Action Requested Ratification of professional services contract between Oakland Unified School District and Tatiana Fuaau. Services to be primarily provided to Alternative Education for the period of 01/26/2015 through 06/30/2015.

Background
A one paragraph explanation of why the consultant's services are needed.

Reducing suspensions and improving school climate are top priorities for Bret Hart, which received students displaced by the closure of Barack Obama Academy. Restorative justice programming has been shown to be effective in reducing suspensions as well as promoting positive engagement in school community. Both of these priorities are aligned with the needs of students referred to Barack Obama Academy and now at Bret Harte. Developing student leaders equipped to address the conflicts that come up during adolescence improves the safety of the campus while also building student ownership in school community.

Discussion
One paragraph summary of the scope of work.

Tatiana Fuaau will provide restorative justice facilitation in a variety of contexts: 1) On a daily basis to a group of students identified as being leaders prone to conflict or displaced from Barack Obama Academy. 2) Training students to facilitate restorative circles and address conflict with their peers. 3) Direct facilitation of restorative circles for students referred as being at risk of conflict.
