Board Meeting Date
(To be completed by Procurement) 9-10-14

Subject Memorandum of Understanding - Alternatives In Action (contractor) - 335/Life Academy (site)

Action Requested Approval of the Memorandum of Understanding (MOU) between District and Alternatives In Action, for services to be provided primarily to 335/Life Academy (site).

Background
A one paragraph explanation of why the consultant's services are needed.

The After School Education and Safety (ASES) Program is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The general purpose of the 21st Century Community Learning Center (21st CCLC) program is to establish or expand community learning centers that provide students with academic enrichment opportunities along with activities designed to complement the students' regular academic program. California Education Code (EC) Section 8421 further defines the purpose of the 21st CCLC High School ASSETs program as (1) creating incentives for establishing locally driven after school enrichment programs that partner schools and communities to provide academic support and safe, constructive alternatives for high school pupils in the hours after the regular school day, and (2) assisting pupils in passing the high school exit examination for public school programs.

**Memorandum of Understanding 2014-2015
Between Oakland Unified School District and
Alternatives in Action**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with Alternatives in Action ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 335/Life Academy under the following grants:
- After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21st CCLC funds.
 - Private grants
2. **Term of MOU.** The term of this MOU shall be July 1, 2014 to August 21, 2015 and may be extended by written agreement of both parties.
3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
4. **Compensation.** The ASESP and 21st CCLC grant award amount for 335/Life Academy is \$242,423.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:
- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21st CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21st CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2014-2015")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the

review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.
- 4.5. **Program Budget.** Due to result-based budgeting, the grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2014-2015 and will not exceed \$242,423.00 in accordance with Exhibit B. **Exhibit B** ("ASEP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2014-2015").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.
- 4.7. **Program Fees.** The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee

structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

5. **Scope of Work.** AGENCY will serve as lead agency at 335/Life Academy, will be responsible for operations and management of the ASEP, 21st CCLC, OFCY, and private grants contracted to AGENCY by OUSD for fiscal year 2014-2015. This shall include the following required activities:

5.1. **Student Outcomes.** AGENCY shall achieve the student outcomes as described in the grant application narrative and articulated in documents from the program evaluation team. AGENCY agrees to develop school specific outcomes, as defined in partnership with the principal. AGENCY recognizes that the principal is the chief decision maker for after school and summer programs, and ensures that school site objectives are met.

5.1.1. **Alignment with Community School Strategic Site Plan (CSSSP).** AGENCY will ensure the after school program aligns with OUSD and 335/Life Academy and objectives to ensure the success of students as articulated in the Community School Strategic Site Plan (CSSSP). AGENCY will work in partnership with the school principal to ensure that the program components are aligned with and complement OUSD standards and school site curriculum.

5.2. **Oversight.** AGENCY will provide oversight, fiscal management, payroll services, technical assistance, and facilitation of collaboration with other service providers. Agency must ensure compliance with ASEP and 21st CCLC funding guideline requirements and follow OUSD after school policies and procedures. This includes compliance with OUSD staffing requirements and policies including No Child Left Behind and other legislative mandates.

5.3. **Enrollment.** AGENCY will enroll 6th through 7th grade students at 335/Life Academy, to serve sufficient number of students and run services for a sufficient number of days to earn the full core grant allocation of funding.

5.4. **Program Requirements**

5.4.1. **Program Hours.** The program shall be offered Monday through Friday, every regular school day annually, commencing immediately upon the conclusion of the regular school day, operating a minimum of 15 hours/week, and until 6:00 pm daily. Instructional activities must include a balance of both academic and enrichment/recreation components.

5.4.2. **Program Days.** The program shall be offered a minimum of 177 - 180 days during the 2014 - 2015 school year. AGENCY will close the ASEP and 21st CCLC program no more than a maximum of 3 days in the 2014-2015 school year for staff professional development, as permitted by Education Code. SECTION 2: After School Alignment with Community School Strategic Site Plan (CSSSP)
 Mark the following Strategic Priority areas of the school's CSSSP where this after school program is identified as a high leverage strategy.

- Balanced Literacy and Literacy Across the Curriculum
- Science, Technology, Engineering, and Mathematics (STEM)
- Transitions and Pathways Pre-K to 12

SECTION 4: Program Model and Lead Agency Selection

For 2014-2015, my site will operate the following program model:

- Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*
- Extended School Day:** *additional class periods added to the bell schedule during after school hours for students of a particular grade and/or all students of the school*
- Blended/Hybrid:** *combination of some extended day and some traditional after school programming*

Description and Rationale for Selection of Lead Agency

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.

Alternatives in Action Extended Day and Community Programs offer youth and their families a broad range of after school and summer programming along with other school-linked services that prepare young people for success in college, career and community leadership in alignment with Life Academy's vision of implementing a full service community school vision. Our comprehensive community school initiatives are based out of three East Bay school sites: Life Academy of Health and Bioscience in East Oakland, McClymonds High School in West Oakland, and Alternatives in Action's own charter high school in West Alameda, which is open to students from other surrounding Alameda and Oakland high schools. We also serve as the lead agency for after school programs at Fremont High School. Through our Community Programs, we partner with school staff, youth, parents and organizations to create powerful, real-world learning opportunities for over 900 high school youth in our "Six Pillars of Collaborative Programming". These include After School Community Projects, Academic Support and College Preparation, Career Development, Parent Engagement, Health and Wellness, and Cascading Leadership. We offer a place and supports that meet the needs of the whole child, from leadership to tutoring to physical check-ups. As youth progress and grow, they may take on roles of greater influence in the school and co-lead programs with other youth.

As a well-established local youth-serving non-profit, Alternatives in Action's effective management and ability to infuse cascading leadership and a community-school approach into out-of-school time programs has led to a fruitful and mutually beneficial collaboration between Life Academy and the organization in recent years. Alternatives in Action lead staff and Life Academy administration work very closely during the school year to develop and maintain responsive, high-quality programming. All program plans are made collaboratively by school administration and lead agency directors. Additionally, Alternatives in Action supports school-based staff through organization-wide professional development in youth development and job-embedded coaching throughout the school year and summer. All site coordinator and agency director staff members participate in OUSD professional learning communities throughout the year. Alternatives in Action's Life Academy 2013-2014 Public Profit YPQA scores for middle (4.3) and high school (4.5) show that the established infrastructure and systems of support at Alternatives in Action can lead to the implementation of highly successful youth development and out-of-school time programming at Life Academy.

SECTION 5: ATTENDANCE, PROGRAM DATES, AND PROGRAM SCHEDULE

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm *on every regular school day* for elementary and middle schools. (EC 8483)

High school programs are required to operate a minimum of 15 hours per week.	
Required # of Program Days your program will operate during School Year 2014-2015:	180 days required*
Projected Daily Attendance during School Year 2014-2015:	195 students
Program Schedule	
Submit program schedule as an attachment, using the standard program schedule template.	

** CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates.*

SECTION 6: Academics

Your site should plan to offer a range of academic supports including:

1) Targeted Interventions 2) Skill-Building 3) Homework Support 4) Tutoring

Other possible supports may include computer lab, library exploration, project-based learning, coordination with SES tutoring.

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school.

Activities should be based on sound instructional strategies aligned with the regular school day program.

SECTION 7: ENRICHMENT & PHYSICAL ACTIVITY / RECREATION

Enrichment activities and physical activity/recreation are required components of the ASES and 21st Century grants. Enrichment activities should provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, arts learning, and student engagement.

SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21st Century grantees who receive Family Literacy funding: ***The activities listed below must align to your 21st Century Family Literacy budget plan.***

Advisory teachers will work with the Parent Liaison to communicate with families about scheduling attendance at events to increase family engagement in student learning.

SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help

keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	<ul style="list-style-type: none"> • All families will enroll students in Extended Day Programs (either after school program or internships) at Registration for the school. • During the first week of school, all 6th-8th graders will participate in Orientation to Extended Day Programs. 7th & 8th grade students will select programs based on personal interest. • All students not attending school or program will meet with the Community Programs Coordinator during Advisory class to select a program and commit to attend. • Students will be held accountable for attendance through EDP grades that will be recorded on students' transcripts.
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	<ul style="list-style-type: none"> • Parents will receive information about programs at registration, conferences, and in the mail with report cards • Phone calls will be made to families of non-participating students • Parent liaison will coordinate with school secretary to make personal calls to parents of students with poor attendance to emphasize importance of school participation & attendance • Advisory teachers will reinforce importance of programs during parent communication
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	<ul style="list-style-type: none"> • Weekly attendance reports (August-October) and monthly attendance reports (November-June) will be shared with Extended Day Program and day school teaching staff

	<ul style="list-style-type: none"> • Staff, including family liaison, will reach out to non-participating students through one on one meetings, phone calls home, and invitations to engage. • Attendance trends will be shared and analyzed each marking period with teachers
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	<ul style="list-style-type: none"> • Extended Day Program will create award certificates based on the Habits of Life, Mind, and Work in collaboration with school day teachers/admin. Once per marking period students can earn a dance if their attendance and participation are positive.

SECTION 10: Transforming School Culture and Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

a) The following are paths that OUSD schools are taking to change discipline and transform school culture and climate. What strategy/strategies is your school utilizing to transform school culture and climate?

- PBIS (Positive Behavioral Interventions and Support)
 Restorative Justice
 Social and Emotional Learning
 Bullying Prevention
 Other: (please specify) _____

b) How will the school and lead agency partner work together to ensure that the after school program is aligned and supporting these efforts, and helping to transform school culture and climate? (ie. shared professional development, curriculum, coaching, planning meetings, COST meetings, etc.)

Alternatives in Action works with Life Academy to provide many supports to transform school culture and climate and to align practices in discipline policy.

- Alternatives in Action's Community Programs Director at Life Academy leads the site's COST meetings and completes all corresponding data tracking activities in order to link students and families to campus services and

identify patterns in how the school intervenes with students experiencing academic, behavioral, and social-emotional struggles.

- All Extended Day Programs integrate agreements to meet the social emotional learning needs of the program participants into each group. Youth are held accountable for their behavior through the agreements. Program rules and consequences align to the school day discipline policy.
- Extended Day Programs build positive relationships amongst youth and adults to support the social emotional learning and development of each student. Curriculum is age appropriate and responsive to the learning needs of students by subject area.
- The Extended Day Program staff are integrated into Life Academy staff retreats and trainings to ensure collaboration and alignment from school day into after school.
- The Community Programs Director and Program Coordinators meet regularly with the administrative team and Life staff to align practices.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development circles, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

Alternatives in Action's Extended Day Program at Life Academy has collaborated with day school teachers to plan and facilitate the annual Black History Month Town Hall in the past by organizing student rehearsals and planning time during the after school hours. In 2014, this event offered Black students the opportunity to plan and lead an event that was meaningful to them and reflected their talents, heritage, and cultural traditions. It had a very positive social-emotional impact on both the African-American student leaders who led the festivities as well as school culture as a whole. Our parent liaisons helped promote the event with parents and community members. We plan to be involved in this event in 2015 as well.

Additionally, African American students are part of the Extended Day Program where they are able to build meaningful relationships with adult allies who monitor their progress in social/emotional development, academics, and attendance. As mentioned in the case of the Black History Month Town hall, the parent liaison and parent coach communicate regularly with African American families about school events to engage them in the school and their students' success. Students experiencing behavioral difficulties in the classroom and program are referred to the Restorative Justice program. Students with chronic emotional stress are referred to COST and receive services from the Wright Institute counselors, Native American Health Center, or other service providers depending on the situation and individual.

SECTION 11: Coordination with Other Service Providers In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.	
The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?	<ul style="list-style-type: none"> <input checked="" type="checkbox"/> COST team (Coordination of Services Team) – Leads and facilitates meetings <input checked="" type="checkbox"/> SST (Student Study Team) – Participation depends on student involved <input checked="" type="checkbox"/> SSC (School Site Council) – Parent Liaison serves as representative for Alternatives in Action & after school program <input checked="" type="checkbox"/> ELT (Educational Leadership Team) – known as the Administrative Team at Life Academy <input checked="" type="checkbox"/> PTA – known as the Parent Leadership Team at Life Academy <input type="checkbox"/> Attendance Team/Workgroup <input checked="" type="checkbox"/> CSSSP (Community School Strategic Site Planning) team <input type="checkbox"/> School Culture/Climate Committee <input checked="" type="checkbox"/> Other (specify): Life weekly staff PD meetings, grade level meetings, academic intervention meetings.

2014-15 After School Enrollment Policy for Life Academy Middle School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
6 th -8 th grade students	All 6 th -8 th grade students enrolled in at least one after school program	Mandatory- attached to Academy Elective Credit
6 th -8 th grade	6 th -8 th grade students selected for Academic Revolution Zone intervention program based on academic data such as GPA, homework completion rates on Jupiter Grades, and SBAC test scores	Mandatory for students below 2.0 GPA and other students identified by grade level teams as needing targeted support and homework help in core classes

Grade levels prioritized for programming: 6th & 7th grade

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

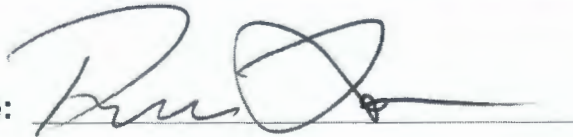

Enrollment Process and Timeline: (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2014. Indicate how families will be notified of 2014-15 enrollment before the last day of school, June 12, 2014.)

Timeline	After School Enrollment Steps/Process	Individual(s) responsible
August	Registration- all students are enrolled	Alternatives in Action Community Programs Director, Coordinator, and Parent Liaison
August 26- September 6	Orientation to Extended Day Program	Alternatives in Action Community Programs Director, Coordinator, and Extended Day Program Coaches
September - May	Mandatory daily attendance in Advisory and Academic Time- optional participation in Enrichment. Phone calls home to families of nonparticipating students.	Community Programs Coordinator and Parent Liaison.
June	Surveys and feedback for program improvement	Community Programs Coordinator

Important dates to include in your timeline:

- April – June: Spring enrollment for 2014-15 programs.
- Families will be notified of 2014-15 after school enrollment before the last day of school, June 12, 2014.
- After school programs begin on 1st Day of school, with enrollment at a minimum 75% capacity.
- August – September: New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by September 30, 2014.
- All programs must maintain waitlists after program slots are filled.

Teachers on Extended Contract for Direct Service

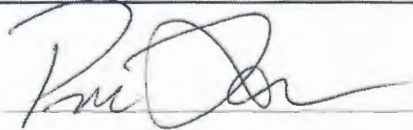

In addition to a Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as after school intervention, support with programs like Achieve 3000 or Fast Forward, and academic enrichment.

Please list specific after school classes/activities that will be facilitated by teachers paid on extended contract.

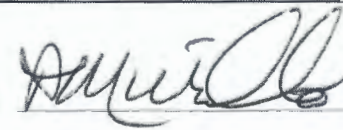

Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$23.16/hr (per OEA contract). After school grant funds can be utilized for this direct service work. The Quality Support Coach cannot provide direct service to students. The Quality Support Coach is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$30.12 for their staff capacity-building services. Teachers doing direct service work after school must be paid with an extended contract.

Quality Support Coach (formerly called “Academic Liaison”)

After school research clearly shows that high quality programs result in increased youth outcomes. The higher the program quality, the more youth outcomes are achieved. The Quality Support Coach is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program’s *Assess – Plan – Improve* program quality improvement cycle by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
- Bridge the after school program with school day goals, priorities, curriculum, pedagogy, and data.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards

The Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). This individual will receive training and specific direction on the Quality Support Coach role from the OUSD After School Programs Office. The After School Programs Office will provide specific deliverables aligned with the key job duties listed above. The required budget allocation for this position is \$2,500 for the year, equivalent to 83 hrs/year at a Paid-In-Service contract rate of \$30.12/hour.

Quality Support Coaching Planning

a) Please identify who will fulfill the Quality Support Coach role for 2014-15:

- A credentialed teacher on staff who has effective skills and experiences in coaching and/or adult learning
- A qualified professional who is part of the school staff
- An OUSD coach connected to the school (i.e. LCI Literacy or Math coach, BTSA coach, etc.)
- Other individual (please specify in detail): _____

If known, please specify the name of the person who will fill the Academic Liaison role, and identify his/her role in the school: 6th-8th grade level lead teachers (TBD in August)

b) Some schools are challenged in finding a qualified individual on staff who can fulfill the Quality Support Coach role. In this case, the OUSD After School Programs Office will work actively to try to find an OUSD coach to match with the

Professional Development and Staff Wellness

Professional Development: After school staff should receive adequate professional development, including coaching support and trainings, in order to grow and improve their practice. Programs should utilize data from the YPQA/SAPQA youth program quality assessment tool to determine the areas of focus for professional development.

a) Programs are allowed up to three days of program closure during the school year to offer staff professional development. Please indicate which three days (if any) your program plans to close this year for PD:

Unknown, but we do not have current plans to close program for PD at this time.

b) What professional development, coaching, and training supports will be provided by the lead agency partner?

Alternatives in Action makes great investments in their after school program staff development by offering formal professional development through multi-day new staff and beginning of the year orientation in August, weekly staff professional development meetings related to relevant topics in youth and community development throughout the school year, weekly one-on-one meetings between program leadership and line staff, job-embedded coaching connected to regular class observations, monthly adult reflection sessions, and encouraging staff to seek out training opportunities outside of the organization that relate to their content area.

c) What professional development opportunities will be provided by the school site?

Life Academy will invite all Alternatives in Action after school program staff to the beginning of the year professional development series prior to the start of the school year. After school coordinators and director will be invited to Life Academy weekly professional development sessions that place on Wednesdays. After school coordinators and director will be invited to participate in the Life Academy winter professional development retreat that takes place between the first and second semesters. Additionally, Life Academy school leadership will schedule weekly one-on-one meetings with after school coordinators and director throughout the year.

d) ASPO professional development will consist of the mandatory August Institute (week of Aug. 4-8), mandatory monthly site coordinator meetings (2 hrs/month), Youth Work Methods trainings (4 hours in October during non-student day), the annual Bridging the Bay after school conference, and various professional learning communities (time commitment varies). Please mark:

I understand that professional development helps ensure program quality. My program is committed to providing/accessing professional development opportunities for after school staff, based on needs identified by program data. My program will adequately budget for staff time to participate in professional development over the course of the

year (for key line staff, recommended at least 20 hours of PD/year). Yes No

Staff Wellness

e) Please describe ways your program will work to support staff wellness over the course of the year:

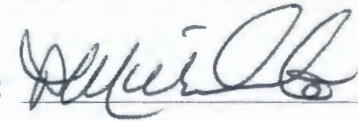

All after school program staff will be required to complete an adult learning plan, which will include one goal around personal health and wellness. Supervisors will check in with their staff about progress towards these self-set health and wellness goals in weekly one-on-one meetings throughout the year.

Additionally, Alternatives in Action will hold monthly adult reflection sessions for all staff in the organization, including after school program staff at Life Academy. These sessions are designed to provide a safe and supportive space for staff to process the dynamics of their personal and professional lives and support one another through collegial coaching in areas of concern related to their work.

Addendum for 21st Century Community Learning Center Grantees Only

Equitable Access: (must be completed by all programs that receive 21st Century Equitable Access funding)

Some 21st Century programs receive extra Equitable Access funding. The intent of Equitable Access funding is to provide targeted supports for special populations of students who may face challenges and barriers to program participation. Examples of allowable use of Equitable Access funds include:

- additional academic interventions/supports to struggling students (ie. English Language Learners, students with special needs, etc.)
- mental health support services that enable students to fully participate in the after school program
- translation services, bus tickets, and other supports that make it possible for students to participate in program

How will your 21st Century program support equitable access in your program? Which population(s) of students in your program will receive extra support through the Equitable Access supplemental grant? Please describe your planned use of Equitable Access funds. Your plans must align with your Equitable Access budget.

Because over 75% of Life Academy's student population is Latino and the vast majority of these students' families use Spanish as their primary language, we plan to focus our efforts to ensure equitable access to our program on this population of students and families.

Our parent liaison and after school program coordinator will employ targeted outreach strategies with these families in order to ensure they remain informed, included, and involved in all aspects of after school programming at Life Academy. The program coordinator will ensure recruitment and retention of these students in both academic and enrichment classes in the after school program.

Additionally, we will employ an after school staff member fluent to lead a targeted intervention program called the Academic Revolution Zone designed to offer additional academic supports and small group tutoring to struggling students, a disproportionate number of whom are Latino and minority students. While these students' families would normally have to pay for private tutoring in order to receive such services, we will offer these services for free at the school site so these students are allowed equitable access to the benefits of increased exposure to academic content in a supportive and more individualized setting.

21st Century Supplemental Programming during 2014-15 School Year

I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. **By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.**

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. **Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.**

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.
