The contractor will conduct outreach for summer student recruitment, will communicate with families regularly over the summer, will fulfill OUSD grant reporting requirements including submission of summer attendance records, and will maintain communication with the OUSD Summer and After School units to review progress on summer program goals. OUSD Summer 2015 Lead Agency Summer Program Plan
Summer Hub: Roosevelt Middle School
 (Submit to OUSD Expanded Learning Office by April 23)

SECTION 1: Summer Program Snapshot

Lead Agency Name: East Bay Asian Youth Center	Summer Hub Site: Roosevelt Middle School	Target Summer Average Daily Attendance (ADA) Number: 100	Grades Served: 6-8
Hours of Operation (include hours for full six hour summer program): 8:00am – 3:30pm	Type of Program (6 hour stand alone or A+B afternoon enrichment): A+B afternoon enrichment	Program Dates: (note any program closure dates during this period) 6/22/2015 to 7/17/2015	Total # of summer program days of operation: 19

SECTION 2: Lead Agency Assurances

Please review and initial each item and sign below.

I understand that my program's goal is to achieve at least 85% of the above attendance target this summer. I understand that if my summer site falls below 85% of this attendance target by the end of the 1st week of the summer program, I will be required to submit an aggressive student recruitment and retention plan to the OUSD Expanded Learning Office, detailing my program's efforts to raise attendance numbers for the remainder of the summer.

I understand that my agency's contracted summer funds are based on the above average daily attendance target number. My program will over-enroll appropriately to ensure that we reach this attendance target. I understand that if my program falls short of 85% of this attendance target by the end of the first week of program, I will submit a revised summer budget plan to the OUSD Expanded Learning Office detailing how I will reallocate contracted funds appropriately to reflect actual attendance numbers, and to support my student recruitment and retention plan for the remainder of the summer.

I understand that I am required to input my actual attendance numbers into the Cityspan attendance system **daily** during the summer program. I will cross check signatures on my daily sign in/out sheets with numbers inputted into Cityspan to ensure that the numbers match up and that Cityspan accurately reports my summer attendance data. I understand that the OUSD Expanded Learning Office will carefully review my daily attendance numbers over the summer program.

I understand that I am required to submit single-sided hard copies of my summer attendance records (including copies of daily student sign in/out sheets and the OUSD summer internal audit log) to the OUSD Expanded Learning Office by the last day of my summer program. I will also submit attendance data during the course of my summer program, as requested, for OUSD's attendance reporting to the California Department of Education.

I understand that OUSD's 21st Century federal grant funds are funding my summer program. I understand that I am required to follow all grant compliance requirements as outlined by the OUSD Expanded Learning Office. I will maintain my summer program records for 5 years for auditing purposes, as required by the California Department of Education, and will submit any summer programmatic or fiscal records to the OUSD Expanded Learning Office, as requested, for school district reporting and auditing purposes.

I confirm that my summer budget plan reflects my actual planned expenditures for my program. I will submit a required summer-end expenditure report to the OUSD Expanded Learning Office reporting on my agency's actual expenditures aligned to this budget plan. I understand that any discrepancy of over 10% between any line item in my budget plan and actual summer expenditures for that line item must be justified in my final expenditure report.

I understand that if I am running an A+B summer program model, these are requirements regarding my program hours of operation: Morning summer school will operate from approximately 8:15 – 12:15 daily. My afternoon summer program will operate from approximately 12:15 – 3:15 daily. All students must be off-site by 3:30pm and staff must be off site by 3:40 as the building will be promptly locked at 4pm daily.

If I am a stand-alone 6 hour program, I understand that OUSD will only cover custodial costs for four weeks of my summer program until 3:30 pm. My agency will be responsible for covering any extra custodial costs if my program runs beyond four weeks, and beyond the hours of 3:30 pm daily.

I understand OUSD Summer Programs are free programs. Summer Lead Agencies cannot charge a summer program fee to participating families for program costs or field trip costs.

SECTION 3: Summer Calendar and Daily Schedule

- a) Please attach a copy of your summer calendar showing all program days of operation, field trips, and any other notable special events and activities (ie. your summer end family celebration).
- b) Please attach a copy of your daily schedule detailing your full 6 hour program. (Note: sites that are using the A+B model must include the morning academic program in the daily schedule you submit). Attached is an example.
 - Please note that all programs under the A+B model will be expected to provide daily hands-on academics (ie. STEM), enrichment, physical activity, community building activities, and daily afternoon snack (provided by OUSD), between the hours of 12:15 – 3:15.
 - Please include staff prep and meeting times, and clean up/debrief times on your daily schedule.

SECTION 4: Summer Curriculum

Attach your summer program curriculum scope and sequence, outlining your curriculum objectives and planned program activities.

Please note that all programs under the A+B model should plan to provide daily hands-on academics (ie. STEM), enrichment, physical activity, and community building activities.

SECTION 5: Summer Program Recruitment and Retention Strategies and Timeline

Briefly describe your anticipated summer program student recruitment and retention activities and timeline.

- a) Describe how you will work with school leaders and after school providers at your summer hub and feeder schools to recruit students for summer programming. Please note that summer programs are required to hit at least 85% of their attendance target. Programs should appropriately over-enroll to ensure that the target average daily attendance number is reached.
- b) What strategies will you use to retain students over the summer to ensure that your attendance numbers stay high. Please note that we highly recommend that programs maintain a waitlist so that students who do not show up after the first week of program can be immediately replaced.

Our summer site coordinator works very closely with the principal and school clerk to recruit all the summer participants. We will over enroll by 25% to make sure that we will have enough students to fulfill the ADA requirements. We will also have a field trip every week to motivate students to attend the program regularly.

SECTION 6: Summer Line Staff Information (if known at this time)

To promote continuity between OUSD after school and summer programs, and to provide year-round work opportunities for talented youth development professionals in Oakland, we are particularly interested in seeing current, highly qualified Oakland after school workers become the summer program staff at our OUSD Summer Hubs. Please list the name(s) of line staff whom you intend to hire as part of your summer program staff. (Add additional rows as needed.) Please note that the summer program must have a maximum 1:20 adult to student ratio.

Summer staff must meet the minimum staff qualifications according to the 21st Century grant requirements:

- Must pass fingerprint background clearance by DOJ and FBI
- Must have TB clearance
- Must have at least 2 years of college (48 semester units), or pass the Instructional Aide exam administered by the Alameda County Office of Ed

Important Note: Summer program staff in A+B programs will be expected to attend 15 – 18 hours of OUSD summer line staff trainings. The Summer Site Coordinator and summer program staff should be hired **no later than May 8.**
