Subject: Public Hearing, Report and Adoption by Board of Education
Resolution No. 1819-0102 Sufficiency of Textbooks and Instructional Materials -
School Year 2018-19

(Williams Case)

ACTION REQUESTED:

Conduct Public Hearing and, following close of hearing, adopt Resolution No. 1819-0102 – Sufficiency of Textbooks and Instructional Materials – for all schools sites as required by Education Code Section 60119 (Williams Case).

BACKGROUND:

In May 2000, the ACLU and other public interest advocates representing students across the state filed a lawsuit against the State of California, the Superintendent of Public Instruction, the State Board of Education and the California Department of Education. The basis of the lawsuit is safe and decent school facilities, instructional materials, and qualified teachers.

The Instructional Materials Process for the 2018-19 school year is as follows:

1. **Ordering of Instructional Materials:** All instructional materials were ordered based upon 2017-18 enrollment projections, designated schools' responses to Textbook Services inquiries, and

2. in alignment with the one-on-one meetings with Instructional Materials staff. The schedule for the ordering and delivery of instructional materials:

Materials ordered by	Program	Shipped to sites
July 9	Math Expressions consumables	August-Sept 2018
July 15	Words Their Way consumables	August-Sept 2018
July 9	Handwriting Without Tears consumables	August-Sept 2018
July 15	Open Up Math kits and consumables	August-Sept 2018
July 25	Pearson History Books	August-Sept 2018
July 15	Adelante/Advanced Dual Language Books	August-Sept 2018
July 27	Next Generation FOSS kits	August-Sept 2018
July 9	ECM World Language books	August-Sept 2018
July 15	National Geographic Newcomer Books	August-Sept 2018
July Aug 1 -Sept. 30	Replacement purchases for Core Curriculum materials	August-Sept 2018

3. **Record Keeping:** An excel file is maintained for each order that indicates materials and quantities ordered. Each file is updated after orders are placed. Order files are available upon request. In addition, for the purpose of accountability and maintaining an accurate and current warehouse inventory, individual school instructional material requests are on file. This includes information each time sites pick up materials from the warehouse.
4. **Instructional Material Survey:** Principals met with the Instructional Materials staff to complete the Instructional Materials Survey.
5. **Site Leader Meetings:** Teaching & Learning textbook management and staff convened site leader meetings with Williams schools principals from March - June. Non-Williams school principals were invited and encouraged to meet as well. The purpose of these meetings was to review the following:
- Review of site-specific Williams Survey
 - Review of site-specific data about what has been ordered to date
 - Review of updated Projected Enrollment Data
 - Discussion: Additional needs
6. **Instructional Materials Request Forms:** Beginning in August, principals informed Academics and Instructional Innovation staff of additional textbook needs based upon additional enrollment or lost/damaged materials. Principals submitted an instructional materials request form which indicated the number of additional materials needed.

7. **Principal Training for Williams' Schools:** Alameda County Office of Education staff providing training in August for Principals and staff at Williams' schools about how to prepare for the upcoming Alameda County Office of Education Williams Textbook Audit.
8. **MOCK-audit:** Central office staff members from Teaching & Learning and Network Offices conducted mock-audits at all Williams' school sites.
9. **On-Call Support:** Staff in Teaching & Learning and the Network Offices worked with Teaching & Learning to ensure that Principals had on-call, one-to-one support throughout the Williams Process.
10. **Email Reminders:** Principals were sent email reminders regularly about Williams' deadlines and updates.

DISCUSSION:

The results of the survey to this date show that all schools have a sufficiency of textbooks and/or instructional materials required by SB 550. The survey will be completed on September 27, 2018.

FISCAL IMPACT:

For Fiscal Year 2018-19, the working budget for textbooks/instructional materials is as follows:

Budget	Working Budget	Expenditures as of September 12, 2018
Lottery	\$1,771,712.00	\$1,753,788.02

RECOMMENDATION:

Conduct Public Hearing and, following close of hearing, adopt No. 1819-0102 – Sufficiency of Textbooks and Instructional Materials – for all schools sites as required by Education Code Section 60119 (Williams Case).
