## EXHIBIT "A" SCOPE OF WORK

**Description of Services to be Provided and Specific Expected Outcomes:** Highlight each program that you provide to OUSD. Attach a separate document if more space is needed.

Arts for Oakland Kids (AOK) is a 501c3 nonprofit that conducts private fundraising in order to provide small grants to support existing arts education programs and partners. AOK does not administer any programming for any schools within the Oakland Unified School District.

Arts for Oakland Kids conducts at least one site visit per school year to each program to which we have provided a grant. The school site visits are usually conducted by the Executive Director, the Administrative Liaison, and 1 to 5 members of the AOK Board of Directors.

AOK has minimal interaction with students during these visits as they are primarily observational. The purpose of these site visits is to observe the program in action, determine the quality of instruction, and to document the program via photographs and/or video footage for our own fundraising purposes.

As an approved OUSD partner, Arts for Oakland Kids will require that all programs that we fund indicate which participating students have an OUSD Media Opt Out form on file so that we can avoid capturing their image in photos or film in accordance with the OUSD Media Policy.

## EXHIBIT “B” STATEMENT OF QUALIFICATIONS

**Description of Organization and Relevant Experience:** For individual consultants, a résumé will suffice. Attach a separate document if more space is needed.

Our mission is to enhance the lives of Oakland students by funding arts education in our most under-served schools. We seek to create a community where every student has equal access to arts education.

AOK raises money through private donors, special events, and support from partnering foundations to fund innovative programs that promote hands-on creation of a variety of arts in Oakland public schools. We focus on Oakland's most financially-challenged schools where there are little to no existing arts opportunities. By supporting arts education in Oakland's under-resourced schools we are raising academic achievement, building self-esteem, and enhancing creative growth amongst Oakland's most at-risk population.

Arts for Oakland Kids is not tied any government body, nor does AOK accept or solicit any public monies. Our funding policies are bound by nothing more rigid than what we have learned works, or what we think will make a successful program. We have funded many innovative approaches to arts education that have been very successful. Our knowledge of Oakland schools, close connections with other local arts providers, and close mentoring of our programs' progress is what makes us unique.
