Measure H Whole School Tab	128	\$39,100.00	<p><b>Consultant Contracts:</b>  <b>Contract with the Oakland Public Ed Fund to pay-out the student internship stipends for participating in the Exploring College, Career and Community Options (ECCCO) for Summer (July) 2025, through June 30, 2025.</b>            34 students in internships at sites around the Bay Area that align with their pathways and interests, yielding real-life application of pathway curriculum and increasing engagement from students in their respective pathway. These real-world internships provide students with increased exposure to various fields related to their pathways so students can actively envision themselves in their chosen career path. This addresses the need for students to have relevant, real-world experience, to which they can apply what they've learned in the classroom. These experiences make learning come alive for students, and they are able to make connections outside of the classroom.
