims pursuant to the Architect Indemnity provision herein and shall not apply to any disputes to be resolved pursuant to the Alternative Dispute Resolution provisions herein.

Article 8. Fingerprinting

Pursuant to Education Code section 45125.2, District has determined on the basis of scope of Services in this Agreement of this Project, that Architect, Consultants, and their employees will have only limited contact with pupils at most. Article 9. Responsibilities of the District

- 9.1. The District shall examine the documents submitted by the Architect and shall render decisions so as to avoid unreasonable delay in the process of the Architect's Services.
- 9.2. 17.1.2. If the Architect disagrees with the Disputed Architect Invoice Detail, the Architect shall communicate to the District in writing, and request to meet and confer in good faith with respect to any such disapproved portion or amount of the Architect invoices and the Disputed Architect Invoice Detail to determine if the dispute can be resolved. Such meet and confer communications shall include, but are not limited to, face-to-face meetings within thirty (30) days of the Architect's notice to the District with the appropriate District and Architect personnel as appropriate and necessary.

17.1.3. If the Parties cannot resolve the matter during this meet and confer process, the Parties shall handle the matter as a dispute as indicated herein.

17.2. Disputes between the parties arising out of this Agreement shall be resolved by the following processes:

17.2.1. **Negotiation.** The parties shall first attempt in good faith to resolve any controversy or dispute arising out of or relating to this Agreement by negotiation. The Parties' meet and confer process for any Disputed Architect Invoice Detail shall satisfy this negotiation requirement.

Article 19. Employment Status

- 19.1. Architect shall, during the entire term of Agreement, be construed to be an independent contractor and nothing in this Agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow District to exercise discretion or control over the professional manner in which the Architect performs the Services which are the subject matter of this Agreement; provided always, however, that the Services to be provided by Architect shall be provided in a manner consistent with all applicable standards and regulations governing such Services.

District shall then forward those amounts to the relevant taxing authority.
- 19.4. Should a relevant taxing authority determine a liability for past services performed by Architect for District, upon notification of such fact by District, Architect shall promptly remit such amount due or arrange with District to have the amount due withheld from future payments to Architect under this Agreement (again, offsetting any amounts already paid by Architect which can be applied as a credit against such liability).
- 19.5. A determination of employment status pursuant to the preceding paragraphs of this Article shall be solely for the purposes of the particular tax in question and, for all other purposes of this Agreement, Architect shall not be considered an employee of District. Notwithstanding the foregoing, should any court, arbitrator, or administrative authority determine that Architect is an employee for any other purpose, then Architect agrees to a reduction in District's liability resulting from this Agreement pursuant to principles similar to those stated in the foregoing paragraphs so that the total expenses of District under this Agreement shall not be greater than they would have been had the court, arbitrator, or administrative authority determined that Architect was not an employee.
- 19.6. Nothing in this Agreement shall operate to confer rights or benefits on persons or entities not a party to this Agreement.

Article 20. Warranty and Certification of Architect

- 20.1. Architect warrants and certifies that the Architect is properly certified and licensed under the laws and regulations of the State of California to provide the professional Services that it has herein agreed to perform.

that require every employer to be insured against liability for workers compensation or to undertake self-insurance in accordance with the provisions of that code, and it certifies that it will comply with those provisions before commencing the performance of the Services of this Agreement.

- 20.3. Architect warrants and certifies that it is aware of the provisions of the California Labor Code that require the payment of prevailing wage rates and the performance of other requirements on certain "public works" and "maintenance" projects ("Prevailing Wage Laws"). Since the Architect is performing Services as part of an applicable "public works" or "maintenance" project, and since the total compensation may be One Thousand Dollars (\$1,000) or more, the Architect agrees to fully comply with and to require its Consultant(s) to fully comply with all applicable Prevailing Wage Laws.

Proposal for Design Services
Castlemont High School Campus ISS improvements
Project No.

Proposed Scope

Scope is to be further refined, but may involve landscape, electrical, IT, mechanical, plumbing, or structural. Full service engineering firms will be engaged. The engineering firms will all be selected from certified Oakland Local Businesses. Whether or not the projects fall under the purview of DSA IR A-10 (due to construction cost) or IR A-22 (due to maintenance or being an exempt project) shall be determined when scope is finalized; and thus submission to DSA may or may not be included. It is assumed that the District will provide all the necessary background information, surveys, and DSA approved plans for prior projects for the proposed projects.

Proposed Design Fee & Reimbursables

Base Design Fee:

- Construction Budget may comprise up to 4 separate projects that are separately bid out;
- Proposed fee is a lump sum of 13% of Construction Budget, which includes all reimbursable except for any construction sets to contractors;
- Construction Budget to be finalized by OUSD after the initial scoping phase by OUSD.

\$ 800,000.00 (Construction Budget) x 13%= \$ 104,000

Potential Reimbursable
Miscellaneous agency Fee (DSA/EBMUD/Fire marshal) \$ 5,000

Total Fee = \$104,000 + 5,000 = \$109,000

Proposed Schedule

Depends on scope of work, to be determined;

C. WHO IS AN INSURED

6. Additional Insureds When Required By Written Contract, Written Agreement Or Permit

The person(s) or organization(s) identified in Paragraphs a. through f. below are additional insureds when you have agreed, in a written contract, written agreement or because of a permit issued by a state or political subdivision, that such person or organization be added as an additional insured on your policy, provided the injury or damage occurs subsequent to the execution of the contract or agreement, or the issuance of the permit. A person or organization is an additional insured under this provision only for that period of time required by the contract, agreement or permit.

f. Any Other Party

(1) Any other person or organization who is not an insured under Paragraphs a. through e. above, but only with respect to liability for "bodily injury, "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

- (a) In the performance of your ongoing operations;
- (b) In connection with your premises owned by or rented to you; or
- (c) In connection with "your work" and included within the "products- completed operations hazard, but only if
 - (i) The written contract or written agreement requires you to provide such coverage to such additional insured; and
 - (ii) This Coverage Part provides coverage for "bodily injury" or "property damage" included within the "products-completed operations hazard.

(2) With respect to the insurance afforded to these additional insureds, this insurance does not apply to: "Bodily injury, "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including: inspection, or engineering

E.5. Separation of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this policy to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom a claim is made or "suit" is brought.

E.7.b.(7).(b) Primary And Non-Contributory To Other Insurance When Required By Contract

If you have agreed in a written contract, written agreement or permit that this insurance is primary and non-contributory with the additional insured's own insurance, this insurance is primary and we will not seek contribution from that other insurance.

E.8.b. Waiver Of Rights Of Recovery (Waiver Of Subrogation)

If the insured has waived any rights of recovery against any person or organization for all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, we also waive that right, provided the insured waived their rights of recovery against such person or organization in a contract, agreement or permit that was executed prior to the injury or damage.
