Blueprint Schools Network, Needham, MA

The PARTIES hereby agree as follows:

1. **Term.**

- a. This Agreement shall start on the below date (“Start Date”):

If no Start Date is entered, then the Start Date shall be the latest of the dates on which each of the PARTIES signed this Agreement.

- b. The work shall be completed no later than the below date (“End Date”):

June 15, 2023

If no End Date is entered, then the End Date shall be the first June 30 after the Start Date. If the term set forth above would cause the Agreement to exceed the term limits set forth in Education Code section 17596, the Agreement shall instead automatically terminate upon reaching said term limit.

2. **Services.** VENDOR shall provide the services (“Services”) as described in #1A and #1B of **Exhibit A**, attached hereto and incorporated herein by reference. To the extent that there may be a school closure (e.g., due to poor air quality, planned loss of power, COVID-19) or similar event in which school sites and/or District offices may be closed or otherwise inaccessible, VENDOR shall describe in #1B of **Exhibit A** whether and how its services would be able to continue.

3. **Alignment and Evaluation.**

- a. VENDOR agrees to work and communicate with OUSD staff, both formally and informally, to ensure that the Services are aligned with OUSD’s mission and are meeting the needs of students as determined by OUSD.

- b. OUSD may evaluate VENDOR in any manner which is permissible under the law. OUSD's evaluation may include, without limitation: (i) requesting that OUSD employee(s) evaluate the performance of VENDOR, each of VENDOR's employees, and each of VENDOR's subcontractors, and (ii) announced and unannounced observance of VENDOR, VENDOR's employee(s), and VENDOR's subcontractor(s).
4. **Inspection and Approval.** VENDOR agrees that OUSD has the right and agrees to provide OUSD with the opportunity to inspect any and all aspects of the Services performed including, but not limited to, any materials (physical or electronic) produced, created, edited, modified, reviewed, or otherwise used in the preparation, performance, or evaluation of the Services. In accordance with Paragraph 8 (Compensation), the Services performed by VENDOR must meet the approval of OUSD, and OUSD reserves the right to direct VENDOR to redo the Services, in whole or in part, if OUSD, in its sole discretion, determines that the Services were not performed in accordance with this Agreement.
5. **Data and Information Requests.** VENDOR shall timely provide OUSD with any data and information OUSD reasonably requests regarding students to whom the Services are provided. VENDOR shall register with and maintain current information within OUSD's Community Partner database unless OUSD communicates to VENDOR in writing otherwise, based on OUSD's determination that the Services are not related to community school outcomes. If and when VENDOR's programs and school site(s) change (either midyear or in subsequent years), VENDOR shall promptly update the information in the database.
6. **Confidentiality and Data Privacy.**
 - a. OUSD may share information with VENDOR pursuant to this Agreement in order to further the purposes thereof. VENDOR and all VENDOR's agents, personnel, employee(s), and/or subcontractor(s) shall maintain the confidentiality of all information received in the course of performing the Services, provided such information is (i) marked or identified as "confidential" or "privileged," or (ii) reasonably understood to be confidential or privileged.

 - (ii) If VENDOR is not a software vendor, it agrees to access or receive identifiable student data, other than directory information, only after executing the OUSD Data Sharing Agreement (available here).
 - (iii) Notwithstanding Paragraph 28 (Indemnification), should VENDOR access or receive identifiable student data, other than directory information, without first executing a separate data sharing agreement, VENDOR shall be solely liable for any and all claims or losses resulting from its access or receipt of such data.
 - c. All confidentiality requirements, including those set forth in the separate data sharing agreement, extend beyond the termination of this Agreement.
7. **Copyright/Trademark/Patent/Ownership.** VENDOR understands and agrees that all matters produced under this Agreement, excluding any intellectual property that existed prior to execution of this Agreement, shall be works for hire as defined under Title 17 of the United States Code, and all copyrights in those works are the property of OUSD. c. Payment for Services shall be made for all undisputed amounts no more frequently than in monthly installment payments within sixty (60) days after VENDOR submits an invoice to OUSD, in accordance with Paragraph 10 (Invoicing), for Services actually performed and after OUSD's written approval that Services were actually performed. The granting of any payment by OUSD, or the receipt thereof by VENDOR, shall in no way lessen the liability of VENDOR to correct unsatisfactory performance of Services, even if the unsatisfactory character of the performance was not apparent or detected at the time a payment was made. If OUSD determines that VENDOR's performance does not conform to the requirements of this Agreement, VENDOR agrees to correct its performance without delay.

Blueprint Schools Network Support for the Implementation of the Blueprint Math Fellows Program at Greenleaf Middle School in the Oakland Unified School District

Scope of Work – Attachment A
March 30, 2022 – June 30, 2023

I. Program Overview

Blueprint Schools Network (Blueprint) seeks to provide direct services to Greenleaf Middle School (Greenleaf) to implement the Blueprint Math Fellows Program for the 2021-22 and 2022-23 academic years. Below is a scope of services which provides for planning and implementation that can be amended and further defined in subsequent conversations. Working alongside Greenleaf leadership and Fellows, Blueprint hopes to continue to provide services that meet the most pressing needs of students in Oakland.

Blueprint's mission for the Math Fellows Program initiative at Greenleaf is to improve life outcomes for students by providing the mathematical foundation and critical reasoning skills necessary for success in college and beyond. By increasing math achievement in the middle school grades, Math Fellows at Greenleaf will increase the number of students passing Algebra 1 and higher level mathematics courses, ultimately increasing the number of students prepared for post-secondary mathematics courses and closing the achievement gap across Oakland.

Blueprint proposes to coordinate with Greenleaf leadership to continue to implement the Blueprint Math Fellows Program. This document provides an overview of planning and implementation activities.

Current expectations are that:

- Blueprint will assume as comprehensive a role as possible regarding the planning and implementation functions for the Math Fellows Program;

- Blueprint will serve as the hiring agent for Math Fellows and Site Managers;
- Greenleaf and Blueprint will mutually select targeted grades and students that will participate in the initiative based on school priorities; and
- Blueprint will work to build the capacity of Greenleaf school-based staff members with the intent of establishing long-term school-based support and infrastructures.

Blueprint will provide a local, on-the-ground team to prepare for and support the implementation of a quality program. In addition, Blueprint will leverage our national team to support the preparation needed for the successful continuation of the Program.

Remote Learning Contingency

In the event of Greenleaf not being fully opened at any time during the 2021-22 or 2022-23 academic years, Blueprint Math Fellows will be prepared to provide full-time remote learning that is aligned with district and school-based plans in a similar design to how we partnered with other OUSD middle schools in 2020-21. In addition, we have developed a remote learning tutoring program that incorporates the use of ALEKS, Live Number Talks, Small Group Math Instruction and access to individual 1 on 1 tutoring support. This programming option will be available to Greenleaf leaders as an additional pathway option to support students during the school year.

Strategic Planning for 2022-23 (March -August 2022)

This phase will serve to build upon the six-year existing foundation of partnership between Blueprint and OUSD. An overview of anticipated activities to be performed by Blueprint during this strategic planning phase includes:

Systems Development and Planning

Blueprint will collaborate with Greenleaf to develop schedules, systems, and processes for a successful implementation of the Program in August 2022. In order to develop these systems, Blueprint will, as needed:

- Customize Common Core-aligned curricular materials to ensure tutorial sessions complement and support Greenleaf’s curriculum and goal of Algebra 1 completion by 8th grade;
- Coordinate with Greenleaf’s administration on order fulfillment for furnishings and other materials necessary for Program implementation; and
- Collaborate with administration to identify dedicated tutorial space and communicate expectations for appropriate tutorial learning environments for 2022-23.

Recruiting and Selection

Blueprint has an experienced team and proven plan for recruiting and selecting high-quality candidates for the Fellows Program. Blueprint’s Human Capital Team identifies candidates for the Fellows Program throughout the year.

Each Math Fellow assumes a case load of up to 24 students per day. Math Fellows facilitate five to six tutorial sessions each day with three to four students in each session based upon each school's daily schedule. Site Managers supervise between two and seven Math Fellows at each site.

Blueprint recognizes that the cost of living in the Bay Area may pose challenges for Program candidates. Accordingly, Blueprint will customize and track the recruiting and selection process. Site Managers (SM) will assist in local recruiting efforts throughout the year, targeting outreach to potential candidates already living in the region. In addition, Blueprint will:

- Oversee and execute an annual recruitment strategy for the cohort of Oakland Math Fellows, which will include:
 - The creation of marketing materials and an online presence for job postings on major job boards and social media outlets;
 - Recruiting candidates at local and national colleges and universities; and
 - Conducting on-the-ground recruitment activities including career fairs and information sessions.
- Support the identification, recruitment and selection of candidates for school-based Site Managers;
- Provide orientation for District- and school-based leaders regarding Blueprint's selection process; and
- Perform the initial screening and forwarding of final Fellow candidates to SMs.

Communication

To elicit support from local partners for the Blueprint Math Fellows Program in Oakland, Blueprint will:

- Work with the District and school to develop a targeted communications plan;
- Develop and distribute principal orientation documents as necessary and co-facilitate orientation sessions to ensure leadership at selected schools is well-informed about the Program and prepared to support its implementation at the school level;
- Create appropriate communication and outreach materials to introduce and promote the Program; and
- Present the Program to school community and philanthropic partners as needed.

Partnership Development and Community Engagement

The Blueprint Math Fellows Program is strengthened by successful partnerships with District and community organizations. In order to establish meaningful partnerships in Oakland, Blueprint will:

- Collaborate and co-develop proposals with Greenleaf to pursue additional sources of funding to supplement the cost of the Blueprint Math Fellows Program;
- Leverage Blueprint’s AmeriCorps program to include Math Fellows in Oakland for the 2021-22 school year; and
- Partner with the Greenleaf to identify key organizations to connect Math Fellows and students with community resources.

Implementation (2022-23)

Implementation for this year will serve to build partnerships and lay a successful foundation for potential Program expansion as desired by Greenleaf leadership.

Professional Development and Training

Blueprint will ensure all Program-related staff are provided with comprehensive training prior to the beginning of each academic year. To ensure that Site Managers, Math Fellows and school- and District-level staff are prepared to implement the program, Blueprint will:

- Provide appropriate support and oversight to the Program throughout the school year;
- Plan and lead Site Manager Training;
- Plan and lead Blueprint Math Fellow Summer Institute; and
- Orient, train, and coordinate District points of contact on the Program, its impact, and key roles and responsibilities.

Throughout the school year, Site Managers will receive training and ongoing support and supervision from Blueprint. Accordingly, Blueprint will:

- Create and deliver professional development sessions and resources for Site Managers, which will include training on Fellow evaluation, instructional best practices, leadership and management skills, and data collection and analysis;
- Facilitate regular meetings with SMs to develop leadership skills, receive updates and targeted feedback, problem solve and build a professional network of SM teams across school sites; and
- Train SMs to provide Math Fellows with ongoing feedback, training, evaluation and monitoring support.

Program Infrastructure and Management

The Blueprint Math Fellows Program Organizational Structure outlines how Greenleaf and Blueprint teams will operate effectively and efficiently. The local Blueprint Bay Area team will oversee the planning, implementation, and monitoring of the Program in partnership with an identified Greenleaf liaison.

The following scope of the Blueprint Math Fellows Program in Greenleaf for 2022-23 is based on conversations with school leadership: Two (2) Fulltime Math Fellows serving approximately 50 students.

II. District and School Assurances

Blueprint believes that the following District and school assurances are essential for long-term success of the Math Fellows Program:

- Identify a senior level central office leader who will act as a liaison with whom Blueprint Schools can collaborate and plan for a successful implementation;
- Identify school-based representatives who may recommend final selection decisions alongside the Site Manager for Fellows. Blueprint will provide training, materials, and support as needed regarding the final selection process. Given the timing of school selection, some Fellows may already be selected for service in advance of a school-based representative being identified for this purpose; and
- Provide funding to support Fellow and Site Manager compensation and the purchase of materials, furnishings, and supplies needed to implement the Program.

III. Funding and Contingencies

To support the implementation this scope of work, the projected subsidized costs for Greenleaf for two (2) full-time Math Fellow is **\$30,000**. The total programming costs for two fulltime Fellows is a minimum of \$98,000. The Blueprint Math Fellows program at Greenleaf is subsidized by and contingent upon Blueprint receiving a grant from the Oakland Public Education Fund for the 2022-23 academic year that is used to greatly reduce the amount of funding that individual OUSD middle schools must contribute from their own school-based budgets for the program. The cost to schools is also subsidized by Blueprint’s own fundraising which includes a grant from AmeriCorps. All travel and expenses are included in this total and will not be invoiced separately to Greenleaf. This total subsidized amount of \$30,000 for Greenleaf includes:

Math Fellows Stipends and Benefits	Stipends and full medical, dental and vision benefits for 2 Math Fellows at \$28k/year, with benefits calculated at 35%. (\$75,600 actual cost)
Design, Planning and Implementation	Includes allocation of staff time to lead advance planning for program implementation and new and continuing sites, such as scheduling, selection of students, and other logistics in partnership with school principals.
Local Program Leadership and Management	Day to day operational support, includes allocations for a .25 FTE Site Manager. Benefits calculated at 35%. (\$27,000 approximate cost)

Recruitment, Screening, and Training	Includes costs of job postings, career fairs, background checks, and Human Capital staff time spent on candidate review, interviews, and reference checks to ensure candidate quality.
Blueprint Leadership and Oversight	Staff and consultant time for the provision of technical support for check-ins and formal site visits to ensure program quality and AmeriCorps program compliance. Includes required consultant and staff travel in support of this function.
Data Management and Analysis	To support ongoing data driven program quality, this category includes costs of evaluating interim assessments in consultation with program staff.
Blueprint Executive Staff	Time and support from Blueprint’s Executive Director and Director of Strategic Partnerships and Development.
Blueprint Support Costs	Standard national support costs, including required professional liability insurance, abuse and molestation insurance, commercial umbrella insurance, workers compensation insurance, technology support, finance, payroll, and human resource management.

Blueprint Funding Contribution from AmeriCorps: Blueprint has been awarded a National Direct AmeriCorps Award to help support Local Leadership and Management Costs which reduces the costs of the Math Fellows Program for Greenleaf Middle School.

IV. Contact

Blueprint believes that personalized, high dosage tutoring is a fundamental game changer for students. We share Greenleaf’s commitment to level the playing field for the many families who cannot afford private or small group tutoring on their own. We want to contribute Blueprint’s knowledge, materials, systems, and expertise to this initiative and have the capacity, skill, and experience to do so in partnership with Greenleaf families, students, teachers and administrators. Please contact Matt Spengler, Blueprint’s Founder and Executive Director, with questions regarding this document.
