Re: 2016-2017 OFCY Funding Recommendation

Dear Lauren Markham,

The Oakland Fund for Children and Youth Planning and Oversight Committee (POC) has completed its recommendation for grants for the FY2016-2019 OFCY grant cycle. The 2016-2019 funding package results from the POC's effort to balance a variety of complex issues. Throughout the review process, the Review Committee was committed to the selection of programs that fit with the OFCY Strategic Investment Plan goals and strategies to provide activities identified and services to address specific needs and populations.

Each proposal was scored by reviewers using criteria provided to applicants in the OFCY 2016-2019 Request for Proposals (RFP). An average of reader scores provided a ranking of applications by funding strategy, with funding considerations provided to the top ranked proposals in each strategy. A baseline was established within each strategy based on the funding allocated for the strategy within the RFP and Strategic Investment Plan compared to the funds requested from the top ranked applicants. Additional factors were considered in the review for proposals conducted by Committee members for both proposals above the baseline and below. These factors included alignment of the proposals to the intention of the funding strategy, system partnerships, services to specific populations, costs of services and scope of services, past performance of current OFCY grantees, and geographic and equitable distribution of services.

Application Status

We are pleased to inform you that your application in the funding strategy **Student Engagement in Learning** for the project **OIHS Refugee & Immigrant Wellness Project** in the amount of **\$88,350** has been recommended for funding by the POC at their meeting on April 20, 2016. There is a possibility that the recommendation can still be modified, and it is subject to final approval by the POC and the Oakland City Council.

In the event that your awarded amount is less than proposed, you may not appeal to obtain more funding. Please speak with OFCY staff to go over modifications to your budget and to confirm your continued interest in receiving the OFCY grant at its recommended funding amount.

If your recommended grant amount is for less than proposed and this significantly impacts your ability to deliver services as proposed, please call Mike Wetzel, OFCY Program Planner, at 510-238-3242 to schedule an appointment for initial discussion of the funded amount and scope of services planned for FY2016-2017. You will have an opportunity to adjust and finalize any changes to your Scope of Work and budget with OFCY staff in May and June.

Congratulations on your recommendation for funding. OFCY will notify you of your final funding status upon the City Council's approval of the grants by resolution in June 2016.

Sincerely,

Sandra L. Taylor

**GRANT AGREEMENT
BETWEEN THE CITY OF OAKLAND
AND OAKLAND UNIFIED SCHOOL DISTRICT**

Whereas, pursuant to City of Oakland Resolution No 8622P C.M.S., the Council has authorized the City Administrator or her designee to enter into this Agreement in accord with the City's ordinances and applicable provisions of the Oakland City Charter for a ***KIDS FIRST! Oakland Fund for Children and Youth*** grant; and

Whereas, Grantee has submitted an application for said funds to the City to obtain funding for Grantee's community-related programs and activities provided in Oakland;

Now therefore the parties to this Agreement covenant as follows:

1. Parties and Effective Date

This Agreement is made and entered into as of July 1, 2016 between the City of Oakland, a municipal corporation, ("City"), One Frank H. Ogawa Plaza, Oakland, California 94612, and OAKLAND UNIFIED SCHOOL DISTRICT, a California public entity ("Grantee").

2. Scope of Work

Grantee agrees to perform the community-related program work, services, or conditions of grant ("Work") set forth in **Schedule A** attached to this Agreement and incorporated herein by reference.

Grantee shall designate an individual who shall be responsible for communications with the City for the duration of this Agreement. **Schedule A** includes the manner of payment.

3. Grant-Funded Program Documents and Provisions

Grantee, by executing this Agreement, is responsible for fiscal and programmatic compliance with all Agreement terms. The Project Manager for the City shall be Sandra Taylor, Children and Youth Services Manager.

- a. Evaluation. Grantee is required to cooperate and collaborate with Oakland Fund for Children and Youth (OFCY) evaluation consultants; guidelines for participation and requirements will be provided by OFCY.
- b. Technical Assistance. Grantee is required to attend periodic sessions designed for technical assistance purposes.
- c. Grantee will also perform or arrange for the performance of Work under this Agreement in accordance with City of Oakland rules, regulations and policies and applicable federal and state laws.

4. Time of Performance

The grant term shall be for one year beginning July 1, 2016 and shall end on June 30, 2017.

5. Grant Funding, Method of Disbursal, Receipts

Grantee will be paid for performance of the Scope of Work in an amount that will be based on actual costs but that will be "Capped" so as not to exceed the sum of EIGHT EIGHT THOUSAND THREE HUNDRED AND SIXTYDOLLARS (\$88,360.00) ("Authorized Funds") in fiscal year 2016 - 2017 based on the scope of services and deliverable tasks in **Schedule A** and the budget by billing rates in **Schedule B** (Budget and Budget Narrative). The maximum that will be charged for the entire scope of work will not exceed the Capped amount, even if Grantee's actual costs and expenses exceed the Capped amount. Payment due on completion and acceptance of deliverables as specified in the Scope of Services.

Upon execution of the Agreement, Grantee may be advanced an amount not to exceed a total of \$17,672.00 (20% of total grant amount for Year Round programs, or 75% for Summer Program.). The advance will be offset against the payments to Grantee. Upon early termination of this Agreement, Grantee must repay the full amount of the advance to the extent services were not performed..

Payments shall be made on a reimbursement basis, payable quarterly upon submission of:

- a. A quarterly invoice, supported by detailed documentation, sufficient to support payment; and
- b. A quarterly progress report confirming compliance with service goals established by this Agreement, specified in **Schedule A**.
- c. 25% Matching Requirement - In addition to the above, payment shall be dependent upon documentation that Grantee has received grants, in-kind services, donations or other pre-approved non-City sources of funding, totaling at least twenty-five (25) percent of the total annual project amount. Failure to secure at least a twenty-five (25) percent match by the close-of the third quarter, and to provide documentation thereof, may result in a twenty-five (25) percent reduction in the total amount of compensation paid to Grantee.
- d. The documents submitted for all payments shall be reviewed and approved for payment by the City, or its designee. The City or designee shall have sole and absolute discretion to determine the sufficiency of supporting documentation for payment. Determination of satisfactory completion of the Scope of Services will be based on quarterly progress reports, the results of site visits by staff, evaluation by an external consultant, as well as review of the total cumulative accomplishments. Grantee's failure to satisfactorily complete the entire Scope of Services in any quarter may result in reduction in payments, suspension of payments, termination of this Agreement, and disqualification from contracting for or receiving Oakland Fund for Children and Youth funding during the following twelve months.
- e. Disbursements - The City shall have the right, but not the obligation, to make disbursements directly to subcontractors, fiscal partners or other third parties performing work under this Agreement when the City deems such direct payments advisable, and Grantee hereby assigns the right to receive grant proceeds to such third parties, said assignment conditioned on the City electing to exercise its third-party payment rights under this provision. However, this provision in no way is intended to waive or release Grantee from its responsibility to make timely payments to subcontractors, fiscal partners or other parties performing work under this Agreement.

All obligations incurred in the performance of this Agreement must be reported to the City within sixty (60) days following the termination of this Agreement. No claims submitted after the sixty-day period will be recognized as binding upon the City for reimbursement.

6. Evaluation and Monitoring

Grantee agrees to comply with data requests from the OFCY outside evaluation provider as well as from the OFCY staff for purposes of evaluating program and fund performance. Grantee is required to input client and program data electronically on a regular basis and submit automated invoices and progress reports electronically. Grantee will be required to sign a Memorandum of Understanding with CitySpan, Inc. to use their database for the purposes described above. Grantee is required to have all clients sign a Release of Information Form stating that the client gives permission for the Grantee to input their information into the database.

Grantee agrees to allow City of Oakland staff complete a site visit at least once (1) annually to visually observe OFCY programs in operation (when appropriate), provide documentation related to the financial health of the overall organization and the appropriation of OFCY program funds, and to review documents related to the program management (such as case files) of the OFCY program and the overall organization. If it is appropriate, City of Oakland staff may make unannounced visits to observe OFCY programs in operation.

Grantee is required to have every enrolled client (and their parent, guardian, or other legally authorized representative if a minor) sign a Release of Information Form giving consent to being evaluated by the City and the designated evaluation consultant, including sharing information with and from Oakland Unified School District.

Grantee agrees to participate and assist in all evaluation activities prescribed by OFCY and its' evaluator, including but not limited to site visits, surveys, assessments, interviews, and quarterly evaluation meetings. Grantee agrees to communicate with the OFCY outside evaluator in a timely fashion.

The City does not undertake or assume any responsibility or duty to Grantee (except as provided for herein) or to any third party with respect to the Work performed under this Agreement. Except as the City may specify in writing, Grantee has no authority to act as an agent of the City or to bind the City to any obligation. The parties expressly agree that Grantee is neither an employee nor an independent contractor of the City of Oakland. Grantee agrees to defend and indemnify the City for any claims, costs, losses, fees, penalties, interest or damages suffered by the City resulting from Grantee's failure to comply with this provision.

- b. Grantee's Qualifications - Grantee represents that Grantee has the qualifications and skills necessary to perform the Work under this Agreement in a competent and professional manner without the advice or direction of The City. This means Grantee is able to fulfill the requirements of this Grant Agreement. Failure to perform the Work required under this Grant Agreement will constitute a material breach of the Agreement and may be cause for termination of Grant Funding and the Agreement. Grantee has complete and sole discretion for the manner in which the work under this Grant Agreement is performed.
- c. Fiscal Agency Responsibility - This Agreement between the City and Grantee assumes inherent responsibility regarding fiscal agency. In case a Grantee has entered into a subcontract or fiscal partnership, the City holds Grantee legally liable for all aspects of the contract including but not limited to project implementation, fiscal management, and communication with the City regarding the subcontract or fiscal partner activities. As a fiscal sponsor or agent, Grantee is expected and authorized to manage the finances of the grant; monitor and deliver program activities of subcontracting or partner agencies; provide fiscal oversight and support to subcontracting or partner agencies; conduct fiscal review, site visits, and deliver necessary support to subcontracting or partner agencies; communicate with the City regarding the subcontract or fiscal partnership; review, approve, and submit reports, invoices, scope of work revision requests, and budget revision requests to the City; pick up warrants; terminate contracts with subcontracting or fiscal partner agencies with the approval of the City, if necessary; and assume full fiscal responsibility of contract, subcontract, and fiscal partnership.

The words "Oakland Fund for Children and Youth" will be explicitly stated in all pieces of publicity, including but not limited to flyers, press releases, websites, posters, brochures, public service announcements, interviews and newspaper articles.
 - ii. Marketing Material - The OFCY logo must be clearly placed on all pieces of publicity and marketing material, including but not limited to flyers, press releases, websites, posters, brochures, public service announcements, interviews and

Grantee further agrees to cooperate with authorized City officials and staff in any City-generated publicity or promotional activities undertaken with respect to this project.

8. Audit

Grantee shall maintain (a) a full set of accounting records in accordance with generally accepted accounting principles and procedures for all funds received under this Agreement; and (b) full and complete documentation of performance related matters such as benchmarks and deliverables associated with this Agreement.

Grantee shall (a) permit the City to have access to those records for the purpose of making an audit, examination or review of financial and performance data pertaining to this Agreement; and (b) maintain such records for a period of four years following the last fiscal year during which the City paid an invoice to Grantee under this Agreement.

9. Assignment

Grantee shall not assign or otherwise transfer any rights, duties, obligations or interest in this Agreement or arising hereunder to any person, persons, entity or entities whatsoever without the prior written consent of the City and any attempt to assign or transfer without such prior written consent shall be void. Consent to any single assignment or transfer shall not constitute consent to any further assignment or transfer.

The following protections against conflict of interest will be upheld:

- i. Grantee certifies that no member of, or delegate to the Congress of the United States shall be permitted to share or take part in this Agreement or in any benefit arising therefrom.

- iii. Grantee shall immediately notify the City of any real or possible conflict of interest between Work performed for the City and for other clients served by Grantee.
- iv. Grantee warrants and represents, to the best of its present knowledge, that no public official or employee of City who has been involved in the making of this Agreement, or who is a member of a City board or commission which has been involved in the making of this Agreement whether in an advisory or decision-making capacity, has or will receive a direct or indirect financial interest in this Agreement in violation of the rules contained in California Government Code Section 1090 *et seq.*, pertaining to conflicts of interest in public contracting. Grantee shall exercise due diligence to ensure that no such official will receive such an interest.

- v. Grantee further warrants and represents, to the best of its present knowledge and excepting any written disclosures as to these matters already made by Grantee to City, that (1) no public official of City who has participated in decision-making concerning this Agreement or has used his or her official position to influence decisions regarding this Agreement, has an economic interest in Grantee or this Agreement, and (2) this Agreement will not have a direct or indirect financial effect on said official, the official's spouse or dependent children, or any of the official's economic interests. For purposes of this paragraph, an official is deemed to have an "economic interest" in any (a) for-profit business entity in which the official has a direct or indirect investment worth \$2,000 or more, (b) any real property in which the official has a direct or indirect interest worth \$2,000 or more, (c) any for-profit business entity in which the official is a director, officer, partner, trustee, employee or manager, or (d) any source of income or donors of gifts to the official (including nonprofit entities) if the income or value of the gift totaled more than \$500 the previous year. - c. Grantee shall make its goods, services, and facilities accessible to people with disabilities and shall verify compliance with the Americans with Disabilities Act by executing **Schedule C-1** ("Declaration of Compliance with the Americans with Disabilities Act,") attached hereto and incorporated herein.
- d. The City of Oakland Campaign Reform Act prohibits Grantees that are doing business or seeking to do business with the City of Oakland from making campaign contributions to Oakland candidates between commencement of negotiations and either 180 days after completion of, or termination of, contract negotiations.

If this Agreement requires Council approval, Grantee must sign and date an Acknowledgment of Campaign Contribution Limits Form attached hereto and incorporated herein as **Schedule O**.

LETTER OF AGREEMENT

Oakland Fund for Children and Youth (OFCY)

OIHS Immigrant & Refugee Wellness Center

This Letter of Agreement establishes the intention of **Oakland International High School (OIHS)** and **Soccer Without Borders (SWB)** to work together if OFCY funds are awarded for the OIHS Immigrant & Refugee Wellness Program.

OIHS and SWB have worked in partnership since the school's inception, with SWB providing out-of-school time programming (during after school, weekends, school breaks and summer school) in health/wellness, teambuilding, and athletics, using the natural draw of soccer (especially among immigrant populations) to engage at-risk and hard-to-reach students and support students to build trusting relationships on campus with adults and fellow youth, particularly across perceived cultural divides. OIHS has relied on Soccer Without Borders to do informal and uncompensated conflict resolution for many years. OIHS is such a strong part of our school community that they have moved their primary Oakland offices to OIHS's campus. Over the course of the past two years, with our massive influx of Unaccompanied Minors, SWB has provided critical support and engagement to our school's most at-risk youth, ensuring that they engage in our school community

As part of this partnership, **Oakland International High School (OIHS)** will fulfill the following responsibilities:

- Provide office space, with access to phone, computer, copier, and basic office supplies, to SWB Staff on OIHS campus
- Provide weekly reports/updates on non-confidential socio-emotional issues of SWB core participants
- Support the logistical coordination of Manhood Development circles and Restorative Justice Circles
- Provide space and program supplies for Manhood Development activities, RJ circles, Health & Wellness events
- Respond in a timely manner (within 48 hours) to COST referrals made by SWB staff
- Provide bi-annual data reports to SWB, including data related to grades, truancy, attendance, reading levels/aptitudes

Soccer Without Borders (SWB) will fulfill the following responsibilities:

- Dedicate 20% FTE of Oakland Program Director, Ben Gucciardi, and 10% FTE of SWB Education Coordinator, Katy's Nagy, to support the wellness needs of OIHS youth through Manhood Development sessions, Restorative Justice Circles, Group Wellness Workshops, and daily individual mentoring/referrals during the school years 2016-2017, 2017-2018 & 2018-2019, for the duration of the school year and during summer school
- Coordinate and collaborate with OIHS on staffing and hiring decisions for OIHS-based SWB staff
- Coordinate a minimum of 15 Wellness workshops to 15 students/workshop, serving over 60 youth total, during the course of the subsequent three school years
- Coordinate Manhood Development workshops with the OIHS Dean of Discipline, serving a total of 25 youth/year in bi-weekly small group sessions.
- Support OIHS in periodic Tier 2 & Tier 3 Restorative Justice Circles (circles of concern, re-entry circles, and harm circles)
- Support with conflict mediation between and among students, and between staff and students

- Will support positive school culture and climate on OIHS campus, and engage highly at-risk youth and/or isolated youth in school programs and activities

JOINT RESPONSIBILITIES

- OIHS & SWB direct service staff will meet bi-weekly to review caseload and triage emergent issues
- OIHS and SWB management team will meet once/semester to review program goals and progress, discuss programmatic challenges, and review MOU/Letter of Agreement
- OIHS and SWB will keep attendance in group and individual activities and ensure timely and quality reporting

COMPENSATION AND TERM:

OIHS will contract a total of \$15,393.00/year, to cover personnel, fringe benefits and overhead costs, for the duration of the three year grant period.

Memorandum of Understanding to Establish a Secure Electronic Data Collection System

Parties to This Memorandum of Understanding

This Memorandum of Understanding is entered into this first day of July, 2016 by and between The City of Oakland, and The Oakland Unified School District a grantee of the City of Oakland receiving Oakland Fund for Children and Youth (OFCY) funds to provide children and youth services (hereafter "Grantee").

Purpose

The City of Oakland, Grantee, and individuals served by Grantee will benefit from Cityspan's access to personally identifiable information for the purpose of conducting reporting and other data compilations in support of contract monitoring and program evaluation. This MOU sets out the terms and methods for secure and consensual handling of this information.

The OFCY Cityspan database allows the City of Oakland to support the valuable work that Grantee provides to clients who receive a comprehensive array of services funded by OFCY.

The database benefits both Grantee and The City of Oakland by:

- Eliminating redundancy in data collection and reporting.
- Reducing time and paperwork required for Grantee to submit invoices, progress reports, and evaluation data to The City of Oakland.
- Improving the quality of program analysis through the use of a limited set of core data elements shared across funded programs.
- Making available free database technical support to Grantee during all regular business hours.

The database also ensures that high quality information about service delivery is available to demonstrate the impact of OFCY implementation for the clients that are served. The database helps fulfill the goals of evaluation, making it possible to:

- Identify and analyze the effectiveness of existing practices and strategies to support continuous quality improvement in OFCY funded programs.
- Longitudinally track and analyze data to identify best practices, service patterns, gaps, and participant outcomes in relation to their level of service participation.
- Demonstrate how the intensity of services provided to clients, and the overlapping of services from multiple funded programs, leads to improved client outcomes.

Cityspan shall protect the confidentiality of all protected health information in accordance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the Health Information Technology for Economic and Clinical Health (HITECH) Act, and the Confidentiality of Medical Information Act (CMIA). The protocol for data security established for OFCY Grantees is set up to ensure that grantee agency data can be shared only if the identity of the individual client is protected, or as required by City, State, or Federal rules, regulations, or laws.

Data Collection Procedure

1. Grantee data will be collected via an online database administered by Cityspan. Personally identifiable client data will only be visible to the grantee that enters that data, to Cityspan, and to designated OFCY evaluator(s).
2. Grantee will be required to collect some individual level data such as client program participation. Identifying information – specifically, client first and last name and date of birth – will be collected in the Cityspan database.
3. Access to the online database is password protected. An authentication protocol prevents access to the database without a secure ID and password issued by Cityspan. Each grantee will determine which members of its agency have access to the database and what level of access they will have.
4. Electronic procedures will be implemented that terminate an electronic session after a predetermined time of inactivity, pursuant to HIPPA or CMIA standards, whichever is stricter. All accounts on the OFCY database will automatically log out if left idle for a designated period.

Data Matching Procedure

In order to support the evaluation of OFCY programs and the progress of individual clients, the evaluator may match Grantee data with data provided by the Oakland Unified School District (OUSD). There are two principles to the data matching procedure:

1. OUSD will not have access to Grantee's data from the Cityspan database. The only exceptions are OFCY Grantees in the School-based after school strategy who are jointly funded by OFCY and OUSD and are using the hybrid OFCY/OUSD Cityspan system.
2. The evaluator will not use individually identifiable information for anyone during program analysis.

Steps Involved in Data Matching Process:

- Grantee will enter names and dates of birth directly into the Cityspan database for each client.
- Cityspan will generate a unique “Cityspan ID” for each client.
- Cityspan sends the evaluator participant service data, Cityspan ID and identifying information.
- The evaluator matches participants to other data source records such as OUSD, using first name, last name, date of birth, ethnicity and gender – without OFCY service data.
- The evaluator strips the matched data records of any identifying information, keeping only the Cityspan ID intact before conducting data analysis of program impact.

Prohibition on Data Sharing

Absolutely no sharing of Grantee program data in the Cityspan OFCY database is allowed other than that specified in this MOU. However, if data is ordered by any City, State, or Federal agency/body, pursuant to applicable rules, regulations or laws, such data shall be provided.

Procedure for Obtaining Prior Written Consent from Clients

An Authorization to Release Confidential Information (“Consent Form”) must be signed by each client before client data is collected and input or transferred into the Cityspan database. Grantee is responsible for discussion of confidentiality protocols with clients and parent/guardians and ensuring that they are informed about their rights.

In every case the original signed Consent Form will be kept by the Grantee and a copy will be provided to the client as well as the parent/guardian (if applicable). Authorization may be withdrawn at any time.

Grantee is expected to explain the Authorization process in a language understood by the client. If parent/guardian of the client does not speak the languages spoken by the Grantee staff, or cannot adequately read in the languages in which the Consent Form is available then it is the responsibility of the Grantee to provide an interpreter, or to read the form to the client or parent/guardian, and to sufficiently explain any difficult wording. Grantee shall respond fully, appropriately, and in a timely manner to the questions and concerns of the client and/or parent/guardian related to the forms or the confidentiality policy and procedures.

If the parent/guardians’ ability to adequately understand and make decisions about their child’s and their own participation in services is uncertain (e.g., due to age, cognitive impairment, extreme stress, or other factors), and a legally authorized representative is not available, the Grantee shall not release or disclose confidential information.

The authorization may be revoked at any time by the client or parent/guardian. To revoke the authorization, the client or parent/guardian should revoke the authorization in writing and submit it to the Grantee, who will then inform Cityspan as soon as is practicable. Actions taken by Cityspan or The City of Oakland prior to the revocation of the authorization may not be revoked. All confidential information on clients who have revoked their authorization will have identifying information removed from the Cityspan database in a timely manner.

Refusal to authorize sharing of confidential client information shall not preclude the client’s receipt of Grantee’s services. However, these clients will not be counted toward the achievement of Scope of Work projected benchmarks for unduplicated participants served and service hours (Units of Service).

Limitation on Disclosure of Confidential Information

Only aggregated data or non-personally identifiable individual data will be shared with the City of Oakland. De-identified information may be shared which neither identifies nor provides a reasonable basis to identify an individual. De-identified data may include the removal of specified identifiers of the individual and of the individual’s relatives, household members, and employers, and is adequate only if Cityspan has no actual knowledge that the remaining information could be used to identify the individual.

City of Oakland and its auditors, including the City Auditor, will have access only to aggregated data or individual data stripped of personally identifying information. The City and its auditors, including the City Auditor will not have access to personally identifying information, including names and birth dates of a particular client being served by a Grantee. The City and its auditors, including the City Auditor will have access to anonymized data on a particular client or aggregate data about a program if that program is serving a small number of clients who could be identified simply by race, gender or age.

Each Grantee will be responsible for carefully monitoring the data collection and reporting of confidential Client information maintained in the Cityspan database. The original, signed copy of the Client's Consent Form- and any other information regarding the Client collected at any point in time on paper, printed from electronic files, or stored electronically- will be placed in a personal paper or electronic file folder, and stored in a location accessible only to Grantee staff who can document a direct, specific, and time-limited need for the confidential information to which they request access.

Cityspan has agreed to maintain the database as follows:

- Cityspan shall keep all confidential information in the strictest confidence.
- Cityspan will provide for the protection of confidential information with the most advanced security technology available, and will meet all applicable rules, regulations, and laws, including but not limited to, those set out in HIPAA and CMIA, and all other California and federal privacy regulations.
- Cityspan shall maintain a database that is compliant with HIPAA, CMIA, and shall follow all HIPAA and CMIA privacy requirements in the handling of personally identifiable information.
- Cityspan will report its data compilations in such a manner so as not to permit the release of personally identifiable information to persons other than those identified in this MOU.
- Cityspan will not disclose any personally identifiable information to any requesting person or entity aside from the evaluator, without prior written authorization from the Grantee, with the exception of any directive or order for information from any City, State or Federal agency/body pursuant to applicable rules, regulations or laws.
- Cityspan shall keep all data in a space physically and electronically secure from unauthorized access. Information and data shall be stored and processed in a way such that unauthorized persons cannot retrieve or alter the information by using a computer, remote terminal, or other means.
- Cityspan shall instruct all staff with access to confidential information about the requirements for handling confidential information.
- Cityspan shall provide all staff having access to confidential information with statements of organizational policies and procedures for the protection of human subjects and data confidentiality.
- Cityspan agrees to defend, indemnify, and hold harmless the City of Oakland, its Councilmembers, officers, partners, agents, and employees, and all Grantees from and against

any and all liabilities resulting from injury or death to persons, unauthorized or negligent use or disclosure of confidential information,, and damage to or loss of tangible property of third parties, arising out of or resulting from the performance of Cityspan's services under this MOU to the extent attributable to the negligent acts or omissions of, or intentional injury by, Cityspan or its employees or agents.

- Cityspan agrees to return or destroy any Protected Health Information it receives from any Grantee inputting data into the online database as requested by Grantee or City, or as required by HIPAA or CMIA.
- Cityspan will comply with requirements for managing student education records as set forth in the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99).
- Cityspan will provide technical support to all Grantees using the OFCY Cityspan database. Toward this end, Cityspan will operate a Help Desk by phone during all regular business hours, Monday through Friday excluding holidays from 9:00 a.m. to 5:00 p.m.

Responsibilities of the Parties:

Grantee:

- Grantee is responsible for maintaining password security to its own agency database user accounts. Each Grantee will have the ability to create user accounts and passwords that allow individuals to access the personally identifiable information entered into the database by their own agency.
- If a database user account assigned to a Grantee requires additions, amendments, or deletions, then the Grantee is responsible for contacting Cityspan during normal business hours to make those changes.
- Grantee will obtain a signed Consent Form from individuals (or from their parent or guardian if they are a minor) to input their personal information into the database and to participate in OFCY evaluation. Grantee will follow the procedure outlined above.
- Grantee will enter relevant information into the database and participate in the OFCY evaluation as a condition of funding.
- Grantee agrees to defend, indemnify, and hold harmless the City of Oakland, its Council Members, officers, partners, agents and employees from and against any and all liabilities resulting from injury or death to persons, unauthorized or negligent use or disclosure of confidential information, and damage or loss of tangible property of third parties arising out of or resulting from the performance of Grantee's obligations under this MOU to the extent attributable to the negligent acts or omissions of, or intentional injury by Grantee or its employees or agents.

The City of Oakland:

- The City of Oakland will not use its contractual relationship with Cityspan to compel Cityspan to deliver personally identifiable information.

Term

The term of this MOU shall be from July 1, 2016 to June 30, 2019. Any party may remove their data from the Cityspan OFCY database at any time with written notice to Cityspan. As soon as is reasonably practicable, any data owned by that party will then be returned or destroyed by Cityspan.

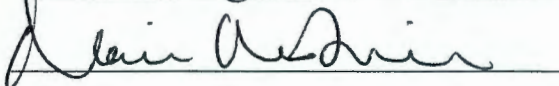

ACKNOWLEDGMENT

I have read and agree to the terms and methods for secure and consensual handling of OFCY participant data as outlined above.

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
- Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.
