Executive Summary

- 2015-16 will allow the District to make much needed investments, in line with the LCAP and the Strategic Plan, as we recover from the Great Recession.
- Schools will see additional resources, with reduced class sizes in elementary (TK-3) and Measure N in high schools.
- LCFF results in **\$39 million** (includes additional **\$15 million** based on the May Revise) more in on- going revenues for OUSD to allow for needed investments in people and programs that are part of the District's LCAP and Strategic Plan.
- In January, the Governor signaled a one-time resource allocation of \$6.4 million for strategically aligned investments. With the May Revise, this allocation is now **\$21 million**, an increase of **\$15 million**.

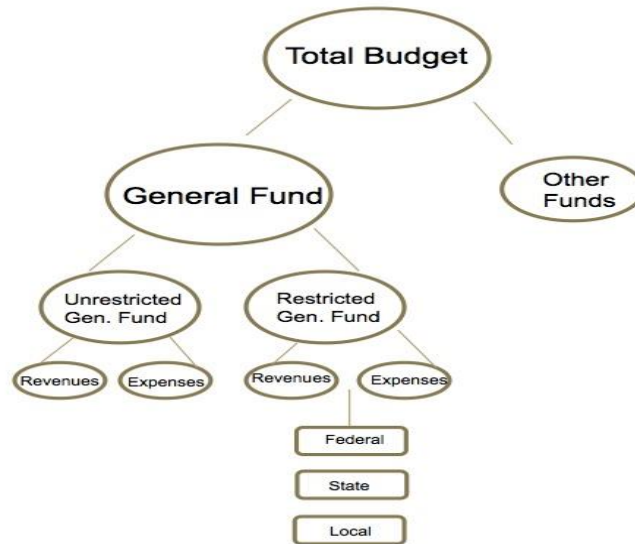

Executive Summary – continued

- Oakland voters approved **Measure N**, which will generate about **\$13 million** for college and career programs in the City's high schools (OUSD and charters) each year, starting in 2015-16.
- The next issue of **Measure J** bond funds will infuse at least **\$160 million** into OUSD's facilities program.
- Cuts (-\$5.3 million) & Investments (+\$2.9 million) to the Central Office will realign the District on the Pathway to Excellence. Net cut of **-\$2.4 million** to the Central Offices.

Executive Summary - continued

- Expenses related to increased revenues from the May Revise and the labor settlements have not yet been incorporated into the budget.
- Total Revenues for all Funds are estimated to be \$793 million.
- Total Expenditures for all Funds are estimated to be \$647 million.
