### **11-0765 Intergovernmental Relations Committee - Work Plan and Goals for 2010-11**

Discussion and possible Adoption by Intergovernmental Relations Committee of its Work Plan and Goals for 2010-11.

*Vice President London noted the Intergovernmental Relations Committee has not held committee meetings often this year. She said the reason was partly out of regard to the reduction in staff and no one has been appointed to the committee as the liaison. She said the District has hired representatives in Sacramento and Washington, D.C. who are tracking legislation. She said the Intergovernmental Relations Committee is where legislative reports should be coming to. Vice President London said she feels the committee should meet monthly getting updates from staff regarding where the District is regarding legislation. She said the Board took positions on the Early and Secondary Education Act two years ago. Vice President said there have been issues around green schools at the Federal level, issues around child nutrition, etc.*

*Vice President London said another issue the committee has worked on is Board*

*Community Engagement.*

*Director Dobbins reported on a community meeting he held at Bridges @ Melrose. He said about 200 people attended. He said he does not believe the Board is not getting out into the community enough.*

**D. Adjournment**

*Chairperson London adjourned the meeting at 10:18 P.M.*
