Subject 45+ Day Revision for 2023-24 Adopted Budget

Ask of the Board It is recommended that the Governing Board of the 45+ Day Revised Budget Summary Fund 01 Summary - Unrestricted and Restricted, incorporated herein by reference as though fully set forth, including but not limited to the existing and developing commitments to ensure the ongoing sustainability of the OEA Collective Bargaining Agreement* and other budget investments.

Background On June 28, 2023, the Governing Board adopted the 2023-24 budget for all funds as noted on Board Agenda Item 23-1344. The timing of the budget adoption met the June 30th statutory deadline. Prior to the adoption of the budget, the Governing Board must conduct a Public Hearing per Education Code §42103 to display the Proposed Budget for public view and hold a Public Hearing prior to adoption. The Public Hearing was held on June 7, 2023.

The Proposed Budget included a review of reserves in compliance with Education Code §42127(a)(2)(B). The 2023-24 Adopted Budget is developed for all funds and establishes expenditure authority for the district in the ensuing year.

The 2023-24 \$306.5 billion dollar State Budget, Senate Bill (SB) 101, was approved by the Legislature on June 15, 2023, as statutorily required, and subsequently submitted to Governor Newsom, who signed the budget on June 27, 2023. As annually

experienced, several amendments to the budget are not decided by June 30th and are subsequently approved and enacted into law through trailer bills. These amendments are included in Assembly Bill (AB) 102, which was signed by the Governor on July 10, 2023.

At the time of the June 28, 2023, Budget adoption, several new bills from the State Budget were not finalized for inclusion in the District's Adopted budget. These sources included, the LCFF Equity Multiplier, Reduction to Arts, Music, and Instructional Materials Block Grants, Reductions to the Learning Recovery Emergency Block Grant and a restoration of funding from the 2025-26 to 2027-28 fiscal year. The budget trailer bills also included clarification on the anticipated Proposition 28 allocation for Art and Music Programs.

In addition to these state factors, the District was engaged in negotiations with the Oakland Education Association (OEA). On June 28, 2023, the same night the 2023-24 Budget was approved, staff recommended the approval of Board Agenda Item 23-1682 Tentative Agreement between the Oakland Education Association and the Oakland Unified School District for Successor Collective Bargaining Agreement effective November 1, 2022 through June 30, 2025. The adoption of this agreement is the primary driver to the 45+Day Revision, which was noted at budget adoption as not being included in the budget as the approval of the AB1200 had days prior been approved by the Alameda County Office of Education.

Education Code §42127(h) states *Not later than 45 days after the Governor signs the annual Budget Act, the school district shall make available for public review any revisions in revenues and expenditures that it has made to its budget to reflect the funding made available by that Budget Act.* Due to the implantation steps and timelines required to properly adjust the salary schedules, compensation factors, and budgets, the District was unable to meet the 45-day timeline, which would have occurred at the Governing Board Meeting on August 9, 2023. The District seeks to fulfill its commitment to reflect the net changes in a 45+Day Revision for the 2023-24 Budget, notified the Board, Trustee, and Alameda County Office of this change, and is presenting the 45+Day Budget Revision on September 13, 2023.

The 2023-24 Adopted Budget reflected a \$35M Surplus in the Unrestricted General Fund and a \$31M Deficit in the Restricted General Fund, which is primarily spending prior year revenue earned and unspent. As of the 45+Day revision, the Unrestricted General Fund has a projected deficit of \$1.3M in the Unrestricted General Fund and \$52.6M deficit in the Restricted General Fund. These balances reflect approximately 90% of the budget adjustments required for the OEA salary implementation which includes a 10% salary increase from 2022-23 and a collapsed salary schedule effective July 1, 2023. The District is also making significant budget adjustments outside of the OEA agreement that will continue through September, in light of the significant changes that occur annually during year end and year beginning.

The budget adjustments include aligning the budget to the revised salary projection for every salary account and the coinciding mandatory benefit adjustments. In building the 2023-24 budget included various strategies to identify and reserve the resources required for this agreement to be fulfilled. The funding for this agreement is derived from resources that were reserved in each resource designated in Object 4399 – Unallocated Budget, the fund balance for resources eligible to retain a fund balance, and reserves from resources strategically designed to absorb the increase in salaries which include Resource 0005 Central Supplemental, Resource 0006, Supplemental & Concentration Carryover, and Resource 2600, Expanded Learning Opportunity Program. The availability of these resources was funded in part by Budget reductions adopted in Resolution 2223-0040A, Proposed Adjustments for the 2023-24 Budget to include recommendations to be considered in 2023-24 and implemented in 2024-25. This resolution is summarized in what has been consistently referred to as “Attachment A.”

The net changes in the salary schedules and the impact on the budget, in addition to the District completing its year-end close, 2022-23 Unaudited Actuals, has been

occurring concurrently with the OEA implementation. The 2023-24 budget will continue to be balanced, reconciled, and presented to the Board at First Interim on December 13, 2023, along with a revised multi-year projection.

In a review of this snapshot of the Revised 2023-24 budget, post OEA agreement implementation, the District appears to be successful in absorbing the salary adjustments as anticipated; however, a net surplus must be achieved, though not currently reflected by First Interim.

The District's ongoing sustainability is contingent on long-term solutions reviewed annually to ensure that the District is meeting its commitment to afford not only this compensation agreement, but future agreements for other Bargaining Units. District leadership has a specific interest and recommendation to not repeat historical cycles of up to a three-year span of time between the OEA compensation agreement and the ability to settle compensation agreements with other bargaining units. The Superintendent's directive and aligned staff focus has been to support the improved compensation for all employee groups, due to our historical lower ranges of salaries.

The 45+Day Revised budget also serves a reminder that the District must reflect its intentions and pending actions in its Budget Development strategy and timeline to include the following Budget Balancing solutions cited during the 2023-24 Budget Development Cycle and expected as a condition of the AB1200 approval for the OEA- OUSD Tentative Agreement from the Alameda County Office of Education:

- Staff will work with the Superintendent and Board on the method of presentation and decision-making for the cited 2024-25 School Site Adjustments approved in *"Attachment A" for consideration. The full body of this document is included in the attached 22-1344A Public Hearing Proposed Adopted Budget, pages 105-114/144.*
 - **Adjustment to School Site Allocations - Discretionary (Unrestricted)**
 - Schools receive discretionary funding based on projected student enrollment at each grade level, rather than by a school's grade span. Discretionary funds are intended to cover the cost of a site's basic operational and program needs, including copier agreements, supplies, books, contracted services, and equipment to support the school site's educational environment. Graduation costs, WASC dues, and other mandated non-salary costs must also be paid with Discretionary funds. Discretionary funds are currently allocated to school sites using the following grade span formula
 - Grades TK–5: \$60.00 per student
 - Grades 6–8: \$75.00 per student
 - Grades 9–12: \$100.00 per student
 - **Adjustment to School Site Allocations - LCFF**
 - Schools receive a per-pupil allocation of LCFF (Supplemental) funding. The current funding formula is \$785 per eligible student. The count of eligible students is determined by multiplying the projected total enrollment, including SDC students and Late-Arriving Newcomers, but the three-year average of the school's

Unduplicated Pupil Percentage (UPP). Unduplicated students are defined by the State as low-income students, English learners, and foster youth. For 2022-23, approximately \$21 million in LCFF Supplemental funds are allocated to schools.

- **Potential Merger of District Schools**

- **Excerpt from OEA AB1200 Approval Letter**

In order for ACOE to verify that Board and District staff are implementing the budget adjustments the Board approved within the Public Disclosure documents, OUSD will:

- *Provide ACOE with a Board-approved detailed update on its **list of Budget Adjustments by October 31, 2023;***
- *Share additional updates in ACOE's bi-weekly call to monitor the staff and Board's progress with strategic planning;*
- *Present a public update to be provided by First Interim, with further public disclosure and **formal Board Action required no later than February 2024,** to ensure the District meets its obligations in the subsequent fiscal year.*

Recommendation

It is recommended that the Governing Board of the 45+ Day Revised Budget Summary Fund 01 Summary - Unrestricted and Restricted, incorporated herein by reference as though fully set forth, including but not limited to the existing and developing commitments to ensure the ongoing sustainability of the OEA Collective Bargaining Agreement* and other budget investments.

Changes to the LCFF Calculator

Post Budget Adoption

- 2022-23 Unaudited Actuals is complete, which includes the final P-2 ADA to which resets the three year average.
- The 2023-24 LCFF revenue has been modified by a loss 515 ADA and \$4.1M in Revenue.

OUSD LCFF Funding Trend Summary - Comparing 2022-23 & 2023-24 Adopted to UnAudited Actuals Update

Scope: The purpose of this analysis is to reflect the trend of our LCFF Funding and the impact of additional state allocations and funding methods and the financial bridge that has been built to support the District's pre and post pandemic sustainability. The net loss of 515 ADA impacts the District's ongoing funding significantly. An additional adjustment to the TK Add due to a duplicated entry of the projected TK Add on in the District and Charter section, overstated the LCFF Calculator at Adoption. This has been corrected and reduced the ADA projection by \$1.3M, totaling a loss of \$4.1M

Updates & Implications for 2023-24 LCAP

Why is the LCAP returning to Board?

- Updates based on 23-24 45-Day Budget and 22-23 Unaudited Actuals yielded an increase in available funds
- Revised LCAP does not change goals or actions, but does adjust spending in many actions
 - Some saw reductions based on revised costs
 - Some saw increases based on revised costs and/or new investments

Updates to LCAP Budget

- Updated LCFF Base, Supplemental & Concentration grants based on revised LCFF Calculator
- Updated 22-23 LCFF Supplemental & Concentration carryover based on closing
- Alignment to actual costs of OEA positions
- Continued reservation of funds for potential compensation increases for non-OEA positions

Updates to LCAP Budget

- New one-time S&C Carryover allocations:
 - Playground and facility investments at high UPP schools
 - Expanded investments in declining enrollment schools and other one-time school support uses
 - Additional targeted investments

Updates to MPP

- District is required to meet the Minimum Proportionality Percentage (MPP), demonstrating that we have used our LCFF Supplemental and Concentration funds to increase or improve services for the unduplicated student population by at least the proportion of additional funds received
- $MPP = LCFF\ S\&C\ Grants / Total\ LCFF\ Grant$
- Total MPP also accounts for our S&C Carryover
- Revised MPP for 23-24, including carryover: 41.08%

Updates to MPP

- Originally adopted LCAP no longer met MPP once 23-24 LCFF totals and 22-23 S&C carryover were updated.
- To meet MPP in the revised LCAP, we increased planned spending of S&C funds for our highest need students to align to the updated budget and unaudited actuals.
- With this new spending, LCAP now meets MPP.

Subject Public Hearing - 2023-24 Proposed Adopted Budget

Ask of the Board Conduct a Public Hearing and Receive for information and review, the working draft of the 2023-24 Proposed Budget.

Background Annually, the District must adopt a budget for all funds by June 30th for the ensuing fiscal year. Prior to adoption of the budget, which is scheduled for June 28, 2023, the Governing Board must conduct a Public Hearing. Education Code §42103 requires the District to display the Proposed Budget for public view and hold a Public Hearing prior to adoption. The Public Hearing was scheduled for June 7, 2023. Additionally, The Proposed Budget will include a review of reserves in compliance with Education Code §42127(a)(2)(B). The 2023-24 Budget is developed for all funds and establishes expenditure authority for the district in the ensuing year.

The Budget Development process began in the Fall of 2022 with the distinct desiring to not only start budget development earlier, but also in preparation for necessary reductions and re-alignment of investments in support of the District's financial sustainability and in efforts to focus on the improvement of employee compensation. Enrollment projections, school site budget one-pagers, and Department and site-based reductions were all key areas of focus in the Fall of 2022. The District also made adjustments during the budget development process as a result of the Board's January 2023 approval of resolution 2223-0036-Rescission of School Consolidations. The subsequent impact of this decision as well as the timing to ensure the District was on track to adopt and approve its LCAP and Budget and most importantly, adopt a Budget and LCAP that modeled best practices in sustainability and healthy financial and operational practices.

The rescission and the District's desire to adopt a budget with available resources to improve compensation and other ongoing investments led to additional revised strategies and

additional accelerated activity to meet all statutory timelines and other County and Trustee requirements. The District recommended and the Board approved Resolution 2223-0040A Recommended Budget Adjustments on March 9, 2023 in which included \$41.7M of ongoing budget balancing solutions and \$13.2M in shifts in expenditures to one time resources. The \$41.7M includes \$5.7M that are spending reductions for implementation during the 2024-25 Budget Development Process, making the 2023-24 projection \$35.9M. The District has realized a net \$30.8M of these savings for 2023-24 budget year.

The components of these resolutions, in addition to the Governor's LCFF May Revise projections, and proposed budgets and investments are reflected in the 2023-24 Budget draft, in addition to investments recommended and adopted through our LCAP process.

The Draft budget reflects a \$28M surplus in the Unrestricted General Fund and a currently, a deficit of \$35.3M in the Restricted General Fund. The District has not included the recent Tentative Agreements with OEA in the proposed draft budget. Due to the tentative status of the recent agreements and the forthcoming submission and review of the District's AB1200 by the Trustee and the Alameda County Office of Education (ACOE), a line item for potential investments for compensation will be created in the LCAP and a coinciding reservation in the budget for the Supplemental and Concentration resources the District projects to receive as illustrated in the LCFF Calculator on slide 12 of the accompanying presentation.

The 2023-24 General Fund Budget Assumptions are as follows:

* Note: The 2022-23 Actual ADA projection is lower than the funded ADA. The Governor's Budget amended the LCFF calculation to allow school districts to utilize the greater prior year, or the average of the most recent three prior years' ADA due to the loss of ADA from the pandemic.

** 2023-24 Projected Increase for Kaiser which is the primary benefit selection for the majority of employees.

*** Additional LCFF Investment, NOT statutory COLA EC 42238.02(d)(5)

The District will continue to complete the final review, reconciliation, and preparation of all required reports to include any amendments to the budget as a result of the public hearing. The Unrestricted General Fund is currently projected to expend \$468M and the Restricted General Fund \$452M with the noted caveats of final entries, edits and reconciliation in progress.

The 2023-24 Draft Projected Budget includes a reserve for economic uncertainties of \$24.2M, and \$10.7M in specific reservations/assignments. The District's remaining Unassigned Unappropriated Amount is \$74.4M. No reservations have been made specific to the Tentative Agreement with OEA again due to the agreement moving through the proper AB1200 approval process. The District notes that the fund balance has grown, as projected in previous interim reports, due to increased revenue projections from LCFF funding sources and the budget solutions noted above to support the District's compensation and other investment goals.

Recommendation It is recommended that the Governing Board Receive for information and review, the working draft of the 2023-24 Proposed Budget in conjunction with the required Public Hearing on June 7, 2023. The District will submit the 2023-24 budget for adoption on June 28, 2023.

Purpose

Annually, the District must adopt a budget for all funds by June 30th for the ensuing fiscal year. Prior to adoption of the budget, which is scheduled for June 28, 2023, the Governing Board must conduct a Public Hearing. Education Code §42103 requires the District to display the Proposed Budget for public view and hold a Public Hearing prior to adoption. The Public Hearing was scheduled for June 7, 2023. Additionally, The Proposed Budget will include a review of reserves in compliance with Education Code §42127(a)(2)(B). The 2023-24 Budget is developed for all funds and establishes expenditure authority for the district in the ensuing year.

Impact of Unapproved SELPA Plan

- At the May 24, 2023 Board meeting, Item 23-1069, Special Education Local Plan Area (SELPA) Annual Service Plan and Budget was not approved by the Budget (\$140.5M).
- The Special Education Budget is currently included in the Draft Proposed budget. Lack of the approval of the plan would technically exclude its eligibility from being included in the 2023-24 Proposed Budget.
- It is the Staff's understanding that this item is returning for the Board's consideration on June 21, 2023.
 - The Boards lack of approval on June 21, 2023 would require the District to either exclude the Special Education program in the final budget or note the lack of plan approval at adoption. Services or require services may also be reduced to the amount of the budgeted contribution as the General Fund cannot fund the entire program without the supplemental Special Education Revenue.

Technology Services supports all district technology and services, Technology Services' responsibilities include infrastructure, business applications, educational systems, systems integration, and technical support in alignment with OUSD Strategic goals and objectives.	Reduce non-labor costs														
	Reductions to some of the district software investments will mean that schools will have fewer options in educational technology offered by the district to support the core curriculum. Some software used by business departments was eliminated in order to meet the reduction target based on shifts in business practices. For example, OUSD will no longer use Laserfische and Rocketscan what means that families will have to access online registration forms through digital platforms.	-	\$ (694,090)			-	-	-	-	-	-	-	-	-	-

Funding shift Shift of Fingerprint Technician (1.0 FTE) funding from 0 to 3213. There is only one position within Talent that handles the fingerprint process for new employees and the ongoing compliance for current staff. Office of Sr. Business Officer leads all financial departments in Oakland Unified School District and is responsible for creating a balanced budget that the School Board adopts each year in June. The Accounting/Budget, Accounts Payable, Strategic Resource Planning and Payroll are under this division.	Funding shift The Business Services Division has reduced and eliminated positions beyond what evaluated and recommended staffing should be for the District to build and ensure sustainability over time. The District is therefore relying, as it is in many other departments, on the acquired development, knowledge, and talent of a number of employees. To support the District's financial needs, the business services department will not immediately impact what sustainability plans requested and required to gain fiscal sustainability, but is recommending the more immediate and deliberate phase out of the following positions to trigger the pending transitions. The District's Chief Business Officer and Trustee have been funded out of AB1840 since 2021-22 to firstly, identify positions that are part of the fiscal recovery and sustainability. The Chief Business Officer position as it exists today is currently set to sunset in 2023-24. The District will transfer funding for the (1.0 FTE) Sr Director of Strategic Planning and (1.0 FTE) Senior Executive Assistant Support fro Resource 0000 to Resource 0040 (AB1840) with a reservation to retain the positions for 2023-24, 2024-25. This will allow the District to transition the work that will continue and phase out responsibilities as the District completes next steps to seek local control and execute the Fiscal Sustainability Plan and associated audits and reviews. This will also signal the collapse of the Operations and Business Departments under a new organizational structure accordingly. PCN 6743 and 8224	(2.00)	\$ (416,537)			-	-	-	-	-	-	2.00	\$ 447,545

The cost of curriculum adoptions is costly up front, then tapers off to annual costs for the purchase of consumables like workbooks and minor updates to the curriculum. The Academic department has provided a heat map of needed adoptions and has shown progress in curriculum adoptions across the grade spans over the last four years. The final adoptions that are taking place are in High School and will likely take the next two school years. It is likely that OUSD would not have to invest deeply in new curriculum adoptions for another 10 years, which is the usual cycle for when the CA Department of Education updates to new academic content standards. The associated costs with curriculum adoptions are in professional learning and are accounted for within the line item labeled professional learning. 2022-23 Budget was \$7M and is not in the 2023-24 Budget	-	-			-	\$ (7,036,000)	-	-	-	-	-	-

Subject 2023-24 Recommended Budget Adjustments

Ask of the Board Approval by the Board of Education of Resolution No. 2223-0040A - Proposed Adjustments for 2023-24 Budget.

Background The District is and will continue to be in the process of budget development through the Spring, but is seeking to meet its objective of providing methods to review options to reorganize and improve spending efficiencies in the midst of continued projections of declining enrollment and coinciding lower revenue. The District is also fortunate and challenged in doing so with one time COVID and recent additional concentration resources that are unable to address the rapid rate of increase in expenditures over revenue. Additionally, the District seeks to provide competitive compensation for its employees.

The District has provided insight and analysis that, although past and even current recommended budget adjustments solve the District's short term needs, an intense look at the District's infrastructure, how it serves its students, and how it invests resources is critical to the District's fiscal sustainability; thus, the crux of the District and County's concerns.

On December 14, 2022, staff presented the District's First Interim budget, which did not include ongoing increases in salary for all employees starting in 2023-24, and filed it with the Alameda County Office of Education with a "positive" certification. Alameda County Superintendent Alysse Castro, in her review of the District's first interim budget, determined that "the District may not meet its financial obligations in "the subsequent two fiscal

year “[b]ased on uncertainties yet unresolved” and changed the certification of the District’s first interim budget to “qualified”

On February 22, 2023, staff gave an initial presentation of the District’s financial outlook and summary of potential budget adjustments for 2023-24. That presentation was intended to help the Board and the public understand the District’s budget challenges, need to make significant adjustments, and a summary of potential budget adjustments.

Discussion

The District has met with and evaluated budgets and adjustments for the Central Office and other programs and hosted budget development for school sites. The impacts of the proposed budget adjustments are outlined in Attachment A of Resolution No. 2223 - 0040-Proposed Adjustments for 2023-24 Budget.

**RESOLUTION OF THE
BOARD OF EDUCATION OF THE
OAKLAND UNIFIED SCHOOL DISTRICT**

Resolution No. 2223-0040A

Proposed Adjustments for 2023-24 Budget

WHEREAS, the Board of Education (“Board”) recognizes that, in order to improve opportunities and outcomes for all students in the District and close equity gaps for the District’s historically underserved and most vulnerable students, the District must ensure that it remains fiscally solvent in the next three (3) school years, as well as years to come;

WHEREAS, the District has the paramount responsibility of offering a quality educational program to all of its students, almost 80% of who are unduplicated pupils;

WHEREAS, the Board is committed to implementing the strategies identified in the District’s Strategic Plan and LCAP to improve student outcomes to the greatest extent financially and operationally feasible;

WHEREAS, the Board is therefore committed to supporting the recruitment and retention of employees and the cultivation of high employee morale as well as to ensuring a continuity of services to students;

WHEREAS, the cost of health and welfare benefits are projected to increase by approximately 15%;

WHEREAS, the Consumer Price Index for the San Francisco Bay Area rose almost 5% in 2022;

WHEREAS, compensation in the Unrestricted General Fund is 84% of the total budget;

WHEREAS, compared with 2018-19, OUSD enrollment for 2023-24 is projected to have declined by 10.7% for TK-5 (with Kindergarten specifically projected to have declined by 15.6%), 5.2% for grades 6-8, and 3.1% for grades 9-12, foreshadowing serious future enrollment challenges for the District;

WHEREAS, the latest indications from the Department of Finance (DOF) and Legislative Analyst Office (LAO) are that any ongoing increase in LCFF funding is projected to be lower than proposed in the Governor’s January budget;

WHEREAS, on January 11, 2023 the Board adopted Resolution No. 2223-0036 - Rescission of School Consolidations for 2022-23, which rescinded the school consolidations scheduled for the end of the 2022-23 school year and increased expected ongoing costs by at least \$5.14M (in addition to other programmatic, operational, maintenance, and facilities costs and impacts);

WHEREAS, the Board approved its first interim budget, which does not include ongoing increases in salary for all employees starting in 2023-24, and filed it with the Alameda County Office of Education with a “positive” certification;

WHEREAS, Alameda County Superintendent Alysse Castro, in her review of the District’s first interim budget, determined that “the District may not meet its financial obligations in” the subsequent two fiscal year “[b]ased on uncertainties yet unresolved” and changed the certification of the District’s first interim budget to “qualified”;

WHEREAS, Superintendent Castro, in her review also stated:

OUSD stands at a moment of extreme opportunity and extreme risk An unprecedented infusion of one-time money has created a brief window for changing course while still meeting operating expenses, but can’t cover the ongoing investments we want for our kids and staff The District is well poised to end 20 years of debt, but doing so will require quick and decisive action on the part of the Board to make changes in what may be the most complex school budget in California. . . . These are massive undertakings and I applaud the Board for their service in undertaking them for our kids. I believe it is possible for the Board to realign the budget to reflect its priorities if they commit to learning the complex history of today’s budget and making the hard tradeoffs needed for tomorrow’s.

WHEREAS, the Board understands that the District has been in similar situations in the past 20 years and is ready make these “hard tradeoffs” to ensure the District’s long-term fiscal solvency;

WHEREAS, the Board desires to minimize the impact of any budget reductions on the level of service, quality of staff, staffing levels, and education programs for District students;

WHEREAS, the Superintendent has proposed the budget adjustments found in Attachment A, which include funding shifts, reductions in ongoing expenditures through position reductions and eliminations, reductions in ongoing non-staffing costs, and the use of one-time money to pay for ongoing expenditures; and

WHEREAS, to address the use of one-time money to pay for ongoing expenditures, additional reductions to ongoing expenditures will need to be made for 2024-25; and

WHEREAS, the merger of District schools presents an opportunity to gain operational efficiencies and improve school programs as well as minimize the impact of any budget reductions on the level of service, quality of staff, staffing levels, and education programs for District students.

NOW, THEREFORE, BE IT RESOLVED, the Board hereby adopts the proposed budget adjustments found in **Attachment A**, attached hereto and incorporated herein by reference;

BE IT FURTHER RESOLVED, with respect to any delineated shifts from LCFF base funding to supplemental and concentration funding, the Board empowers the Superintendent to replace these shifts with other shifts based on conversations with the Alameda County Office of Education with respect to what is appropriately funded with supplemental and concentration funding;

BE IT FURTHER RESOLVED, unless otherwise stated herein, the Board directs the Superintendent to initiate all steps necessary to enact and implement the budget adjustments found Attachment A, including (without limitation) (i) providing statutory notices relating to layoff or reassignment, (ii) incorporating the budget adjustments into the proposed Fiscal Year 2023-2024 District Budget and the related multi-year budget projections for the subsequent two (2) fiscal years, and (iii) incorporating the adjustments in the 2023-2024 Local Control and Accountability Plan;

BE IT FURTHER RESOLVED, the Board acknowledges that the associated impacts to funding and positions are estimates and subject to change and empowers the Superintendent to refine the impacts to funding and positions, if necessary, and to include such refined information in the (i) statutory notices relating to layoff or reassignment, (ii) the proposed Fiscal Year 2023-2024 District Budget and the related multi-year budget projections for the subsequent two (2) fiscal years, and (iii) the 2023-2024 Local Control and Accountability Plan; and

BE IT FURTHER RESOLVED, the Board recognizes that the budget adjustments found herein are in addition to any budget adjustments (e.g., funding shifts, reductions in ongoing expenditures, reductions or eliminations of positions, reductions in ongoing non-staffing costs) occurring due to declining enrollment, the loss of or reduction in one-time funding (e.g., grants), and the consolidations of school site positions consistent with applicable bargaining agreements; and

BE IT FURTHER RESOLVED, the Board directs the Superintendent to initiate a freeze on new hiring, including the filling of vacant positions, as of March 1, 2023, with the duration, scope, and possibility of exceptions left to the discretion of the Superintendent or designee, provided that the Superintendent or designee update the Board, in writing, on any major adjustments to the freeze as well as prior to the date on which the freeze would be discontinued.

Technology Services supports all district technology and services. Technology Services' responsibilities include infrastructure, business applications, educational systems, systems integration, and technical support in alignment with OUSD Strategic goals and objectives.	Reduce non-labor costs Reductions to some of the district software investments will mean that schools will have fewer options in educational technology offered by the district to support the core curriculum. Some software used by business departments was eliminated in order to meet the reduction target based on shifts in business practices. Office of Sr. Business Officer leads all financial departments in Oakland Unified School District and is responsible for creating a balanced budget that the School Board adopts each year in June. The Accounting/Budget, Accounts Payable, Strategic Resource Planning and Payroll are under this division.	Funding shift The Business Services Division has reduced and eliminated positions beyond what evaluated and recommended staffing should be for the District to build and ensure sustainability over time. The District is therefore relying, as it is in many other departments, on the acquired development, knowledge, and talent of a number of employees. To support the District's financial needs, the business services department will not immediately impact what sustainability plans requested and required to gain fiscal sustainability, but is recommending the more immediate and deliberate phase out of the following positions to trigger the pending transitions. The District's Chief Business Officer and Trustee have been funded out of AB1840 since 2021-22 to firstly, identify positions that are part of the fiscal recovery and sustainability. The Chief Business Officer position as it exists today is currently set to sunset in 2023-24. The District will transfer funding for the (1.0 FTE) Sr Director of Strategic Planning and (1.0 FTE) Senior Executive Assistant Support fro Resource 0000 to Resource 0040 (AB1840) with a reservation to retain the positions for 2023-24, 2024-25. This will allow the District to transition the work that will continue and phase out responsibilities as the District completes next steps to seek local control and execute the Fiscal Sustainability Plan and associated audits and reviews. This will also signal the collapse of the Operations and Business Departments under a new organizational structure accordingly. PCN 6743 and 8224	(2.00)	\$ (378,404)	-	-	-	-	-	2.00	\$ 378,404

The cost of curriculum adoptions is costly up front, then tappers off to annual costs for the purchase of consumables like workbooks and minor updates to the curriculum. The Academic department has provided a heat map of needed adoptions and has shown progress in curriculum adoptions across the grade spans over the last four years. The final adoptions that are taking place are in High School and will likely take the next two school years. It is likely that OUSD would not have to invest deeply in new curriculum adoptions for another 10 years, which is the usual cycle for when the CA Department of Education updates to new academic content standards. Facilities led by Tadashi Nakadegawa, Deputy Chief Facilities Management & Planning. The Facilities Planning and Management Division oversees the capital improvement program for the Oakland Unified School District. This work is funded by bond measures that include Measure B, \$65 million, Measure J, \$475 million, and Measure Y, \$735 million. The Facilities Department manages over 100 buildings and 680 portables, totaling 5,841,891 square feet. Beyond the upkeep of classrooms, offices and gymnasiums, we are responsible for the maintenance of playgrounds, gardens, and athletic fields and courts. On average, our maintenance operations team addresses and responds to over 20,000 work orders per year. School Site Adjustments											
Adjustment to School Site Allocations- Discretionary (Unrestricted) Schools receive discretionary funding based on projected student enrollment at each grade level, rather than by a school's grade span. Discretionary funds are intended to cover the cost of a site's basic operational and program needs, including copier agreements, supplies, books, contracted services, and equipment to support the school site educational environment. Graduation costs, WASC dues, and other mandated non-salary costs must also be paid with Discretionary funds. Discretionary funds are currently allocated to school sites using the following grade span formula Grades TK–5: \$60.00 per student Grades 6–8: \$75.00 per student Grades 9–12: \$100.00 per student	Proposed Reduction to School Site Funding Allocation Effective FY 23-24 Grades TK–5: \$50.00 per student Grades 6–8: \$65.00 per student Grades 9–12: \$80.00 per student Impact: No impact to school allocations in FY 23-24. Starting in FY 24-25, schools will be able to afford less supplies, operational maintenance (i.e. copier upkeep) and/or staff etc. than prior years. Mitigation FY 23-24: Status-quo for 1 year as one-time funds (i.e. ESSER III) will be used to offset the reduction. Mitigation FY 24-25: Schools may purchase supplies centrally, allowing for reduction in costs and use other restricted resources to fund priorities.	-	\$ (433,000)	-	-	-	-	-	-	\$ 433,000	
Adjustment to School Site Allocations- LCFF Schools recieve a per pupil allocation of LCFF (Supplemental) funding. The current funding formula is \$785 per eligible student. The count of eligible students is determined by multiplying the projected total enrollment, including SDC students and Late-Arriving Newcomers, but the three-year average of the school's Unduplicated Pupil Percentage (UPP). Unduplicated students are defined by the State as low-income students, English learners, and foster youth. For 2022-23, approximately \$21 million in LCFF Supplemental funds are allocated to schools.	Proposed Reduction to School Site Funding Allocation Adjustment Effective FY 23-24 Reduce the per pupil LCFF allocation (Supplemental) from \$785 per student to \$675 per student. Potential Merger of District Schools	Background The District has successfully implemented mergers of District schools over the last five years. In addition to supporting the District's goal of maintaining fiscal solvency, these mergers have resulted in increased enrollment, gained efficiencies and program improvements. 2023-24 presents an opportunity to launch a planning and redesign process for potential mergers effective with the 2024-35 academic school year. The District proposes a planning year (2023-24) for the potential merger of at least 10 schools effective 2024-25. Subject Resolution No. 2223-0185A- Classified Employees Reduction in Force Due to Lack of Funds and/or Lack of Work (2023/24 Fiscal Year)

Ask of the Board Adoption by the Board of Education of Resolution No. 2223-0185A Classified Employees Reduction in Force Due to Lack of Funds and/or Lack of Work (2023/24 Fiscal Year)

Background Each year, the District undergoes a process of reviewing available position and budget information and engaging with school sites and department leaders to identify staffing needs for the upcoming school year.

The Education Code requires Board action in order to implement a reduction or elimination of classified positions on the basis of lack of funds or lack of work. Through the budget development process, and based on budget decreases and/or reduction in sites/departments and modification of work to align to the District's priorities, sites and departments have indicated a need to reduce certain authorized classified positions.

With the passage of Assembly Bill 438, the classified layoff process has changed. Under Education Code sections 45114, 45115, 45117, 45298, and 45308, school districts must notify employees identified for layoff by March 15 that they will be laid off at the end of the current school year. These employees must also be notified of their opportunity to request a hearing on their layoff. Under Education Code section 45117, when classified positions must be eliminated as a result of the expiration of a

pecially funded program, the employees to be laid off shall be given written notice not less than 60 days prior to the effective date of their layoff informing them of their layoff date and their displacement rights, if any, and reemployment rights. Education Code section 8366 permits school districts to provide notice of layoff to child development permit teachers at any time during the school year. The notice includes the effective date, displacement rights, if any, and reemployment rights. Although employees affected by the reduction or elimination of positions will receive layoff notices, some may retain District employment by being reassigned as permitted by the Education Code.

Discussion

Based on projected staffing needs from the budget development process with sites and departments as well as projected revenue for Fiscal Year 2023-2024, it is necessary to reduce and/or eliminate certain classified positions due to lack of funds and/or lack of work due, at least in part, to declining enrollment, uncertain one-time funding, and increasing costs. Budget development also resulted in school sites' and departments' determination that certain other classified areas should be increased. This Resolution contains the decreases, increases, and overall net effect for authorized classified positions affected for the 2023-2024 fiscal year.

District staff will meet with representatives of the appropriate collective bargaining units to discuss the impact of the layoffs and to identify and create a plan of action to utilize available resources for the affected employees.

Exhibit A lists the positions that will be reduced, eliminated, or added. The total net effect of this Resolution is to decrease the overall number of authorized classified positions by **-98.40 FTE**. The District will continue to try and identify alternative solutions for minimal impact on employees of the District. As decisions are made regarding the District's budget for 2023-24, additional funding may become available, new positions may be identified, and/or positions that were reduced or eliminated may be increased or reinstated.

Fiscal Impact

Budget changes needed to assist in addressing the District's declining enrollment, the elimination of certain funds, the District's fiscal health, and staffing needs. For the 2023-2024 fiscal year, there will be savings of salary and benefits for positions no longer funded.
