Subject

Amendment No. 5, Independent Contractor Agreement - Ninyo & Moore-

Havenscourt New Cafeteria and Classroom Building Project

Action Requested

Approval by the Board of Education of Amendment No. 5, Independent Contractor Agreement for Professional Services with Ninyo & Moore for Testing Services on behalf of the District at Havenscourt New Cafeteria and Classroom Building Project, in an amount not-to exceed \$13,320.00 increasing previous contract amount from \$194,105.65 to a not to exceed amount of \$207,425.65. All remaining portions of the agreement shall remain in full force and effect as originally stated.

Background

This amendment is needed due to additional work on the project, the contractor's extended construction schedule, and the need to work overtime.

Local Business Participation Percentage 100.00%

Strategic Alignment

Among the key purposes of the District's Facilities Master Plan is to provide an academic environment for the Oakland community that will give every student, educator, and community member using our facilities the best possible opportunity for learning.

Through implementation of the Facilities Master Plan, the District intends to improve the District's facilities in terms of structural integrity, safety, reliability of operating (mechanical) systems, access to modern resources,

Community Schools, Thriving Students

number and type of appropriate laboratories and specialized instruction rooms, opportunities for physical education, and attractiveness, such that the Oakland Public Schools are second to none. Operation of the District schools under the planned approach is intended to ensure safety, cleanliness, and orderliness for all individuals participating in the learning process.

The basic facility needs of students such as proper lighting, functional roofs, noise control and well maintained buildings, not only convey the message that we value our students and teachers but may foster a sense of school pride and community ownership which may improve attitudes towards learning. The implementation of the Facilities Master Plan is our first step in that direction.

Recommendation

Approval by the Board of Education of Amendment No. 5, Independent Contractor Agreement for Professional Services with Ninyo & Moore for Testing Services on behalf of the District at Havenscourt New Cafeteria and Classroom Building Project, in an amount not-to exceed \$13,320.00 increasing previous contract amount from \$194,105.65 to a not to exceed amount of \$207,425.65. All remaining portions of the agreement shall remain in full force and effect as originally stated.

Susie Butler-Berkley Contract Analyst

October 2, 2013 Project No. 401934001

Mr. Eric Scheuermann, Project Manager Oakland Unified School District 955 High Street Oakland, California 94601

Subject:

Change Order Request No. 2

Geotechnical Observation, Materials Testing and Special Inspection Services Havenscourt Middle School New Classroom and Cafeteria Building Phase 2

1390 66th Avenue, Oakland, California

OUSD Project No.: 07030; DSA Application No.:01 111714; File No.:1-29

Dear Mr. Scheuermann:

As you know, construction activities are ongoing and we have been providing geotechnical observation, construction materials testing, and special inspection services in accordance with our proposal dated March 8, 2012 and change order-01 dated December 24, 2012, jurisdictional requirements, DSA 103 sheet, DSA approved plans and specifications and as requested by the Project Inspector. The fee for the requested services provided during construction of the subject project and associated improvements will exceed the estimated amount presented in our proposal. In preparing this change order request, we reviewed our accounting records, discussed the anticipated remaining on-site work with Project Inspector, and revisited the project plans and specifications. At the time our proposal was prepared, the construction schedule was not available for our review. This need for additional funds can be attributed to the additional work on the project, contractors' extended construction schedule, show up time and the need to work overtime and over the weekend.

SERVICES REMAINING

An estimate of additional time and associated fees for geotechnical observation, materials testing, and special inspection services has been developed based on time already accrued and our understanding of the remaining work for the project. It is our understanding that services remaining include soil's testing, water infiltration testing for window testing and preparation of Final Verified Reports at the completion of the project.

CONTRACT SUMMARY

As of our September 2013 billing, the accumulated fee for the subject project was approximately \$197,000 Based upon our understanding of the remaining work and our services provided to date, we estimate our fees to be approximately \$13,320 more than the initially approved budget and change order-01 for phase 3 project. Therefore, this change order request is for \$13,320 (Thirteen Thousand Three Hundred and Twenty Dollars), as shown in the attached Table 1 - Change Order No. 1 (Breakdown of Hours). The contract history for this project is as follows:

Remaining budget transfer from the previous project	\$ 5,055
Remaining budget transfer from the previous project phase -1	\$ 13,410
Initial Budget from Phase-2 proposal	\$ 112,119
Additional work for Sun-Shade Structure	\$ 3,700
Change Order No. 01 for Phase -2	\$ 59,822
Current Authorized Fee	\$ 194,106
Amount of Requested Change Order No. 2 for Phase -2	\$ 13,320
New Contract Amount	\$ 207,426

The estimate provided for this change order request is based upon a review of the original contract, our services provided to date, and our understanding of the remaining work. We appreciate this opportunity to be of continuing service.

Respectfully submitted, NINYO & MOORE

AUTHORIZED REPRESENTATIVE

THIS ENDORSEMENT CHANGES THE POLICY, PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED – WRITTEN CONTRACTS (ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

 The following is added to SECTION II – WHO IS AN INSURED:

Any person or organization that you agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part, but:

- a. Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and
- b. If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies. The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

The insurance provided to such additional insured is limited as follows:

- c. In the event that the Limits of Insurance of this Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This endorsement shall not increase the limits of insurance described in Section III Limits Of Insurance.
- d. This insurance does not apply to the rendering of or failure to render any "professional services" or construction management errors or omissions.
- e. This insurance does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured, and then the insurance provided to the additional insured ap-

plies only to such "bodily injury" or "property damage" that occurs before the end of the period of time for which the "written contract requiring insurance" requires you to provide such coverage or the end of the policy period, whichever is earlier.

2. The following is added to Paragraph 4.a. of SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS:

The insurance provided to the additional insured is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover. However, if you specifically agree in the "written contract requiring insurance" that this insurance provided to the additional insured under this Coverage Part must apply on a primary basic or a primary and noncontributory basis, this insurance is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with that "other insurance". But this insurance provided to the additional insured still is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under any "other insurance".

 The following is added to SECTION IV – COM-MERCIAL GENERAL LIABILITY CONDITIONS: Duties Of An Additional Insured

As a condition of coverage provided to the additional insured:

a. The additional insured must give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:

Policy Number:

WZP81009371

Effective Date:

05/01/13

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

WAIVER OF OUR RIGHT TO RECOVER FROM OTHERS ENDORSEMENT - CALIFORNIA

We have the right to recover our payments from anyone liable for an injury covered by this policy. We will not enforce our right against the person or organization named in the Schedule. (This agreement applies only to the extent that you perform work under a written contract that requires you to obtain this agreement from us.)

You must maintain payroll records accurately segregating the remuneration of your employees while engaged in the work described in the Schedule.

The additional premium for this endorsement shall be % of the California workers' compensation premium otherwise due on such remuneration.

FXHIBIT A

December 26, 2012 Project No. 401934001

Mr. Eric Scheuermann, Project Manager Oakland Unified School District 955 High Street Oakland, California 94601

Subject: Change Order Request No. 1

> Geotechnical Observation, Materials Testing and Special Inspection Services Havenscourt Middle School New Classroom and Cafeteria Building Phase 2

1390 66th Avenuc, Oakland, California

OUSD Project No.: 07030; DSA Application No.:01 111714; File No.:1-29

Dear Mr. Scheuermann:

As you know, construction activities are ongoing and we have been providing geotechnical observation, construction materials testing, and special inspection services in accordance with our proposal dated March 8, 2012, jurisdictional requirements, DSA 103 sheet, DSA approved plans and specifications and as requested by the Project Inspector. The fee for the requested services provided during construction of the subject project and associated improvements will exceed the estimated amount presented in our proposal. In preparing this change order request, we reviewed our accounting records, discussed the anticipated remaining on-site work with Project Inspector, and revisited the project plans and specifications. At the time our proposal was prepared, the construction schedule was not available for our review. This need for additional funds can be attributed to the additional work on the project, contractors' extended construction schedule, show up time and the need to work overtime and over the weekend.

SERVICES REMAINING

An estimate of additional time and associated fees for geotechnical observation, materials testing, and special inspection services has been developed based on time already accrued and our understanding of the remaining work for the project. It is our understanding that services remaining include soil sampling and compaction testing, reinforcing steel placement, concrete

batch plant inspection, concrete sampling, structural steel welding, load testing for adhesive anchors, along preparation of Final Verified Reports at the completion of the project.

CONTRACT SUMMARY

As of our October, 2012 billing, the accumulated fee for the subject project was approximately \$85,912 Based upon our understanding of the remaining work and our services provided to date, we estimate our fees to be approximately \$59,822 more than the initially approved budget. Therefore, this change order request is for \$59,822 (Fifty Nine Thousand Eight Hundred and Twenty Two Dollars), as shown in the attached Table 1 - Change Order No. 1 (Breakdown of Hours). The contract history for this project is as follows:

Initial Budget	\$ 112,119
Current Authorized Fee	\$ 112,119
Amount of Requested Change Order No. 1	\$ 59,822
New Contract Amount	\$ 171,941

The estimate provided for this change order request is based upon a review of the original contract, our services provided to date, and our understanding of the remaining work. We appreciate this opportunity to be of continuing service.

Respectfully submitted, NINYO & MOORE

401934001-Havenscourt Cafeteria-CHANGE ORDER REQUEST

1 message

Ruchil Shah < rshah@ninyoandmoore.com>
To: Eric Scheuermann <eric.scheuermann@ousd.k12.ca.us>

Thu, Dec 27, 2012 at 1:49 PM

Eric,

As we discussed earlier and per my voice message I left you today, attached is a Change Order Request No.1 for Havenscourt Cafeteria and Classroom Building project. I explained several reasons in our change order regarding the need of this additional funds. Below is a summary of change order items.

- · Extended shop and field welding schedule
- · Overtime and weekend inspection work
- · Environmental study, coring, sampling, testing and report at the beginning of the project
- · Rebar placement inspection
- · Five concrete mix design reviews twice (Cemex & Central)

Please feel free to call me to discuss this change order request.

HAPPY HOLIDAYS!

P.S.: I will be on vacation starting next week for three weeks but you can reach me by email and I will respond ASAP.

Thank you,

Ruchil Shah Project Manager Ninyo & Moore

SCHEDULED ADDITIONAL INSURED WRITTEN CONTRACT (ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

NAME OF PERSON(S) OR ORGANIZATION(S):

Oakland Unified School District Attn: Susie Butter Berkley 955 High Street

Oakland, CA 94601-0000

PROJECT/LOCATION OF COVERED OPERATIONS:

NAME OF ADDITIONAL INSURED PERSON(S) OR ORGANIZATION(S) CONT.: Oakland Unified School District, its Directors, Officers, Employees, Agents, and Representatives.

PROVISIONS

 The following is added to SECTION II - WHO IS AN INSURED:

The person or organization shown in the Schedule above is an additional insured on this Coverage Part. but:

- a. Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and
- b. If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies. The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

The insurance provided to such additional insured is limited as follows:

c. In the event that the Limits of Insurance of this Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This endorsement shall not increase the limits of Insurance described in Section III — Limits Of Insurance.

- d. This insurance does not apply to the rendering of or failure to render any "professional services" or construction management errors or omissions.
- e. This insurance does not apply to "bodily in jury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured, and then the insurance provided to that additional insured applies only to such "bodily injury" or "property damage" that occurs before the end of the period of time for which the "written contract requiring insurance" requires you to provide such coverage or the end of the policy period, whichever is earlier.

 The following is added to Paragraph 4.a. of SEC-TION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS:

The insurance provided to the additional insured shown in the Schedule above is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover. However, if you specifically agree in the "written contract requiring insurance" that this insurance provided to the additional insured under this Coverage Part must apply on a primary basis or a primary and non-contributory basis, this insurance is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with that "other insurance". But this insurance provided to the additional insured still is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under any "other insurance".

 The following is added to SECTION IV — COM-MERCIAL GENERAL LIABILITY CONDITIONS:

Duties Of An Additional Insured

As a condition of coverage provided to the additional insured:

The additional insured must give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:

- How, when and where the "occurrence" or offense took place;
- The names and addresses of any injured persons and witnesses; and
- The nature and location of any injury or damage arising out of the "occurrence" or offense.

- If a claim is made or "sult" is brought against the additional insured, the additional insured must:
 - Immediately record the specifics of the claim or "suit" and the date received; and
 - ii. Notify us as soon as practicable.

The additional Insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.

- c. The additional insured must immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.
- d. The additional insured must tender the defense and indemnity of any claim or "suit" to any provider of other insurance which would cover the additional insured for a loss we cover. However, this condition does not affect whether this insurance provided to the additional insured is primary to that other insurance available to the additional insured which covers that person or organization as a named insured.
- 4. The following is added to the **DEFINITIONS** Section:

"Written contract requiring insurance" means that part of any written contract or agreement with the person or organization shown in the Schedule above, under which you are required to include that person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs and the "personal injury" is caused by an offense committed:

- After the signing and execution of the contract or agreement by you;
- While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.

Memo

To

Board of Education

From

Tony Smith, Ph.d., Superintendent

Timothy White, Associate Superintendent, Facilities Planning and Management

Board Meeting Date

February 13, 2013

Subject

Amendment No. 3, Independent Consultant Agreement for Professional Services
- Ninyo & Moore- Havenscourt New Cafeteria & Classroom Building Project

Action Requested

Approval by the Board of Education of Amendment No. 3, Independent Consultant Agreement for Professional Services with Ninyo & Moore for Special Inspection Services on behalf of the District at Havenscourt New Cafeteria & Classroom Building, in an amount not-to exceed \$3,700.00 increasing previous contract amount from \$130,583.65 to a not to exceed amount of \$134,283.65 and revising the end date from June 30, 2011 through December 31, 2012 to December 31, 2014. All remaining portions of the agreement shall remain in full force and effect as originally stated.

Background

The Division of State Architect requires independent T&I to ensure compliance with in-house review and CBC requirements.

Local Business Participation Percentage 100.00%

Strategic Alignment

Among the key purposes of the District's Facilities Master Plan is to provide an academic environment for the Oakland community that will give every student, educator, and community member using our facilities the best possible opportunity for learning.

Through implementation of the Facilities Master Plan, the District intends to improve the District's facilities in terms of structural integrity, safety, reliability of operating (mechanical) systems, access to modern resources,

number and type of appropriate laboratories and specialized instruction rooms, opportunities for physical education, and attractiveness, such that the Oakland Public Schools are second to none. Operation of the District schools under the planned approach is intended to ensure safety, cleanliness, and orderliness for all individuals participating in the learning process.

The basic facility needs of students such as proper lighting, functional roofs, noise control and well maintained buildings, not only convey the message that we value our students and teachers but may foster a sense of school pride and community ownership which may improve attitudes towards learning. The implementation of the Facilities Master Plan is our first step in that direction.

Recommendation

Approval by the Board of Education of Amendment No. 3, Independent Consultant Agreement for Professional Services with Ninyo & Moore for Special Inspection Services on behalf of the District at Havenscourt New Cafeteria & Classroom Building, in an amount not-to exceed \$3,700.00 increasing previous contract amount from \$130,583.65 to a not to exceed amount of \$134,283.65 and revising the end date from June 30, 2011 through December 31, 2012 to December 31, 2014. All remaining portions of the agreement shall remain in full force and effect as originally stated.

November 15, 2012 Proposal No. P-81826 B

Mr. Eric Scheuermann, Project Manager Oakland Unified School District 955 High Street Oakland, California 94601

Subject:

Proposal for Geotechnical Observation.

Materials Testing and Special Inspection Services

Havenscourt Middle School Phase 3 - Lunch Shelter Project

1390 66th Avenue, Oakland, California

OUSD Project No.: 07030; DS A Application No.:01-112954; File No.:1-29

Dear Mr. Scheuermann:

In accordance with your request, Ninyo & Moore is pleased to provide this proposal to perform Geotechnical Observation, Materials Testing & Special Inspection Services for the Havenscourt Middle School Phase 3 - Lunch Shelter project located at 1390 66th Avenue in Oakland, California. This proposal provides our cost estimate and scope of services based on our review of the DSA approved project plans, DSA-103 form, California Building Code, Title 24, and on our experience performing services on similar projects.

PROJECT UNDERSTANDING

From the review of available project documents, we understand that Havenscourt Middle School Lunch Shelter project consists of eight drilled plers with tube steel column and metal roof with solar panels.

SCOPE OF MATERIAL TESTING AND SPECIAL INSPECTION SERVICES

Specific to this contract, Ninyo & Moore is capable and experienced in providing the needed testing and inspection services. Based on our review of the project documents we will provide the following scope of services.

SCOPES OF FIELD SERVICES INCLUDE:

- Geotechnical Services include:
 - A review of the drilled pier recommendations provided by the existing geotechnical report to satisfy the Geotechnical Engineer-of-Record status.
 - o Geotechnical observation for installation of drilled piers.
 - Preparation of daily field reports and reports of laboratory testing results, which will be issued to the Oakland Unified School District and their designated project team.
 - Preparation of a summary report which presents the results of our field observations, compaction testing, and laboratory testing, including our conclusions regarding compliance with the project plans and specifications.
- Structural concrete sampling and transporting test specimens to the laboratory for compression testing;
- Periodic batch plant inspection;
- Other Management Oversight and Technical Support.

SCOPES OF LABORATORY SERVICES INCLUDE:

Compressive strength testing of concrete.

ASSUMPTIONS

- Our services will be scheduled, and coordinated by the District's Project Inspector.
- The contractor and subcontractors will maintain a 40-hour work week during normal daytime work hours; and that weekend and overtime work has not been included in this cost proposal.
- We assume our services are subject to California prevailing wage law.
- It will not be necessary to sign a labor agreement with the Operating Engineers Union for this project, nor will Ninyo & Moore's technicians and inspectors need to be members of the Union.
- Site visits made by professional staff and our field technicians will be billed on a portal-toportal basis, on a 2-hour minimum with a 4-hour increment.
- The DSA Project Inspector will perform inspection services including:
 - Placement of reinforcing steel, formwork and embedded elements
 - o Placement of concrete

P-61826 B

- Periodic concrete batch plant inspection will be required/performed during structural concrete pours; however, this was not noted on the DSA-103 sheet. Our proposal includes this service.
- Steel shop will be providing structural steel fabrication and welding inspection. Our cost estimate does not include shop fabrication and shop welding inspection. Therefore, we are not responsible for any shop fabrication and shop welding work.
- Services that are not included will be provided upon the District's written request.
- Additional laboratory testing will be provided upon request and written approval, and will be billed at the rates listed on our current fee schedule.

PROPOSED ESTIMATED COST

SEE APPENDIX "A" FOR BREAKDOWN OF FEES

Task	Summary of Estimated Fees for Geotechnical Observation Materials Testing and Inspection Services	Estimated Fees			
1	Consultation and Project Management	\$1,058			
2	Field Services	\$1,680			
3	Materials Testing	\$120			
4	Final Verified Report Preparation	\$842			
	Amendment required for the Phase 3	\$3,700			

ESTIMATE OF FEES

Our proposed time-and-materials fee estimate of phase 3 project for drilled pier observation, construction materials testing and special inspection services associated with this project, based on the scope of services as described above, is \$3,700 (Three Thousand Seven Hundred Dollars). A detailed estimate of fees is attached. Please note that at the time our estimate was calculated, a construction schedule was not available. Should the construction schedule require a lesser or greater amount of services than that estimated herein, the cost would vary accordingly. The actual cost of our services will depend largely on the requested site visits for our services, as well as impact of weather and work stoppages, all of which are beyond our control. When possible, we will combine inspection and testing services to reduce the cost of our services.

We will provide services on an as-needed basis and will require 24 hours notice for scheduling inspection and testing visits. Construction services are billed portal-to-portal from our Oakland office.

We sincerely appreciate being a part of the OUSD project team to implement this important Facility Bond program and very much look forward to the opportunity to continue to work with you on this project.

Sincerely, NINYO & MOORE

Ruchil R. Shah - Sr. Staff Engineer

NOTES (Field Services)

For field and laboratory technicians and special inspectors, regular hourly rates are charged during normal weekday construction hours. Overtime rates at 1.5 times the regular rates will be charged for work performed outside normal construction hours and all day on Saturdays. Rates at twice the regular rates will be charged for all work in excess of 12 hours in one day or on Sundays and holidays. Lead time for any requested service is 24 hours. Field Technician rates are based on a 4-hour minimum. Special inspection rates are based on a 4-hour minimum for the first 4 hours and an 8-hour minimum for hours exceeding 4 hours. Field personnel are charged portal to portal.

INVOICES

Invoices will be submitted monthly and are due upon receipt. A service charge of 1.0 percent per month may be charged on accounts not paid within 30 days.

TERMS AND CONDITIONS

The terms and conditions of providing our consulting services include our limitation of liability and indemnities as presented in Ninyo & Moore's Work Authorization and Agreement.

THIS ENDORSEMENT CHANGES THE POLICY, PLEASE READ IT CAREFULLY.

SCHEDULED ADDITIONAL INSURED WRITTEN CONTRACT (ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

NAME OF PERSON(S) OR ORGANIZATION(S):

Oakland Unified School District Attn: Susie Butler Berkley 955 High Street

Oakland, CA 94601-0000

PROJECT/LOCATION OF COVERED OPERATIONS:

Oakland Unified School District, its Directors, Officers, Employees, Agents, and Representatives.

PROVISIONS

 The following is added to SECTION II - WHO IS AN INSURED:

The person or organization shown in the Schedule above is an additional insured on this Coverage Part, but:

- Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and
- b. If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies. The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

The insurance provided to such additional insured is limited as follows:

c. In the event that the Limits of Insurance of this Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This endorsement shall not increase the limits of Insurance described in Section III — Limits Of Insurance.

- d. This insurance does not apply to the rendering of or failure to render any "professional services" or construction management errors or omissions.
- e. This insurance does not apply to "bodily in jury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured, and then the insurance provided to that additional insured applies only to such "bodily injury" or "property damage" that occurs before the end of the period of time for which the "written contract requiring insurance" requires you to provide such coverage or the end of the policy period, whichever is earlier.

COMMERCIAL GENERAL LIABILITY

 The following is added to Paragraph 4.a. of SEC-TION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS:

The insurance provided to the additional insured shown in the Schedule above is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover. However, if you specifically agree in the "written contract requiring insurance" that this insurance provided to the additional insured under this Coverage Part must apply on a primary basis or a primary and non-contributory basis, this insurance is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with that "other insurance". But this insurance provided to the additional insured still is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under any "other insurance".

 The following is added to SECTION IV — COM-MERCIAL GENERAL LIABILITY CONDITIONS:

Duties Of An Additional Insured

As a condition of coverage provided to the additional insured:

The additional insured must give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:

- How, when and where the "occurrence" or offense took place;
- The names and addresses of any injured persons and witnesses; and
- The nature and location of any injury or damage arising out of the "occurrence" or offense.

- b. If a claim is made or "suit" is brought against the additional insured, the additional insured must:
 - Immediately record the specifics of the claim or "suit" and the date received; and
 - ii. Notify us as soon as practicable.

The additional insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.

- c. The additional insured must immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.
- d. The additional insured must tender the defense and indemnity of any claim or "suit" to any provider of other insurance which would cover the additional insured for a loss we cover, However, this condition does not affect whether this insurance provided to the additional insured is primary to that other insurance available to the additional insured which covers that person or organization as a named insured.
- 4. The following is added to the DEFINITIONS Section:

"Written contract requiring insurance" means that part of any written contract or agreement with the person or organization shown in the Schedule above, under which you are required to include that person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs and the "personal injury" is caused by an offense committed:

- After the signing and execution of the contract or agreement by you;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.

WAIVER OF OUR RIGHT TO RECOVER FROM OTHERS ENDORSEMENT - CALIFORNIA

We have the right to recover our payments from anyone liable for an injury covered by this policy. We will not enforce our right against the person or organization named in the Schedule. (This agreement applies only to the extent that you perform work under a written contract that requires you to obtain this agreement from us.)

You must maintain payroll records accurately segregating the remuneration of your employees while engaged in the work described in the Schedule.

The additional premium for this endorsement shall be % of the California workers' compensation premium otherwise due on such remuneration.

To

Board of Education

From

Tony Smith, Ed.D., Superintendent

Timothy White, Associate SuperIntendent, Facilities Planning and Management

Board Meeting Date

April 25, 2012

Subject

Amendment No. 2, Independent Consultant Agreement for Professional Services
- Ninyo & Moore- Havenscourt New Cafeteria & Classroom Building Project

Action Requested

Approval by the Board of Education of Amendment No. 2, Independent Consultant Agreement for Professional Services with Ninyo & Moore for Special Inspection Services on behalf of the District at Havenscourt New Cafeteria & Classroom Building, in an amount not-to exceed \$112,118.65 increasing previous contract amount from \$18,465.00 to a not to exceed amount of \$130,583.65 and revising the end date from August 12, 2010 through June 30, 2011 to December 31, 2012. All remaining portions of the agreement shall remain in full force and effect as originally stated.

Background

The Division of State Architect requires independent T&I to ensure compliance with in-house review and CBC requirements.

Local Business Participation Percentage 100.00%

Strategic Alignment

Among the key purposes of the District's Facilities Master Plan is to provide an academic environment for the Oakland community that will give every student, educator, and community member using our facilities the best possible opportunity for learning.

Through implementation of the Facilities Master Plan, the District intends to improve the District's facilities in terms of structural integrity, safety, reliability of operating (mechanical) systems, access to modern resources,

number and type of appropriate laboratories and specialized instruction rooms, opportunities for physical education, and attractiveness, such that the Oakland Public Schools are second to none. Operation of the District schools under the planned approach is intended to ensure safety, cleanliness, and orderliness for all individuals participating in the learning process.

The basic facility needs of students such as proper lighting, functional roofs, noise control and well maintained buildings, not only convey the message that we value our students and teachers but may foster a sense of school pride and community ownership which may improve attitudes towards learning. The implementation of the Facilities Master Plan is our first step in that direction.

Recommendation

Approval by the Board of Education of Amendment No. 2, Independent Consultant Agreement for Professional Services with Ninyo & Moore for Special Inspection Services on behalf of the District at Havenscourt New Cafeteria & Classroom Building, in an amount not-to exceed \$112,118.65 increasing previous contract amount from \$18,465.00 to a not to exceed amount of \$130,583.65 and revising the end date from August 12, 2010 through June 30, 2011 to December 31, 2012. All remaining portions of the agreement shall remain in full force and effect as originally stated.

March 8, 2012 Proposal No. P-81826

Mr. Eric Scheuermann, Project Manager Oakland Unified School District 955 High Street Oakland, California 94601

Subject:

Proposal for Geotechnical Observation,

Materials Testing and Special Inspection Services

Havenscourt Middle School New Classroom and Cafeteria Building Phase 2 Project

1390 66th Avenue, Oakland, California

OUSD Project No.: 07030; DSA Application No.:01-111714; File No.:1-29

Dear Mr. Scheuermann:

In accordance with your request, Ninyo & Moore is pleased to provide this proposal to perform Geotechnical Observation, Materials Testing & Special Inspection Services for the Havenscourt Middle School New Classroom and Cafeteria Building project located at 1390 66th Avenue in Oakland, California. This proposal provides cost estimate and scope of services based on our review of the DSA approved project plans and specifications, DSA-103 form, the Specifications, California Building Code, Title 24, and on our experience performing services on similar projects.

PROJECT UNDERSTANDING

From review of the available project documents, we understand that Havenscourt Middle School New Classroom and Cafeteria Building Phase 2 project consists of demolition of an existing 1-story cafeteria, site preparation and construction of a new 22,504 square foot, 2-story steel frame building with elevator, Ground floor will consist of cafeteria; kitchen and dining while second level will consist of six classrooms and restrooms. The building will have mat slab foundation, retaining wall and structural steel framing.

SCOPE OF MATERIAL TESTING AND SPECIAL INSPECTION SERVICES

Specific to this contract, Ninyo & Moore is capable and experienced in providing the needed testing and inspection services. Based on our review of the project documents we will provide the following scope of services.

SCOPES OF FIELD SERVICES INCLUDE:

- Geotechnical Services include:
 - Review existing geotechnical report and provide recommendation to satisfy the Geotechnical Engineer-of-Record.
 - Geotechnical field services to evaluate suitability of the exposed subgrade prior to placement of fill, aggregate base, or pavers, and to provide supplemental geotechnical recommendations, on an as-needed basis.
 - Field technician services for earthwork observation, documentation, sampling, and inplace density testing during subgrade preparation.
 - Laboratory testing of construction materials sampled in the field, including soils, and aggregates. Our anticipated tests include modified Proctor density, optimum moisture content, and sieve analysis.
 - Pick-up and transport construction material samples for testing at our laboratory.
 - Preparation of daily field reports and reports of laboratory testing results, which will be issued to the Oakland Unified School District and their designated project team.
 - Preparation of a summary report which presents the results of our field observations, compaction testing, and laboratory testing, including our conclusions regarding compliance with the project plans and specifications.
- Reinforcing steel material ID, tag, sample;
- Structural concrete sampling and transporting test specimens to the laboratory for compression testing;
- Periodic batch plant inspection;
- Structural steel welding including ultrasonic testing shop and field operations;
- High strength bolts field Inspection and lab testing;
- Anchors/dowels testing at frequencies and values noted on the Structural drawings;
- Other Management Oversight and Technical Support.

SCOPES OF LABORATORY SERVICES INCLUDE:

- Modified proctor density;
- Optimum moisture content;
- Compressive strength testing of concrete;
- · Reinforcing steel tensile and bend tests;
- High strength bolts hardness, wedge and proof load tests.

ASSUMPTIONS

- Our services will be scheduled, and coordinated by the District's Project Inspector.
- The contractor and subcontractors will maintain a 40-hour work week during normal daytime work hours; and that weekend and overtime work has not been included in this cost proposal.
- We assume our services are subject to California prevailing wage law.
- It will not be necessary to sign a labor agreement with the Operating Engineers Union for this project, nor will Ninyo & Moore's technicians and inspectors need to be members of the Union.
- Site visits made by professional staff and our field technicians will be billed on a portal-toportal basis, with a 2- hour minimum.
- The DSA Project Inspector will perform inspection services including:
 - Placement of reinforcing steel, formwork and embedded elements;
 - Placement of concrete:
 - Installation of post-installed anchors.
- Periodic concrete batch plant inspection will be required/performed during structural concrete pours; however, this was not noted on the DSA-103 sheet. Our proposal includes this service.
- Reinforcing steel identification, sampling, tagging and associated laboratory testing will be required/performed for structural concrete and masonry elements. Our proposal includes this service.
- Since steel shop schedules are not available, we anticipate a local Bay Area fabricator will
 be utilized for the structural and miscellaneous steel. We have based our estimate for shop
 welding inspection services on this and our prior experience with similar types of projects.
- Services that are not included will be provided upon the District's written request.
- Additional laboratory testing will be provided upon request and written approval, and will be billed at the rates listed on our current fee schedule.

PROPOSED ESTIMATED COST

SEE APPENDIX "A" FOR BREAKDOWN OF FEES

Task	Summary of Estimated Fees for Geotechnical Observation Materials Testing and Inspection Services	Estimated Fees
1,	Geotechnical Services	\$23,988
2.	Structural Concrete	\$26,600
3.	Structural Steel and Welding	\$52,695
4.	Load Testing Post-Installed Anchors/Dowels	\$4,424
5.	Management, Admin Support, Prepare and issue Final Report	\$7,340
	Estimated Fees required for Phase 2	\$117,047
	Estimated budget remaining from Phase 1	\$4,928.35
	Amendment required for the Phase 2	\$112,118.65

ESTIMATE OF FEES

Our proposed time-and-material fee estimate of phase 2 project for geotechnical observation, construction materials testing and special inspection services associated with this project, based on the scope of services as described above, is \$117,047 (One Hundred Seventeen Thousand and Forty Seven Dollars). Since, we estimate \$4,328.35 remaining from the phase 1 project that could be applied towards the phase 2 project, we request an Amendment Two of \$112,118.65 (One Hundred and Twelve Thousand, One Hundred and Eighteen Dollars and Sixty-Five Cents) for the subject project. A detailed estimate of fees is attached. Please note that a construction schedule was not available at the time our estimate was calculated. Should the construction schedule require a lesser or greater amount of services than that estimated herein, the cost would vary accordingly. The actual cost of our services will depend largely on the requested site visits for our services, as well as impact of weather and work stoppages, all of which are beyond our control. When possible, we will combine inspection and testing services to reduce the cost of our services.

We will provide services on an as-needed basis and will require 24 hours notice for scheduling inspection and testing visits. Construction services are billed portal-to-portal from our Oakland office.

We sincerely appreciate being a part of the OUSD project team to implement this important Facility Bond program and very much look forward to the opportunity to continue to work with you on this project.

Sincerely,

NINYO & MOORE

Ruchil R. Shah

Sr. Staff Engineer

Terence K. Wang PE, GE Principal Engineer

NOTES (Field Services)

For field and laboratory technicians and special inspectors, regular hourly rates are charged during normal weekday construction hours. Overtime rates at 1.5 times the regular rates will be charged for work performed outside normal construction hours and all day on Saturdays. Rates at twice the regular rates will be charged for all work in excess of 12 hours in one day or on Sundays and holidays. Lead time for any requested service is 24 hours. Field Technician rates are based on a 2-hour minimum. Special inspection rates are based on a 4-hour minimum for the first 4 hours and an 8-hour minimum for hours exceeding 4 hours. Field personnel are charged portal to portal

INVOICES

Invoices will be submitted monthly and are due upon receipt. A service charge of 1.0 percent per month may be charged on accounts not paid within 30 days.

TERMS AND CONDITIONS

The terms and conditions of providing our consulting services include our limitation of liability and indemnities as presented in Ninyo & Moore's Work Authorization and Agreement

SCHEDULED ADDITIONAL INSURED - WRITTEN CONTRACT (ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

NAME OF PERSON(S) OR ORGANIZATION(S):

Oakland Unified School District, its Directors, Officers, Employees, Agents, and Representatives.

PROJECT/LOCATION OF COVERED OPERATIONS: All Operations of the Named Insured.

PROVISIONS

 The following is added to SECTION II - WHO IS AN INSURED:

The person or organization shown in the Schedule above is an additional insured on this Coverage Part, but:

- Only with respect to liability for "bodily injury", "property damage or "personal injury" and
- b. If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies. The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

The insured provided to such additional insured is fimited as follows:

c. In the event that the Limits of Insurance of this Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This

endorsement shall not increase the limits of insurance described in Section III — Limits Of Insurance.

- d This insurance does not apply to the rendering of or failure to render any "professional services" or construction management errors or omissions.
- e. This insurance does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured, and then the insurance provided to that additional insured applies only to such "bodlly injury" or "property damage" that occurs before the end of the period of time for which the "written contract requiring insurance" requires you to provide such coverage or the and of the policy period, whichever is earlier.
- The following is added to Paragraph 4.a. of SECTION IV — COMMERCIAL GENERAL LIABILITY CONDITIONS:

The insurance provided to the additional insured shown in the Schedule above is excess over any valid and collectible "other

CG D4 16 05 08

COMMERICAL GENERAL LIABILITY

insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover. However, if you specifically agree in the "written contract requiring insurance" that this insurance provided to the additional insured under this Coverage Part must apply on a primary basis or a primary and non-contributory basis, this insurance is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with that "other insurance". But this insurance provided to the additional insured still is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under any "other insurance".

 The following is add to SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

Duties Of An Additional Insured

As a condition of coverage provided to the additional insured:

- a. The additional insured must give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:
 - How, when and where the "occurrence" or offense took place;
 - ii. The names and addresses of any injured persons and witnesses and
 - The nature and location of any injury or damage arising out of the "occurrence" or offense.

- b. If a claim is made or "suit" is brought against the additional insured, the additional insured must:
 - Immediately record the specifics of the claim or "suit" and the date received; and
 - ii. Notify us as soon as practicable.

The additional insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.

- c. The additional insured must immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.
- d The additional insured must tender the defense and Indemnity of any claim or "suit" to any provider of other Insurance which would cover the additional insured for a loss we cover. However, this condition does not affect whether this insurance provided to the additional insured is primary to that other insurance available to the additional insured which covers that person or organization as a named insured.
- 4 The following definition is added to the DEFINITIONS Section:

"Written contract requiring insurance" means that part of any written contract or agreement with the person or organization shown in the Schedule above, under which you are required to include that person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs and the "personal injury" is caused by an oflense committed:

- After the signing and execution of the contract or agreement by you;
- b While that part of the contract or agreement is in effect; and
- c Before the end of the policy period

Memo

To

Board of Education

From

Tony Smith, Ed.D., Superintendent

Timothy White, Assistant Superintendent, Facilities Planning and Management

Board Meeting Date

June 22 2011

Subject

Amendment No. 1 - Ninyo & Moore - Havenscourt New Classroom Project

Action Requested

Approval by Board of Education of Amendment No. 1 with Ninyo & Moore for Additional compliance and testing services on behalf of the District for the Havenscourt New Classroom Project, increasing the contract by a not to exceed amount of \$13,410.00, increasing previous contract amount from \$5,055.00 to a not to exceed amount of \$18,465.00. All remaining portions of the agreement shall remain in full force and effect as originally stated.

Background

DSA Requires independent T&I to ensure compliance with in-house review and CBC requirements.

Local Business Participation Percentage

100,00%

Strategic Alignment

Among the key purposes of the District's Facilities Master Plan is to provide an academic environment for the Oakland community that will give every student, educator, and community member using our facilities the best possible opportunity for learning.

Through implementation of the Facilities Master Plan, the District intends to improve the District's facilities in terms of structural integrity, safety, reliability of operating (mechanical) systems, access to modern resources, number and type of appropriate laboratories and specialized instruction rooms, opportunities for physical education, and attractiveness, such that the Dakland

Public Schools are second to none. Operation of the District schools under the planned approach is intended to ensure safety, cleanliness, and orderliness for all individuals participating in the learning process.

The basic facility needs of students such as proper lighting, functional roofs, noise control and well maintained buildings, not only convey the message that we value our students and teachers but may foster a sense of school pride and community ownership which may improve attitudes towards learning. The implementation of the Facilities Master Plan is our first step in that direction.

Recommendation

Approval by Board of Education of Amendment No. 1 with Ninyo & Moore for Additional compliance and testing services on behalf of the District for the Havenscourt New Classroom Project, increasing the contract by a not to exceed amount of \$13,410.00, increasing previous contract amount from \$5,055.00 to a not to exceed amount of \$18,465.00. All remaining portions of the agreement shall remain in full force and effect as originally stated.

Fiscal Impact

The funding source for this project is General Obligation Bond-Measure A/C

EXHIBIT "A" Scope of Work

DESCRIPTION OF SERVICES TO BE PERFORMED BY CONTRACTOR

CONTRACTOR's entire Proposal is **not** made part of this Agreement.

SCOPE OF WORK

Contractor Name: Ninyo & Moore

Billing Rate: Thirteen Thousand Four Hundred and Ten Dollars (\$13,410.00)

Description of Services to be Provided

Ninyo & Moore will provide a maximum of 38 hours of services at a rate of (see Appendix "A" P-81724) per hour for a total not to exceed total amended amount of \$13,410.00, including all labor and materials.

1. Goals or Objectives

DSA Requires independent T&I to ensure compliance with in-house review and CBC requirements.

2. Description of Services to be Provided

The services are to provide material testing and inspection services for the Havenscourt Interim Dining Project, phase 3.

3. Deliverables

Please refer to the attached proposal No. P-81724 for a breakdown and explanation of services.

May 16, 2011 Proposal No. P-81724

Mr. Eric Scheuermann – Project Manager
OUSD Facilities Planning and Management
955 High St.
Oakland, California 94601

DRAFT

Subject:

Respond to request for proposal to provide:

Materials Testing and Special Inspection Services,

Interim Dining & Site Utilities Project at Havenscourt Middle School

1390 66th Avenue, Oakland, CA. 94621

OUSD Project # 07030-2

Dear Mr. Scheuermann:

Ninyo & Moore is pleased to submit this for proposal to provide materials testing and special inspection services for Havenscourt Middle School Interim Dining project listed above. This proposal provides cost estimates based on our review of the project plans, as stipulated in the California Building Code, Title 24, and our previous experience with similar projects of this nature.

The purpose of our services will be to provide you with field and laboratory data and information in order to assess compliance with the project plans and specifications. Included in this proposal is a discussion of our understanding of the project, the scope of services we can provide, and associated fees.

PROJECT UNDERSTANDING AND PROPOSED CONSTRUCTION

It is our understanding that this project will consist of selected site demolition, the installation of 4 portable buildings, approximately 1200 feet of new underground utilities lines, associated trenching, backfilling, and compaction. In addition to installing new asphalt concrete pavement, concrete cast in place, chain link fencing, gates, sanitary sewer systems, plumbing, fire protection and alarm and data communication lines.

The proposed portable buildings are expected to include a:

- Relocatable Kitchen Truck (8'x20')
 Relocatable Serving Unit (24'x40')
- Relocatable Restroom (12'x32')
- 4. Relocatable Dining Unit (40'x48')

SCOPE OF SERVICES

We understand the Project Inspector will coordinate our services on an as-needed basis. Based on our review of the project documents and our experience with similar projects, we anticipate our scope of services to include:

- Managing the project, including review and distribution of test data and daily field inspection reports.
- Performing field observation and in-place density testing on a full-time basis during utility trench backfilling operations.
- Performing field observation and in-place density testing during placement of aggregate base, and asphalt concrete.
- Laboratory testing of the materials used for fill, backfill, and pavement section, that may include Proctor density and optimum moisture content and Hveem stability and unit weight. Tests in addition to these may be performed, as appropriate.
- Reviewing concrete mix designs and welding procedures submitted by the contractor for compliance with the project documents.
- Sampling and labeling of construction materials such as reinforcing steel and high strength bolts.
- Performing visual inspection by our AWS/CWI-credentialed special inspector of structural steel site assembly and field welding.

- Batch plant inspection during production of structural concrete including checking mix design, monitoring batch weights, and communications with on-site personnel.
- Sampling of fresh concrete by our ACI-credentialed field technician, including measuring
 and recording slump, temperature, and batch times. One set of four cylinders will be cast
 for every 50 cubic yards of concrete placed or fraction thereof, per day.
- Pull and/or load testing by our technician of post-installed anchors.
- Laboratory testing of reinforcing steel and compressive strength of concrete.
- Preparing daily reports and test data sheets.
- Preparing Division of the State Architect (DSA) Final Verified Reports.

ASSUMPTIONS

- Based on our experience with similar projects, the following assumptions have been made in the preparation of our scope of services and fee estimate:
- The contractor and subcontractors will maintain a 40-hour workweek during normal daytime
 work hours; and that weekend and overtime work has not been included in this
 cost proposal.
- The Project Inspector will inspect reinforcing steel, concrete placement, and installation of epoxy dowels and wedge anchors.
- We assume our services are subject to California prevailing wage law.
- Site visits made by professional staff and our field technicians will be billed on a portal-to-portal basis, with a 1-hour minimum.

ESTIMATED FEE

We propose to provide materials testing services on time-and-materials. Our estimated fee for the scope of services described herein is approximately \$11,175 (Eleven Thousand One Hundred Seventy Five Dollars) for the base scope of services. A detailed breakdown of our estimated fee is presented in the attached Appendix "A".

AUTHORIZATION

It is our understanding that this work will be completed under the contract terms between the District and Ninyo & Moore. If this proposal meets with your approval please provide a copy of the contract for our review and signature.

We appreciate the opportunity to present this proposal and look forward to working with you on this project. If you have any questions or require additional information, please contact us at (510) 633-5640.

Our goal at every point is to complete the assignment on-time, within budget, and to the satisfaction of our clients.

Respectfully Submitted,

NINYO & MOORE

Memo

To

Board of Education

From

Tony Smith, Ed.D., Superintendent

Timothy White, Assistant Superintendent, Facilities Planning and Management

Board Meeting Date

August 11, 2010

Subject

Professional Services Contract - Ninyo & Moore - Havenscourt New Classroom &

Cafeteria Building Project

Action Requested

Approval by the Board of Education for a Professional Services Agreement with Ninyo & Moore to provide material testing and inspection services for the Havenscourt Phase 1 Temporary Classroom Project on behalf of the District, at Havenscourt, in an amount not-to-exceed \$5,055.00. The term of this Agreement shall commence on August 12 and shall conclude no later than June 30, 2011.

Background

Division of State Architect requires independent testing and inspection to ensure compliance with in-house review and California Building Code (CBC) requirements.

Local Business
Participation
Percentage

100.00% (Sole Source)

Strategic Alignment

Among the key purposes of the District's Facilities Master Plan is to provide an academic environment for the Oakland community that will give every student, educator, and community member using our facilities the best possible opportunity for learning.

Through implementation of the Facilities Master Plan, the District intends to improve the District's facilities in terms of structural integrity, safety, reliability of operating (mechanical) systems, access to modern resources, number and type of appropriate laboratories and specialized instruction rooms, opportunities for physical education, and attractiveness, such that the Oakland Public Schools are second to none. Operation of the District schools under the planned approach is intended to ensure safety, cleanliness, and orderliness for all individuals participating in the learning process.

The basic facility needs of students such as proper lighting, functional roofs, noise control and well maintained buildings, not only convey the message that

we value our students and teachers but may foster a sense of school pride and community ownership which may improve attitudes towards learning. The implementation of the Facilities Master Plan is our first step in that direction.

Recommendation

Approval by the Board of Education for a Professional Services Agreement with Ninyo & Moore to provide material testing and inspection services for the Havenscourt Phase 1 Temporary Classroom Project on behalf of the District, at Havenscourt, in an amount not to-exceed \$5,055.00. The term of this Agreement shall commence on August 12 and shall conclude no later than June 30, 2011.

Fiscal Impact

The funding source for this project is GO Bond Measure B.

Professional Services Contract including scope of work

Key Code:

2079901812-6265

PROFESSIONAL SERVICES FACILITIES CONTRACT

This Agreement is entered into between the Oakland Unified School District (OUSD) and Ninyo & Moore (Contractor). OUSD is authorized by Government Code Section 53060 to contract for the funishing of special services and advice in financial, economic, accounting, engineering, legal, and administrative matters with persons specially trained, experienced, and competent to perform such services. CONTRACTOR is specially trained, experienced, and competent to provide such services. The parties agree as follows:

- Services: The CONTRACTOR shall provide the services as described in Exhibit "A," attached hereto and incorporated herein by this reference ("Services" or "Work").
- Terms: CONTRACTOR shall commence work on August 12, 2010. The work shall be completed no later than June 30, 2011.
- 3. Compensation: OUSD agrees to pay CONTRACTOR for services satisfactorily rendered pursuant to this Agreement a total fee not to exceed Five thousand and fifty-five dollars and no cents (\$5,055.00). This sum shall be for full performance of this Agreement and includes all fees, costs, and expenses incurred by Contractor Including, but not limited to, labor, materials, taxes, profit, overhead, travel, Insurance, subcontractor costs, and other costs.

If CONTRACTOR will be compensated hourly for services provided under this Contract, CONTRACTOR shall describe in Exhibit "A," attached hereto, the specific scope of services to be delivered on an hourly basis to OUSD.

Payment for the Work shall be made for all undisputed amounts in monthly installment payments within forty-five (45) days after the CONTRACTOR submits an invoice to OUSD for Work actually completed and after OUSD's written approval of the Work, or the portion of the Work for which payment is to be made. Invoices furnished by CONTRACTOR under this Agreement must be in a form acceptable to OUSD. All amounts paid by OUSD shall be subject to audit by OUSD.

The granting of any payment by OUSD, or the receipt thereof by CONTRACTOR, shall in no way lessen the liability of CONTRACTOR to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by District and in that case must be replaced by CONTRACTOR without delay.

- 4. Submittal of Documents: CONTRACTOR shall not commence the Work under this Contract until CONTRACTOR has submitted and OUSD has approved the certificate(s) and affidavit(s), and the endorsement(s) of insurance required as indicated below:
 - Signed Agreement
 - Workers' Compensation Certification
 - Insurance Certificates and Endorsements
- Equipment and Materials: CONTRACTOR shall provide all equipment, materials, and supplies necessary for the performance of the Agreement except: NA
- 6. CONTRACTOR Qualifications / Performance of Services.
 - a. CONTRACTOR Qualifications. CONTRACTOR is specially trained, experienced, competent and fully licensed to provide the Services required by this Agreement in conformity with the laws and regulations of the State of California, the United States of America, and all local laws, ordinances and regulations, as they may apply.
 - b. Standard of Care. CONTRACTOR represents that CONTRACTOR has the qualifications and ability to perform the Services in a professional manner, without the advice, control, or supervision of OUSD. CONTRACTOR's services will be performed, findings obtained, reports and recommendations prepared in accordance with generally and currently accepted principles and practices of its profession for services to California school districts.
- Notices/Invoicing: All notices and invoices provided for under this Agreement shall be in writing and either personally delivered during normal business hours or sent by U.S. Mail (certified, return receipt requested) with postage prepaid to the other party at the address set forth below:

OUSD Representative:

CONTRACTOR:

Name: Timothy White

Site /Dept.: Facilities Planning and Management

Address: 955 High Street

Oakland, CA 947601

Phone: (510) 879-3664

Phone: (510) 633-5640

Notice shall be effective when received if personally served or, if mailed the days after mailing. Either party must give written notice of a change in address. CONTRACTOR shall submit invoices in a form that includes the name of the person providing the service, the service performed, the date service was rendered, and the hours spent on the work.

8. Status of Contractor: This is not an employment contract. CONTRACTOR, in the performance of this Agreement, shall be and act as an independent contractor. CONTRACTOR understands and agrees that it and all of its employees shall not be considered

- officers, employees, agents, partner, or joint venture of OUSD, and are not entitled to benefits of any kind or nature normally provided employees of OUSD and/or to which OUSD's employees are normally entitled, including, but not limited to, State Unemployment Compensation or Worker's Compensation. CONTRACTOR shall assume full responsibility for payment of all federal, state, and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to CONTRACTOR's employees. In the performance of the work herein contemplated, CONTRACTOR is an independent contractor or business entity, with the sole authority for controlling and directing the performance of the details of the work, OUSD being interested only in the results obtained.
- 9. Local, Small Local and Small Local Resident Business Enterprise Program (L/SL/SLRBE): There is a twenty percent (20%) minimum participation requirement for all professional service contracts over the informal bidding threshold (Public Contract Code Section 20111). Contractors shall comply with the twenty percent (20%) local business participation requirement at a rate of ten percent (10%) local and 10% small local and/or small local resident business participation. The requirement may be wholly satisfied by a City of Oakland certified business. Business entities must be certified by the City of Oakland in order to earn credit toward meeting the twenty percent participation requirement. A copy of the District's S/SL/SLRBE Policy can be obtained for the OUSD website: www.ousd.k12.ca.us
 - a. For purposes of establishing a threshold for determining the application of the L/SL/SLRBE Program only, informal professional service contracts are valued at or under the current year's threshold pursuant to Public Contract Code Section 20111. (For 2009 the threshold is \$76,700, subject to change in 2010). All professional services contracts below the current threshold must include outreach to certified local firms such that a minimum of three local firms are included in the solicitation.
 - In light of the twenty percent L/SL/SLRBE participation requirement for formally bid professional service contracts, good faith effort documentation is not necessary
 - c. Upon satisfying the twenty percent requirement, a Contractor will earn two (2) preference points. Three additional preference points may be earned at a rate of one point for every additional ten percent participation up to fifty percent participation of the total contract dollars attributable to local certified firms.
 - d. Joint Venture and Mentor Protégé Agreements. If a professional services contractor is able to develop a Joint Venture or "Mentor-Protégé" relationship with a certified SLBE or SLRBE, the mentor or Joint Venture partners will enjoy the benefit of credits against the participation requirement. In order to earn credit for Joint Venture or Mentor-Protégé relationships, the Agreement must be submitted for approval by proposal due date for professional services contracts. Joint Venture Applications and elements of a District approved Mentor Protégé relation are available upon request.

10. Insurance:

- 10.1 Without in any way limiting CONTRACTOR's liability under any other section of this Agreement, CONTRACTOR will maintain in force, during the full term of the Agreement, insurance in the following amounts and coverage:
 - 10.1.1 Workers' Compensation Employers' Liability limits not less than each \$1,000,000 each accident, per disease, and aggregate. CONTRACTOR's Workers' Compensation Insurance policy shall contain a Waiver of Subrogation. In the event CONTRACTOR is self-insured, it shall furnish Certificate of Permission to Self-Insure signed by Department of Industrial Relations Administration of Self-Insurance, State of California.
 - 10.1.2 CONTRACTOR's right to self-insure is subject to approval by the District. As a condition to such approval, CONTRACTOR shall submit to the District evidence that CONTRACTOR maintains sufficient financial resources for said self-insurance.
 - 10.1.3 Commercial General Liability Insurance or Business Owners Policy with limits not less than \$1,000,000 each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations. This liability insurance shall include but shall not be limited to protection against claims arising from bodily and personal injury (including death resulting therefrom) and damage to property resulting from CONTRACTOR's or sub-CONTRACTOR's operations.
 - 10.1.4 Comprehensive or Business Owners Automobile Liability Insurance with limits not less than \$1,000,000 each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Owned and Non-owned and hired auto coverage, as applicable.
- 10.2 General Liability and Automobile Liability Insurance policies shall be endorsed to provide the following:
 - 10.2.1 Name as Additional Insured District, its Directors, Officers, Employees, Agents, and Representatives.
 - 10 2.2 That such policies are primary insurance to any other insurance available to the Additional Insured, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought.
- 10.3 All policies shall be endorsed to provide thirty (30) days' advance written notice to District of cancellation, non-renewal or reduction in coverage, and certificates of all policies and endorsements shall be mailed to the following address:

Oakland Unified School District Department of Facilities Planning and Management 955 High Street Oakland, California 94601

- 10.4 Insurance shall be provided by an admitted California insurance company with a current Best's Key Rating of A minus (A-) or better. Should any of the required insurance be provided under a claims-made form. CONTRACTOR shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of four years beyond the Agreement expiration, to the effect that, should occurrences during the Agreement term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.
- 10.5 Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.
- 10.6 Certificates of insurance evidencing all coverage's above shall be furnished to District before commencing any operations under this Agreement, with complete copies of policies promptly upon District request. Approval of the insurance by District shall not relieve or decrease the liability of CONTRACTOR hereunder.
- 10.7 District may, at its sole option, terminate this Agreement immediately, without notice to CONTRACTOR and without opportunity to cure the default, in the event of any lapse of required insurance coverage. District may, at its sole option, secure sufficient insurance coverage to replace any required insurance coverage, which has lapsed, and CONTRACTOR hereby acknowledges its liability to reimburse District for all costs associated with such replacement insurance coverage. CONTRACTOR shall be responsible for any and all uninsured losses.
- 10.8 If CONTRACTOR is an association, joint venture or partnership, the association, joint venture or partnership shall be insured by any one of the following methods:
 - 10.8.1 Separate insurance policies issued with the association, joint venture or partnership as named insured; All insurance policies required by this Agreement of one of the participants to include the association, joint venture or partnership as named insured; The association, joint venture or partnership must be a named insured on all of the policies required by this Agreement.
- 11. Licenses and Permits: CONTRACTOR shall obtain and keep in force all licenses, permits, and certificates necessary for the performance of this Agreement.
- 12. Assignment: The obligations of CONTRACTOR under this Agreement shall not be assigned by CONTRACTOR without the express prior written consent of OUSD.
- 13. Anti-Discrimination. It is the policy of OUSD that in connection with all work performed under Contracts there be no discrimination against any employee engaged in the work because of race, color, ancestry, national origin, religious creed, physical disability, medical condition, marital status, sexual orientation, gender, or age and therefore the CONTRACTOR agrees to comply with applicable Federal and California laws including, but not limited to, the California Fair Employment and Housing Act beginning with Government Code Section 12900 and Labor Code Section 1735 and OUSD policy. In addition, the CONTRACTOR agrees to require like compliance by all its subcontractor(s).
- 14. Drug-Free / Smoke Free Policy. No drugs, alcohol, and/or smoking are allowed at any time in any buildings and/or grounds on OUSD property. No students, staff, visitors, CONTRACTORS, or subcontractors are to use drugs on these sites.
- Indemnification: CONTRACTOR agrees to hold harmless, indemnify, and defend OUSD and its officers, agents, and employees from;
 - a. any and all claims or losses accruing or resulting from injury, damage, or death of any person, firm, or corporation in connection with the performance of this Agreement. CONTRACTOR also agrees to hold harmless, indemnify, and defend OUSD and its elective board, officers, agents, and employees from any and all claims or losses incurred by any supplier, contractor, or subcontractor furnishing work, services, or materials to CONTRACTOR in connection with the performance of this Agreement. This provision survives termination of this Agreement;
 - b. CONTRACTOR shall indemnify, defend, and hold District, its directors, officers, agents, employees and representatives harmless from and against all claims, demands and judgments of any description arising out of or alleged to have arisen out of performance or nonperformance of the services under this Agreement to the extent that such claims, demands and judgments are the result of any error, omission or negligent act of CONTRACTOR or any person employed or agent engaged by CONTRACTOR.
 - c. CONTRACTOR shall place in its sub-contracting / sub-consulting agreements and cause its sub-contractors / sub-CONTRACTORs to agree to indemnities, defense and insurance obligations in the exact form and substance of those contained herein, each naming the District as an additional beneficiary or insured.
- 15. Copyright/Trademark/Patent/Ownership. CONTRACTOR understands and agrees that all matters produced under this Agreement shall become the property of OUSD and cannot be used without OUSD's express written permission. OUSD shall have all right, title and interest in said matters, including the right to secure and maintain the copyright, trademark, and/or patent of said matter in the name of OUSD. CONTRACTOR consents to use of CONTRACTOR's name in conjunction with the sale, use, performance and distribution of the matters, for any purpose and in any medium. These matters include, without limitation, drawings, plans,

- specifications, studies, reports, memoranda, computation sheets, the contents of computer diskettes, artwork, copy, posters, billboards, photographs, videotapes, audiotapes, systems designs, software, reports, diagrams, surveys, source codes or any other original works of authorship, or other documents prepared by CONTRACTOR or its Sub-CONTRACTORs in connection with the Services performed under this Agreement. All works shall be works for hire as defined under Title 17 of the United States Code, and all copyrights in those works are the property of OUSD.
- 17. Suspension of Work: District may, without cause, order CONTRACTOR, in writing, to suspend, delay or interrupt the Work, for such periods of time as District may determine, in its sole discretion. Suspension shall be effected by delivery to CONTRACTOR of notice of suspension specifying the extent to which performance of the Work under the Agreement is suspended, and the date upon which suspension becomes effective, which shall be no less than seven (7) calendar days from the date the notice of suspension is delivered.
- 18. Waiver: No delay or omission by either party in exercising any right under this Agreement shall operate as a waiver of that or any other right or prevent a similar subsequent act from constituting a violation of the Agreement.
- 19. Termination: OUSD may at any time terminate this Agreement upon written notice to CONTRACTOR. OUSD shall compensate CONTRACTOR for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this Agreement for cause should CONTRACTOR fail to perform any part of this Agreement. In the event of termination for cause, OUSD may secure the required services from another contractor. If the cost to OUSD exceeds the cost of providing the services pursuant to this Agreement, CONTRACTOR shall pay the additional cost.
- 20. No Rights in Third Parties. This Agreement does not create any rights in, or inure to the benefit of, any third party except as expressly provided herein.
- 21. OUSD's Evaluation of CONTRACTOR and CONTRACTOR's Employees and/or Subcontractors. OUSD may evaluate the CONTRACTOR's work in any way that OUSD is entitled to do so pursuant to applicable law. The OUSD's evaluation may include, without limitation:
 - Requesting that OUSD employee(s) evaluate the CONTRACTOR and the CONTRACTOR's employees and subcontractors and each of their performance.
 - b. Announced and unannounced observance of CONTRACTOR, CONTRACTOR's employee(s), and/or subcontractor(s).
- 22. Limitation of OUSD Liability. Other than as provided in this Agreement, OUSD's financial obligations under this Agreement shall be limited to the payment of the compensation provided in this Agreement. Notwithstanding any other provision of this Agreement, in no event, shall OUSD be liable, regardless of whether any claim is based on contract or tort, for any special, consequential, indirect or incidental damages, including, but not limited to, lost profits or revenue, arising out of or in connection with this Agreement for the services performed in connection with this Agreement.
- 23. Confidentiality. The CONTRACTOR and all CONTRACTOR's agents, personnel, employee(s), and/or subcontractor(s) shall maintain the confidentiality of all information received in the course of performing the Services. CONTRACTOR understands that student records are confidential and agrees to comply with all state and federal laws concerning the maintenance and disclosure of student records. This requirement to maintain confidentiality shall extend beyond the termination of this Agreement.
- 24. Conflict of Interest. CONTRACTOR shall abide by and be subject to all applicable OUSD policies, regulations, statutes or other laws regarding conflict of interest. CONTRACTOR shall not hire any officer or employee of OUSD to perform any service by this Agreement.
 - CONTRACTOR affirms to the best of his/her/its knowledge, there exists no actual or potential conflict of interest between CONTRACTOR's family, business or financial interest and the services provided under this Agreement, and in the event of change in either private interest or services under this Agreement, any question regarding possible conflict of interest which may arise as a result of such change will be brought to OUSD's attention in writing.
 - Through its execution of this Agreement, CONTRACTOR acknowledges that it is familiar with the provisions of section 1090 *et seq.* and Section 87100 *et seq.* of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provisions. In the event CONTRACTOR receives any information subsequent to execution of this Agreement, which might constitute a violation of said provisions, CONTRACTOR agrees it shall notify OUSD of this information.
- 25. Integration/Entire Agreement of Parties. This Agreement constitutes the entire agreement between the Parties and supersedes all prior discussions, negotiations, and agreements, whether oral or written. This Agreement may be amended or modified only by a written instrument executed by both Parties.
- 26. Littigation: If any littigation is initiated to enforce or interpret this Agreement, the prevailing party shall be entitled to reasonable attorney's fees and costs. This Agreement shall be performed in Oakland, CA and is governed by the laws of the State of California.
- 27. Approval: This Agreement is not effective and no payment shall be made to CONTRACTOR until it is approved. Approval requires signature by the State Administrator, the Board of Education, and/or the Interim Superintendent as their designee
- 28. Signature Authority. Each party has the full power and authority to enter into and perform this Agreement, and the person signing this Agreement on behalf of each Party has been given the proper authority and empowered to enter into this Agreement.
- 29. Counterparts. This Agreement and all amendments and supplements to it may be executed in counterparts, and all counterparts together shall be construed as one document.
- 30. Incorporation of Recitals and Exhibits. The Recitals and each exhibit attached hereto are hereby incorporated herein by reference.

EXHIBIT "A" Scope of Work

DESCRIPTION OF SERVICES TO BE PERFORMED BY CONTRACTOR

CONTRACTOR's entire Proposal is made part of this Agreement.

SCOPE OF WORK

Contractor Name: Ninyo & Moore

Billing Rate: Five thousand and fifty-five dollars and no cents (\$5,055.00).

Description of Services to be Provided

The scope of the project is to provide material testing and inspection services for the Havenscourt Phase 1 Temporary Classroom Project.

The attached proposal is incorporated into the contract to the extent that it is subordinate to and not inconsistent with the contract terms.

DESCRIPTIONS (Continued from Page 1)

GENERAL LIABILITY/AUTOMOBILE LIABILITY ADDITIONAL INSURED: Oakland Unified School District, its Directors, Officers, Employees, Agents, and Representatives.

Insurance is primary per policy form.

Waiver of Subrogation applies to Commercial General Liability, Automobile Liability and Workers Compensation.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED - OWNERS, LESSEES OR CONTRACTORS - SCHEDULED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organziation(s):	Location(s) Of Covered Operations				
Oakland Unified School District Attn: Susie Butler-Berkley 955 High Street Oakland, CA 94601	REF: Havenscourt Phase I Temporary Classroom Project. Material Testing and Inspection Services. GENERAL LIABILITY ADDITIONAL INSURED: Oakland Unified School District, its				

- A. Section II Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:
 - 1. Your acts or omissions; or
 - The acts or omissions of those acting on your behalf;
 - In the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.
- B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

- All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
- That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontrator engaged in performing operations for a principal as a part of the same project.

Directors, Officers, Employees, Agents, and Representatives.

WAIVER OF OUR RIGHT TO RECOVER FROM OTHERS ENDORSEMENT

This endorsement changes the policy to which it is attached effective on the inception date of the policy unless a different date is indicated below.

(The following "attaching clause" needs to be completed only when this endorsement is issued subsequent to preparation of the policy.)

This endorsement forms a part of Policy No. WZP80982095

Issued to: Ninyo & Moore Geotechnical &

By: American Automobile Ins. Co.

Premium (If any) TBD

We have a right to recover our payments from anyone liable for an injury covered by this policy. We will not enforce our right against the person or organization named in the Schedule. (This agreement applies only to the extent that you perform work under a written contract that requires you to obtain this agreement from us).

You must maintain payroll records accurately segregating the remuneration of your employees while engaged in the work described in the Schedule.

The additional premium for this endorsement shall be 2-5% of the California workers compensation premium otherwise due on such remuneration.

WORKERS' COMPENSATION CERTIFICATION

Labor Code Section 3700 in relevant part provides:

Every employer except the State shall secure the payment of compensation in one or more of the following ways:

- By being insured against liability to pay compensation by one or more insurers duly authorized to write compensation insurance in this State.
- By securing from the Director of Industrial Relations a cartificate of consent to self-insure, which may be given upon furnishing
 proof satisfactory to the Director of Industrial Relations of ability to self-insure and to pay any compensation that may become
 due to its employees.

Check only one of the boxes below.
