---

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Bay Area Community Resources ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 302/Fremont High School under the following grants:
- California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
  - California Department of Education ("CDE") 21st Century Equitable Access Grant ("Direct Access")
  - California Department of Education ("CDE") 21st Century Family Literacy Grant ("Family Literacy")
2. **Term of MOU.** The term of this MOU shall be July 1, 2020 through June 30, 2021. The term may be extended by written agreement of both parties.
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
- a) No Premature Termination by AGENCY.** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
- b) Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
4. **Compensation. Contingent on OUSD receipt of** The 21st Century ASSETS Core Grant, and Direct Access grant award amount for Bay Area Community Resources is \$ 177,840.00. Contingent on 21st CCLC funding. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee **and subject to AGENCY compliance with MOU requirements**, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. **Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.**
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A - Attendance Reporting Schedule 2020-2021**"). In the event that the school site at which AGENCY has agreed to provide programming is closed for any emergency reason (including but not limited to reasons related to COVID-19), and AGENCY provides programming remotely pursuant to Section 5.4.5 of this Agreement, AGENCY shall calculate attendance based on student participation in AGENCY's remote programming.
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2020-2021 and will not exceed \$ 177,840.00 in accordance with **Exhibit B** ("21st CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").

4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the 21<sup>st</sup> Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.

5. **Scope of Work.** AGENCY will serve as lead agency at 302/Fremont High School, will be responsible for operations and management of the 21<sup>st</sup> Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant contracted to AGENCY by OUSD for fiscal year 2020-2021. This shall include the following required activities:

**SECTION 2: PROGRAM OPERATIONS**  
**Average Daily Attendance, Program Dates, Minimum Days & Enrollment**

To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.

<b>Projected daily attendance for 2020-21 school year program.</b>	139
--	-----

**Program Operations for the 2020-2021 school year.** First Day: August 10, 2020 Last Day: May 27, 2021

**UPDATED ED CODE:** Per CDE Education Code Section 8483.7(c) allows programs to close for a maximum of 3 days during a calendar year (not a school year) for staff development. Families and school site personnel must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets. **This should be uploaded no later than 5 business days after the closure day.**

[Fill out this Google Form to identify the three days](#) (if any) your program plans to close this year for PD. The program must be open all other days of the school year. (Updates for any date changes are due September 2020).

**Minimum Days.** When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming. **There is an expectation already established for the 36 weekly minimum days, however if the school is planning on more than these and 10 extra days for report card conferencing you should discuss how the staffing fees for these extra days will be funded in partnership with the school day.**

**Projected Number of Minimum Days for School Year 2020-2021:**  
*\*Schools should provide the lead agency with a calendar of minimum days for the 1st day of school.*  
**Is your school-day bell schedule attached?**

**Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, identify school-site funds to be utilized to fund these additional hours of programs?**

We will work with administration to provide support with staff to ensure we are in ratio compliance. Most of our staff work within the hours of a minimum day so we're always covered at this HS. In the event a staff member is out, BACR has an ASP substitute staff pool we can call upon to support and will be funded by BACR.

**SECTION 3a: PROGRAM MODEL.**

**Average Daily Attendance, Program Dates, Minimum Days & Enrollment**

Which of the following program models will your site operate as for 2020-2021? ([If you choose Extended Day, please explain why using this link.](#))

**Program Model: Blended/Hybrid**

**Traditional After-School:** Voluntary program, open to all students, with enrollment priorities targeting certain students.

**Extended Day Program:** After-school-program classes offered to an entire group of students from targeted grades and/or for all students of the school after the end of the regular bell schedule. (Note: extended day classes must not appear on the school bell schedule)

**Blended/Hybrid:** A combination of some extended day and some traditional after-school programming. (*If you are conducting a blended/hybrid program, please use the section below to explain your program model type.*)

**Under the guidance of Jaliza Collins, we’re targeting all our student student athletes to get academic support as an extended day model. We’re also targeting our New Comer students and 9<sup>th</sup> graders to get support with understanding A-G requirements, academic tutoring, community building, joining clubs and how they can succeed in their HS career.**

**X 9, X 10, X 11, X 12**

**ENROLLMENT PROCESS & TIMELINE**  **Attach your enrollment timeline to this document**

Important dates to include in your timeline:

- **April - June:** Spring enrollment for 2020-21 programs.
- Families will be notified of 2020 -21 after school enrollment before the **last day of school**, May 29, 2020.
- After school programs begin on the **first day of school** when enrollment is at a minimum 75% capacity.
- **August - September:** new school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by **September 30, 2020**, except for slots reserved for transitional students (i.e., Homeless, foster youth; Newcomers) entering the program for the first time and/or mid-year
- All programs must maintain **waitlists** after program slots are filled.

**\*\*This may look different for High School and Continuation schools based on alternative schedules and intersession. Please include the items above that are applicable to your schedule and recruitment process.**

#### **Average Daily Attendance, Program Dates, Minimum Days & Enrollment**

##### **Who can receive the Golden Ticket?**

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal ***\*McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)***, who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. ***\*Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)***
  - *Establishes the definition of homeless used by schools*
  - *Ensures that children and youth experiencing homelessness have immediate and equal access to public education*
  - *Provides for educational access, stability, and support to promote school success*
  - *Needed to address the unique barriers faced by many homeless students*

##### **Complete the following questions for Section 3b:**

- To the best of your knowledge, how many Golden Tickets were distributed in the 2019-20 school year? (*please estimate: 0-5 students, 6-10, or 10+ more*)

\*0

- How will you make your program more accessible to serve the needs of Golden Ticket students/families?
- CDE and OUSD have established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. With these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community. Describe 1-3 enrollment priorities that will be made public and why?

1. Freshman - We went to make sure our Freshman understand A-G requirements, how to build relationships with their peers and school day staff and extended day staff and learn effective time management, organization skills and 21<sup>st</sup> century skill building skills.
2. New Comer Students – We want to make sure they feel supported and included. We want to connect our New Comer students with mentors.
3. Students who are homeless/transitioning and in foster care. We will offer a safe and supportive place for this target population. We will make sure they're fed and receive all the services we offer to students during our after school program.

1. Please complete and attach the program schedule for 2020-2021 that reflects the program components identified above.
2. Fill out the [attached template](#) to describe program components then link them into this document. Program component description link: linked to the [spreadsheet](#), create a drop-box option (a) CDE--academic, enrichment, physical activity “use the same title”.

*\*In the fall, sites are required to resubmit updated program schedules. **This schedule should be clearly aligned with the supports identified in section 4.***

**Academic Alignment with School Day and [District Priorities](#)**

Please provide a short narrative that identifies how the after-school program will support school goals aligned with district student learning goals in the appropriate grade level box below.

- Collaborate with the school site administrator and consult the School Site Plan to align with the school day.
- Consult the descriptions below for the District’s priorities for elementary, middle and high school.

**OUSD Student Learning Goals:**

- 1- All students build **relationships** to feel connected and engaged in learning
- 2- All students continuously grow towards meeting or exceeding standards in **English Language Arts**
- 3- All students continuously grow towards meeting or exceeding standards in **Math**
- 4- English Learner students continuously develop their language, reaching **English Fluency** in 6 years or less
- 5- All students grow a year or more in **Reading** each year
- 6- All Students graduate college-, career-, and community-ready

**How will after-school program further these OUSD Learning Goals?** (Choose 2-3 to focus on for the 20-21 School Year)

- Academic mentoring for 9th graders at risk of failing classes.
- Academic support and mentoring for 10th-12th grade students taking credit recovery.
- Academic support for our Student Athletes

**SECTION 5: CONTINUOUS QUALITY IMPROVEMENT (Alignment with CDE and OUSD)**

To increase the effectiveness of a program, it is critical to engage in an ongoing continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the [Quality Standards for Expanded Learning in California](#)—which were developed in partnership between the California Department of Education’s (CDE) After School Division and the California Afterschool Network (CAN) Quality Committee.

<p><b>TRUTH</b> <i>What is currently happening in the program? Use data to identify the truth about 1-2 self-selected aspects of the program.</i></p>	<p><b>Identify the after-school program data point(s) in the narrative below. Could include: student feedback (youth survey, interviews or focus groups), internal program observation or external observation.</b></p> <p>This year has By Far been the most collaborative in connecting with multiple programs on campus. The connection is more tight and the communication is more clear.</p>		
<p><b>HOPE</b> <i>What is the dream for the program in these areas as identified by students, families,</i></p>	<p>Our school is under construction at the moment. Space has been a challenge for us but with the support of our Admin (Principal Rivera) it’s been working out.</p> <p>In regards to programming, we hope to find the right person to run the Barbershop program that the kids have been eager to join.</p>		

<p><i>parents, staff and site support team?</i></p>	<p>We offer Driver’s Ed in which students can get their pink slip to be able to take the written test at the DMV but they always ask if we also offer the actual driving class that is required 6 months after they get their permit. A HOPE would be to either offer that class or be able to find places with reduced fees. At the moment the cost is approximately \$350-\$400.</p> <p>We also hope for our program to remain consistent with the following elements:</p> <ol style="list-style-type: none"> <li>1. Provide a Safe and Supportive environment.</li> <li>2. Provide meaningful and engaging programs</li> <li>3. Consistency with multiple opportunities for presentations and showcasing student work</li> <li>4. Off-site exploration aligned with program content</li> <li>5. A committed youth advisory board.</li> </ol>
<p><b>CHANGE</b> <i>What steps will be taken to make the shifts needed to realize the HOPE identified above?</i></p>	<p>We hope that after the construction is done (eta of completion is December 2020) we will have our own space where most programs can be in close proximity on campus without having to switch EDP classrooms.</p> <p>We need to start looking for a Barber to lead the Barbershop program asap, so that when the 2020/2021 school year starts they are ready to start and ready to engage with the kids.</p> <ol style="list-style-type: none"> <li>1. <b>ALL</b> staff are required to implement the 3 signature SEL practices and will be observed at least 2 times a month on these practices beginning August 12 ,2020</li> <li>2. <b>ALL</b> lesson plans and curriculum will be reviewed and approved by Program Coordinator, Program Manager and School Site Admin to ensure CDE’s 12 Quality Standards are lifted in the lessons. <b>ALL</b> program including our outside contractors will begin on day 1 of school</li> <li>3. We will schedule gallery style presentations on the 2<sup>nd</sup> and 4th Friday of every month beginning September 11<sup>th</sup>, 2020.</li> </ol>

	<ol style="list-style-type: none"><li>4. Each program offering will be required and accountable for a minimum of three off site exploration opportunities.</li><li>5. We will select our advisory board (E-Team) before the end of this school year. We will train the Youth Advisory during summer so they're ready to participate and support programs on the 1<sup>st</sup> day of program.</li><li>6. After school staff will host a Bi -monthly lunch or breakfast for all the Fremont day and after school staff. After school staff will be required (with the okay from admin and day school) to sit in the classroom and observe for the last period of the day. This can happen on a bi-weekly basis so after school staff gain a better understanding of that content and continue to build relationships. We also like for teachers on extended contracts to do the same with after school programs and this can happen once a month.</li></ol>
<p><b>CURIOSITY</b> <i>What deeper questions or inquiries are coming up? Something that needs more time to think about to make long-term shifts.</i></p>	<p>We definitely want to support kids who fall behind and the way is to have a Credit Recovery program. But, we need the tools to do this.</p> <p>What would it look and feel like for all our staff to be trained in Trauma informed practices especially after this shelter in place?</p> <p>How many HS students would be interested in the HS to After school staff pipeline and the After school staff to day school/admin pipeline?</p>

**Will this after-school program charge program fees for 2020-2021**  Yes  No  
 If, “YES, program fees will be charged,” please complete the following assurances. Both the Principal and Lead Agency boxes must be initialed.

<b>Principal</b>	<b>Lead Agency</b>	<b>ASSURANCES</b>
		Our program <b>will not turn away</b> any eligible student from program participation due to the inability to pay program fees. We understand that the California Education Code prohibits program fees from being a barrier to program participation
		Our program will <b>communicate</b> in writing and verbally to parents/guardians that an eligible child will not be turned away from program participation due to the inability to pay.  Per CDE, our programs will communicate in writing and publically to parents/guardians program fee expectations in language parents can understand. <b>This should be included in your enrollment applications, posted in your school (publicly accessible), parent handbooks and any marketing materials. Ensure that all documentation is accessible to families. This means they should be translated into the major languages used by the families in your school.</b>
		Our program will publicize the <b>program fee structure</b> in written program materials for school leaders, parents/guardians, and/or community members (i.e. communication letter, meetings agenda, etc.).
		Our program shall not charge a fee to a family for a child if the program once notified that the child is a <b>homeless youth</b> , as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Section 1143.a), <b>or for a child who the program knows is in foster care.</b>
		Our program will provide <b>receipts</b> to parents/guardians for each payment made.
		The lead agency will <b>manage funds</b> raised by program fees according to standard accounting practices and will provide quarterly Income Statements to the Principal and OUSD Expanded Learning Office detailing the amount collected from program fees and expenditures. This will be turned in quarterly.
		<b>The Use of Fees:</b> Any fees collected by programs shall be used for program activities, services for students, and program administrative costs. CDE guidance calls for all programs to “keep accurate records of fees collected, and fees should be tracked separately from the grant funds received.” Keep documents in the event of an annual financial audit and/or Federal Program Monitoring (FPM). Families who receive free and reduced lunch should be prioritized for no cost program admission.

# Continuous Quality Improvement (CQI)

*In collaboration with the community, the Expanded Learning Department cultivates transformative experiences for children through adults on their journey as they become thriving, productive leaders.*

OUSD's after-school programs will engage in an ongoing continuous cycle of assess, plan, and improve. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

## Continuous Quality Improvement

In accordance with California *Education Code* sections 8484 and 8427, all After School Education and Safety (ASES), 21st Century Community Learning Centers (21st CCLC) grants, and 21st Century High School After School Safety and Enrichment for Teens (ASSETs) programs in California shall engage in a data-driven continuous quality improvement (CQI) process based on the Quality Standards. It is expected that each site keeps a copy of its Quality Improvement Plan available on site for review. (i.e Program Planning Tool)

## Quality Standards

California's Expanded Learning Quality Standards assess "Quality" from programmatic, staff, and participant levels. This cycle of improvement revolves around twelve critical standards—the [Quality Standards for Expanded Learning in California](#).

The CDE language for CQI is Assess-Plan-Improve, in OUSD the language has shifted to: **Truth-Hope-Change**; and **Curiosity (THC2)**. The THC2 was co-developed in partnership with community partners. This new process makes the CQI accessible, flexible, and sustainable.

- Lead agency will budget adequately to ensure program staff participate in collaborative steps in the CQI process of Truth, Hope, Change, and Curiosity framework.
- Site Coordinator will participate in meetings/trainings to develop their knowledge in leading continuous quality improvement process.
- Lead agency and Site Coordinator will become familiar with the OUSD Expanded Learning CQI process i.e. [Frequently Ask Questions \(FAQ\)](#).
- Lead agency and Site Coordinator will familiarize and engage the [Quality Standards for Expanded Learning in California](#).
- Lead agency director will provide support and ensure completion of *Section 5* of the [Continuous Quality Improvement](#) in the program planning tool:
  - Site Coordinator will share the Program Planning Tool with the Site Administrator and school staff.

Lead agency and Site Coordinator will complete annual data-collection process to support continuous quality improvement--e.g. Student survey, parent feedback, etc.

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

# BACR TODAY

## MISSION

The mission of Bay Area Community Resources (BACR) is to promote the healthy development of individuals, families, and communities. There are three core components to our mission:

- I. Provide direct services to promote healthy development;
- II. Encourage volunteers to provide service to their community; and
- III. Build and strengthen all of the communities we serve, so that community members and institutions can effect change.

## *I. DIRECT SERVICES*

BACR direct services are organized into program industry groups, which have a similar focus and common participant outcomes. These programs serve youth and adults in seven Bay Area counties and numerous communities and (K-12) schools. Direct services are delivered in each of the following program groups:

### AFTER-SCHOOL

Our after school programs offer safe and enriching after school opportunities to young people where they can learn to be productive, build positive adult and peer relationships, and participate in meaningful academic and enrichment activities. BACR provides these programs at more than 100 schools in the Bay Area.

### BEHAVIORAL HEALTH ADVOCACY, PREVENTION, & TREATMENT

BACR provides direct services to individuals and families needing support to overcome mental health or substance use problems. Alcohol and Drug, Tobacco, and Mental Health programs deliver prevention and treatment services to youth and adults having a broad spectrum of needs, ranging from the need for basic information to treatment for chronic alcoholism and drug recovery. Specifically, BACR offers school-based counseling and education, community-based centralized assessment and referral to treatment, family therapy, DUI programs, and tobacco education and cessation. Our environmental prevention services aim to change community norms about alcohol, drugs, and tobacco use by advocating for private or public policy adoption.

### HEALTHY COMMUNITIES

In this industry, school- and community-based health centers serve as hubs of integrated, coordinated services and programs where youth and families can find support, resources, and community. Examples of our hubs include First 5 Centers, Healthy Start programs, high school health centers, community schools, and other family resources and early childhood programs. BACR strives to create vibrant, accessible, inclusive hubs that are safe, open, and nurturing places for participants to belong and call home.

### NATIONAL SERVICE

Giving back is vital to healthy development. Through BACR's National Service program, participants achieve personal benefits by having opportunities to contribute to community improvement. Youth benefit as well through a variety of academic and youth development services delivered by BACR's AmeriCorps members. AmeriCorps members are placed at more than 70 local schools and programs where these services are provided.

### WORKFORCE & EDUCATION (formerly Youth Workforce)

Our workforce model ensures that youth have access to five interventions, which are 1) Academic support, 2) Workforce skill building and employment, 3) Civic engagement, 4) Connection to support services, and 5) Meaningful participation in youth development activities. Our participants are resilient, facing multiple barriers that prevent them from accessing opportunities that would allow them to transition into adulthood successfully; healthy, self-sufficient; and free from the justice system. To ensure that services are accessible, our projects and outreach activities are delivered in a range of school- and community-based settings.

## II. ENCOURAGE VOLUNTEERS TO PROVIDE SERVICE TO THEIR COMMUNITY.

All programs in the BACR family encourage “giving back” to the local communities. We organize community service projects conducted by volunteers, many of whom have been service recipients, who commit to a weekend – or sometimes commit to a year – to mentor or tutor a young person. These projects result in a positive and meaningful experience for thousands of volunteers, as well as build on their skills and commitment to civic responsibility. At the same time, they are making a positive difference in the lives of individuals and in their community.

## III. BUILD AND STRENGTHEN ALL OF THE COMMUNITIES WE SERVE SO THAT COMMUNITY MEMBERS AND INSTITUTIONS CAN AFFECT CHANGE.

Building community in all we do is part of the BACR way. Each program sees itself as part of the community and seeks out community partners with whom to collaborate. Our staff represent the agency on numerous coalitions sharing a common vision of community empowerment and capacity building.

## ORGANIZATIONAL STRUCTURE AND STAFFING

The Board of Directors is the legal entity responsible for the operation of the agency. It develops agency policy, mission, and goals, and ensures that adequate resources are available to carry out such goals.

BACR is led by a Chief Executive Officer, Chief Operating Officer, Chief Financial Officer, and a program-based team of Project Directors. BACR has approximately 1,300 full- and part-time staff members and AmeriCorps members.

The agency’s FY 2019-20 budget is approximately \$45 million including in-kind services. Major funding sources include government, corporate and foundation grants, and school contracts.

## SUMMARY OF FY 2019-20 PROJECT SERVICES

We will deliver 1,046,579 staff hours and 335,698 volunteer hours directly serving 32,451 students/ individuals and their families. Twenty-four percent (24%) of all services will be supported by volunteers, interns, or AmeriCorps members. The service distribution is as follows:

**To Whom It May Concern:**

It is the Bay Area Community Resources policy to ensure to the best of our abilities that everyone we bring into our BACR programs to work with our clients are properly screened so as to minimize any risk, either physical or emotional, to the children and other clients we serve. We achieve this through FBI and DOJ fingerprint background checks on all our employees, independent contractors, subcontractors and volunteers working in our OUSD school programs. We are set up to receive subsequent arrest records. In addition, all staff must turn in a negative TB clearance before they begin working with our students in OUSD.

We certify that all staff meet our staff qualifications including TB clearance, and FBI/DOJ clearance before they begin working with the students. We can provide verification upon demand from OUSD. On a monthly basis this information is submitted to our district after school programs office with our invoices, indicating ATI numbers.

Sincerely,

A handwritten signature in black ink that reads 'Marisa Ramirez'. The signature is fluid and cursive, with a long horizontal flourish extending to the right.
