BACKGROUND/DISCUSSION

The duties of the Measures B.J.Y Committee, as defined by Board Bylaw 9131, among other duties, is to provide advice and recommendation to the District regarding the expenditure of funds for bond related projects, to actively review and report on the proper expenditure of taxpayers’ money for school construction and to take any necessary action in furtherance of its purpose including, but not limited to, receiving and reviewing copies of annual independent financial audits and deferred maintenance proposals, inspecting school facilities and grounds, receiving and reviewing cost-saving measures designed to reduce the costs of professional fees and site preparation. The Committee also shall have the option to tour sites where Bond funds are being expended, with support from the Superintendent.

Ms. Price, having satisfactorily served as a Community Member at Large, is willing to continue to serve and is eligible for appointment to a second term of two years.
