Section 33050 - QEIA Funding (CSR) – Horace Mann Elementary School – School  
Year 2012-2013**

**WHEREAS**, the Quality Education Investment Act (QEIA) is the result of a settlement between Governor Schwarzenegger and the California Teachers' Association (CTA) which is aimed at boosting student achievement at low-performing schools; and

**WHEREAS**, in May 2007 State Superintendent of Public Instruction Jack O'Connell announced that 488 low-performing schools in California were selected to receive QEIA funding; and

**WHEREAS**, QEIA schools have demonstrated meaningful to significant growth in academic achievement over-all as a result of implementing the various strategies outlined in the QEIA program; and

**WHEREAS**, QEIA non-compliance reported for schools in the 2012-13 school year has been determined to be correctable under the state's General Waiver process; and

**WHEREAS**, the District, in an effort to ensure maintenance of these funds for the 2014-15 school year for specific schools, must seek a General Waiver of the State Board of Education; and

**WHEREAS**, the District is taking steps to further assist QEIA funded schools in meeting the compliance targets set forth under the Quality Education Investment Act; and

**WHEREAS**, continued provision of QEIA funding for the 2014-15 school year will likely contribute significantly to continued academic gains for designated school; and

**WHEREAS**, the request by the District and granting of the Waiver by the State Board of Education will not have a negative fiscal impact on, or otherwise harm, the District;

**Ed Code or CCR to Waive:** 33050

For each funded school, the county superintendent of schools for the county in which the school is located shall annually review the school and its data to determine if the school has met all of the following program requirements by the school by the end of the third full year of funding:

- (1) Meet all of the following class size requirements:
  - (A) For kindergarten and grades 1 to 3, inclusive, no more than 20.44 pupils per class, as set forth in the Class Size Reduction Program Chapter 6.10 (commencing with Section 52120)).
  - (B) For self-contained classrooms in grades 4 to 8, inclusive, an average classroom size that is the lesser of clause (i) or (ii), as follows:
    - (i) At least five pupils fewer per classroom than was the average in 2006-07.
    - (ii) An average of 25 pupils per classroom.
    - (iii) For purposes of this subparagraph, average classroom size shall be calculated at the grade level based on the number of self-contained classrooms in that grade at the school site. If the self-contained classrooms at the school averaged fewer than 25 pupils per classroom during the 2005-06 school year, that lower average shall be used as the "average in 2006-07" for purposes of this subparagraph. A school that receives funding

under this article shall not have a self-contained classroom in grades 4 to 8, inclusive, with more than 27 pupils regardless of its average classroom size.

**Outcome Rationale:**

Horace Mann Elementary School made a good-faith effort to stay within QEIA CSR targets in 2012–13, but more students enrolled in the site than expected for different reasons. For grade one through five, the school attempted to accommodate students within the neighborhood for which alternative placements would have presented a hardship due to the distance of available enrollment within district-run schools. The percentage of students that was estimated to attrition, based on prior year trends, was less than expected.

This Waiver is requesting that the Class Size Reduction Targets established for Horace Mann Elementary School in these grade levels for the 2012-2013 school year:

- > 20.44 for 1st grade increased to 22 students;
- > 20.44 for 2nd grade increased to 23 students;
- > 20.44 for 3rd grade increased to 23 students;
- > 19.0 for 4th grade increased to 21 students;
- > 16.0 for 5th grade increased to 21 students

Horace Mann Elementary School provides a strong academic program that reflects of the spirit of the QEIA program, and is continuing to make academic gains for its students.
