**Memorandum of Understanding 2012-2013  
Between Oakland Unified School District and  
Safe Passages**

---

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with Safe Passages ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 232/Coliseum College Prep Academy under the following grants:
- California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
  - California Department of Education ("CDE") 21st Century Direct Access Grant ("Direct Access")
  - California Department of Education ("CDE") 21st Century Family Literacy Grant ("Family Literacy")
2. **Term of MOU.** The term of this MOU shall be July 1, 2012 to August 31, 2013 and may be extended by written agreement of both parties.
3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
4. **Compensation.** The 21st Century ASSETS Core Grant, Family Literacy, and Direct Access grant award amount for 232/Coliseum College Prep Academy is \$134,859.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:
- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A** - Attendance Reporting Schedule 2012-2013").
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial

adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

- 4.2.2. Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.
- 4.4. AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.
- 4.5. Program Budget.** Due to result-based budgeting, the grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2012-2013 and will not exceed \$134,859.00 in accordance with **Exhibit B** ("21<sup>st</sup> CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").
- 4.6. Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.
- 4.7. Program Fees.** The intent of the 21<sup>st</sup> Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee

structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

5. **Scope of Work.** AGENCY will serve as lead agency at 232/Coliseum College Prep Academy, will be responsible for operations and management of the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant contracted to AGENCY by OUSD for fiscal year 2012-2013. #### SECTION 4: Program Model and Lead Agency Selection

For 2012-2013, my site will operate the following program model:

**Coordinated Partnership**

**Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*

**Extended School Day:** *additional class periods added to the bell schedule during after school hours for students of a particular grade and/or all students of the school*

**Blended/Hybrid:** *combination of some extended day and some traditional after school programming*

#### Description and Rationale for Selection of Lead Agency

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.

Note: If school is managing program, site is considered to be the Lead Agency. In this case, describe how the hired After School Site Coordinator will support school plans for FSCS development.)

Safe Passages has a long history in Oakland of developing, implementing and evaluating effective best practices prevention and intervention strategies for children and youth. Now in its 13<sup>th</sup> year, Safe Passages is an unprecedented partnership of city government, the County of Alameda, school districts, philanthropy, and a variety of community-based organizations **committed to advocating for and targeting resources for vulnerable populations**. The current strategies/initiatives include a Middle School Strategy, which is implemented across 11 middle school sites in Oakland, including the Coliseum College Preparatory Academy campus.

As the lead agency for that strategy, Safe Passages has designed, managed and provided technical assistance to school sites, including Coliseum College Preparatory Academy, through the School Linked Services Middle School Strategy for over a decade. In addition, Safe Passages has managed funding from a variety of sources and leveraged millions of dollars in resources from its public systems partners to support the target school sites.

The Safe Passages Middle School Strategy developed in collaboration with principals, families, public agencies and community based partners, aims to create safe and supportive school environments and reduce the number of suspensions, particularly suspensions due to violence. The strategy includes a violence prevention curriculum, school-based mental health counseling, suspension alternatives, case management, parental involvement, and after school programs.

### **SECTION 5: ATTENDANCE, PROGRAM DATES, AND PROGRAM SCHEDULE**

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm *on every regular school day* for elementary and middle schools. (EC 8483)

High school programs are required to operate a minimum of 15 hours per week.

Required # of Program Days your program will operate during School Year 2012-2013:	<b>180 days required*</b>

Projected Daily Attendance during School Year 2012-2013:	120

#### **Program Schedule**

Submit program schedule as an attachment, using the standard program schedule template.

\* CDE allows programs to close for a maximum of 3 of these days during the school year for professional development.

## SECTION 6: Academics

Your site should plan to offer a range of academic supports including:

1) Targeted Interventions 2) Skill-Building 3) Homework Support 4) Tutoring

*Other possible supports may include computer lab, library exploration, project-based learning, coordination with SES tutoring.*

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school. Activities should be based on sound instructional strategies aligned with the regular school day program.

### SECTION 7: ENRICHMENT & PHYSICAL ACTIVITY / RECREATION

Enrichment activities and physical activity/recreation are required components of the ASES and 21<sup>st</sup> Century grants. Enrichment activities should provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, arts learning, and student engagement.

## SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

*In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.*

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	The after school coordinator will participate in the weekly Coordination of Services Team Meeting (COST). One of the key strategies to address the needs of students who are referred to COST for attendance issues is to refer them to the ASP as tool for engaging students in their school community, academic goals, and for developing positive relationships with their peers and caring adults.
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Ongoing monitoring of school day attendance data for all after school participants; parent communication regarding regular absences.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	Ongoing monitoring of program attendance data for all after school participants and ongoing parent/family communication regarding regular absences.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	Monthly attendance achievement awards and incentives to after school participants who attend school 95% or more.

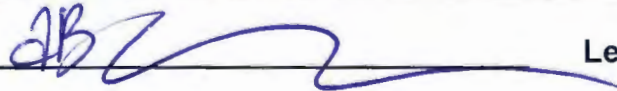

<b>SECTION 10: Coordination with Other Service Providers</b> In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.	
The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?	<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> COST team (Coordination of Services Team)</li> <li><input checked="" type="checkbox"/> SST (Student Study Team)</li> <li><input type="checkbox"/> SSC (School Site Council)</li> <li><input type="checkbox"/> ELT (Educational Leadership Team)</li> <li><input checked="" type="checkbox"/> PTA</li> <li><input type="checkbox"/> Attendance Team/Workgroup</li> <li><input type="checkbox"/> CSSSP (Community School Strategic Site Planning) team</li> <li><input checked="" type="checkbox"/> School Culture/Climate Committee</li> <li><input type="checkbox"/> Other (specify)</li> </ul>
List key community partners whom you will actively collaborate with to accomplish the goals of your program.	The After School Program will actively collaborate with the school site leadership team, teachers, students, parents, OUSD central office staff, and the Oakland Fund for Children and Youth.
Identify other service providers and support personnel at your school (ie. school psychologist, School Based Health Center staff, counselor, mental health therapist, school nurse, parent liaison, etc.) whom you will actively collaborate with to accomplish the goals of your program.	The After School Program will actively collaborate with the principals, teachers and members of COST which consists of the Site Coordinator, who convenes the COST, a licensed mental health therapist, a clinical case manager, a site administrator, the After School Coordinator, Academic Liaison and teachers to accomplish the goals of the program.

## *Safe Passages Mission & History*

### **Mission Statement**

The mission of Safe Passages is to advocate for children, youth, and families with a special emphasis on vulnerable populations. Safe Passages envisions a community where all young people have the opportunity to realize their full potential. Safe Passages is based on the premises that access to educational opportunity, health services, and family support should not be dictated by race or socio-economic status, and that healthy and supported young people are better prepared to learn and succeed.

*"We have accomplished a great deal but have much more work to do to ensure that all the children and youth of Oakland and Alameda County have equitable access to health care, education, and caring adults. The Board of Safe Passages has committed to continuing public investment in order to expand the systems change work and services to families and children in need across Alameda County."*

*Josefina Alvarado Mena,  
Chief Executive Officer*

### **History**

Safe Passages, founded in 1998, was one of five sites across the country that was selected to participate in the national Urban Health Initiative (UHI) funded by the Robert Wood Johnson Foundation. Each of the UHI campaigns focused on collaboration and systems change to improve the health and safety of young people in urban communities. The tremendous accomplishments achieved by the strategies in Oakland, led the Robert Wood Johnson Foundation to expand its support to Safe Passages for an additional year past the sunset of the Urban Health Initiative in 2006.

To institutionalize the unprecedented partnership, the Board of Safe Passages also decided to create a sustainable organizational structure now embodied in the Youth Ventures Joint Powers Authority, an autonomous, public, multi-agency government entity authorized under California Government Code, focused on children and youth throughout Alameda County. This new entity will not only continue to serve residents of the City of Oakland but it would also expand the efforts to other high need communities within the County of Alameda.

#### **Where We Work:**

We work with the most disadvantaged communities where high percentage of children live in poverty, in neighborhoods with the highest levels of health disparities including the highest rates of hospitalization for asthma, teen birth rates, and hospitalization for assaults among youth; where schools have Free and Reduced Priced Lunch rates of 75% or higher; where students score far below academic tests and have high rates of school suspension, drop-outs and truancy.

#### **What We Do:**

In an effort to intervene early and at the most susceptible stages in a child's life, Safe Passages has developed strategies that span the age continuum of children and youth:

***Early Childhood Initiative*** – Promotes collaboration between multiple public systems and non-profit providers to create a citywide safety net for children, from birth through age five, who are exposed to violence. We work with public childcare centers and school communities to implement

social skills curriculum, identify and refer children exposed to violence/trauma, provide support services to families including case management, infant-parent playgroups, and training classes on early childhood development and parenting skills.

***School Linked Services*** – Aims to integrate education and social services at school sites in order to make school communities catalysts for social change within the larger neighborhood context. We work with schools to develop the infrastructure needed to integrate a multitude of disciplines on site including mental health therapists, case managers, and other providers to develop a coordinated plan for students in need.

***Juvenile Justice Initiative*** – Brings juvenile courts, school districts, police departments, sheriff's office, probation officers, and service providers together to reduce disproportionate minority contact with law enforcement, and lower recidivism among juvenile offenders. Cross agency data sharing that allows analysis of data to identify intersections between youth offenders and high school drop-out and to develop cross jurisdictional strategies to improve school retention.

***Career Development*** – Work closely with public and private entities to develop new job opportunities for youth during and after school hours, and in the summer time. Students are provided opportunities to learn about diverse career tracks including careers that lead to their own community development, including careers in teaching, law enforcement, legal services, and in the health profession.
