Background
A one paragraph explanation of why the consultant's services are needed.

The Oakland Fund for Children and Youth (OFCY) Grant, provided by the City of Oakland, funds the District to implement a peer restorative justice program for eight participating OUSD middle schools- Bret Harte, Claremont, Edna Brewer, Elmhurst Community Prep, Frick, James Madison, Montera, and Montera Middle Schools. The OUSD Peer RJ program supports the District's goal of reducing racially disproportionate discipline (DMC) by building community and resolving conflicts between students which may otherwise result in fights and subsequent suspensions. Restorative Justice has efficacy as an alternative to suspension and is a key component of the District's comprehensive violence prevention plan for middle schools. Specific grant activities include hiring Peer RJ Coordinators to train and coach students to use communication and problem-solving skills to assist their peers in managing and resolving interpersonal conflict.

The Consultant will organize, create, and design training materials that teach conflict resolution, effective communication, problem solving, and restorative practices, and expect to share them with other Peer RJ coordinators. Peer RJ leaders will work in pairs to help peers involved in a dispute to resolve their differences and repair their relationship. The Consultant will coach the peer RJ leaders to conduct an average of 20-35 restorative circles to respond to harm or conflict and support the school site in creating a safe, healthy and supportive school environment.

2. **Specific Outcomes:** What are the expected outcomes from the services of this Contract? Be specific.
