Is Vendor a local Oakland business? Yes No

Why was this Vendor selected?

The vendors that we work with have immense expertise, with experienced staff, in the subject areas in which we need their services. Since participating in the OUSD Sports League was highly recommended by the district, we had to establish and/or extend our contracts with various vendors so they can coach our students in the sports league, in particular, soccer, basketball, and volleyball.

Summarize the services this Vendor will be providing.

The vendors will be coaching our students in the fundamentals of the sport (soccer, basketball, volleyball), good sportsmanship, communication, and how to be a supportive team player. The vendors will practice with our students a few days a week to develop their skills and talents in that particular sport and be ready to compete in the games that occur on Saturday's with other Oakland Unified School Sports Teams.

Was this contract competitively bid? Yes No

If No, answer the following:

1) How did you determine the price is competitive?

We determined that the price was competitive by taking the hours needed for practice, attend meets, and attend mandatory coaches meetings and compared that to what we could pay them. Through this analysis and our long term partnerships and professional networks, we were able to negotiate a fee that allowed us to get coaches so that our students at Westlake can participate in the Sports League. We were still able to negotiate a fee that was still below market value for what we were getting and therefore determined that the price was competitive.

2) Please check the appropriate bid exception listed below:

- Educational Materials
- Special Services contracts for physical, economic, accounting, legal or administrative services
- CLPCCAA contracts (Uniform Public Construction Cost Accounting Act)
- Professional Service Agreements of less than \$50,000 (includes a small amount on Jersey's I of contracts)
- Construction related Professional Services such as Architect, CMA Inspectors, Environmental Consultants and Construction Managers (include a fair competitive selection process)
- Energy contracts and a transfer of energy supply (e.g., solar, energy conservation, cogeneration and alternate energy supply sources)
- Emergency contracts, requests used resolution declared an emergency
- Technology contracts
 - Electronic time-recording systems, scheduling software and/or services (winning contractor(s) over the \$50,000 bid limit, must be immediately awarded, but any one of the three lowest responsive bidders may be selected)
 - contracts for computers, software, telecommunication equipment, microwave equipment, and other related electronic equipment and apparatus (excluding 1 - Rate contracts, may be awarded through an RFP process instead of a competitive, lowest price bid process)
 - Western States Contracting Alliance Contracts (WSCA)
 - California Multiple Award Schedule Contracts (CMAS) (contracts are often used for the purchase of information technology and software)
- Piggyback Contracts with other governmental entities
- Perishable food
- Sole Source
- Change Order for Material and Supplies if the cost agreed upon in writing does not exceed 20% above of the original contract price
- Other, please provide specific exception

For the 15-16 academic year, Eagle Village will facilitate students' academic success and assist in creating a culture of "relationships, beliefs and routines" to meet our students' social/emotional needs with the goal of reducing suspensions to increase instructional time in the classroom. Eagle Village will provide the following to meet these goals:

SECTION 4: Program Model and Lead Agency Selection

For 2015-2016, my site will operate the following program model:

- Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*
- Extended Day Program:** *additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must **not** appear on the school bell schedule)*
- Blended/Hybrid:** *combination of some extended day and some traditional after school programming*

Description and Rationale for Selection of Lead Agency

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.

Eagle Village Community Center Youth and Family Services, Inc. (Eagle Village): Formerly known as Westlake Eagle Village Community Center (WEVCC) received its official nonprofit incorporation from the State of California Secretary of State and is now operating as Eagle Village Community Center Youth and Family Services, Inc. (Eagle Village), an independent incorporated 501(c) (3) nonprofit organization. For over ten years, Eagle Village has worked in collaboration with Westlake Middle School to "create a safe place to support the development of the 'whole child', both in and out of the classroom, through academic, cultural, recreational, mental health and family services". Eagle Village has evolved into a comprehensive community center that provides well-rounded services to Westlake students and their families. Year after year, Eagle Village continues to serve the Westlake school population through its three pillars: After School Program, Mental Health Services, and the Family Resource Center. Eagle Village's Founder/Executive Director has been committed to Eagle Village's mission and goals since its inception, and she continues to work hard to ensure that young people, such as Westlake students, are given access to services and programs that may not otherwise be available to them.

SECTION 5: Attendance, Program Dates, Minimum Days, and Program Schedule

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm *on every regular school day* for elementary and middle schools. (EC 8483)

High school programs are required to operate a minimum of 15 hours per week.

*** CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates, including training agenda and staff sign in sheets.**

Required # of Program Days your program will operate during School Year 2015-2016

177

(programs are required to operate between 177 – 180 days of the school year)

Projected Daily Attendance during School Year 2015-2016

111

Programs are allowed up to three days of program closure during the school year to offer staff professional development. Please list the three days (if any) your program plans to close this year for PD.

Oct 2nd, Jan 4th, April 15th

Minimum Days

Elementary and middle school after school programs are required to operate from the end of the school day to 6pm. When a school holds minimum days, the after school program must begin early and run a long day until 6pm. Minimum days have significant impact on the after school staffing and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming when the number of minimum days exceeds the typical OUSD schedule of one minimum day per week for the school year.

Projected Number of Minimum Days for School Year 2015-2016

16

Describe funding plan to operate program on minimum days, including additional school resources (if any), to support full program implementation on all minimum days:

For minimum days, Eagle Village will use the following funding sources to account for the extra program time:

1. ASES grant
2. OFCY grant
3. Parent Fees
4. Private grant funds

Program Schedule

1. Submit program schedule as an attachment, using the standard program schedule template. The after school schedule must indicate the school name and the program year.
2. Submit a copy of the school bell schedule for the 2015-16 school year.

Important Notes: The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. If the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)

Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. If the school bell schedule ends at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)

SECTION 6: Academics

Your site should plan to offer a range of academic supports including:

1) Targeted Interventions 2) Skill-Building 3) Homework Support 4) Tutoring

Other possible supports may include computer lab, library exploration, project-based learning, coordination with SES tutoring.

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school. Activities should be based on sound instructional strategies aligned with the regular school day program.

Required Elementary Academic Programming: Elementary programs are required to provide at least 1 hour of literacy instruction per week for all students. (Curriculum and PD will be provided by OUSD After School Literacy Learning Community.) Programs are highly encouraged to provide after school math and science instruction. There will be learning communities to provide math and science curriculum and PD.

SECTION 7: ENRICHMENT & PHYSICAL ACTIVITY / RECREATION

Enrichment activities and physical activity/recreation are required components of the ASES and 21st Century grants. Enrichment activities should provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, arts learning, and student engagement.

Recommended Middle School Program Components: Middle schools are highly encouraged to provide after school STEM instruction and youth leadership programming for students. (These program components are required for 21st Century middle school programs.) STEM and Building Intentional Communities youth leadership curriculum and PD will be provided by OUSD after school learning communities.

SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21st Century grantees who receive Family Literacy funding: ***The activities listed below must align to your 21st Century Family Literacy budget plan.***

Type of Activity and Frequency	SPSA goal(s) or school need supported by activity	Describe how this activity is connected to student achievement	Measurable Outcome	Alignment with school day family engagement / family literacy efforts or resources
<p>Parent Workshop and Parent Leadership</p> <p>A series consisting of 5-6 workshops in September then one-on-one coaching begins, frequency depends on parent availability. This cycle will repeat for the spring semester.</p>	To facilitate students' academic success	<p>Dual Generation Program: This program will apply a dual generation approach to closing the income-education gap by engaging 50 Westlake families in programs aimed at helping families build economic success and reinvest gains in their children's academic success, overall health, and well-being. The theory is that if parents are economically self-sufficient then students will be more successful academically. Eagle Village will coordinate wrap around services provided by the program support team (United Way, Sparkpoint Oakland, Eagle Village, and Westlake) as well as parent education workshops such as financial coaching, career development, and how to raise their child's achievement levels.</p>	All students will demonstrate academic success - 100 % of students have a 2.0 GPA or higher	The Family Resource Center (under the guidance of Eagle Village Community Center Youth and Family Services) will be the hub for parent and community support.
<p>Parent-and-Child Together Activity and Family Celebration</p> <p>4 times/year</p>	To facilitate students' academic success	<p>Family Nights: Guardians of targeted students will attend family events to gain a better understanding of what their child is learning in school/after school as well as promote parent involvement.</p>	All students will demonstrate academic success - 100 % of students have a 2.0 GPA or higher	The Family Resource Center (under the guidance of Eagle Village Community Center Youth and Family Services) will be the hub for parent and community support.

SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and learning.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	<ol style="list-style-type: none"> 1. A recorded call home on 1st day of absence 2. If absent 2-3 days, the attendance clerk will call home to find out why and how attendance could be improved 3. If absenteeism continues, a SART (Student Attendance Review Team) meeting will be required to reiterate the importance of attendance to the parents. At this meeting, parents sign a contract that they will ensure that their child will attend school regularly
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	Offer meaningful incentives such as achievement awards, parties, raffles, and mini showcases to students who attend program at least 90% of the time.

SECTION 10: Transforming School Culture and Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

a) The following are paths that OUSD schools are taking to change discipline and transform school culture and climate. What

strategy/strategies is your school utilizing to transform school culture and climate?

- PBIS (Positive Behavioral Interventions and Support)
- Restorative Justice
- Social and Emotional Learning
- Bullying Prevention
- Other: Implement an advisory class that teaches how to "Live the Westlake Way".

b) How will the school and lead agency partner work together to ensure that the after school program is aligned and supporting these efforts, and helping to transform school culture and climate? (ie. shared professional development, curriculum, coaching, planning meetings, COST meetings, etc.)

Westlake Middle School and Eagle Village will work closely, meeting regularly during the planning phase and then as needed to ensure that the After School Program (ASP) is aligned with Westlake's effort to transform its school culture and climate. Westlake's hypothesis is that in providing a safe and caring environment with multiple and meaningful opportunities to be authentically engaged, then Westlake students will increase their attendance and academic achievement rates. Eagle Village's role is to provide "wrap around services" for students and families that will give them a stronger support system to succeed; these services include: extended learning (ASP), mental health services, and family resource partnerships. The ASP alone provides a wide variety of clubs that range from academics to recreation to enrichment to leadership training; all of which provides meaningful opportunities to be authentically engaged. Additionally, as a member of the Westlake community, Eagle Village extends the regular school day's rules and guidelines into the after school hours, thereby adopting the Westlake Way in the ASP.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development circles, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

Eagle Village supports OUSD's goal of reducing the disproportionate suspension rates of African American students. Special efforts the ASP has made towards this goal are as follows:

- Provide clubs that promote self-expression for social-emotional well-being (i.e. soccer, dance, and art)
- Provide a club that fosters positive mentor relationships through activities that interest our students most, i.e. sports
- Have recognition ceremonies for students who attend school/program at least 90% of the time
- Eagle Village tries to provide a staff that reflects the student population and therefore, have employed black professionals who serve as positive role models and mentors to our student population.
- Work closely with the Mental Health Services (MHS) department who will provide both a boys and girls group whose goal is to foster the social-emotional well-being of this student population.

SECTION 11: Coordination with Other Service Providers

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

<p>The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?</p>	<ul style="list-style-type: none"> <input checked="" type="checkbox"/> COST team (Coordination of Services Team) <input checked="" type="checkbox"/> SST (Student Study Team) <input type="checkbox"/> SSC (School Site Council) <input checked="" type="checkbox"/> ELT (Educational Leadership Team) <input checked="" type="checkbox"/> PTA <input checked="" type="checkbox"/> Attendance Team/Workgroup <input checked="" type="checkbox"/> SPSA Site Planning team <input checked="" type="checkbox"/> School Culture/Climate Committee <input type="checkbox"/> Other (specify)

2015-16 After School Enrollment Policy for Westlake Middle School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population

Students with siblings already enrolled in after school program based on above priorities.	<ul style="list-style-type: none"> • Parent/Caregiver feedback • Teacher or counselor referral 	

Which grade levels will you serve in this program? 6th through 8th grades

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

Enrollment Process and Timeline: (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2015. Indicate how families will be notified of 2015-16 enrollment before the last day of school, June 11, 2015.)

Describe how the school will support after school program recruitment efforts. Specify how school staff will help promote the after school program, refer students, and communicate with families about program opportunities:

The school will help with recruitment by:

- Supplying data (GPA and attendance records) to help identify target populations
- Elicit feedback from school day staff regarding referrals to the after school program
- Inform current and incoming parents about the services provided by the after school program
- Hand out flyers about the after school program and how to enroll their child

Quality Support Coach (formerly called “Academic Liaison”)

After school research clearly shows that high quality programs result in increased youth outcomes. The higher the program quality, the more youth outcomes are achieved. The Quality Support Coach is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program’s *Assess – Plan – Improve* program quality improvement cycle by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
- Bridge the after school program with school day goals, priorities, curriculum, pedagogy, and data.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards

The Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). This individual will receive training and specific direction on the Quality Support Coach role from the OUSD After School Programs Office. The After School Programs Office will provide specific deliverables aligned with the key job duties listed above. WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment) whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees.

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

Eagle Village Community Center Youth and Family Services, Inc. (Eagle Village) **Statement of Qualification and Agency Description**

Since 2001, Eagle Village has operated the After School Program, Mental Health Services Program, and Family Resource Center at Westlake Middle School in Oakland, CA with the sole purpose of addressing issues of poverty, low academic performance and violence. This is actualized through its mission of providing a safe academic environment that supports the development of the whole child, both in and out of the classroom, through academic, cultural, recreational, mental health and family services.

In 2009, Eagle Village established itself as an independent 501(c)(3), non-profit organization in order to provide Westlake families one-stop access to a wide array of public and community services on campus. Eagle Village is receiving growing recognition as a model of success in the Oakland Unified School District (OUSD) for its early adoption of a Community School framework as well as its unique partnership with Westlake Middle School faculty and staff.

Beginning in the 2013-2014 academic year, Eagle Village has been providing after school education and enrichment support to Montera Middle School through its After School Program (ASP). The ASP will provide students with a safe, supervised space during out of school time where students engage in a variety of academic, enrichment, recreational, cultural, and athletic programs.

Additionally, beginning in the 2014-2015 academic year, Eagle Village provided after school education and enrichment support to Parker Elementary School through its After School Program (ASP). Similar to Westlake and Montera, the ASP provided students with a safe, supervised space during out of school time where students engage in a variety of academic, enrichment, recreational, cultural, and athletic programs.
