Members of the public may address the Committee on any item listed on this agenda, for three minutes per person or less, depending on the number of speakers for the item,

by filing a Speaker's Card, clearly identifying the item listed on the agenda, by legislative file number, alpha and/or title. A separate Speaker Card is required for each agenda item, except any and/or all items listed under the Committee General Consent Report items are treated as a single item. All Speaker Cards for any and all agenda items for this meeting must be in the hands of the Committee staff or the Chairperson by the time the Committee has reached this point in the agenda of the meeting. A Speaker card submitted after this point will be "filed."

Modification(s) to the Agenda allows for any change in the order of business including, but not limited to, an announcement that an agenda item or legislative file will be considered out of order, that consideration of an item has been withdrawn, postponed, rescheduled or "pulled" off of the Committee General Consent Report for separate discussion and possible action.

Generally, these items are routine in nature, and are acted upon in one motion to conserve time and permit focus on other-than-routine legislative items on the agenda.
