Carryover Justification and Narrative

In the following section, please explain how you plan to use the Measure G1 carryover funds to develop strategic changes that meet the goals of the measure and that will lead to improved student outcomes.

All budget items should total up to the total carry-over grant amount.

Summary of Proposed Use of Carryover for 2019-20

2019-20 Proposed Carryover Expenditures from <i>Budget Justification and Narrative Section</i>		Budget Amount	Explanation of use of \$
1	Recruitment materials for 6th graders: Marquee for school	\$7,000	West Oakland MS would like to utilize the funds to increase recruitment of our 6th grade students. We have never had a marquee at the front of the school, which would let everyone in the community know who we are and that we are a functioning school. Unfortunately, the school closures and mergers in the past 10 years have made it confusing for families to know exactly what school(s) are at 991 14th street. WOMS has been the only steady presence on the campus this entire time, while no fewer than 5 schools in 6 years have shared the campus with us. A marquee would help us communicate our presence in a visual way, and would provide our community an opportunity to see that we are a dynamic and active school that serves our families and students.
2	Printing materials for recruitment	\$2,000	WOMS would like to utilize the funds to print high quality postcards and brochures that we can distribute at establishments around the town. We would print the materials and distribute them at

			local churches, stores, housing complexes, and other frequently visited establishments in the community.
3	Extended Contracts for staff: recruitment & transition for incoming 6th graders	\$13,529.04	Teachers will need to help transition students back to school over the summer of 2021. Specifically, our incoming 6th graders would benefit from a robust orientation and summerbridge before school begins. Teachers would host a 5-day bridge program so that our students would be prepared to begin school.
	Budget Total (must add up to Anticipated Grant Amount)	\$22,529.04	

Narrative: Please provide the reasoning as to why the full Measure G1 allocation was not spent.

West Oakland Middle School received an additional grant last year for art last year. We had initially planned to pay for the art classes through G1, but there was not a need for that, given the grant. This is the reason we did not utilize the 22K remaining in our allocation.
